RECOMMENDED MOTION (continued):

3. If the owner or whoever has possession of the real property does not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent or receipt of a Court Order authorizing entry onto the real property, when necessary under applicable law, may abate the excess outside storage and accumulation of rubbish by removing and disposing of the same from the real property.
4. The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Riverside County Ordinance No. 725.
5. County Counsel be directed to prepare the necessary Findings of Fact and Conclusions that the excess outside storage of materials and accumulation of rubbish on the real property is declared to be in violation of Riverside County Ordinance Nos. 348 and 541, and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

BACKGROUND:

1. An inspection was made on the subject property by Senior Code Enforcement Officer Mike Sanders on April 12, 2011. The Inspection revealed excessive outside storage of materials and an accumulation of rubbish on the subject property in violation of Riverside County Ordinances Nos. 348 and 541. The items included but were not limited to: furniture, appliances, buckets, tools, equipment, vehicle parts, gas cans, tires, boxes, green waste, vehicle jack, metal awning posts, metal, ice chest, home goods, and clothes, of about 1200 square feet.
2. There have been approximately twenty (20) subsequent follow up inspections, with the last inspection occurring on March 3, 2016. The property continues to be in violation of Riverside County Ordinance Nos. 348 and 541.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for the removal of the excess outside storage and accumulated rubbish.

Impact on Citizens and Businesses

Failure to abate will have a negative impact on citizens or businesses due to health and safety hazards, nuisance, and potential impact on real estate values.

8 MCGOWEN,(ALSO KNOWN AS HAROLD D.

10) [RCO Nos. 348, 541 & 725]

11 I, Samantha Phillips, declare that the facts set forth below are personally known to me except to
12 the extent that certain information is based on information and belief which I believe to be true, and if
13 called as a witness, I could and would competently testify thereof under oath:

14 1. I am currently employed by the Riverside County Code Enforcement Department as a
15 Code Enforcement Officer. My current official duties as a Code Enforcement Officer include inspecting
16 property for violations and enforcement of the provisions of Riverside County Ordinances.

17 2. I am informed and believe and thereon allege that on April 12, 2011, Officer Mike Sanders
18 conducted an inspection of the real property described as 24759 Rosebrugh Lane, Hemet, Riverside
19 County, California and further described as Assessor's Parcel Number 551-302-001 (hereinafter
20 described as "THE PROPERTY"). A true and correct copy of a Thomas Brothers map page indicating
21 the location of THE PROPERTY is attached hereto and incorporated herein by reference as Exhibit "A."

22 3. A review of County records and documents disclosed that THE PROPERTY is owned by
23 Harold D. McGowen (hereinafter referred to as "OWNER"). THE PROPERTY is occupied by Justin
24 McGowen ("OCCUPANT"). A certified copy of the County Equalized Assessment Roll for 2015-2016 tax
25 year and a copy of the report generated from the County Geographic Information System ("GIS") is
26 attached hereto and incorporated herein by reference as Exhibit "B." The property is an improved parcel
27 approximately 0.22 acres in size and is located within the R-T (Mobilehome Subdivision and Mobilehome
28 Park) zone classification. The parcel size is less than the minimum size requirements and therefore
does not allow any amount of outside storage on THE PROPERTY. Accumulated rubbish is not
permitted on any property within the County of Riverside.

FORM APPROVED COUNTY COUNSEL
BY: SOPHIA H. CHOI DATE: 5/3/2011

1 4. Based on the Lot Book Report from RZ Title Service dated January 20, 2015 and updated
2 on June 4, 2015 and February 10, 2016, it is determined that other parties may potentially hold a legal
3 interest in THE PROPERTY, to wit: Lake Hemet Municipal Water District (hereinafter referred to as
4 "INTERESTED PARTY"). True and correct copies of the Lot Book Reports are attached hereto and
5 incorporated herein by reference as Exhibit "C."

