BACKGROUND:

Summary (continued)

The City of Eastvale desires to continue contracting for Fire Protection Services with the Riverside County Fire Department, and as such, the two agencies have reached an agreement as to the level of service to be provided to the City. There were no changes in the Agreements level of staffing since the previous signed Agreement in FY 13/14. The term of this agreement is July 1, 2016 through June 30, 2018. The total estimated contract revenue will be received annually to cover the full contract costs. The FY 16/17 is estimated at \$3,299,903 and subject to increase and/or decrease based on fiscal year end reconciliation of support services with actual costs to be adjusted on the 4th Quarter Invoice sent out in August following the fiscal year close.

The City of Eastvale approved the agreement on April 27, 2016.

The agreement has been reviewed and approved as to form by County Counsel.

Impact on Citizens and Businesses

There are no changes in the Agreement; therefore, there will be no impact on businesses or citizens of the City of Eastvale due to the renewal of this agreement. However, the language in the Agreement does state that the City may request an increase or decrease of employees or services assigned to the City with one hundred twenty (120) day written notice to the County. All requests for changes will be evaluated by the designated Chief Officer and/or County Fire Chief to ensure that the levels of service provided to the Community are at or above the minimum standard requirements. Any concerns will be discussed with the City Representative.

SUPPLEMENTAL:

Additional Fiscal

Fire estimates receiving \$3,299,903 for FY 16/17 and \$3,478,300 for FY 17/18 in revenue. This contract has no general fund impact.

Contract History and Price Reasonableness

The City of Eastvale has been contracting for Riverside County Fire Service since 2011. The estimated contract increase from the previous Exhibit A amendment is 4.60%. This increase is due to various rate increases from the State Cooperative Agreement and the County cost increases. There were no changes in the Agreements level of staffing since the previous signed Agreement in FY 13/14.

**A COOPERATIVE AGREEMENT
TO PROVIDE FIRE PROTECTION, FIRE PREVENTION, RESCUE
AND MEDICAL EMERGENCY SERVICES FOR THE CITY OF EASTVALE**

THIS AGREEMENT, made and entered into this 7th day of June, 2016, by and between the County of Riverside, a political subdivision of the State of California, on behalf of the Fire Department, (hereinafter referred to as "COUNTY") and the City of Eastvale a duly created city, (hereinafter referred to as "CITY"), whereby it is agreed as follows:

SECTION I: PURPOSE

The purpose of this Agreement is to arrange for COUNTY, through its Cooperative Fire Programs Fire Protection Reimbursement Agreement ("CAL FIRE Agreement") with the California Department of Forestry and Fire Protection ("CAL FIRE") to provide CITY with fire protection, disaster preparedness and response, fire prevention, rescue, hazardous materials mitigation, technical rescue response, medical emergency services, and public service assists (hereinafter called "Fire Services"). This Agreement is entered into pursuant to the authority granted by Government Code Sections §55600 et seq., and will provide a unified, cooperative, integrated, and effective fire services system. COUNTY's ability to perform under this Agreement is subject to the terms and conditions of the CAL FIRE Agreement.

SECTION II: DESIGNATION OF FIRE CHIEF

A. The County Fire Chief appointed by the Board of Supervisors, or his designee, (hereinafter referred to as "Chief") shall represent COUNTY and CITY during the period of this Agreement and Chief shall, under the supervision and direction of the County Board of Supervisors, have charge of the organization described in Exhibit "A", attached hereto and made a part hereof, for the purpose of providing Fire Services as deemed necessary to satisfy the needs of both the COUNTY and CITY, except upon those lands wherein other agencies of government have responsibility for the same or similar Fire Services.

B. The COUNTY will assign an existing Chief Officer as the Fire Department Liaison ("Fire Liaison"). The Chief may delegate certain authority to the Fire Liaison, as the Chief's duly authorized designee and the Fire Liaison shall be responsible for directing the Fire Services provided to CITY as set forth in Exhibit "A".

C. COUNTY will be allowed flexibility in the assignment of available personnel and equipment in order to provide the Fire Services as agreed upon herein.

