- 4. Authorize the Assistant County Executive Officer/EDA or designee to sign the attached Application for Federal Assistance (SF-424) and related Federal certifications for the CDBG, HOME, and ESG programs, as set forth in the 2016-2017 One Year Action Plan;
- Authorize the Chairman of the Board to execute the Community Development Block Grant (CDBG) Funding Approval Agreement (form HUD-7082), the Home Investment Partnership Act (HOME) Funding Approval Agreement (form HUD-40093), and the Emergency Solutions Grant (ESG) FY 2016 Local Government Grant Agreement for programs set forth in the 2016-2017 One Year Action Plan, subject to approval as to form by County Counsel;
- 6. Authorize the Assistant County Executive Officer/EDA or his designee to execute, subject to approval as to form by County Counsel, CDBG Sponsor's Agreements, CDBG Supplemental Agreements, and ESG Agreements, by and between the County and the sub-recipients, in accordance with the approved 2016-2017 One-Year Action Plan; and
- 7. Authorize the Assistant County Executive Officer/EDA, or designee, to execute all nonsubstantial amendments to the 2016-2017 One Year Action Plan pursuant to the Citizen Participation Plan, subject to approval by County Counsel.

#### BACKGROUND: Summary

To receive Community Planning and Development (CPD) funds, the County of Riverside as an Urban County grantee must develop a One Year Action Plan (OYAP) for housing and community development activities and submit applications for Federal Assistance (SF-424) and related Federal certifications for the CDBG, HOME, and ESG programs to the U.S. Department of Housing and Urban Development (HUD). The County of Riverside Economic Development Agency (EDA), as lead agency, prepares the OYAP pursuant to the goals outlined in the 2014-2019 Five-Year Consolidated Plan (CP).

The OYAP details the activities to be undertaken by the County using funds received during the 2016-2017 program year from the Community Development Block Grant (CDBG) program, HOME Investment Partnerships Program (HOME), and Emergency Solutions Grant (ESG) program, plus anticipated program income. The County's 2016-2017 HUD CPD allocation totals \$10,236,080; this includes \$7,731,823 for CDBG; \$1,854,915 for HOME; and \$649,342 for ESG.

As a planning document, the program goals and objectives identified in the OYAP focus on local housing and community development needs with an emphasis on lower-income residents and provide strategies for addressing the identified needs. A copy of the proposed 2015-2016 One Year Action Plan is attached.

**FORM 11:** Public Hearing and Adoption of the 2016-2017 One Year Action Plan of the County's 2014-2019 Five-Year Consolidated Plan for HUD Community Planning and Development Funding and Related Actions, All Districts, [\$0]; Project is Exempt Under CEQA **DATE:** April 14, 2016 **PAGE:** 3 of 4

#### BACKGROUND:

Summary (Continued)

On March 8, 2016, a public hearing was held before the County Board of Supervisors (BOS) to hear public comments regarding the proposed uses for the 2016-2017 HUD-funded CPD programs and which would best address the identified community development needs in the 2014-2019 Five-Year CP. Representatives from twenty-four organizations made presentations seeking CDBG and/or ESG funds. Three other organizations submitted their presentations in writing.

The 2016-2017 final draft One Year Action Plan was made available for public review and comment beginning March 25, 2016. Interested persons were able to submit written, oral, or electronically sent comments until 4:00 PM on April 25, 2015. Comments, if any, will be included in the final 2016-2017 One-Year Action Plan. A copy of the Public Notice is attached.

Pursuant to the California Environmental Quality Act (CEQA), the approval and adoption of the 2016-2017 One Year Action Plan and submittal of the applications to HUD for funding under the three entitlement programs and related activities were reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines Section 15061(b)(3), General Rule or "Common Sense" exemption. It can be seen with certainty that there is no possibility that the proposed project may have a significant effect on the environment as it will only have administrative effects and will not lead to any direct or indirect physical environmental impacts. The individual activities and projects identified in the 2016-2017 One Year Action Plan will be subject to a separate CEQA environmental review prior to taking any choice limiting action or discretionary action on those specific projects. A Notice of Exemption will be filed by County staff with the County Clerk within five days of the approval and adoption of the 2016-2017 One Year Action Plan.

Furthermore, the approval and adoption of the 2016-2017 One Year Action Plan and submittal of the applications to HUD for funding under the three entitlement programs and related activities were reviewed and determined to be exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to Title 24 Code of Federal Regulations Sections 58.34 (a)(1) and (a)(3) since the proposed project is an administrative and planning/strategy activity. The individual activities and projects identified in the 2016-2017 One Year Action Plan will be subject to separate NEPA environmental review prior to taking any choice limiting action or discretionary action on those specific projects.

The attached 2016-2017 One-Year Action Plan, Application for Federal Assistance (SF-424), and Federal certifications have been approved as to form by County Counsel.

Staff recommend the following: (i) approval and adoption of the proposed 2016-2017 One Year Action Plan and authorization to formally submit the plan to HUD, and (ii) authorization to formally submit the application for Federal Assistance (Standard Form 424) together with the required certifications and project descriptions to HUD. If approved and adopted, the 2016-2017 One Year Action Plan will be available for viewing online and at various locations throughout the County.

#### Impact on Citizens and Businesses

The CPD funds, together with other resources, will be used to provide County residents with a more suitable living environment through safer, livable neighborhoods; increased housing opportunities; homelessness prevention and shelter; reinvestment in deteriorating neighborhoods; and expanded economic opportunities through more jobs paying self-sufficiency wages.

**Grant Agreement:** This Grant Agreement between the Department of Housing and Urban Development (HUD) and the above named Grantee is made pursuant to the authority of Title I of the Housing and Community Development Act of 1974, as amended, (42 USC 5301 et seq.). The Grantee's submissions for Title I assistance, the HUD regulations at 24 CFR Part 570 (as now in effect and as may be amended from time to time), and this Funding Approval, including any special conditions, constitute part of the Agreement. Subject to the provisions of this Grant Agreement, HUD will make the funding assistance specified here available to the Grantee upon execution of the Agreement by the parties. The funding assistance specified in the Funding Approval may be used to pay costs incurred after the date specified in item 4 above provided the activities to which such costs are related are carried out in compliance with all applicable requirements. Pre-agreement costs may not be paid with funding assistance specified here unless they are authorized in HUD regulations or approved by waiver and listed in the special conditions to the Funding Approval. The Grantee agrees to assume all of the responsibilities for environmental review, decision making, and actions, as specified and required in regulations issued by the Secretary pursuant to Section 104(g) of Title I and published in 24 CFR Part 58. The Grantee further acknowledges its responsibility for adherence to the Agreement by sub-recipient entities to which it makes funding assistance hereunder available.

