**BACKGROUND:**

**Summary (continued)**

The Board has previously accepted grant funding for the Riverside County ABC-GAP Program from July 31, 2001 (3-36) through July 1, 2016 (3-56). ABC is now awarding the Jurupa Valley Station funds to implement the ABC-GAP Program within the contract cities of Eastvale, Jurupa Valley, Lake Elsinore, Moreno Valley, Norco and Wildomar. This program will utilize four (4) deputies and one (1) sergeant, specially trained by ABC Investigators, to carry out undercover operations, enforcement, and education aimed at institutionalizing responsible alcohol selling. All hours worked on these grant projects will be on overtime.

**Impact on Residents and Businesses**

The grant funds 100% of the total project cost. The ABC-GAP grant focus is to provide funds to a location where there is a high crime rate and/or identifiable alcohol-related problem associated with alcoholic beverage licensed establishments. Additionally, this grant will positively impact the citizens resulting in reduced calls for police service and improved conditions in the cities and those neighborhoods impacted negatively by liquor stores and bars.

## SCOPE OF WORK

### 1. Summary

#### a. Agency Description –

Riverside County is the 4th most populated county in the State of California out of the 58 counties. The Riverside County Sheriff's Department serves as the contract policing agency partner with 17 of Riverside County's 28 cities and serves the unincorporated areas of Riverside County for criminal investigations. Altogether, the Sheriff is responsible for policing nearly 1.4 million residents of the County's population of nearly 2.3 million. The Department consists of 4500 employees, both sworn and non-sworn.

The contract cities impacted through the grant will include Eastvale, Jurupa Valley, Lake Elsinore, Moreno Valley, Norco, and Wildomar. Each contracted station is facilitated by a Sheriff's Captain who is the Chief of Police for that city. Each station is divided into patrol operations, detective bureau, traffic bureau, special enforcement bureau, and school resource officers.

Among the six (6) cities there are a total of 262 establishments which serve alcoholic beverages on the premises (On-sale licenses). In addition, there are 276 retailers within the cities that are licensed for the sale of alcoholic beverages which are to be consumed away from the establishment (Off-sale licensees).

The establishments which sell alcohol include family restaurants, bars, gas stations, and liquor stores. Each city is comprised of citizens from a wide variety of ethnic backgrounds. According to the most recent US Census Bureau, the county's demographic composition is as follows:

Caucasian: 38.0%

Hispanic or Latino: 46.9% \*

Black or African American: 7.0%

Native American: 1.9%

Asian, Native Hawaiian and Other Pacific Islander: 6.7%

Other: 3.3%

\* Hispanics may be of any race, so also included in other applicable race categories.

#### b. Funding Requested – \$99,945.00

The Riverside County Sheriff's Department is requesting \$99,945.00 to complete the program. Of these funds, \$93,195 will be used for personnel services, \$2,500 for equipment purchase, \$1,750 for operating expenses, and \$2,500 for travel and registration fees. The equipment money will be allocated to purchase a portable tablet with accessories, batteries for recording devices, and headphones. These items will be used exclusively to obtain evidence, maintain documentation while ensuring reports are tracked and sent in a timely manner while conducting operations related to this grant. The operating expense funds will be used for undercover operations, decoy, shoulder tap, and narcotics investigations. The operating expenses will be used as "buy money." Funds for travel and registration fees will include per diem, lodging, and registration fees associated with the July 2016 GAP conference.

## SCOPE OF WORK

### c. Goals and Objectives –

Over the past two years the Riverside County Sheriff's Department has been successful in combating alcohol related offenses in the areas of Thermal and Perris. It has seen an increase of alcohol related calls for service and complaints in the areas of Lake Elsinore and Moreno Valley. The goals and objectives related to the proposed project include but are not limited to;

#### \*\*Goals:

- Identifying alcohol related problems to include problematic establishments and specific areas of concern.
- Reduce alcohol related violations committed by establishment owners and their employees including patrons and minor offenders.
- Reduce the incidence of driving under the influence and public intoxication by patrons of local establishments.
- Reduce the amount of vagrants and intoxicated persons around problematic businesses and areas.
- Educate the owners and employees of establishments which sell alcohol as to their responsibilities and obligations to the community.
- Enhance the database for tracking and sending of all police reports to the local ABC District Office which can be uploaded on a shared file program.

#### \*\*Objectives:

- Conduct at least nine (9) IMPACT Inspections.
- Conduct at least nine (9) Minor Decoy operations.
- Conduct at least six (6) Undercover operations.
- Conduct at least six (6) Cop's n Shop operations.
- Conduct at least six (6) Shoulder Tap operations.
- Conduct at least six (6) Trap Door operations.
- Conduct at least three (3) ROSTF Inspections.
- Conduct at least three (3) LEADS training courses.
- Provide at least three (3) briefing training courses to patrol/field operations.
- Prepare and publish at least twelve (12) press releases related to the operations.

