**DATE:** June 9, 2016

**PAGE:** 2 of 2

**BACKGROUND:**

**Summary** (Continued)

The Economic Development Agency requests that the Board of Supervisors approve the attached County Service Area charges. As provided in County Ordinance 573, the rate of charge for each County Service Area is calculated by dividing the net cost of the service of the total number of parcels receiving the service. In addition, some CSA special assessments were established by an engineer's report that includes an annual adjustment by the greater of two percent or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) as it stands on February of 2016 and were increased accordingly.

**Impact on Citizens and Businesses**

County Service Areas allow communities in unincorporated county to pay for and receive specific enhanced services from the county. Residents received the type of services and improvements not available in other areas of the county.