- (c) In addition to the conditions contained on form HUD 7082, the grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Dun and Bradstreet Data Universal Numbering System (DUNS), the System for Award Management (SAM.gov), and the Federal Funding Accountability and Transparency Act as provided in 2 CFR part 25, Universal Identifier and System for Award Management, and 2 CFR part 170, Reporting Subaward and Executive Compensation Information.
- (d) The grantee shall ensure that no CDBG funds are used to support any Federal, State, or local projects that seek to use the power of eminent domain, unless eminent domain is employed only for a public use. For the purposes of this requirement, public use shall not be construed to include economic development that primarily benefits private entities. Any use of funds for mass transit, railroad, airport, seaport or highway projects as well as utility projects which benefit or serve the general public (including energy-related, communication-related, water- related and wastewater-related infrastructure), other structures designated for use by the general public or which have other common-carrier or public-utility functions that serve the general public and are subject to regulation and oversight by the government, and projects for the removal of an immediate threat to public health and safety or brownsfield as defined in the Small Business Liability Relief and Brownsfield Revitalization Act (Public Law 107–118) shall be considered a public use for purposes of eminent domain.

#### 8. CDBG Special Conditions (cont.)

- (e) The Grantee or unit of general local government that that indirectly receives CDBG funds may not sell, trade, or otherwise transfer all or any such portion of such funds to another such entity in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under title I of the Act.
- (f) E.O. 12372-Special Contract Condition Notwithstanding any other provision of this agreement, no funds provided under this agreement may be obligated or expended for the planning or construction of water or sewer facilities until receipt of written notification from HUD of the release of funds on completion of the review procedures required under Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs, and HUD's implementing regulations at 24 CFR Part 52. The recipient shall also complete the review procedures required under E.O. 12372 and 24 CFR Part 52 and receive written notification from HUD of the release of funds before obligating or expending any funds provided under this agreement for any new or revised activity for the planning or construction of water or sewer facilities not previously reviewed under E.O. 12372 and implementing regulations.

This Agreement between the Department of Housing and Urban Development (HUD) and the Participating Jurisdiction/Entity is made pursuant to the authority of the HOME Investment Partnerships Act (42 U.S.C. 12701 et seq.). The Participating Jurisdiction's /Entity's approved Consolidated Plan submission/Application and the HUD regulations at 24 CFR Part 92 (as is now in effect and as may be amended from time to time) and this HOME Investment Partnership Agreement, form HUD-40093, including any special conditions, constitute part of this Agreement. Subject to the provisions of this Agreement, HUD will make the funds for the Fiscal Year specified, available to the Participating Jurisdiction/Entity upon execution of this Agreement by the parties. All funds for the specified Fiscal Year provided by HUD by formula reallocation are covered by this Agreement upon execution of an amendment by HUD, without the Participating Jurisdiction's execution of the amendment or other consent. HUD's payment of funds under this Agreement is subject to the Participating Jurisdiction's/Entity's compliance with HUD's electronic funds transfer and information reporting procedures issued pursuant to 24 CFR 92.502. To the extent authorized by HUD regulations at 24 CFR Part 92, HUD may, by its execution of an amendment, deobligate funds previously awarded to the Participating Jurisdiction/Entity without the Participating Jurisdiction's/Entity's execution of the amendment or other consent. The Participating Jurisdiction/Entity agrees that funds invested in affordable housing under 24 CFR Part 92 are repayable when the housing no longer qualifies as affordable housing. Repayment shall be made as specified in 24 CFR Part 92. The Participating Jurisdiction agrees to assume all of the responsibility for environmental review, decision making, and actions, as specified and required in regulation at 24 CFR 92.352 and 24 CFR Part 58.

The Grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Universal Numbering System and System for Award Management (SAM) requirements in Appendix A to 2 CFR part 25, and the Federal Funding Accountability and Transparency Act (FFATA) in Appendix A to 2 CFR part 170.

The Period of Performance for the funding assistance shall begin on the date specified in item 12 and shall end on September 1<sup>st</sup> of the 5<sup>th</sup> fiscal year after the expiration of the period of availability for obligation. Funds remaining in the account will be cancelled and thereafter not available for obligation or expenditure for any purpose. Per 31 U.S.C. 1552. The grantee shall not incur any obligations to be paid with such assistance after the end of the Period of Performance.

#### CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

- 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
- 3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

**Consistency with plan** -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 --- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

#### **Specific CDBG Certifications**

The Entitlement Community certifies that:

**Citizen Participation** -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan --** Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

- 1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
- 2. Overall Benefit. The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) \_\_\_\_\_\_, \_\_\_\_(a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
- 3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its

#### **Specific HOME Certifications**

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

**Eligible Activities and Costs** -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

**Appropriate Financial Assistance** -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

#### **ESG** Certifications

The Emergency Solutions Grants Program Recipient certifies that:

**Major rehabilitation/conversion** – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the jurisdiction will maintain the building as a shelter for homeless individual or family after the date the building as a shelter for homeless individual or family after the completed conversion. In all other cases where ESG funds are used for renovation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the jurisdiction will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the jurisdiction serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

**Renovation** – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

**Supportive Services** – The jurisdiction will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for such individuals.

Matching Funds – The jurisdiction will obtain matching amounts required under 24 CFR 576.201.

**Confidentiality** – The jurisdiction has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

**Homeless Persons Involvement** – To the maximum extent practicable, the jurisdiction will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

**Consolidated Plan** – All activities the jurisdiction undertakes with assistance under ESG are consistent with the jurisdiction's consolidated plan.

**Discharge Policy** – The jurisdiction will establish and implement, to the maximum extent practicable and where appropriate policies and protocols for the discharge of persons from

publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

# **Executive Summary**

# AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

#### 1. Introduction

To receive Community Planning and Development (CPD) funds, an Urban County Grantee must develop a One Year Action Plan (OYAP) for housing and community development activities. The Economic Development Agency (EDA), as lead agency for the County of Riverside, prepares the OYAP pursuant to the goals outlined in the 2014 - 2019 Five-Year Consolidated Plan (CP). The OYAP details the activities to be undertaken by the County using funds received during the 2016-2017 program year from the Community Development Block Grant (CDBG) program, HOME Investment Partnerships Program (HOME), and Emergency Solutions Grant (ESG) program funds, and anticipated program income. As a planning document, the program goals and objectives identified in the OYAP focus on local housing and community development needs with an emphasis on lower-income residents. The OYAP also provides strategies for addressing the identified needs.

The 2016-2017 OYAP of the 2014-2019 Five-Year CP is guided by the three major commitments and priorities:

To provide a suitable living environment through safer, more livable neighborhoods; greater incorporation of lower-income residents throughout Riverside County communities; increased housing opportunities; and reinvestment in deteriorating neighborhoods.
To provide decent housing by preserving the affordable housing stock; increasing the availability of affordable housing; reducing discriminatory barriers; increasing the supply of supportive housing for those with special needs; and transitioning homeless persons and families into housing.

• To expand economic opportunities through employment opportunities that pay selfsufficiency wages; homeownership opportunities; development activities that promote longterm community sustainability; and the empowerment of lower-income persons to achieve self-sufficiency.

As part of the OYAP development process, and per Federal Regulation requirements, the County consulted and coordinated with various departments, housing and community service providers, other jurisdictions, and other entities with a potential interest in or knowledge of the County's housing and non-housing community development issues. The following sections discuss the methods by which the County consulted, in addition to how staff that developed and followed this citizen participation process emphasized the participation of persons of low- and moderate-income.

