The parties agree as follows:

1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same business (digital health technology) in the State of California.

1.3 CONTRACTOR affirms this it is fully apprised of all of the work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Section 3 of this Agreement. CONTRACTOR is not to perform services or provide products outside of the Agreement and COUNTY has no obligation to accept or pay for services or products not described in this Agreement

1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

This Agreement shall be effective July 1, 2016, shall terminate on June 30, 2017. CONTRACTOR shall commence performance on July 1, 2016 and shall diligently and continuously perform thereafter.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed at a rate of three dollars and no (0) cents (\$3.00) per month per each patient that is enrolled in the Ellipsis Solution (as described in the Scope of Services) software during that month. Maximum payments by COUNTY to CONTRACTOR shall not exceed two hundred seventy- five thousand dollars (\$275,000) per year for the services described in this paragraph. An "enrolled patient" is defined as a patient actively utilizing the Ellipsis Solution via text messaging or logging into the Ellipsis Solution within ninety (90) days. Patients who do NOT do not login to the Ellipsis solution or communicate to an RUHS provider via the Ellipsis Solution text messaging capabilities within ninety (90) days will not be deemed an enrolled patient for the month within which the

90th day occurs and subsequently until and unless the patient again logs in to or begins communicating via the Ellipsis Solution.

3.2 The COUNTY will pay CONTRACTOR a one time fee of fifty-five thousand dollars (\$55,000.00) for Ellipsis's development of behavioral health functionality within the Ellipsis Solution. Such functionality will continue to be available within the application throughout the term of this contract.

3.3 The COUNTY will also pay to CONTRACTOR a flat one time fixed fee of \$25,000 for start up costs associated with implementation of the Ellipsis Solution.

3.4 The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amounts described in 3.1, 3.2 and 3.3 above and shall have no obligation to purchase any specified amount of services or products in the future. Any improvements to the functionality of the Ellipsis Solution shall be made available to COUNTY at no additional charge. COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

3.5 No price increases will be permitted during the term of this Agreement. If CONTRACTOR offers lower prices to another county on the same products that lower price will automatically be extended to the COUNTY for any services occurring after that lower price is offered. No retroactive price adjustments will be considered.

3.6 CONTRACTOR shall be paid only in accordance with an invoice submitted to COUNTY by CONTRACTOR within fifteen (15) days from the last day of each calendar month, and COUNTY shall pay the invoice within thirty (30) days from the date of receipt of the invoice. Payment shall be made to CONTRACTOR only after services have been rendered or delivery of materials or products, and acceptance has been made by COUNTY. Prepare invoices in duplicate. For this Agreement, send the original and duplicate copies of invoices to:

enrolled in the Ellipsis Solution during the preceding month, the per patient price agreed to above, and an invoice total.

3.7 The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made, and invoices shall be rendered “monthly” in arrears. In the State of California, Government agencies are not allowed to pay excess interest and late charges, per Government Code, Section 926.10. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing and this Agreement shall be deemed terminated, have no further force, and effect.

4. Alteration or Changes to the Agreement

4.1 The Board of Supervisors and the COUNTY Purchasing Agent and/or his designee is the only authorized COUNTY representatives who may at any time, by written order, alter this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.

4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within 30 days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR. If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

5. Termination

5.1. COUNTY may terminate any part or all of this Agreement without cause upon thirty (30) days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

5.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement, fails to perform in a manner that may endanger the goals and purposes of this Agreement and does not cure such failure upon five (5) days written notice by COUNTY.

- (a) Stop all work under this Agreement on the date specified in the notice of termination; and
- (b) Transfer to COUNTY and deliver in the manner as directed by COUNTY any materials, reports or other products, which, if the Agreement had been completed or continued, would have been required to be furnished to COUNTY; and
- (c) Transfer to COUNTY a copy of all patient identifiable data contained at that time within CONTRACTOR's software and provide proof that such data has been removed from CONTRACTOR's software and rendered unusable, unreadable or indecipherable within the standards set forth by the federal Office for Civil Rights.

5.4 After termination, COUNTY shall make payment only for CONTRACTOR's performance up to the date of termination in accordance with this Agreement.