6 5. I am informed and believe and thereon allege that on April 12, 2011, Officer Sanders
7 drove to THE PROPERTY to conduct an inspection. Officer Sanders observed excess outside storage
8 and accumulated rubbish on THE PROPERTY. The outside storage of materials and accumulated
9 rubbish consisted of, but was not limited to: furniture, appliances, buckets, tools, equipment, vehicle
10 parts, gas cans, tires, boxes, green waste, vehicle jack, metal awning posts, metal, ice chest, home
11 goods and clothes, of about 1200 square feet. This condition causes THE PROPERTY to constitute a
12 public nuisance in violation of the provisions set forth in Riverside County Ordinance ("RCO") Nos. 348
13 and 541.

14 6. On April 12, 2011, a Notice of Violation was posted on THE PROPERTY.

15 7. On April 29, 2011, a Notice of Violation was mailed to OWNER (mailed as Barbara J.
16 McGowen Trust c/o of Harold D. McGowen) and OCCUPANT by certified mail, return receipt requested.

17 8. On April 13, 2015, a Notice of Violation was mailed to INTERESTED PARTY by certified
18 mail, return receipt requested.

19 9. A site plan and photographs depicting the conditions of THE PROPERTY are attached
20 hereto and incorporated herein by reference as Exhibit "D."

21 10. True and correct copies of each Notice issued in this matter and other supporting
22 documentation are attached hereto and incorporated herein by reference as Exhibit "E."

23 11. There have been approximately twenty (20) subsequent follow up inspections, with the
24 last inspection being March 3, 2016. Each inspection revealed the accumulated rubbish and excess
25 outside storage of materials remained on THE PROPERTY in violation of RCO Nos. 348 and 541.

26 ///

27 ///

28 ///

1 12. Based upon my experience, knowledge and visual observations, it is my determination
2 that the conditions on THE PROPERTY are dangerous to the neighboring property owners and the
3 general public.

4 13. Furthermore, a recent inspection showed THE PROPERTY remained in violation of RCO
5 Nos. 348 and 541.

6 14. A Notice of Noncompliance was recorded in the office of the County Recorder, County of
7 Riverside, State of California, on May 4, 2011, as Instrument Number 2011-0194726. A Notice of
8 Pendency of Administrative Proceedings was recorded in the Office of the County Recorder, County of
9 Riverside, State of California, on August 7, 2013, as Instrument Number 2013-0384986. True and correct
10 copies of the notices are attached hereto and incorporated herein by reference as Exhibit "F."

11 15. A "Notice to Correct County Ordinance Violations and Abate Public Nuisance" providing
12 notification of the Board of Supervisors' hearing as required by RCO No. 725 was mailed to OWNER,
13 OCCUPANT and INTERESTED PARTY by first class mail and was posted on THE PROPERTY. True
14 and correct copies of the Notice, together with the Proof of Service, and the Affidavit of Posting of Notice
15 are attached hereto and incorporated herein by reference as Exhibit "G."

16 16. The removal of all accumulated rubbish and excess outside storage of materials currently
17 on THE PROPERTY is required to bring THE PROPERTY into compliance with RCO Nos. 348 and 541,
18 and the Health and Safety Code.

19 17. Accordingly, the following findings and conclusions are recommended:

20 (a) the excessive outside storage of materials and accumulated rubbish on THE
21 PROPERTY to be deemed and declared a public nuisance; and

22 (b) the OWNER, or whoever has possession or control of THE PROPERTY, be
23 required to remove all outside storage and accumulated rubbish on THE PROPERTY in strict
24 accordance with the provisions of RCO Nos. 348 and 541.

25 ///

26 ///

27 ///

28 ///

1 (c) that if the materials and rubbish are not removed and disposed of in strict accordance
2 with all Riverside County Ordinances, including but not limited to RCO Nos. 348 and 541, within ninety
3 (90) days of the date of the posting and mailing of the Board's Order to Abate Nuisance, the outside
4 storage of materials and accumulated rubbish may be abated and disposed of by representatives of the
5 Riverside County Code Enforcement Department, a contractor, or the Sheriff's Department upon receipt
6 of owner's consent or a Court Order when necessary under applicable law.