This 2016-2017 OYAP covers the third year of the 2014-2019 CP and identifies anticipated levels of funding for the program year, describes the geographic areas in which assistance will be directed, and provides the rationale used.

#### 2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The range of issues that currently confront the County are as diverse as its residents. This diverse population is also accompanied by very differing needs that help to identify personal, educational, employment, recreational, housing, and other goals. The County is continuously striving to balance resources to meet the CP goals by addressing critical issues in the communities such as: homelessness; failing infrastructure and community facilities; lack of various services including child care and health care; affordable housing; and chronic unemployment and under-employment. A large segment of the population continues to face challenging issues as the regional economy continues to recover.

Consistent with Federal Guidelines, the County has developed a performance measurement system that identifies performance objectives and outcomes for each of the planned activities. In order to aggregate accomplishments at a national level, HUD has recommended grantees to utilize standardized objectives and outcomes for reporting achievements.

The primary objective of the CDBG program is to develop viable urban communities. Based upon this intent, it must be determined which of the following three objectives best describe the purpose of an activity:

- Provide decent housing (DH);
- provide a suitable living environment (SL);
- and/or expand economic opportunities, principally for lower income persons (EO).

Each activity must also meet specific performance outcomes that are related to at least one of the following:

- Availability/Accessibility (1);
- Affordability (2); or
- Sustainability Promoting Livable or Viable Communities (3).

The community development needs are substantial, with many areas of overlap requiring cross-cutting, place-based solutions. The County is tasked both with determining the areas of greatest need and the areas in which community investment can have the greatest impact given the limited resources available.

The CPD funding sources that will be used to implement the objectives and outcomes of the CP are as follows:

1. Community Development Block Grant (CDBG): The primary objective of this program is to develop viable urban communities by providing decent and affordable housing, a suitable living environment, and economic opportunities, principally for persons of low- and moderate-income. The CP proposes that public facility and infrastructure funds be focused strategically on projects in low-and moderate-income neighborhoods. There is also a need, in various degrees, for services across most categories of special need. This includes seniors, at-risk youth, working parents, persons with disabilities, individuals with chronic illness, and persons with other conditions affecting their ability to function independently and productively. Potential CDBG activities include: construction or rehabilitation of public facilities and infrastructure, removal of architectural barriers, housing rehabilitation, code enforcement, economic development, and public services. The goal is to create impacts that deliver the greatest efficiencies and bring about positive changes within the community.

2. HOME Investment Partnerships Program (HOME): HOME funds are allocated for the development and rehabilitation of affordable rental and ownership housing for low-income households. Funding is used for activities that promote a suitable living environment, decent and affordable rental housing and homeownership by low income households including tenant-based rental assistance, homebuyer assistance, acquisition, rehabilitation, and new housing construction. The program allows for flexibility with respect to the types of projects to be assisted (new construction or rehabilitation), the form and amount of financing, the types of housing, and the households assisted.

3. Emergency Solutions Grant (ESG): The ESG program places greater emphasis on helping people quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. This is accomplished by providing homeless persons with basic shelter and essential supportive services to promote decent and affordable housing, a suitable living environment, and economic opportunities. ESG funds will be used for a variety of activities, including: rapid re-housing and homeless prevention activities, emergency shelter, operations and maintenance of facilities, essential supportive services, and street outreach.

#### 3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

On an annual basis, HUD reviews the performance of entitlement recipients to determine whether they are carrying out CDBG assisted activities in a timely manner. If at sixty days prior to the end of the grantee's current program year the amount of entitlement grant funds available to the recipient, under grant agreements but undistributed by the U.S. Treasury, is more than 1.5 times the entitlement grant amount for its current program year the grantee is considered to be non-compliant with HUD requirements. In an effort to make sure the county is compliant, all subrecpients and cooperating cities

are encouraged to expend their funds in a timely manner. In the event that they have not complied or adhered to their agreement terms, the County reserves the right to rescind their funding allocation.

A Consolidated Annual Performance and Evaluation Report (CAPER) is prepared and submitted to HUD, annually, to capture the progress of meeting identified needs and achieving strategies set forth in the Five-Year CP. HUD implemented this ongoing performance process to assess efficiency, cost effectiveness, and the impact of projects and programs in County neighborhoods. The CAPER contains an assessment by the County on the use of CPD funds allocated to County agencies and other sub-recipients to carry-out a variety of HUD-funded projects and activities within Riverside County. The County has been successful in implementing its public improvement and community service projects/programs as well as meeting and exceeding established goals. As a result of monitoring, performance measures, operational evaluations, and resource allocation analysis, policy questions are easier to identify and address. The County continues its commitment to meeting priority goals outlined in the 2014-2019 Five-Year CP and 2016-2017 OYAP.

Based on the needs established through the CP, the County intends to fund activities associated with housing, community development, economic development, and capital improvement projects. The majority of the funding will be used to fund projects targeting low- to moderate- income individuals and their families throughout the County, including those in special needs categories such as abused children, battered spouses, elderly persons, severely disabled adults, homeless persons, illiterate adults, and persons living with HIV/AIDS.

#### 4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Riverside County Economic Development Agency (EDA), as the entitlement grantee for the CDBG, HOME, and ESG programs, is the lead agency responsible for the development of the Five-Year CP and Annual Action Plans that outline the proposed activities and expenditures under these programs.

The EDA sought and encouraged community-wide participation in the development of the 2016-2017 OYAP through a community outreach and participation process. To foster consultation and community outreach, the EDA utilized its Citizen Participation Plan (CPP), which establishes policies and protocols for community involvement for the use of CPD funds. The County made extra efforts to actively involve and include communities with a broad representation of low- and moderate-income residents, members of minority groups, agencies involved in the provision of services to these populations, and others who are directly impacted by the programs and projects to be undertaken in the 2016-2017 OYAP.

It was determined that the most appropriate and effective methods to obtain input from a wide range of agencies, groups, organizations, residents, and other interested persons in the process of developing the 2016-2017 OYAP of the Five-Year CP would include:

- Citizen participation meetings, public notices, public hearings, consultation feedback/memorandum of participation, and internet outreach
- Comprehensive Community Needs Assessment Survey (Incorporated into the Consolidated Plan development process)
- Urban County Participating Cities

A Notification of Funding Availability (NOFA) was published in July, 2015, for the 2016-2017 CDBG, ESG, and HOME programs. From August 2015 through January 2016, the County initiated its Citizen Participation (CP) process by notifying cooperating cities, community members, and public/private sector agencies of the 2016-2017 CPD Program Year.

The principal stakeholders in the CP process are:

- 1. Residents;
- 2. Community Councils and Municipal Advisory Councils (act as the forum for communication between the County and the citizens);
- 3. The County Board of Supervisors (who must approve the Federal Grant application and all substantial reprogramming decisions);
- 4. EDA staff; and
- 5. Activity Sponsors (non-profit and public agency service providers)

During the preparation of the 2014-2019 Five-Year CP the County developed and distributed a Housing and Community Development Needs Assessment survey to the stakeholders listed above to solicit community opinions and concerns. Based on citizen participation results, the prioritization and investment decisions in the Five-Year CP serve to identify immediate and long range needs and objectives which are more specifically addressed in the current OYAP.

