EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2016-2017 One Year Action Plan is a component of the Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process, and after comments have been received, the County will prepare and submit the final 2016-2017 One Year Action Plan of the 2014-2019 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2016.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2016-17 HUD appropriations are: \$7,637,386 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$1,701,737 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and

\$628,928 for the Emergency Solutions Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 117 proposals for the 2016-17 CDBG funding totaling \$9,835,592. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Emergency Solutions Grant Program requests totaled \$1,303,374. HOME program proposals include: HOME New Construction (\$638,151); HOME Direct Ownership (\$638,151); HOME/CHDO Set-Aside (\$255,262); and HOME administration (\$170,173). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs (\$1,744,819).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.
