BACKGROUND:

Summary

In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the April 29, 2014 public auction sale. The deed conveying title to the purchasers at the auction was recorded June 20, 2014. Further, as required by Section 4676 of the California Revenue and Taxation Code, notice of the right to claim excess proceeds was given on July 16, 2014, to parties of interest as defined in Section 4675 of said code. Parties of interest have been determined by an examination of lot book reports as well as Assessor's and Recorder's records, and various research methods were used to obtain current mailing addresses for these parties of interest.

RECOMMENDED MOTION:

2. Deny the claim from Minnie Brown;
3. Authorize and direct the Auditor-Controller to issue a warrant to All-Mobile Bail Bonds in the amount of \$21,796.67, no sooner than ninety days from the date of this order, unless an appeal has been filed in Superior Court, pursuant to the California Revenue and Taxation Code Section 4675;
4. Authorize and direct the Treasurer-Tax Collector to transfer the unclaimed excess proceeds in the amount of \$7,432.58 to the county general fund pursuant to Revenue and Taxation Code Section 4674.

BACKGROUND:

Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any parties of interest.
- Used Accurant (people finder) to notify any new addresses that may be listed for our parties of interest.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 20, 2014.

The Treasurer-Tax Collector has received two claims for excess proceeds:

1. Claim from All-Mobile Bail Bonds based on a Trust Deed and Note Securing Bail Bond recorded December 12, 2005 as Instrument No. 2005-1022688.
2. Claim from Minnie Brown based on an Abstract of Judgment recorded March 21, 2008 as Instrument No. 2008-0139584.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that All-Mobile Bail Bonds be awarded excess proceeds in the amount of \$21,796.67. The claim for Minnie Brown be denied because the lien filed is not associated with our last assessee. Since there are no other claimants the unclaimed excess proceeds in the amount of \$7,432.58 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimants by certified mail.

Impact on Citizens and Businesses

Excess proceeds are being released to the Deed of Trust holder and transferred to the county general fund.

RE: Claim for Excess Proceeds

Dear Sir or Madam,

Enclosed please find our completed claim for excess proceeds subsequent to the tax sale of property located at 27190 Jarvis St., Perris, California, TC No. 200, Item 132, Assessment No. 349371008-3.

The assessees, Stanley and Raenna Brown, guaranteed a \$95,000 bail bond for defendant Douglas Osbourne on December 11, 2005. Osbourne made a single payment of \$200 on March 1, 2006 toward the \$9500 bail bond premium charged. On March 9, 2006 the Browns asked that the defendant be surrendered back to the custody of the court due to concerns that he might skip bail. A private investigator was retained and paid a \$500 fee to perform the requested surrender.

Interest has accrued at the rate of 10% per annum on the account since the anniversary of the last payment made on March 1, 2006. The account balance as of April 29, 2014 was \$21,796.67.

Please call with any questions or comments. Thank you in advance for your time and attention to this matter.

Respectfully,

Terry Tenwick, Co-Owner

TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR AGREES:

1. To pay to Beneficiary, upon request, in addition to payments specifically required hereunder and under any note secured hereby, in installments, at the times and in the amounts requested by Beneficiary, sums which when cumulated will be sufficient to pay one month prior to the time the same become delinquent, all taxes, assessments and insurance premiums. If such sums exceed the amount so required, the excess may be released or held by Beneficiary to apply on subsequent payments of the same nature, but if such sums are insufficient, Trustor agrees to pay any deficiency on demand. If Trustor shall default under this deed Beneficiary may apply all or any part of said funds then held on any obligation secured hereby.
2. Properly to care for and keep the property in good condition and repair and to keep all buildings thereon free from visible active termites, fungi or dry rot infestation; not to remove, alter or demolish any building or improvement thereon; to complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged, or destroyed thereon, and pay when due all costs incurred therefor, and, if the loan secured hereby, or any part thereof, is for the purpose of financing construction of improvements on said property, to complete the same in accordance with plans and specifications satisfactory to Beneficiary; to allow Beneficiary to inspect said property at all times during construction; to replace any work or materials unsatisfactory to Beneficiary, within fifteen (15) calendar days after written notice from Beneficiary of such fact, which notice may be given to Trustor by registered mail sent to his last known address or by personal service; that work shall not cease on the construction of such improvements for any reason whatsoever for a period of fifteen (15) calendar days, not to commit or permit waste of the property; to comply with all laws, covenants, conditions and restrictions affecting the property; if said land be agricultural, properly to harvest and care for crops growing thereon and farm the property in a proper and husbandlike manner.
That, the Trustee, upon presentation to it of a statement in writing signed by Beneficiary, setting forth facts showing a default by Trustor under this numbered paragraph, is authorized to accept as true and conclusive all facts and statements therein and to act thereon hereunder.
3. To at all times provide, maintain in force and deliver to Beneficiary fire and such other insurance as may be required by Beneficiary in an amount satisfactory to and with loss payable to said Beneficiary; said insurance policies shall be in form and content and in such companies as may be satisfactory to the Beneficiary, and shall be delivered to and remain in possession of Beneficiary as further security for the faithful performance of these trusts. If said insurance policies have not been delivered to the Beneficiary thirty (30) days before the expiration of any of the said insurance, with evidence of the premium having been paid, the Beneficiary shall have the right, but is not obligated to obtain said insurance on behalf of the Trustor and pay the premium thereon. The amount collected under any fire or other insurance policy may be applied by Beneficiary to any indebtedness secured hereby and in such order as Beneficiary may determine or at option of Beneficiary, the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. Neither the Trustor nor Beneficiary shall be responsible for such insurance or for the collection of any insurance monies or for any insolvency of any insurer or insurance underwriter. Any and all unexpired insurance shall inure to the benefit of and pass to the purchaser of the property conveyed hereby at any Trustee's sale held hereunder.
4. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee for all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this deed.
5. To pay at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.
6. That, should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof. Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto, and exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.
7. To pay immediately and without demand all sums so expended by Beneficiary or Trustee, interest from date of expenditure at the rate provided in said Note; and to pay for any Beneficiary's written statement, regarding the obligation secured hereby, no more than allowed by law at the time such statement is requested by Trustor, his legal representative or escrow agent.
8. Any award of damages in connection with any condemnation for public use or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such monies received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.
9. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.
10. Any sale, trade, exchange, conveyance or encumbrance of said property or any interest of part thereof, or change of occupancy thereof, without the written consent of the Beneficiary herein named, or its successors or assigns, shall give such Beneficiary, or its successors or assigns, the right to declare the then full unpaid balance of said note due and payable.
11. At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and all Notes secured hereby, for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may upon payment of its fees: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.
12. That upon written request of Beneficiary, stating that all secured hereby have been paid, and upon surrender of This Deed and the Note or Notes it secures to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters of fact shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." Five (5) years after issuance of such full reconveyance, Trustee may destroy said note and this Deed, unless directed in such request to retain them.
13. Upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder. Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice of Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, any Note or Notes and all documents evidencing expenditures or obligations secured hereby. The Trustee, upon presentation to it by Beneficiary of a written declaration of default and demand for sale, is authorized to accept as true and conclusive all facts and statements therein and to act thereon hereunder. After the lapse of such time as may be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which the property, if consisting of several known lots or parcels, shall be sold) at public auction to the highest bidder for cash in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property of public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters or facts shall be conclusive proof of the truthfulness thereof. Any person including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the rate provided in said note; all other sums then secured hereby, and the remainder, if any, to the person or persons legally entitled thereto, upon proof of claim satisfactory to Trustee.
14. The Beneficiary or his successor in interest shall have the right to substitute a Trustee or Trustees in the place and stead of the within Trustee or any substituted Trustee by complying with the laws of the State recorded in providing therefor and upon the recording in the office of the County Recorder of said County an acknowledgment by the Trustee, acting at the date thereof, of the receipt of a copy of such substitution. It shall be the duty of any Trustee to make such acknowledgment when so requested upon presentation of the Deed and said note for endorsement and upon payment to it of an amount equal to the amount the Trustee would then charge for a Full Reconveyance.
15. This Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall include not only the original Beneficiary hereunder but also any future owner and holder, including pledgees, of the Note or Notes secured hereby. The term Trustor shall include not only the original Trustor hereunder but also any successor in interest to the Trustor and all future record owners of the property described herein. In this Deed whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.
16. Trustee accepts the Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

SUR () BAIL BOND INDEMNITY AGREEMENT
Bankers Insurance Company

#3

The undersigned, called "First Party," make application to ALL-MOBILE BAIL BONDS called "Second Party," for the execution by Bankers Insurance Company, a corporation called "Surety" of a Bail undertaking herein referred to as "Bail-Bond" in the penal amount of \$ 97,500.00 for DOUGLAS A. OSBORNE called "Principal," and in consideration of Second Party arranging for execution of continuance of this Bail Bond, First Party does jointly and severally agree as follows:

FIRST: To pay Second Party \$ 9750.00 per annum for this Bail Bond. The premium is fully earned upon the release of Principal. The fact that Defendant may have been improperly arrested, or his bail reduced or his case dismissed, shall not obligate the return of any portion of said premium. This Bond is renewable each year. First Party agrees to pay to Second Party a renewal premium in the amount stated above, twelve months after the date on which this Bond was executed. If said renewal premium is not paid upon written demand therefore, Second Party or Surety has the right to surrender Principal, as provided in the California Penal Code, Section 1300, and exonerate the Bond.