In the development of the 2016-2017 OYAP, the agency conducted CP Meetings throughout the County's CPD program area. Prior to the CP Meetings, a County-wide notice, in English and Spanish, was published in newspapers of general circulation and made available on the Economic Development Agency's website announcing the purpose, date, time, and location of the meetings. In addition, non-profit social service providers, special districts, and other County departments and agencies were contacted to publicize the community meetings. Citizens were invited to attend the meetings to discuss the anticipated CPD allocations; learn about the programs and services available to them; express their views on their community's housing and community development needs; prioritize community needs; and comment on prior program performance. These meeting are an essential part of the planning process for the use of CPD funds.

The County also sought assistance from the fourteen (14) cities participating in the Urban County Program and the City of Lake Elsinore-Joint Metro City. Each city was strongly encouraged to facilitate and support the participation of all residents in the assessment of community development needs by conducting public meetings and public hearings within their cities.

The County strongly supports and encourages community-wide participation, input, cooperation, and feedback from all residents of the County in the administration of its CPD-funded programs. The Citizen Participation process is necessary to ensure adequate citizen involvement in the determination of Riverside County's community needs and investment in housing, homelessness, community development, and economic development for the five-year Consolidated Plan period. The County has continued its commitment to meeting priority goals outlined in the 2014-2019 Five-Year CP and more currently in the 2016-2017 OYAP.

#### 5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

On March 8, 2016, a Public Hearing was held before the County Board of Supervisors (BOS) to hear public comments regarding the proposed uses for the 2016-2017 HUD-funded CPD programs and to determine which would best address the identified community development needs in the 2014-2019 Five-Year CP. Representatives from twenty-four (24) organizations made presentations seeking CDBG and/or ESG funds. Three (3) other organizations submitted their presentations in writing prior to the March 8, 2016 Public Hearing.

The 2016-2017 final draft One Year Action Plan was made available for public review and comment beginning March 25, 2016. Interested persons could submit written, oral, or electronically sent comments until 5:00 PM on April 25, 2016. The Board of Supervisors approved the County's 2016-2017 One Year Action Plan at the April 26, 2016 meeting. There were no comments submitted or made during the April 26, 2016 public hearing.

Refer to Appendix D, AP-05 #4, and AP10-12 for results of citizen participation and comments received.

#### 6. Summary of comments or views not accepted and the reasons for not accepting them

Pursuant to 24 CFR Part 91.220 (b), it is the policy of the County to accept and record all public comments pertaining to the 2016-2017 OYAP that are received during the posted public comment period or submitted during the public hearings. As noted in Section 5 above, all comments received for the March 8, 2016 and April 26, 2016 Public Hearings were recorded into the record during the public comment period, no comments were made during the April 26, 2016 public hearing.

#### 7. Summary

The County is committed to the effective and equitable allocation of funds that serve the needs of the lowest- income and most disadvantaged residents. Households with incomes less than 50 percent of the area median income, particularly those with extremely low-incomes (less than 30 percent of area median income), are particular priorities.

Priorities can be achieved through a combination of:

1) Decent and affordable housing;

- 2) Investment in community development activities in lower-income and deteriorating neighborhoods;
- 3) investment in programs and facilities that serve lower-income populations; and
- 4) Supportive services to maintain independence.

By focusing on these overall priorities, the County seeks to address the, 5-Year CP and One-Year OYAP, community concerns such as:

- The need for additional decent, safe, and affordable housing, and to alleviate rent burdens, and deteriorating housing stock;
- Programs that improve community facilities and services in low-income areas;
- A network of shelters, housing, and services that prevent homelessness, including rapid re- housing, homelessness prevention, permanent housing, all which coordinate with the 10-Year Plan to end chronic homelessness;
- Programs that promote economic development, create jobs, and increase the job skill level of potential employees; and
- Supportive services that increase the ability of seniors, persons with disabilities, and others with special needs to live independently.

Table 1 – Responsible Agencies

### Narrative (optional)

The lead agency responsible for the development of this OYAP is the County of Riverside Economic Development Agency (EDA), Community Services Division (CSD). Staff members from various agencies such as Housing, Economic Development, Public Social Services, Mental Health, Housing Authority, Workforce Development Center, and Fiscal participated in the research and development of the Plan. In Addition, the County consulted with the Riverside County Continuum of Care (CoC) on an on-going basis. Most of the agencies represented in the Con Plan are responsible for administering HUD funds, operating, and/or overseeing a range of activities.

In developing the OYAP the needs assessment, which was conducted for the 2014-2019 Five-Year CP, is used to identify levels of relative need regarding affordable housing, homelessness, special needs, and community development. This information was gathered through consultation with local agencies, public outreach, community meetings, and housing market analysis.

## AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

### 1. Introduction

The OYAP represents an application to HUD for entitlement funds under three entitlement programs as well as a housing and community development policy and planning document. The three HUD entitlement programs are: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG), formerly the Emergency Shelter Grant.

#### As part of the OYAP development process, the County consulted and coordinated with various

departments, housing and community service providers, other jurisdictions, and other entities with a potential interest in or knowledge of the County's housing and non-housing community development issues. The following sections discuss the methods by which the County consulted, in addition to how staff that developed and followed this citizen participation process emphasized the participation of persons of low- and moderate-income.

To foster consultation and community outreach, the EDA utilized its Citizen Participation Plan which establishes policies and protocols for comprehensive community outreach and citizen involvement for the use of CPD funds. It was determined that the most appropriate and effective methods to obtain input from residents, service providers, and other interested persons concerning community development needs, issues, and opportunities are through:

- 1. Citizen Participation Meetings, including participation at public hearings
- 2. Memorandum of request for Participation (email/US postal mail)
- 3. Comprehensive Community Needs Assessment Survey (Incorporated into the Consolidated Plan development process)
- 4. Urban County Participating Cities

# Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The Urban County compiled an outreach list consisting of various public agencies/entities and service providers that the County consulted with including the following:

- -Nonprofit service providers that cater to the needs of low and moderate income households and persons with special needs, including persons with disabilities;
- -Affordable housing providers;
- -Homeless Service Providers;
- -Other units of local government;
- -Public agencies (such as school districts, health services, public works); and
- -Economic development and employment organizations; and Community groups.

These groups and other specific agencies were invited to participate in the Urban County's consultation process. A Needs Assessment questionnaire was used to help confirm priorities set in the Five-Year CP. In the development of the 2016-2017 OYAP, citizen participation included public hearings, a memorandum of request for participation, and public meetings held throughout the County in diverse communities, where participants were asked to discuss and prioritize the needs in their neighborhoods.

The County continues to work in consultation and coordination with a wide-range of public and private agencies, local jurisdictions, housing developers and providers, social service agencies, and community residents in the development and implementation of strategies identified in this Plan. In particular, staff regularly attends regional planning meetings and works on a continual basis with the County of Riverside Department of Mental Health and Department of Public Social Services, the Housing Authority of the County of Riverside, the Riverside Homeless Care Network, housing partners networks, and many others to coordinate joint efforts relating to homeless issues, affordable housing needs and conditions, special need populations, and community development activities.