7 (d) that reasonable costs of abatement, after notice and opportunity for hearing, shall
8 be imposed as a lien on THE PROPERTY, which may be collected as a special assessment against THE
9 PROPERTY pursuant to Government Code Section 25845 and RCO No. 725.

10 I declare under penalty of perjury under the laws of the State of California that the
11 foregoing is true and correct.

12 Executed this 20th day of APRIL, 2016, at MURRIETA, CA

**ORDINANCE NO. 745
(AS AMENDED THROUGH 745.2)
AN ORDINANCE OF THE COUNTY OF RIVERSIDE AMENDING ORDINANCE 745
PROVIDING FOR THE COMPREHENSIVE COLLECTION AND DISPOSAL OF SOLID
WASTE WITHIN SPECIFIED UNINCORPORATED AREAS OF RIVERSIDE COUNTY**

The Board of Supervisors of the County of Riverside, State of California, Ordains as Follows:

SECTION 1. The Board of Supervisors of the County of Riverside hereby makes the following findings:

- A. A considerable volume and variety of solid wastes are being generated in Riverside County;
- B. Such wastes are creating conditions which threaten the public health, safety, and well-being by potentially contributing to air, water, land pollution, and the general deterioration of the environment;
- C. The foregoing conditions arise from the interaction of a number of factors, including rapid population increase, decentralized urban growth, industrial expansion, agricultural changes, transportation improvements, reduction in the number of landfills, and technological developments in the manufacturing, packaging, and marketing of consumer products;
- D. It is becoming increasingly necessary for the protection of the health, safety and welfare of the residents in the unincorporated areas of Riverside County that solid waste generated in such areas be promptly and safely collected and disposed of in an orderly and efficient manner;
- E. It is also necessary to carefully control the collection and disposal of solid waste so that the reductions required to be made by the Statutes for 1989, Chapter 1095 (AB 939) can be planned for and accurately measured; and
- F. California Government Code, Sections 25827 and 25828 authorize the comprehensive collection of solid waste in unincorporated areas and require payment therefore by those persons and properties benefitted thereby.

In light of the findings above made, it is the intent and desire of the Board of Supervisors of this County to establish a Program of Comprehensive Collection in such areas as may be hereafter identified by a Resolution duly adopted by the Board.

SECTION 2. DEFINITIONS. Unless the context otherwise specifies or requires, the terms defined in this Section shall, for all purposes of this Ordinance, have the meanings herein specified. The definitions shall be equally applicable to both the singular and plural forms of any of the terms herein defined:

- A. The term "**Commercial Unit**" shall mean Commercial, Industrial, or

- Institutional facilities;
- B. The term "**County**" means the County of Riverside;
 - C. The term "**Director**" means the Director of Environmental Health of the County of Riverside or his designee;
 - D. The term "**Dwelling**" means a residence, flat, apartment, or other facility, used for housing one or more persons in the County of Riverside;
 - E. The term "**Hauler**" means a solid waste Hauler duly permitted or franchised by the County of Riverside pursuant to the provisions of Ordinance No. 657, as amended, or any successor ordinance;
 - F. The term "**Owner**" means any person, firm or business that owns, occupies or otherwise controls real property.

SECTION 3. AREA OF COMPREHENSIVE COLLECTION. Any Program of Comprehensive Collection and payment therefore shall be established and operated only in those areas of the County as specified in a Resolution or Resolutions adopted by the Board of Supervisors following a duly noticed public hearing.

SECTION 4. OWNER RESPONSIBLE FOR PAYMENT FOR COMPREHENSIVE COLLECTION SERVICE.