SECOND: To reimburse Second Party and Surety for actual expenses incurred by Second Party or Surety in connection with the arranging and/or execution of Bail Bond or any renewal or substitution thereof whether or not said Principal refuses to be released after arrangements have been initiated by Second Party, in accordance with the regulations of the Insurance Commissioner in effect at the time such expenses are incurred.

THIRD: To reimburse Second Party and Surety for actual expenses incurred and caused by a breach by the Principal of any of the terms for which the application and Bail Bond were written not in excess of the penal amount of the Bail Bond including all expenses or liabilities incurred as a result of searching for, recapturing or returning Principal to custody, incurred by Second Party or Surety or as necessary in apprehending or endeavoring to apprehend Principal, including legal fees incurred by Second Party or Surety in making application to a court for an order to vacate or to set aside the order of forfeiture or Summary Judgment entered thereon. However, no expenses or liabilities incurred for recapturing or returning Principal to custody shall be chargeable after the entry of Summary Judgment.

FOURTH: To pay the Second Party or Surety, in the event that it is necessary for them to institute suit for a breach of this agreement, a reasonable attorney's fee which shall, in no event, be less than sum of twenty-five dollars (\$25.00).

FIFTH: To pay Second Party or Surety as collateral upon demand, the penal amount of Bail Bond whenever Second Party or Surety, as a result of information concealed or misrepresented by the First Party or Principal or other reasonable cause, any one of which was material to hazard assumed, deems payment necessary to protect the Second Party or Surety hereunder. Where, as a result of judicial action, bail has been increased, and no collateral or insufficient collateral, in the sole discretion of Second Party or Surety, is furnished to indemnify against such increase in the bail, Second Party or Surety may demand such collateral as will indemnify them against such increased bail.

SIXTH: To pay Second Party or Surety immediately upon demand after entry of Summary Judgment, pursuant to California Penal Code, Section 1306.

SEVENTH: To aid Second Party or Surety in securing release or exoneration of Second Party or Surety from all liability under Bail Bond, including the surrender of Principal to Court should Second Party or Surety deem such action advisable.

EIGHTH: That all money or other property which the First Party has deposited or may deposit with the Second Party or the Surety may be applied as collateral security or indemnity for matters contained herein, and to accomplish the purposes contained herein, the Second Party and/or Surety is authorized to lawfully levy upon said collateral in the manner provided by law and to apply the proceeds therefrom and any and all money deposited to payment or reimbursement for the herein above liabilities, losses, costs, damages and expenses. If collateral received by Second Party is in excess of the bail forfeited, such excess shall be returned to the depositor immediately upon the application of the collateral to the forfeiture, subject to any claim of Second Party and Surety for unpaid Premium or the hereinabove charges.

NINTH: Second Party or Surety shall not surrender Principal to custody prior to the time specified in the Bail Bond for the appearance of the Principal, or prior to any occasion when the presence of the Principal in Court is lawfully required, without returning all premium paid therefor, unless as a result of judicial action, information concealed or misrepresented by the Principal, or other reasonable cause, any one of which was material to the hazard assumed, the hazard was substantially increased and the additional premium, if any, for such increased hazard was not paid within a reasonable time.

TENTH: The obligations hereunder are joint and several and any amounts due shall bear interest at the maximum rate of interest allowed by law. The Second Party and the Surety shall not be first obliged to proceed against the Principal on Bail Bond before having recourse against the First Party or any one of them. The First Party hereby expressly waiving the benefits of law requiring the Second Party or the Surety to make claim upon or to proceed or enforce its remedies against the Principal before making demand upon or proceeding and/or enforcing its remedies against any one or more of the First Party.

ELEVENTH: In making application for Bail Bond, each of us warrants all statements made by him or her on this application to be true, and we agree to advise Second Party or Surety of any change, including but not limited to change of address or employment of either the Principal of any of the First Party, or any other material change in circumstances, within forty-eight (48) hours after knowledge such change shall have occurred, and the First Party agrees that any failure to so notify shall be reasonable cause for the immediate surrender of the Principal.

TWELFTH: The undersigned agree that these obligations apply to all other Bail Bonds executed for the same charge for which the above mentioned Bail Bond was executed, or any charge arising out of the same transaction, regardless of whether said Bail Bonds are filed before or after conviction, but not in a greater amount.

IN WITNESS WHEREOF, the First Party whose names are subscribed to the Bail Agreement executed herewith each represents. I have read the Bail Agreement and I know the contents thereof; that I hereby acknowledge receipt of a copy of said Bail Agreement, that I am the true and lawful owner of the property, whether real or personal, which is set forth in the Application for Bail (which Application is made a part hereof by reference as though herein fully set forth) is my property and that I own such property free and clear of all liens or encumbrances except as so noted, and I further promise not to transfer or encumber any of said property until my liability on said Bail Agreement has been released. I understand the Second Party and/or Surety is permitting the said bail to remain in force upon reliance of the statements made by me and I do hereby

this 11 day of DEC., 2005 set my hand.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
