DATE: April 13, 2016

PAGE: Page 2 of 2

BACKGROUND:

Summary (continued)

Riverside County Ordinance No. 878 declares that excessive, unrelenting or habitual noise of any animal is disruptive of the public's peace and tranquility and represents an unwarranted invasion of privacy and identifies such noisy animals as a public nuisance. Ordinance No. 878 expedites the investigation of noisy animal complaints by establishing procedures for the proper notification of pet owners and administrative hearings to determine liability and impose abatement processes using administrative abatements.

The requested amendment to Section 11 of Riverside County Ordinance No. 878 will provide consistency of the completion and noticing of administrative orders arising out of Riverside County Ordinances relating to the care and control of animals. In its current draft, Ordinance No. 878 requires the administrative hearing officer to notice the pet owner of the decision within three (3) business days of the hearing. The three day time period for consideration of the evidence presented, drafting the administrative abatement order and perfecting notice is inconsistent with the ten (10) business day time period granted by Riverside Ordinance No. 630, regulating dogs and cats and the suppression of rabies, and Ordinance No. 771 controlling potentially dangerous and dangerous animals. The proposed amendment will ensure constant procedures in administrative hearings related to animals.

Ordinance No. 878.1 is not a project under the California Environmental Quality Act (CEQA) per CEQA Guidelines sections section 15278 and section 15061(b)(3).

Impact on Citizens and Businesses

The amendment to Ordinance 878 will benefit the public by providing additional time for thoughtful consideration of the evidence, perfecting notice to the pet owner and reducing confusion about the procedures following a Department of Animal Services administrative hearing. The public has a vested interest in providing sufficient time for the administrative hearing officer to issue a complete administrative abatement order and preventing confusion caused by inconsistencies in the administrative hearing produces in Riverside County Ordinances relating to the care of animals. Unfortunately, increasing the time period from three (3) days to ten (10) days extends the period of uncertainty for the pet owners, but this concern is overcome by the benefits that the amendment will provide.

Project Title: Riverside County Ordinance No. 878.1, Amending Ordinance No. 878, regarding noisy animals.

Project Location: The unincorporated area of Riverside County and the jurisdiction of city partners that contract with the
Department of Animal Services for field, sheltering and related services.

Project Description: Riverside County Ordinance No. 878 declares that excessive, unrelenting or habitual noise of any animal
is disruptive of the public's peace and tranquility and represents an unwarranted invasion of privacy and identifies such noisy
animals as public nuisances. Ordinance No. 878 expedites the investigation of noisy animal complaints by establishing
procedures for administrative hearings to determine liability and impose abatement processes using administrative abatements.

The requested amendment to Section 11 of Riverside County Ordinance No. 878 will provide constancy in the completion and
noticing of administrative orders arising out of Department of Animal Service regulations. In its current draft, Ordinance No.
878 requires the administrative hearing officer to notice the pet owner of the decision within three (3) business days of the
hearing. The three day time period for consideration of the evidence presented, drafting the administrative abatement order and
perfecting notice is inconsistent with the ten (10) business day time period granted by Riverside Ordinance No. 630 regulating
dogs and cats and suppression of rabies, and Ordinance No. 771 controlling potentially dangerous and dangerous animals. The
amendment seeks to ensure consistency in Riverside County Ordinances relating to the care and control of animals that provide
for administrative hearings.

Name of Public Agency Approving Project: County of Riverside

Project Sponsor: Department of Animal Services

Exempt Status: (check one)

- Ministerial
Declared Emergency
Emergency Project
Categorical Exemption
X Statutory Exemption (State CEQA Guidelines Sec. 15278)
X Other: (State CEQA Guidelines Sec. 15061(b)(3))

Reasons Why Project is Exempt:

The adoption of Ordinance No. 878.1 is not a project pursuant the California Environmental Quality Act (CEQA) Guidelines
section 15278 and section 15061(b)(3). The extension of time to file an administrative hearing order is solely for the purpose of
ensuring consistent and thoughtful orders when an administrative hearing relating to the care of animals occurs and is therefore
exempt under CEQA Guidelines section 15273. The ordinance amendment is also exempt under the common sense exemption
of CEQA Guidelines section 15061(b)(3) in that it can be seen with certainty that there is no possibility that the ordinance may
have a significant effect on the environment. The ordinance merely provides the public with a means to address noisy animals.

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.