The Housing Authority and Homeless Services Division will continue the following activities in FY 2016/17:

- Participate in the Riverside County Continuum of Care and its subcommittees and Riverside Homeless Plan subcommittees to identify solutions to ending homelessness in the County by improving and increasing availability of services for homeless individuals or individuals that are at-risk of becoming homeless.
- Continue to work with housing developers/sponsors to create affordable housing.
- Continue to attend the Riverside County Housing and Homeless Coalition meetings to evaluate our community's needs and set priorities to ending homelessness.
- Continue to apply for available funds that specifically help the homeless in obtaining affordable permanent housing.

Annual Action Plan 2016

11

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The County of Riverside Department of Public Social Services (DPSS) serves as the lead agency and grantee for the county's HUD Continuum of Care (CoC) program. DPSS interacts with individuals on many levels, thereby impacting their daily lives through child care, education, employment, training, health and human services, homelessness, and housing. The current CoC Program resulted from the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH), which consolidated the three separate McKinney-Vento homeless assistance programs (Supportive Housing Program, Shelter Plus Care Program, and Section 8 moderate Rehabilitation SRO Program) into a single grant program. The CoC program is designed to promote community-wide planning and strategic use of resources to: address homelessness; improve coordination and integration with mainstream resources and other programs targeted to people experiencing homelessness; improve data collection and performance measurement; and allow each community to design programs to the particular strengths and challenges within the community. Cross-program coordination is required to plan for and provide, as necessary, a system of strategies to address the various needs of homeless *persons and persons at risk of homelessness*.

The goal of DPSS is to facilitate a unified CoC whose role is to coordinate homeless efforts and is capable of meeting the varied needs of the County's homeless residents while at the same time establishing policies and procedures for such. The objective of reducing homelessness is promoted throughout the County by encouraging support from a wide-range of community stakeholders including businesses, community service groups, formerly homeless individuals, local government, neighborhood groups, non-profit organizations, and private foundations.

The CoC seeks to improve coordination and integration with mainstream resources and other community programs for people who are experiencing or are at-risk of becoming homeless. The CoC meets on a regular basis, sharing information about services among participating agencies and setting funding priorities and policies. This provides collaboration between providers of housing and homeless assistance programs and other federal programs. The County ESG program requires coordination with the CoC and communication among participating agencies to meet the needs of the population and subpopulation experiencing homelessness within the geographic area of Riverside County. Aspects of the 2016-2017 OYAP development process and implementation of project objectives was a result of meeting and collaborating with the CoC as well as with other agencies and organizations that serve Riverside County residents. These meetings helped identify priority needs and the level of need for various coordinated housing and homeless efforts in the County. EDA will continue to consult with the CoC where necessary to address

the needs of the homeless populations. To ensure the effective and efficient provision of housing and services to homeless individuals and families, the development of the 2016-2017 OYAP included active citizen participation as described in the Citizen Participation section. This joint effort has worked successfully in the past, and EDA pledges to continue and support this type of collaboration in the future. **(Continued in Appendix E)** 

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS:

The ESG program requires coordination among participating agencies and the CoC. All ESG funded subrecipients of the County are experienced homeless providers with a demonstrated track record in fiscal management and the provision of housing and supportive services targeted to the homeless. ESG funded agencies must participate in the CoC. The CoC has over 100 members including homelessness assistance providers, veteran service representatives, victim service providers, Public Housing Agency, Mental Health Agency, formerly homeless individuals, and government organizations. The CoC meets on a regular basis, sharing information about services among participating agencies and setting funding priorities and policies for homeless.

Written standards were developed in conjunction with the CoC, ESG recipients (Riverside County (EDA), City of Riverside, and the City of Moreno Valley), and service providers to allow for input on the standards and the process of full implementation.

Based on standards and goals of the local CoC and in accordance with Title 24 of the Code of Federal Regulations (24 CFR) Part 578, the Riverside County, EDA standards apply to all projects that receive Riverside County, ESG funding and are intended as basic minimum standards to which sub-recipients can make additions and more stringent standards applicable to their own projects. These standards have been updated (Board approved 3/29/16) and are included in the 2016-2017 OYAP, Appendix G.

The Riverside County EDA, the ESG recipient, consulted with the CoC to discuss the allocation of ESG funds in ways that:

- Coordinate across regional entitlement jurisdictions by developing and utilizing standardized eligibility and assessment tools;
- Support federal and local goals for priority populations;
- Allow for variations in the program design that responds to the needs and resources of the jurisdiction; and

Annual Action Plan 2016 13

• Comply with eligibility and verification requirements (HMIS, housing status, homeless definitions, etc.)

County and subrecipients work with the CoC to ensure the screening, assessment, and referral of program participants is consistent with the standards. Performance standards are used to evaluate the outcome of project goals and objectives of the program. This allows better coordination with other service providers and provides integration with other programs targeted to homeless people in the area covered by the CoC. The 10-Year Plan to end Homelessness provides a strategic, community-wide system to prevent and end homelessness in Riverside County.

Policies and procedures for the administration of HMIS are as follows:

- The HEARTH Act makes HMIS participation a statutory requirement for ESG grantees and sub-recipients. EDA and its sub-recipients work with the CoC to ensure the screening, assessment, and referral of Program participants are consistent with the written standards.
- Designate one or more representatives to serve on the HMIS Administrator's Council, the Council is responsible for overseeing the coordinated implementation of HMIS in Riverside County. The Council meets to evaluate the progress of implementation, identify and resolve problems, update policies and procedures, and to review HMIS data quality and compliance with HUD reporting requirements.
- Ensure participating agencies and users receive collaborative-approved training and maintain a process to gather and address issues from users.
- Verify that accurate data on all persons served and all activities assisted under ESG are entered into the community-wide HMIS.
- Establish a process to review, analyze and report key performance outcome measures on a regular basis.
- Access HUD required reports directly from HMIS.
- Compare HMIS reports to provider data and confirm all providers have corrected inaccurate data before reporting deadline.
- Using HMIS data, review preventing and ending homelessness results to evaluate the performance toward achieving outcomes in the plan.

### Narrative (optional)

The County's program covers the unincorporated areas, participating cities, and one Joint/Metropolitan City. The County initiated its Citizen Participation (CP) process by notifying cities, community members, public/private sector agencies and departments, and those that may have an interest in the CDBG/ESG programs, to participate in the OYAP process through the Notice of Funding Availability (NOFA) process. In an effort to broaden public participation, the agency conducted Citizen Participation Public Meetings throughout the County's CPD program area. These communities are representative of the unincorporated communities in the County with concentrations of low/moderate income households, minority households, excessive poverty rates, and other community development needs.

Organizations were consulted on an individual and group basis, as well as part of public meetings and through written correspondence.