- A. The Owner of any Dwelling or Commercial unit shall subscribe to and pay for comprehensive refuse collection service rendered to such Dwelling or Commercial unit by a Hauler and may be required to provide at a location accessible to the Hauler, a container or containers of adequate capacity and functional design as determined by the County for the deposit of solid waste generated on the premises.
- B. Nothing in this section is intended to prevent an arrangement, or the continuance of an existing arrangement, under which payments for refuse collection service are made by a tenant or tenants, or any agent, on behalf of the Owner. However, any such arrangement shall not legally excuse the Owner's obligation to the Hauler or to the County under this Ordinance.
- C. When identified as a Tax Lien Guaranteed Comprehensive Collection Area within the enabling Resolution or Resolutions as identified in Section 3, non-payment shall be subject to the remedies established in Sections 11, 12, 13 and 14 of this Ordinance."

- A. When an Owner or tenant fails to initiate adequate refuse collection service within fifteen (15) calendar days of occupancy of a dwelling, the Director shall give the Owner written notification that such service is required. If service is not initiated within fifteen (15) calendar days from the date of mailing of the notice, then the Director may require the Hauler to initiate and continue solid waste collection service for said dwelling or dwellings.
- B. When, in the judgment of the Director, additional refuse containers are

required, they may be provided by the Hauler or, upon written notification by the Director, the Owner may be required to provide such containers. The cost of any additional containers furnished by the Hauler shall be added to the collection fees and collected in the same manner as the collection fees.

SECTION 6. EXEMPTION FROM SERVICE.

SECTION 8. HAULER ENTITLED TO PAYMENT FOR SERVICES RENDERED

- A. The Hauler shall be entitled to payment from the Owner for services rendered and in the amounts as specified in a Resolution or Resolutions adopted by the Board of Supervisors.
- B. A failure to make timely payment for any service rendered by the Hauler shall constitute a violation of this ordinance and be subject to the penalty provisions herein included.

SECTION 9. BILLS AND STATEMENTS OF NONPAYMENT.

- A. Upon the expiration of not less than thirty (30) calendar days from the date that the Hauler first presented a bill to the occupants of the premises, if the bill has not been paid in full, the Hauler shall send the Owner a second, written request for payment.

SECTION 10. APPEALS.

- A. **Appeals Procedure.**

1. A property owner or person who is adversely affected by the notice set forth in Section 9, may appeal to the Board of Appeals within the twenty (20) calendar days of the post-mark on the Warning Notice by filing a timely written appeal with the Director. Timely appeal shall not stay any further solid waste collection or responsibility to pay therefore. The Director shall set the matter for hearing before the Board of Appeals and shall notify the Appellant by mail of the date set for such hearing, at least fifteen (15) days prior to said date. If the Appellant resides outside the County, the above period of notice by mail before the hearing shall be at least twenty-five (25) days. The Appellant shall have the right to appear in person or by an agent, designated in writing, at the hearing, and present oral, and/or written, evidence. The Board of Appeals shall decide the appeal and shall issue its decision, which shall be in writing.
2. The Board of Appeals shall have authority to make reasonable adjustments in the amount billed or to excuse payment altogether as well as authority to grant ancillary relief. The Board of Appeals shall have authority to determine that the Hauler shall not be entitled to any payment from the owner or person affected. The Board of Appeals shall have no authority to award monetary damages, costs or attorney's fees.
3. The Owner or other person affected may appeal the decision of the Board of Appeals to the Board of Supervisors by filing a written request with the Clerk of the Board of Supervisors within thirty (30) days of the mailing of the written decision of the Board of Appeals.

- B. Composition of Board of Appeals.** The Board of Appeals shall be comprised of three (3) persons selected and appointed as follows:
- One (1) member shall be from the solid waste hauling industry currently operating in Riverside County but shall not be from the company, or a related company of the company, that has provided the services which are being contested.
 - One (1) member shall be an employee in the County Environmental Health Department.
 - One (1) member shall be a public representative, but shall not be the actual Appellant in the action or related to the appellant by blood, marriage or through business dealings.

-
- C.** The Director shall have the authority to determine the actual composition of any given hearing panel. The industry and public representative members of the panel shall be drawn from the similarly designated members of the Solid Waste Advisory Council/Local Solid Waste Task Force for Riverside County.