5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 CONTRACTOR represents and warrants that it is not debarred from the System for Award Management (SAM). CONTRACTOR must notify the COUNTY immediately of a debarment. Reference: System for Award Management (SAM) at <https://www.sam.gov> for Central Contractor Registry (CCR), Federal Agency Registration (Fedreg), Online Representations and Certifications Application, and Excluded Parties List System (EPLS)). Excluded Parties Listing System (EPLS) (<http://www.epls.gov>) (Executive Order 12549, 7 CFR Part 3017, 45 CFR Part 76, and 44 CFR Part 17). In addition, Contractor agrees to rescreen all Covered Individuals against the LEIE every six (6) months. Covered Individuals and Entities shall be required by CONTRACTOR to disclose to CONTRACTOR immediately any debarment, exclusion or other event that makes a Covered Individual or Entity an Ineligible Person. Such individual or entity shall be promptly removed from participating in any activity associated with this Agreement.

The rights and remedies of COUNTY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

6. Ownership/Use of Data, Materials and Products

6.1 The CONTRACTOR agrees that all data, materials, reports or products in any form, including electronic, created by CONTRACTOR for which CONTRACTOR has been compensated by COUNTY pursuant to this Agreement shall be the sole property of the COUNTY. This provision does not apply to the software that constitutes the Ellipsis Solution, nor to any modifications thereto, but does apply to any data, materials, or reports generated from the software and / or Protected Health Information (PHI) by CONTRACTOR under engagement with COUNTY. The software constituting the Ellipsis Solution is and shall remain the property of CONTRACTOR. The material, reports or products may be used by the COUNTY for any purpose that the COUNTY deems to be appropriate, including, but not limited to, duplication and/or distribution within the COUNTY. Material, reports or products may not be shared with third parties without the express written consent of COUNTY's Riverside University Health System Chief Information Officer, **who will as needed consult appropriate clinicians within RUHS to determine the accuracy of any claims made about clinical results.** CONTRACTOR agrees not to release or circulate in whole or part such materials, reports, or products without prior written authorization of the COUNTY's Riverside University Health System Chief Information Officer.

6.3 CONTRACTOR acknowledges and agrees that a breach of the promises in paragraphs 6.1, 6.2 above and 16.1, 16.2 and 16.3 below may cause COUNTY and/or its patients irreparable harm, the extent to which would be difficult to ascertain and for which money damages would be inadequate. Accordingly CONTRACTOR agrees that in the event of a breach of its obligations in each and every of the referenced paragraphs COUNTY shall be entitled to (1) injunctive or such other equitable relief as the court deems appropriate without the necessity of proving actual damages, (2) attorney fees and (3) any other remedies that it may have available.

7. Conduct of Contractor

7.1 The CONTRACTOR covenants that it presently has no interest, including, but not limited to, other projects or contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with CONTRACTOR's performance under this Agreement. The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

7.2 The CONTRACTOR shall not, under circumstances which could be interpreted as an attempt to influence the recipient in the conduct of his/her duties, accept any gratuity or special favor from individuals or firms with whom the CONTRACTOR is doing business or proposing to do business, in accomplishing the work under this Agreement.

7.3 The CONTRACTOR or its employees shall not offer gifts, gratuities, favors, hospitality and / or entertainment directly or indirectly to COUNTY employees.

8. Inspection of Service; Quality Control/Assurance

8.1 All performance (which includes services, workmanship, materials, supplies and equipment furnished or utilized in the performance of this Agreement) shall be subject to inspection and test by the COUNTY or other regulatory agencies at all times. The CONTRACTOR shall provide adequate cooperation to any inspector or other COUNTY representative to permit him/her to determine the CONTRACTOR's conformity with the terms of this Agreement. If any services performed or products provided by CONTRACTOR are not in conformance with the terms of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected; the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall provide an identified COUNTY representative or other regulatory official access to all reports and controls that provide for performance monitoring, assessment, and evaluation of the CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