## AP-12 Participation – 91.105, 91.200(c)

### 1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

As required by HUD, regulation 24 CFR 91.105, the County complies with the Citizen Participation (CP) process to ensure adequate citizen involvement in the determination of community needs and investment in housing, homelessness, community development, and economic development. The County's approved Citizen Participation Plan (CPP) outlines the policies and procedures that were followed to encourage community outreach and community-wide participation in the development of the 2016-2017 OYAP. The CP process is explicitly designed to accommodate and encourage participation by low- and moderate-income residents, residents of low- and moderate-income neighborhoods, minority groups, persons with limited English skills, and persons with disabilities. Bilingual interpretation and accommodation services and assistance for those with disabilities are provided upon request. For this reason many of our public notices, including notifications of CPD funding cycles and CP meetings, are published in both English and Spanish.

It was determined that the most appropriate and effective methods to obtain input from residents, service providers, and other interested persons concerning community development needs, issues, and opportunities are through internet outreach, CP meetings, public notices, public hearings, consultation feedback requests, memorandum of participation, and through the Urban County Participating Cities. Persons unable to participate in any aspect of the CP process were invited to provide input and/or submit comments to the County.

The County conducted CP Meetings in selected unincorporated areas to interested agencies and residents to provide an overview of HUD programs, obtain information on community needs and priorities, ask for community input regarding current unmet needs, comment on prior program performance and/or concerns, and obtain input regarding spending plans and priorities for the upcoming program year.

The County also conducted extensive outreach by informing prior subrecipients and local agencies of the opportunity to apply for 2016-2017 funding by using the online application system available on the County's EDA website. Outreach included a public notice of funding availability (NOFA) including application instructions, an informational postcard sent to prior and interested applicants, and a letter to all cities participating in the County's Urban County Program to contact organizations/city residents potentially interested in applying for city funding. Technical assistance was available and provided during the August 25, 2015 through October 30, 2015 online application acceptance period.

In order to broaden public participation even further, EDA contacted non-profit social service providers, special districts, and other County departments and agencies to respond to a consultation feedback and/or memorandum of participation request. Previously, during the preparation of the Five-Year CP, the County developed and distributed, in English and Spanish, a comprehensive Housing and Community Development Needs Assessment survey for residents, service providers, and other stakeholders to solicit community opinions and concerns. The survey incorporated general needs categories and various subcategories. Respondents were asked to rate each using high, medium, low, or no-need. The survey provided residents the opportunity to identify community needs that could be addressed through CPD programs over the next five years as well as assign priority among these needs, including the need of providing services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons. Priority needs that were established as a result of this survey continue to be addressed in the current OYAP.

The prioritization and investment decisions are a result of these collective efforts and served to identify immediate and long range needs and objectives.

### **Expected Resources**

### AP-15 Expected Resources – 91.220(c) (1, 2)

#### Introduction

In order to receive CPD funding, the County must develop and submit a Consolidated Plan every five years and One Year Action Plan for each of the five years to the U.S. Department of Housing and Urban Development (HUD). The County of Riverside anticipates receiving an annual allocation of CDBG, HOME, and ESG funds from HUD over the next five years for activities that provide decent housing, suitable living environments, and expanded economic opportunities for its residents. These funds are intended to help meet priority needs identified throughout the County. Detailed information on the 2016-2017 resources the County expects to receive and the activities to be undertaken in to meet the priority needs are identified in the OYAP. The County anticipates receiving approximately \$10,236,080 in CPD funding for the 2016-2017 program year. The anticipated HUD-CPD appropriations are: \$7,731,823 CDBG program funds, including Lake Elsinore (Metro City); \$1,854,915 HOME program funds, including the Community Housing Development Organizations (CHDO); and \$649,342 ESG program funds. Included in the COUNTY allocation is a separate CDBG allocation of \$454,335, for the City of Lake Elsinore, a Joint Metro City/Urban County participant, which is received from HUD on an annual basis.

One of the main obstacles to meeting community needs is a lack of resources. As with most of the established priority goals, the needs far outweigh available funding sources; which are not sufficient to address all of the needs of low- and moderate-income persons or special needs residents in the County's CPD program area. CDBG regulations do not require a funding match; however, the County strongly encourages leveraging of CDBG funds. In the participating cities, CDBG funds are matched with other resources such as general funds and other local funding sources. The leveraging of public and private funds is also critical to the success of HOME projects that support local affordable housing construction and rehabilitation.

It is very clear that given the extent and magnitude of the need for affordable housing, community facilities and infrastructure, public service programs, and other community and economic development projects in Riverside County, it is imperative that the limited resources made available through the CPD programs be leveraged with other resources. It is hopeful that as the nation and State of California continue to move out of the effects of the recession and begin to experience economic growth and easing of national, state and local budget constraints, we may begin to see greater availability of funding sources. Even under these circumstances, the County strives to make progress in implementing its public improvement and community service projects and programs with the goal of meeting objectives established in the 2014-2019 Five-Year CP and 2016-2017 and OYAP.

The following section summarizes the major sources of funding available to carry out housing and community development activities in the Urban County, and specifically identifies the County's third year and projected funding levels over the five year plan period for formula grant programs (CDBG, HOME, and ESG). Funds are available from the following categories:

Table 5 - Expected Resources – Priority Table

# Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

As in the past, the County and cooperating cities have been as creative as possible to find other additional sources of funding in order to develop and deliver efficient and cost effective projects. CDBG, HOME, and ESG funded activities will be leveraged, as required and whenever possible, by other Federal and/or governmental support for their specific type of services. The County will comply with applicable federal regulations for the matching requirements for the HOME and ESG programs. The match for both programs is reported annually in the Consolidated Annual Performance and Evaluation Reporting (CAPER).

Emergency Solutions Grant-The Emergency Solutions Grant program has a mandatory "matching grant" requirement for sub recipients. It is anticipated that the County will leverage or "match" more than seven times its ESG allocation with Federal, State, and private resources. Affordable Housing- HOME Program regulations require a twenty-five percent (25%) non-Federal match for every HOME dollar expended. Funds set-aside for program administration and for Community Housing Development Organization (CHDO) technical assistance/capacity building is exempt from this matching requirement. The match must be met by the end of the Federal fiscal year in which the expenditure occurred. This requirement is not project-specific but rather program-wide.

The County expects to leverage CPD funds with the following funding sources to assist in accomplishing the goals of the Five Year Consolidated Plan:

• The County of Riverside DPSS is the County CoC Collaborative Applicant and lead agency. In this capacity, DPSS is able to effectively leverage additional federal and state funds and in-kind support, including mainstream public assistance programs with a minimum of 150% leveraging as mandated by HUD for CoC Program funds These resources are also leveraged through each of the 9 sub recipients. The HUD CoC Consolidated Application for CoC Programs 2015-16 Tier 1 award amount is \$8,711,433. (HUD 2015 Tier 2 award announcement pending Spring 2016). The committed leveraging amount is \$15,027,234 which reflects a minimum 150% in leverage per project; however, a combined leverage amount of \$22,208,585 was actually submitted as leverage collectively by all of the projects. The resources leveraged are committed through the CoC subrecipient collaborations and partnerships and include mainstream resources that homeless clients are linked to, such as supportive services, case management, employment, life skills training, education, etc. These partnerships have been established through the annual CoC Consolidated Application and CoC network program activities.

