CONDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

EVERY DEPARTMENT

10. EVERY. 1

USE - PROJECT DESCRIPTION

RECOMMND

The use hereby permitted is for construction and operation of a 3.5 megawatt (MW) fixed tilt utility scale photo voltaic solar plant. The project proposes two phases; the first phase will consist of 2 MWs and the second will consist of 1.5 Mega Watt.

The facility will be unmanned with periodic maintenance required and operation will be monitored remotely. There are no buildings, parking or other facilities being proposed. Access will be taken from the existing Anza Electric facility located on parcels 575-110-020, 022, and 023. The facility is on an approximately 20 acre parcel.

The Project includes the following associated cases: Public Use Permit No. 929 which proposes to connect the 3.5 Mega Watt Photo Voltaic Solar plant located on apn 575-110-034 to the Anza Electric Cooperative facility on the adjacent parcel (575-110-022). No proposed site modifications to existing facilities at Anza Electric Cooperative other than interconnect/access are proposed.

10. EVERY. 2

USE - HOLD HARMLESS

RECOMMND

The applicant/permittee or any successor-in-interest shall defend, indemnify, and hold harmless the County of Riverside or its agents, officers, and employees (COUNTY) from the following:

(a) any claim, action, or proceeding against the COUNTY to attack, set aside, void, or annul an approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the CONDITIONAL USE PERMIT; and,

(b) any claim, action or proceeding against the COUNTY to attack, set aside, void or annul any other decision made by the COUNTY concerning the CONDITIONAL USE PERMIT, including, but not limited to, decisions made in response to California Public Records Act requests.

The COUNTY shall promptly notify the applicant/permittee of any such claim, action, or proceeding and shall cooperate fully in the defense. If the COUNTY fails to promptly notify the applicant/permittee of any such claim, action,

10. EVERY. 2 USE - HOLD HARMLESS (cont.)

RECOMMND

or proceeding or fails to cooperate fully in the defense, the applicant/permittee shall not, thereafter, be responsible to defend, indemnify or hold harmless the COUNTY.

The obligations imposed by this condition include, but are not limited to, the following: the applicant/permittee shall pay all legal services expenses the COUNTY incurs in connection with any such claim, action or proceeding, whether it incurs such expenses directly, whether it is ordered by a court to pay such expenses, or whether it incurs such expenses by providing legal services through its Office of County Counsel.

10. EVERY. 3 USE - DEFINITIONS

RECOMMND

The words identified in the following list that appear in all capitals in the attached conditions of Conditional Use Permit No. 3729 shall be henceforth defined as follows:

APPROVED EXHIBIT A = Conditional Use Permit No. 3729, Exhibit A, dated 9/28/15.

APPROVED EXHIBIT B = Conditional Use Permit No. 3729, Exhibit B, dated 9/28/15.

APPROVED EXHIBIT W = Conditional Use Permit No. 3729, Exhibit W, dated 9/28/15.

The words or any combination thereof identified in the following list that appear in the attached conditions of Conditional Use Permit No. 3729 shall be considered equivalent and are identified as follows:

Applicant/Permitee, Permit Holder/Permitee, Applicant, Permit Holder, Permit Holder's, Developer

10. EVERY. 4 USE - 90 DAYS TO PROTEST

RECOMMND

The project developer has 90 days from the date of approval of these conditions to protest, in accordance with the procedures set forth in Government Code Section 66020, the imposition of any and all fees, dedications, reservations and/or other exactions imposed on this project as a result of this approval or conditional approval of this project.

ADDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

BS GRADE DEPARTMENT

10.BS GRADE. 1 USE - GENERAL INTRODUCTION RECOMMND

Improvements such as grading, filling, over excavation and recompaction, and base or paving which require a grading permit are subject to the included Building and Safety Department Grading Division conditions of approval.

10.BS GRADE. 3 USE - OBEY ALL GDG REGS RECOMMND

All grading shall conform to the California Building Code, Ordinance 457, and all other relevant laws, rules, and regulations governing grading in Riverside County and prior to commencing any grading which includes 50 or more cubic yards, the applicant shall obtain a grading permit from the Building and Safety Department.

10.BS GRADE. 4 USE - DISTURBS NEED G/PMT RECOMMND

Ordinance 457 requires a grading permit prior to clearing, grubbing, or any top soil disturbances related to construction grading.

10.BS GRADE. 5 USE - PRE-CONSTRUCTION MTG RECOMMND

Prior to conducting any clearing, stockpiling, grading or excavation, the applicant is required to schedule a pre-construction meeting with the Building and Safety Department Environmental Compliance Division.

10.BS GRADE. 6 USE - NPDES INSPECTIONS RECOMMND

Construction activities including clearing, stockpiling, grading or excavation of land which disturbs less than 1 acre and requires a grading permit or construction Building permit shall provide for effective control of erosion, sediment and all other pollutants year-round. The permit holder shall be responsible for the installation and monitoring of effective erosion and sediment controls. Such controls will be evaluated by the Department of Building and Safety periodically and prior to permit Final to verify compliance with industry recognized erosion control measures.

