NOTICE OF EXEMPTION

March 1, 2016

Project Name: County of Riverside, Economic Development Agency (EDA) Department of Mental Health, Second Amendment to Lease – Cathedral City, County of Riverside

Project Number: FM042163000800

Project Location: 68-615A Perez Road, Suites 3, 4, 5, 6 & 7, east of Cathedral Canyon Drive, Cathedral City, California 92234; APN 687-330-024; (See Attached Exhibit)

Description of Project: The County of Riverside (County) Department of Mental Health currently occupies 9,00 square feet of office space located at 68-615A Perez Road, Suites 3, 4, 5, 6, and 7 in Cathedral City, California. The Department of Mental Health is now under the jurisdiction of the Riverside University Health System Behavioral Health (RUHS-BH). The RUHS-BH is seeking to extend its lease and incorporate tenant improvements, including the relocation of doors and new locksets, painting, and carpet and vinyl composition tile replacement. Tenant improvements are to be implemented at the sole expense of the landlord, T W Investments and are more specifically described in Exhibit I to the Second Amendment to the Lease Agreement. The Second Amendment to the Lease Agreement and minor interior alterations which include is identified as the proposed Project under the California Environmental Quality Act (CEQA). The Second Amendment to the Lease Agreement consists of a three-year extension term, with a 2.5 percent annual increase. The Second Amendment to the Lease Agreement will commence on April 1, 2016 and terminate on March 31, 2019. The use of the facility by RUHS-BH would continue, consistent with the existing land use. The operation of the facility will continue to provide services and will not result in an expansion of existing use. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: County of Riverside, Economic Development Agency

Name of Person or Agency Carrying Out Project: County of Riverside, Economic Development Agency, and T W Investments

Exempt Status: State CEQA Guidelines, Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5 and 19, Sections 15061 and 15300 to 15301.

Reasons Why Project is Exempt: The proposed Project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project will not cause an impact to an environmental resource of hazardous or critical concern nor does the Project have unusual circumstances that could possibility have a significant effect on the environment. The Project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the Second Amendment to the Lease Agreement.

- Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The Project, as proposed, is limited to a Lease Agreement to an existing facility, in which changes are limited to interior alterations. The use of the facility by RUHS-BH would be consistent with the current land use, and would not require any expansion of public services and facilities; therefore, the Project is exempt as the Project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Project may have a significant effect on the environment. The proposed Second Amendment to the Lease Agreement is limited a contractual transaction and indirect effects would be limited to existing use of an office building. The Lease Agreement will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will not differ from the existing use and will not create any new environmental impacts to the surrounding area. No impacts beyond the minor interior alterations and continued use of the facility would occur. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed is exempt under CEQA. No further environmental analysis is warranted.