10. Subcontract for Work or Services

No contract shall be made by the CONTRACTOR with any other party for furnishing any of the work or services under this Agreement without the prior written approval of the COUNTY; but this provision shall not require the approval of contracts of employment between the CONTRACTOR and personnel assigned under this Agreement, or for currently anticipated and disclosed work by Amazon Web Services, Inc. (AWS) and Twilio, Inc. CONTRACTOR represents and warrants that its contract with AWS dated July 24, 2014 is presently in force and effect and that it will remain so throughout the term of this Agreement and that it has in force and effect a business associate agreement with Twilio, Inc. and that agreement will remain in force and effect throughout the term of this Agreement. CONTRACTOR agrees that any change to or cancellation of its agreement with AWS or its Agreement with Twilio without prior notice to and agreement by the COUNTY in writing is a default of this Agreement that will result in immediate termination.

11. Disputes

11.1 The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Any dispute relating to this Agreement, which is not resolved by the parties, shall be decided by the COUNTY's Purchasing Department's Compliance Contract Officer who shall furnish the decision in writing. The decision of the COUNTY's Compliance Contract Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous to imply bad faith. The CONTRACTOR shall proceed diligently with the performance of this Agreement pending the resolution of a dispute.

EXHIBIT A
SCOPE OF SERVICES
Ellipsis Health, Inc.

1. Scope of Services for Patient-Provider Engagement Platform (The Ellipsis Solution):

- 1.1 The Ellipsis Solution is designed to provide care management and texting services and capabilities for the management of chronic disease and behavioral health patients including those with substance abuse disorder, to achieve self-management goals. Self management goals may include, but are not limited to preventive health guidance, lifestyle choices, recommended physical activity, nutrition guidelines, blood glucose self-monitoring and diabetes medication guidelines) via two-way messaging, web-based communication and other communication methods between COUNTY clinicians, health “coaches” and their patients on the Ellipsis Solution.
- 1.2 The Solution provides a tool for asynchronous communication to all “lifestyle coaches”, “student health coaches” and patients including those with comorbidities in order to provide improved self-management support for those patients. This improved communication will potentially translate into improved achievement of patient self-management goals and clinical outcomes.

2. Features

The Ellipsis Solution as provided to Riverside County shall include the following features:

- Bi-directional HIPAA-compliant text messaging to support patients with self-management goals.
- Care team member access via web-based platform.

- Statistical summary reporting of individual and group self-management goals and clinical measures.
- Ability for care team end-user to pull lists of patients for targeted outreach and follow-up.
- Group texting function for events (e.g., diabetes classes, etc.).
- Texting platform that allows for entry of clinical data into patient profiles.
- Ability to tailor features and additional modules for various care team members without incurring additional cost.

- Demonstrated improvement in patient clinical outcomes.

3.0 Roles

- 3.1 The Solution supports multiple roles, including, but not limited to super user, physician, nurse, dietician, auditor, health coach, and patient. Each role has its own level of access and ability, and these ability levels can be adjusted to your specifications.
- 3.2 The super user has the ability to perform all actions, including the creation of new health team member accounts. This role will be granted to the system administrator and the head health coach. These users will also have the ability to unlock patient accounts where a patient has lost his or her password, etc.
- 3.3 Physicians have the ability to see all health team members and patients, regardless of whether or not a patient is a “regular” or empanelled patient.

- 3.7 Roles can be revoked from a particular user without deleting that user from the system.

4.0 Security

- 4.1 Ellipsis Health will maintain, within the database and codebase, the relationships between entities such as each patient, that patient’s goals and progress notes entered by clinicians about each goal. [Note to Todd: we do not know what this next clause means – is it a fragment from a prior contract?: However, all confidential parts of that data, such as the identity of a particular patient, or the contents of the notes on a particular goal will be stored in a HIPAA-compliant data store that secures data through virtual and physical methods, including encryption of data with rotating keys, with the keys stored in a database separate from the data, HIPAA-compliant audit trails to track which user accesses which piece of information and when, etc.
- 4.2 To access the Ellipsis Health platform, users will use HTTPS which encrypts the communication between the Ellipsis Health website and the user's computer, and will log on

with a private password which is encrypted before it is stored in Ellipsis Health's database, such that the Ellipsis Health employees will not have access to a user/patient passwords. User sessions time out after a period of inactivity, and accounts will be temporarily locked, with an email-based recovery mechanism, if too many attempts are made to log in using the wrong password.

