DATE: May 5, 2016

PAGE: 2 of 2

BACKGROUND:

Summary

On March 15, 2016, the Board of Supervisors (Board) rejected all bids on Bid Package 010 for the Electrical and Low Voltage Trade due to a protest and discrepancies in the bid specifications, approved the revised plans and specifications, and authorized Vanir Construction Management, Inc. to re-bid that portion of the work.

On April 7, 2016, a total of five bids were received. The bids were reviewed for conformance with the bid requirements, and it was found that the first low bid by Advanced Electrical failed to sign the non-collusion affidavit per the bid instructions and was therefore non-responsive per the terms of the bid package. The Bid Instructions paragraph nine provided "Bidders shall submit the Non-collusion Declaration with their Bids. Bids submitted without the Non-collusion Declaration shall be deemed non-responsive and will not be considered." The second low bid by Enterprise Electric failed to sign the bid form and made changes to the bid documents without authenticating the changes per the bid instructions, and therefore was found to be non-responsive. The Bid Instructions, paragraph 12 provided in pertinent part, "County reserves the right to reject any Bid containing Erasures, Deletions, Inconsistent or Illegible Bids. The bid submitted must not contain any erasures, interlineations, or other corrections unless each such correction creates no inconsistency and is suitable authenticated by affixing in the margin immediately opposite the correction the signature or signatures of the person or persons signing the bid." The third low bid by RDM was found to be in compliance with the bid package and constituted a proper basis for award of a contract.

The Economic Development Agency recommends that the Board find the low bids by Advanced Electrical and Enterprise Electric non-responsive and award Bid Package 010 for the Electrical and Low Voltage Trade to RDM in the amount of \$1,598,000.

Impact on Citizens and Businesses

Construction of the new juvenile courtrooms will offer improved courtroom access to county residents as well as reduce costs for the transportation of minors to the courtrooms.

Additional Fiscal Information:

On April 26, 2016 (M.O. 3-15), the Board approved an adjustment to the project budget in the amount of \$14,918,061, therefore the low bid by RDM is within budget. All costs associated with this action will be expended in FY 2016/17 and will be 100% funded by existing ECDC Bond Proceeds, therefore, no departmental budget adjustment is required at this time.

PERFORMANCE BOND
(100% of Contract Price)

(Note: Bidders must use this form, NOT a surety company form.)

KNOW ALL PERSONS BY THESE PRESENTS:

WHEREAS, the governing board ("Board") for the County of Riverside, ("County") and RDM Electric Co., Inc. ("Principal") have entered into a contract for the furnishing of all materials and labor, services and transportation, necessary, convenient, and proper to perform the following project:

Southwest Justice Center Juvenile Courts Relocation Project (Project Name)

("Contract") which Contract dated _____, 20____, and all of the Contract Documents attached to or forming a part of the Contract, are hereby referred to and made a part hereof; and

WHEREAS, said Principal is required under the terms of the Contract and by California Public Contract Code section 20129(b) to furnish a bond for the faithful performance of the Contract.

NOW, THEREFORE, we, the Principal, and The Hanover Insurance Company ("Surety"), an admitted surety insurer pursuant to code of Civil Procedure, Section 995.120, are held and firmly bound unto the County in the penal sum of One Million Five Hundred Ninety Eight Thousand and 00/100 DOLLARS (\$ 1,598,000.00), lawful money of the United States, for the payment of which sum well and truly to be made we bind ourselves, our heirs, executors, administrators, successors, and assigns jointly and severally, firmly by these presents, to:

- Perform all the work required to complete the Project; and
- Pay to the County all damages the County incurs as a result of the Principal's failure to perform all the Work required to complete the Project.

The condition of the obligation is such that, if the above bounden Principal, his or its heirs, executors, administrators, successors, or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions, and agreements in the Contract and any alteration thereof made as therein provided, on his or its part to be kept and performed at the time and in the intent and meaning, including all contractual guarantees and warranties of materials and workmanship, and shall indemnify and save harmless the County, its trustees, officers and agents, as therein stipulated, then this obligation shall become null and void, otherwise it shall be and remain in full force and virtue.

As a condition precedent to the satisfactory completion of the Contract, the above obligation shall hold good for a period equal to the warranty and/or guarantee period of the Contract, during which time Surety's obligation shall continue if Contractor shall fail to make full, complete, and satisfactory repair and replacements and totally protect the County from loss or damage resulting from or caused by defective materials or faulty workmanship. The obligations of Surety hereunder shall continue so long as any obligation of Contractor remains. Nothing herein shall limit the County's rights or the Contractor or Surety's obligations under the Contract, law or equity, including, but not limited to, California Code of Civil Procedure section 337.15.

Whenever Principal shall be, and is declared by County to be, in default under the Contract, the Surety shall promptly either remedy the default, or, if the Contract is terminated by County or the Principal's performance of the Work is discontinued, Surety shall promptly complete the Contract through its agents or independent contractors, subject to acceptance of such agents or independent contractors by County as hereinafter set forth, in accordance with its terms and conditions and to pay and perform all obligations of Principal under the Contract (including, without limitation, all obligations with respect to payment of liquidated damages) subject to the penal amount of this bond as set forth above.

If County determines that completion of the Contract by Surety or its agents or independent contractors must be performed by a lowest responsible bidder selected pursuant to a competitive bidding process, then Surety shall comply with such processes in accordance with the requirements of County and applicable laws. Unless otherwise approved by County, in the exercise of its sole and absolute discretion, Surety shall not utilize Principal in completing performance of the Work.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the contract or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligation on this bond, and it does hereby waive notice of any such change, extension of time, alteration, or addition to the terms of the Contract or to the work or to the specifications.

Surety's obligations hereunder are independent of the obligations of any other surety for the performance of the Contract, and suit may be brought against Surety and such other sureties, joint and severally, or against any one or more of them or against less than all of them, without impairing County's rights against the others.

IN WITNESS WHEREOF, two (2) identical counterparts of this instrument, each of which shall for all purposes be deemed an original thereof, have been duly executed by the Principal and Surety above named, on the 27th day of April, 2016.

This Drug-Free Workplace Certification form is required from the successful Bidder pursuant to Government Code section 8350 et seq., the Drug-Free Workplace Act of 1990 ("Act"). The Drug-Free Workplace Act of 1990 requires that every person or organization awarded a contract or grant for the procurement of any property or service from any state agency must certify that it will provide a drug-free workplace by doing certain specified acts. The County is not a "state agency" as defined in the applicable section(s) of the Government Code, but the County is a local agency under California law and requires all contractors on County projects to comply with the provisions and requirements of Government Code section 8350 et seq., the Drug-Free Workplace Act of 1990.

Bidder shall certify that it will provide a drug-free workplace by doing all of the following:

I, the undersigned, agree to fulfill the terms and requirements of Government Code section 8355 listed above and will publish a statement notifying employees concerning (a) the prohibition of controlled substance at the workplace, (b) establishing a drug-free awareness program, and (c) requiring that each employee engaged in the performance of the Contract be given a copy of the statement required by section 8355(a), and requiring that the employee agree to abide by the terms of that statement.

I also understand that if the County determines that I have either (a) made a false certification herein, or (b) violated this certification by failing to carry out the requirements of section 8355, that the Contract awarded herein is subject to termination, suspension of payments, or both. I further understand that, should I violate the terms of the Drug-Free Workplace Act of 1990, I may be subject to debarment in accordance with the requirements of the aforementioned Act.