SECTION III: PAYMENT FOR SERVICES

A. CITY shall annually appropriate a fiscal year budget to support the Fire Services designated at a level of service mutually agreed upon by both parties and as set forth in Exhibit "A" for the term of this Agreement. This Exhibit may be amended in writing by mutual agreement by both parties or when a CITY requested increase or reduction in services is approved by COUNTY.

B. COUNTY provides fire personnel, equipment and services through its CAL FIRE Agreement. In the event CITY desires an increase or decrease in CAL FIRE or COUNTY civil service employees or services assigned to CITY as provided for in Exhibit "A," CITY shall provide one hundred twenty (120) days written notice of the proposed, requested increase or decrease. Proper notification shall include the following: (1) The total amount of increase or decrease; (2) The effective date of the increase or decrease; and (3) The number of employees, by classification, affected by the proposed increase or decrease. If such notice is not provided, CITY shall reimburse COUNTY for relocation costs incurred by COUNTY because of the increase or decrease, in addition to any other remedies available resulting from the increase or decrease in services. COUNTY is under no obligation to approve any requested increase or decrease, and it is expressly understood by the parties that in no event will COUNTY authorize or approve CITY's request to reduce services below the COUNTY Board of Supervisors approved staffing level for any fire station, or to reduce services to the extent that the services provided under this Agreement are borne by other jurisdictions. COUNTY shall render a written decision on whether to allow or deny the increase or decrease within thirty (30) _days of the notice provided pursuant to this section.

C. CITY shall pay COUNTY actual costs for Fire Services pursuant to this Agreement. COUNTY shall make a claim to CITY for the actual cost of contracted services, pursuant to Exhibit "A," on a quarterly basis. The COUNTY is mandated per Government Code Section §51350 for full cost recovery. CITY shall pay each claim, in full, within thirty (30) days after receipt thereof.

D. Any changes to the salaries or expenses set forth in Exhibit "A" made necessary by action of the Legislature, CAL FIRE, or any other public agency with authority to direct changes in the level of salaries or expenses, shall be paid from the funds represented as set forth in Exhibit "A." The CITY is obligated to expend or appropriate any sum in excess of Exhibit "A" increased by action of the Legislature, CAL FIRE, or any other public agency with authority to direct changes. If within thirty (30) days after notice, in writing, from COUNTY to CITY that the actual cost of maintaining the services specified in Exhibit "A" as a result of action by the Legislature, CAL-FIRE, or other public agency will exceed the total amount specified therein, and CITY has not agreed to make available the necessary additional funds, COUNTY shall have the right to unilaterally reduce the services furnished under this Agreement by an appropriate amount and shall promptly notify CITY, in writing, specifying the services to be reduced. Any COUNTY or CAL-FIRE personnel reduction resulting solely due to an increase in employee salaries or expenses

occurring after signing this Agreement and set forth in Exhibit "A" that CITY does not agree to fund, as described above, shall not be subject to relocation expense reimbursement by CITY. If CITY desires to add funds to the total included herein to cover the cost of increased salaries or services necessitated by actions described in this paragraph, such increase shall be accomplished by an additional appropriation by the City Council of CITY, and an amendment to Exhibit "A" approved by the parties hereto.

E. Chief may be authorized to negotiate and execute any amendments to Exhibit "A" of this Agreement on behalf of COUNTY as authorized by the Board of Supervisors. CITY shall designate a "Contract Administrator" who shall, under the supervision and direction of CITY, be authorized to execute amendments to Exhibit "A" on behalf of CITY.

F. _____ [] (Check only if applicable, and please initial to acknowledge) Additional terms as set forth in the attached Exhibit "B" are incorporated herein and shall additionally apply to this agreement regarding payment of services.

G. _____ [x] (Check only if applicable, and please initial to acknowledge) Additional terms as set forth in the attached Exhibit "C" are incorporated herein and shall additionally apply to this agreement regarding payment for the Fire Engine Use Agreement.