### d. Number of ABC Licensed Locations –

Among the six (6) cities there are a total of 262 establishments which serve alcoholic beverages on the premises (On-sale licenses). In addition, there are 276 retailers within the cities that are licensed for the sale of alcoholic beverages which are to be consumed away from the establishment (Off-sale licensees).

## 2. Problem Statement

The contract cities impacted through the grant will include Eastvale, Jurupa Valley, Lake Elsinore, Moreno Valley, Norco, and Wildomar. There are a total of 538 licensed on-sale and off-sale locations spread throughout each city with little or no enforcement. Between January 1, 2015, and January 1, 2016, there was a combined 7,430 calls for service related to driving under the influence, disorderly conduct or public intoxication, minors in possession of alcohol, and thefts of alcoholic beverages. Based on these totals, the Department averages to almost twenty (20) calls for service per day.

## SCOPE OF WORK

According to the Office of Traffic Safety (OTS) Collision Rankings, alcohol related vehicle collisions in which injuries were reported have increased 80 % from the previous year. In addition, the Department has received several complaints of on-sale and off-sale establishments selling alcohol to minors or otherwise operating outside of the licensing requirements. This includes several complaints of on-sale establishments operating outside of their license regulations.

Several licensees have a continual problem with persons drinking in public, loitering on or around walkways, verbal arguments, and physical assaults, including a murder, as a result of alcohol consumption.

The concern each city has expressed and seen deals with a large number of complaints by citizens regarding drinking in public, vagrants, disorderly conduct, public intoxication, loitering in parking lots, and on city streets.

Additionally, licensees are failing to clean their property, maintain proper lighting, remove graffiti, and maintain proper signs. As this issue is increasingly contributing to each locations appearing as unsightly, it is inviting to vagrants who loiter and consume alcohol in public.

By increased presence at the on-sale and off-sale locations the Department hopes to build a partnership with retailers, through education and enforcement activity, to mitigate the drain on police resources of alcohol related crimes, to reduce the number of people injured or killed in alcohol related collisions and reduce the availability of alcohol to minors.

### 3. Project Description

The Riverside County Sheriff's Department goals and objectives related to the proposed project include but are not limited to:

All operations will be comprised of a minimum of four (4) sworn Deputy Sheriff's and one (1) Sheriff Sergeant with experience in ABC enforcement.

Non-sworn volunteer Sheriff's Explorers will assist in operations which require minor decoys. Those participating as the decoys will be certified by the local ABC district office prior to an operation.

The coordinator will conduct training to ensure the programs are properly carried out and meet ABC standards. Invoices shall be submitted in duplicate on a **monthly basis** in a format specified by the State. Failure to submit invoices and reports in the required format shall relieve the State from obligation of payment. Nothing contained herein shall prohibit advance payments as authorized by Item 2100-101-3036, Budget Act, Statutes of 2016.
2. Revisions to the "Scope of Work" and the "Budget Detail" may be requested by a change request letter submitted by the Contractor. If approved by the State, the revised Grant Assistance Scope of Work and/or Budget Detail supersede and replace the previous documents bearing those names. No revision can exceed allotted amount as shown on Budget Detail. The total amount of the contract must remain unchanged.
3. Contractor agrees to refund to the State any amounts claimed for reimbursement and paid to Contractor which are later disallowed by the State after audit or inspection of records maintained by the Contractor.
4. Only the costs displayed in the "Budget Detail" are authorized for reimbursement by the State to Contractor under this agreement. Any other costs incurred by Contractor in the performance of this agreement are the sole responsibility of Contractor.
5. Title shall be reserved to the State for any State-furnished or State-financed property authorized by the State which is not fully consumed in the performance of this agreement. All such property shall be returned to the State upon the expiration of this contract unless the State otherwise directs.

No travel outside of the State of California shall be authorized. No travel shall be authorized outside of the legal jurisdiction of Contractor without prior authorization by the State.

Contractor is required to acknowledge the support of the State whenever publicizing the work under the contract in any media.
9. It is understood between the parties that this contract may have been written before ascertaining the availability of appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the contracts were executed after that determination was made.
10. **BUDGET CONTINGENCY CLAUSE** - It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.

If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an agreement amendment to Contractor to reflect the reduced amount.

## Special Terms and Conditions

1. Disputes: Any dispute concerning a question of fact arising under this contract which is not disposed of by agreement shall be decided by the Director, Department of Alcoholic Beverage Control, or designee, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to the Contractor. The decision of the Department shall be final and conclusive unless, within 30 days from the date of receipt of such copy, the Contractor mails or otherwise furnishes to the State a written appeal addressed to the Director, Department of Alcoholic Beverage Control. The decision of the Director of Alcoholic Beverage Control or his duly authorized representative for the determination of such appeals shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. In connection with any appeal proceeding under this clause, the contractor shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute hereunder, Contractor shall proceed diligently with the performance of the contract and in accordance with the decision of the State.
2. Termination Without Cause: Either party may terminate this agreement at any time for any reason upon ten (10) days written notice. No penalty shall accrue to either party because of contract termination.