• Section 8 the Housing Authority receives an annual allocation to administer the Housing Choice Voucher Program (also known as Section 8) authorized by the U.S. Housing Act of 1937. The Section 8 program provides permanent rental subsidies in the form of vouchers for use in the private rental market thereby making market rate housing affordable to extremely low and low income families. The Section 8 program has the added benefit of providing income to local landlords who participate in the program which strengthens the local rental market.

• The leveraging of public and private funds is critical to the success of HOME projects. In order to provide sufficient financial support, most HOME projects require layered funding. The following is a list of some of the possible funding sources that may be used in conjunction with HOME funds: Limited Partner Tax Credit Equity; California Housing Finance Agency (CalHFA) funds; California Department of Housing and Community Development Multifamily Housing Program (MHP) funds; Federal Home Loan Bank Affordable Housing Program (AHP) funds; and U.S. Department of Agriculture California Department of Housing and Community Development Farm Worker Housing Grant Program.

# If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

When CA redevelopment agencies were dissolved, the Housing Authority of the County of Riverside (HACR) was designated as the successor agency for the former redevelopment agencies housing functions. The HACR assumed the former Redevelopment Agency for the County of Riverside and former Coachella Redevelopment Agency assets, which included 104 vacant parcels scattered throughout the County. Some of these properties are located in areas of low-income populations, the HACR has been in the process of strategically planning how to best develop these properties. If planned well, development of these properties will have a positive impact on these areas, by providing housing and other services that these areas lack.

#### Discussion

The amount of resources available to address social, community, and economic development goals pale in comparison to the recognized needs. To address this obstacle, the County strongly encourages its own agencies as well as cooperating cities and other sub-recipients to seek other resources, forge new partnerships and collaborates, and to leverage additional funding whenever possible from local, State, Federal, and private sources.

Two of the Federally-funded programs, HOME and ESG, both have matching fund requirements – HOME 25%, ESG 100%. These regulatory matching requirements ensure the efficient use of the Federal funds through leveraging. The CDBG regulations do not require a funding match for the program; however, the County strongly encourages leveraging of CDBG funds and gives priority consideration in the evaluation of proposed activities that leverage other funding. Acceptable leveraging can be in the form of land; other Federal, State, or local government assistance; donations; private resources; or other subsidized financing.

The leveraging of public and private funds is critical to the success of HOME projects. In order to provide sufficient financial support, most HOME projects require layered funding. As the nation and the State of California move out of the effects of the recession and begin to experience economic growth and easing of national, state and local budget constraints, the jurisdiction may begin to see greater availability of housing funds to support local affordable housing construction and rehabilitation.

It is very clear that given the extent and magnitude of the need for housing, as well as other community and economic development needs in Riverside County, it is imperative that the limited resources made available through the federal programs be leveraged with other resources. Many of the most successful affordable housing projects, community facilities, and public service programs use extensive leveraging.

		In FY 2016-2017, the County will allocate funds in this category to Community Enhancement activities and programs
		including, group-coordinated community events and adult/youth illegal dump-site community events, as well as direct costs
		associated with providing information on health and safety ordinances and Community Revitalization and sustainability
		programs.
4	Goal Name	Public Facility/Infrastructure - SL-1
	Goal	Public facility investments can increase access to support services and lead to better coordination among service providers.
	Description	Objectives established in FY 2016-2017 to meet priority needs include: Provide or expand public facilities and community
		centers, to include those that serve special needs, such as senior centers, handicapped Centers, park and recreation
		facilities, child care centers, neighborhood facilities, and facilities for AIDS patients; Develop multi-agency, multi-service centers to deliver services more efficiently and effectively.
		The primary objective of the proposed improvements in FY 2016-2017 are to maintain quality and adequate infrastructure,
		and ensure access for the mobility impaired. Objectives established to meet priority needs include: Construct, improve, or replace infrastructure such as curbs, gutters, sidewalks, sidewalk repairs to increase safety and access in lower-income
		neighborhood, and increase community access through ADA improvements. Projects will also include senior centers, handicapped centers, neighborhood/recreational facilities, parks, and water pipeline replacement.
		The primary objective of these public facility and infrastructure activities is to provide a suitable living environment to meet the specific performance outcome of availability/accessibility.

5	Goal Name	Public Facility/Infrastructure - SL-3
	Goal	Public facility/infrastructure investments can provide or expand public facilities and activities that sustain a suitable living
	Description	environment.
		Objectives established for FY 2016-2017 to meet priority needs include: Improve or replace public facilities/infrastructure
		such as local sidewalks, rehabilitate or construct community parks/community centers, rehabilitate senior centers, and
		public safety improvements.
		The primary objective of these public facility and infrastructure activities is to provide a suitable living environment to meet
		the specific performance outcome of sustainability/promoting livable or viable communities.
7	Goal Name	Code Enforcement
	Goal	The County will conduct enhanced code enforcement activities in FY 2016-2017 in targeted unincorporated areas. The
	Description	purpose of code enforcement is to enhance public safety and the quality of life, through fair enforcement of laws and codes,
		in partnership with communities, as well as, private and publically-funded improvements, rehabilitation, and other services.
		The CDBG-funded code enforcement will target dangerous and substandard structures, zoning violations, and other health
		and safety issues.
8	Goal Name	Economic Development
	Goal	Economic Development in FY 2016-2017 will be funded to provide assistance to micro-enterprises. Assistance to businesses
	Description	may include financial assistance, technical assistance, or general support services to expand economic growth and job
		creation in the county.
9	Goal Name	Rehabilitation - DH-2
	Goal	In FY 2016-2017, CDBG funds will be used in low-moderate income areas that exhibit determinable signs of physical
	Description	deterioration. The Home Enhancement Program will provide exterior home improvements for seniors, individuals with
		disabilities, and low-income households. The interior lead paint abatement for residential homes or rental properties built
		before 1978, with children under six years of age, or a pregnant woman living at the home may be eligible for grant-funded
		lead testing, lead abatement, and may include the installation of new windows, doors, and siding.
		The primary objective of these homeless activities is to provide decent housing to meet the specific performance outcome
		of affordability of these improvements.