H. Notwithstanding Paragraph F herein if applicable, additional terms as set forth are incorporated herein and shall additionally apply to this agreement regarding payment of services. In the event that a fire engine, owned and maintained by the CITY has a catastrophic failure, the COUNTY Fire Chief may allow use of a COUNTY fire engine, free of charge up to one hundred twenty (120) days. After the initial one hundred twenty (120) days, a rental fee will be applied to the CITY invoice for use of said COUNTY fire engine. The rental fee shall be Nine Hundred Forty Four Dollars (\$944.00) per day; or Six Thousand Six Hundred Eight Dollars (\$6,608.00) per week.

SECTION IV: INITIAL TERM AND AMENDMENT

A. The term of this Agreement shall be from July 1, 2016, to June 30, 2018.

B. One (1) year prior to the date of expiration of this Agreement, CITY shall give COUNTY written notice of whether CITY intends to enter into a new Agreement with COUNTY for Fire Services and, if so, whether CITY intends to request a change in the level of Fire Services provided under this Agreement.

COUNTY, in seeking said reimbursement pursuant to such request of CITY, shall represent the CITY by following the procedures set forth in Health and Safety Code Section 13052. Any recovery of CITY costs, less actual expenses, shall be paid or credited to the CITY, as directed by CITY.

In all such instances, COUNTY shall give timely notice of the possible application of Health and Safety Code Sections 13051 and 3054 to the officer designated by CITY.

As provided in Health and Safety Code Section 13009, COUNTY may bring an action for collection of suppression costs of any fire caused by negligence, violation of law, or failure to correct noticed fire safety violations. When using CITY equipment and personnel under the terms of this Agreement, COUNTY may, on request of CITY, bring such an action for collection of costs incurred by CITY. In such a case CITY appoints and designates COUNTY as its agent in said collection proceedings. In the event of recovery, COUNTY shall apportion to CITY its pro-rata proportion of recovery, less the reasonable pro-rata costs including legal fees.

In all such instances, COUNTY shall give timely notice of the possible application of Health and Safety Code Section 13009 to the officer designated by CITY.

In the event the CITY elects to use COUNTY funded Fire Marshal services, the services will be provided at a cost outlined in COUNTY Ordinance 671(Establishing Consolidated Fees For Land Use and Related Functions).

SECTION IX: PROPERTY ACCOUNTING

SECTION XI: INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent permitted by applicable law, COUNTY shall and does agree to indemnify, protect, defend and hold harmless CITY, its agencies, districts, special districts and departments, their respective directors, officers, elected and appointed officials, employees, agents and representatives (collectively, "**Indemnitees**") for, from and against any and all liabilities, claims, damages, losses, liens, causes of action, suits, awards, judgments and expenses, attorney and/or consultant fees and costs, taxable or otherwise, of any nature, kind or description of any person or entity, directly or indirectly arising out of, caused by, or resulting from (1) the Services performed hereunder by COUNTY, or any part thereof, (2) the Agreement, including any approved amendments or modifications, or (3) any negligent act or omission of COUNTY, its officers, employees, subcontractors, agents, or representatives (collectively, "**Liabilities**"). COUNTY and CITY agree that their designated representative shall have the right to review and to copy any records and supporting documentation of the other party hereto, pertaining to the performance of this Agreement. COUNTY and CITY agree to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated or as required by law, and to allow the auditor(s) of the other party access to such records during normal business hours COUNTY and CITY agree to a similar right to audit records in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896).

B. Each party shall bear their own costs in performing a requested audit.

SECTION XIII: DISPUTES

CITY shall select and appoint a "Contract Administrator" who shall, under the supervision and direction of CITY, be available for contract resolution or policy intervention with COUNTY, when, upon determination by the Chief that a situation exists under this Agreement in which a decision to serve the interest of CITY has the potential to conflict with COUNTY interest or policy. For purposes of this provision, a "reasonable period of time" shall be ten (10) calendar days or less. Disputes that are not resolved informally by and between CITY and COUNTY representatives may be resolved, by mutual agreement of the parties, through mediation. Such mediator will be jointly selected by the parties. The costs associated with mediator shall be shared equally among the participating parties. If the mediation does not resolve the issue(s), or if the parties cannot agree to mediation, the parties reserve the right to seek remedies as provided by law or in equity. The parties agree, pursuant to *Battaglia Enterprises v.