- 4.3 Upon successful login, an authentication token will be passed to and temporarily stored in that user's computer, enabling access to the private patient data stored in the Solution database. This token is not accessible by the user of the computer. Communication with Solution database is also done exclusively through encrypted HTTPS.

- A. **Discovery and notification.** Following the discovery of a breach of unsecured PHI, Contractor shall notify County in writing of such breach without unreasonable delay and in no case later than 60 calendar days after discovery of a breach, except as provided in 45 CFR §164.412.
- 1) **Breaches treated as discovered.** A breach is treated as discovered by Contractor as of the first day on which such breach is known to Contractor or, by exercising reasonable diligence, would have been known to Contractor, which includes any person, other than the person committing the breach, who is an employee, officer, or other agent of Contractor. (determined in accordance with the federal common law of agency).

- 2) **Content of notification.** The written notification to County relating to breach of unsecured PHI shall include, to the extent possible, the following information if known (or can be reasonably obtained) by Contractor:
- a) The identification of each individual whose unsecured PHI has been, or is reasonably believed by Contractor to have been accessed, acquired, used or disclosed during the breach;
 - b) A brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known;

- D. **Delay of notification authorized by law enforcement.** If Contractor delays notification of breach of unsecured PHI pursuant to a law enforcement official's statement that required notification, notice or posting would impede a criminal investigation or cause damage to national security, Contractor shall maintain documentation sufficient to demonstrate its compliance with the requirements of 45 CFR §164.412.
- E. **Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Contractor's obligations to indemnify, defend and hold harmless County under Section 9 of this Addendum.
- F. **Documentation.** Pursuant to 45 CFR §164.414(b), in the event Contractor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Contractor shall maintain documentation sufficient to demonstrate that all notifications were made by Contractor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach, including Contractor's completed risk assessment and investigation documentation.
- G. **Additional State Reporting Requirements.** The parties agree that this Section 8.G applies only if and/or when County, in its capacity as a licensed clinic, health facility, home health agency, or hospice, is required to report unlawful or unauthorized access, use, or disclosure of medical information under the more stringent requirements of California Health & Safety Code §1280.15. For purposes of this Section 8.G, "unauthorized" has the meaning given such term in California Health & Safety Code §1280.15(j)(2).

- 1) Contractor agrees to assist County to fulfill its reporting obligations to affected patients and to the California Department of Public Health ("CDPH") in a timely manner under the California Health & Safety Code §1280.15.
- 2) Contractor agrees to report to County any unlawful or unauthorized access, use, or disclosure of patient's medical information without unreasonable delay and no later than two (2) business days after Contractor detects such incident. Contractor further agrees such report shall be made in writing, and shall include substantially the same types of information listed above in Section 8.A.2 (Content of Notification) as applicable to the unlawful or unauthorized access, use, or disclosure as defined above in this section, understanding and acknowledging that the term "breach" as used in Section 8.A.2 does not apply to California Health & Safety Code §1280.15.

9. **Hold Harmless/Indemnification.**

- A. Contractor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

10. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or returned to County, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section 11.B of this Addendum.
11. **Termination.**
- A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:
- 1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
 - 2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
 - 3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.
- B. **Effect of Termination.**
- 1) Upon termination of this Addendum, for any reason, Contractor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
 - 2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.
12. **General Provisions.**
- A. **Retention Period.** Whenever Contractor is required to document or maintain documentation pursuant to the terms of this Addendum, Contractor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.
- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Contractor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.
- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
- F. **Interpretation of Addendum.**

- 1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA and HITECH.
 - 2) Any ambiguity between this Addendum and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, Security Rule, HIPAA and HITECH generally.
- G. **Notices to County.** All notifications required to be given by Contractor to County pursuant to the terms of this Addendum shall be made in writing and delivered to the County both by fax and to both of the addresses listed below by either registered or certified mail return receipt requested or guaranteed overnight mail with tracing capability, or at such other address as County may hereafter designate.