SECTION 11. PAYMENT BY COUNTY GIVES RISE TO LIEN.

Upon the receipt of the statement filed in accordance with Section 9, the

Director may authorize payment in the amount due the Hauler from a continuing appropriation account so provided herein under Section 14. The Owner shall be directly liable to the County for fees paid. Upon confirmation by the Board of Supervisors by Resolution duly adopted and upon recordation thereof as provided in sections 12 and 13 of the Ordinance, the Director shall mail written notice to the Owner at the address as shown on the latest equalized county assessment roll. In addition, the Director shall notify the Owner that if the fees and administrative charges plus interest remain unpaid, subsequent proceedings may be taken to make said fees and charges a special assessment on the real property to which said solid waste collection service was rendered.

SECTION 12. REPORT OF DELINQUENCIES TRANSMITTED TO BOARD OF SUPERVISORS.

The Director shall, on annual basis, prepare and submit a report of delinquent charges and a proposed resolution confirming the report to the Board, thereby initiating proceedings before the Board to make delinquent solid waste collection service fees a special assessment and lien against the parcels of property situated within the County to which said service was rendered and fees paid by the County and not reimbursed by the Owner. Upon receipt of the report, the Board shall fix a time, date, and place for hearing the report. The Board shall cause notice of the hearing to be mailed to the Owners of the property listed on the report not less than 10 days prior to the date of the hearing. At the hearing the Board shall hear any objections or protests of property owners liable to be assessed for delinquent charges. The Board may make revisions or corrections to the report as it deems just, after which, by resolution, the report shall be confirmed.

SECTION 13. COLLECTION OF ASSESSMENT.

The delinquent charges set forth in the report specified in Section 12 of this ordinance and as confirmed therein shall constitute special assessments against the respective parcels of land and are a lien on the property for the amount of the delinquent charges. A certified copy of the conformed report, as well as all data and documentation required by the Auditor-Controller as specified in that office's procedures for placement of fixed charge benefit assessments on the tax roll, shall be filed with the County Auditor-Controller, on or before August 10, for the amounts of the respective assessments against the respective parcels of land as they appear on the current assessment roll. The lien created attaches upon recordation in the Office of the County Recorder of a certified copy of the resolution of confirmation. The assessment shall be collected at the same time and in the same manner as ordinary County ad valorem taxes are collected and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for those taxes. All laws applicable to the levy, collection, and enforcement of County ad valorem taxes shall be applicable to the assessment, except that if any real property to which the lien would attach has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrance for value has been created and attaches thereon, prior to the date on which the first installment of the taxes would become delinquent, then the lien which would otherwise be imposed hereby shall not attach to the real property and

the delinquent charges, as confirmed, relating to the property shall be transferred to the unsecured roll for collection.

SECTION 14. CONTINUING APPROPRIATION ACCOUNT.

There is hereby created in the Environmental Health Department, a fund account entitled "Payment of Property Owner's Delinquencies for Solid Waste Collection Service". This fund is hereby created by a forty thousand dollar (\$40,000.00) appropriation from current years Solid Waste Franchise Fees. Thereafter, this account shall be credited with such sums as may be appropriated by the Board of Supervisors from the originating source, franchise or permit fees, delinquencies collected by the Environmental Health Department, assessments collected by the Tax Collector, and sums received in consideration of release of liens. Expenditures from said sums shall be made to Haulers for Owner delinquent accounts."

SECTION 15. MANNER OF GIVING NOTICES.

Any notice required to be given hereunder by the County, the Director, or any Hauler to an Owner, shall be sufficiently given or served upon the Owner for all purposes hereunder, if personally served upon the Owner or if deposited, postage prepaid, in a post office letter box addressed to the "Owner" at the official address of the Owner maintained by the Assessor of the County for the mailing of tax bills or, if no such address is available, to the Owner at the address of the Dwelling.

SECTION 16. PENALTIES

Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.