10	Goal Name	Homelessness - SL-1
	Goal	Homelessness activities provide services exclusively to persons who are homeless or at risk of homelessness. The primary
	Description	objective of these homeless activities is to provide a suitable living environment to meet the specific performance outcome
		of availability/accessibility.
		In FY 2016-2017, the County will allocate funds in this category to emergency/transitional shelters and outreach services.
11	Goal Name	Homelessness - DH-2
	Goal	Homelessness activities provide services exclusively to persons who are homeless or at risk of homelessness. The primary
	Description	objective of these homeless activities is to provide decent housing to meet the specific performance outcome of
		affordability.
		In FY 2016-2017, the County will allocate funds in this category to rapid re-housing and homelessness prevention.
12	Goal Name	Fair Housing
	Goal	Elements of the Fair Housing program in FY 2016-2017 will include a community outreach program to various groups, anti-
	Description	discrimination, landlord/tenant services, education-outreach activities, training/technical assistance, and enforcement-
		complaint screening. The overall objective of the program is to provide a vital range of "no-cost" fair housing services to
		eligible clientele throughout the County's Urban County program areas that are victimized and affected by illegal housing
		practices.
13	Goal Name	Administration
	Goal	The County strongly supports and encourages community-wide participation, input, cooperation, and feedback from all
	Description	residents of the County in the administration of its CPD-funded programs. In FY 2016-2017 the County will use a
		percentage of the County's allocations for the management and administration of the three (3) CPD- funded programs
		(CDBG-20%, HOME-10%, ESG-7.5% of annual grant allocations) and a negotiated percentage of the CDBG Joint Metro-City
		program allocation to oversee the city's program. Funds will be used for staffing, overhead, coordination, monitoring, and
		evaluation of the programs. A portion of the CDBG administrative allocation will be used for Fair Housing (F.H.)
		administrative activities.
14	Goal Name	Shelter the Homeless - TBRA
	Goal	The County of Riverside plans to shelter the homeless through the Tenant Based Rental Assistance Program. In FY 2016-
	Description	2017, the County does not plan to allocate additional funds in this category because existing funding from previous years is
		available.

15	Goal Name	First Time Homebuyer Assistance
	Goal	HOME funds will be used for direct homeownership assistance to eligible households through the First-Time Home Buyers
	Description	Assistance (FTHB) Program. FTHB provides down-payment assistance to persons meeting the income requirements.
16	Goal Name	Improve the Conditions of Substandard Housing
	Goal	The County of Riverside plans to Improve the Conditions of Substandard housing. In FY 2016-2017, the County did not
	Description	allocate funds in this category.
17	Goal Name	Expand the Affordable Rental Housing Stock
	Goal	The County of Riverside will expand the affordable housing rental stock with the use of HOME funds.
	Description	
18	Goal Name	CHDO Set Aside
	Goal	Per HUD HOME Regulations the County of Riverside will set aside 15% of the HOME allocation to qualified Community
	Description	Housing and Development Organizations.

**Table 7 – Goal Descriptions** 

# Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

Using targets listed on the 2014-2019 Five-Year CP yields:

- Extremely low income: 8 units, 100% of which assisted with HOME
- Very low income: 8 units, 100% of which assisted with HOME
- Low income: 49 units, 100% of which assisted with HOME
- Moderate and above moderate: 0 units, 0% of which assisted with HOME

### AP-35 Projects - 91.220(d)

#### Introduction

HUD requires a consolidated planning process for CDBG, HOME, and ESG programs. This process consolidates multiple grant application requirements into a single submission. The OYAP outlines proposed strategies for the expenditure of the CDBG, HOME, and ESG funds for the purpose of providing a suitable living environment through safer, more livable neighborhoods and greater participation of lower-income residents throughout the County. The OYAP also outlines how the expenditure of federal funds will increase housing opportunities by stabilizing affordable housing stock; increase the availability of affordable housing; reduce discriminatory barriers; increase supply of supportive housing for those with special needs; and transition homeless persons into housing. In addition, the OYAP identifies strategies to expand economic opportunities through: employment opportunities that pay self-sufficiency wages; homeownership opportunities; development activities that stimulate long-term community stability; and the emphasis of lower-income persons to achieve self-sufficiency. For FY 2016-2017, the County anticipates a combined CDBG, HOME, and ESG allocation of \$10,236,080.

In FY 2016-2017, the County will receive an estimated \$7,731,823 (includes \$454,335 City of Lake Elsinore-metro city allocation) in CDBG funds. CDBG funds will be used for public services, public improvements, public facilities, economic development, fair housing, housing rehabilitation, and code enforcement. Federal regulations impose a 15% maximum cap on funding to be expended for public service activities and administrative costs are limited to 20% of the total CDBG funding and program income received.

In FY 2016-2017, the County will receive an estimated \$1,854,915 in HOME Program funds. Administrative costs are limited to 10% of the annual HOME allocation and program income received. Federal regulations require a minimum of 15% of each year's HOME allocation to be set-aside for projects sponsored by Community Housing and Development Organizations (CHDOs).

The County will also receive, in FY 2016-2017, an estimated \$649,342 in ESG funds. The County will allocate the ESG funds to programs or activities including: emergency/transitional shelter, homelessness prevention, rapid re-housing, outreach, and a maximum of 7.5 % of the total ESG allocation to administrative activities.

There is no "carryover" of CDBG funds from previous program years to FY 2016-17. CDBG program income (PI) is allocated as it is receipted into IDIS. The County anticipates that the amount of program income to be received in FY 2016-2017 from prior year investments will be \$74,398 in CDBG and \$224,397 in HOME; however, the estimated PI has not been allocated to specific projects in the 2016-2017 OYAP.

Below are the proposed 2016-2017 OYAP Projects. Detailed descriptions of the projects, table 3c's, can be found in Appendix I, in addition to proposed back-up projects the County will consider funding in 2016-2017.

## Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The primary objective of the County's CPD programs is the development of viable urban communities by providing decent, safe, and sanitary housing, and expanding economic opportunities principally for persons of low and moderate-income. The mission of meeting and addressing these community, social, and economic development needs of low-income persons and their communities is of paramount importance to the County. Unfortunately, there are barriers and challenges that hinder the development and implementation of important programs intended to serve those most in need.

Riverside County is geographically very large: Many of the targeted lower-income communities are located in remote rural areas, in the suburban fringe, and within large urban settings. Within these areas some of the most important steps in addressing obstacles to community development is identification and evaluation. In Riverside County, obstacles for CPD-funded activities include language and culture, location and geography, limited resources, and program restrictions and regulations. Currently the primary obstacle to meeting all of the identified needs, including those identified as priorities, is the general lack of funding resources available to public and private agencies that serve the needs of low-and moderate-income residents. As noted previously, the amount of resources available to address social, community, and economic development goals pale in comparison to the recognized needs. To address this obstacle, the County strongly encourages its own agencies as well as cooperating cities and other sub-recipients to seek other resources, build new partnerships and collaboratives, and to leverage additional funding whenever possible from local, State, Federal, and private sources. The County urges CPD-funded programs and services to be flexible, while at the same time to be as efficient and effective as possible to achieve expected performance outcomes.

	Estimate the number and	Twenty Five (25)
	type of families that will	
	benefit from the proposed	
	activities	
	Location Description	Countywide
	Planned Activities	This program provides down payment assistance as a silent-second loan in the amount of up to twenty percent (20%) of the purchase price. If the property is no longer maintained as the principal residence of the buyer or is sold prior to the end of the fifteen (15) year affordability period, all County funds invested in the property must be repaid. Otherwise, the loan is converted to a grant after the affordability period. In lieu of the published 2016 HUD maximum purchase price limits and pursuant to 24 CFR §92.254 (a)(2)(iii), EDA has determined the maximum purchase price limits using 95 percent of the current median area purchase price of the types of single family housing for Riverside County. This information is attached and the following maximum purchase price limits will be implemented: \$308,750 for new and existing single family residence, \$232,750 for new and existing condominium unit, and \$208,050 for new manufactured housing.