Construction activities including but not limited to clearing, stockpiling, grading or excavation of land, which disturbs 1 acre or more or on-sites which are part of a

CONDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

10.BS GRADE. 6

USE - NPDES INSPECTIONS (cont.)

RECOMMND

larger common plan of development which disturbs less than 1 acre are required to obtain coverage under the construction general permit with the State Water Resources Control Board. You are required to provide proof of WDID# and keep a current copy of the storm water pollution prevention plan (SWPPP) on the construction site and shall be made available to the Department of Building and Safety upon request.

Year-round, Best Management Practices (BMP's) shall be maintained and be in place for all areas that have been graded or disturbed and for all material, equipment and/or operations that need protection. Stabilized Construction Entrances and project perimeter linear barriers are required year round. Removal BMP's (those BMP's which must be temporarily removed during construction activities) shall be in place at the end of each working day.

Monitoring for erosion and sediment control is required and shall be performed by the QSD or QSP as required by the Construction General Permit. Stormwater samples are required for all discharge locations and projects may not exceed limits set forth by the Construction General Permit Numeric Action Levels and/or Numeric Effluent Levels. A Rain Event Action Plan is required when there is a 50% or greater forecast of rain within the 48 hours, by the National Weather Service or whenever rain is imminent. The QSD or QSP must print and save records of the precipitation forecast for the project location area from (<http://www.srh.noaa.gov/forecast>) and must accompany monitoring reports and sampling test data. A Rain gauge is required on site. The Department of Building and Safety will conduct periodic NPDES inspections of the site throughout the recognized storm season to verify compliance with the Construction General Permit and Stormwater ordinances and regulations.

10.BS GRADE. 7

USE - EROSION CNTRL PROTECT

RECOMMND

Graded but undeveloped land shall provide, in addition to erosion control planting, any drainage facility deemed necessary to control or prevent erosion. Additional erosion protection may be required during the rainy season from October 1, to May 31.

ADDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

10.BS GRADE. 8 USE - DUST CONTROL RECOMMND

All necessary measures to control dust shall be implemented by the developer during grading. A PM10 plan may be required at the time a grading permit is issued.

10.BS GRADE. 9 USE - 2:1 MAX SLOPE RATIO RECOMMND

Graded slopes shall be limited to a maximum steepness ratio of 2:1 (horizontal to vertical) unless otherwise approved.

10.BS GRADE. 10 USE - SLOPE STABL'TY ANLYS RECOMMND

A slope stability report shall be submitted and approved by the County Geologist and/or Building and Safety Engineer for all proposed cut and fill slopes over 30 feet in vertical height, or cut slopes steeper than 2:1 (horizontal to vertical) - unless addressed in a previous report. Fill slopes shall not be steeper than 2:1 (horizontal to vertical).

10.BS GRADE. 11 USE - MINIMUM DRNAGE GRADE RECOMMND

Minimum drainage grade shall be 1% except on portland cement concrete where .35% shall be the minimum.

10.BS GRADE. 12 USE - DRAINAGE & TERRACING RECOMMND

Provide drainage facilities and terracing in conformance with the California Building Code's chapter on "EXCAVATION & GRADING".

10.BS GRADE. 13 USE - SLOPE SETBACKS RECOMMND

Observe slope setbacks from buildings & property lines per the California Building Code as amended by Ordinance 457.

10.BS GRADE. 23 USE - MANUFACTURED SLOPES RECOMMND

Plant and irrigate all manufactured slopes equal to or greater than 3 feet in vertical height with drought tolerant grass or ground cover; slopes 15 feet or greater in vertical height shall also be planted with drought tolerant shrubs or trees in accordance with the requirements of Ordinance 457.

10. GENERAL CONDITIONS

10.BS GRADE. 24 USE - FINISH GRADE

RECOMMND

Finish grade shall be sloped to provide proper drainage away from all exterior foundation walls in accordance with the California Building Code and Ordinance 457.

BS PLNCK DEPARTMENT

10.BS PLNCK. 1 USE - SUBMISSION REQ

RECOMMND

PERMIT ISSUANCE:

Per section 105.1 (2013 California Building Code, CBC): Where any owner or authorized agent intends to construct, enlarge, alter, repair, move, demolish or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert, or replace any electrical, gas, mechanical, or plumbing system, the regulation of which is governed by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required permit. The applicant shall obtain the required building permit(s) from the building department prior to any construction or placement of any building, structure or equipment on the property.

The applicant shall obtain an approved final building inspection and certificate of occupancy from the building department prior to any use or occupancy of the building, or structure.

At no time shall the approval of the planning case exhibit allow for the construction or use of any building, structure, or equipment.

Craig Lobnow
Principal Building Inspector, CASp
Riverside County Building & Safety
(951) 955-8578

E HEALTH DEPARTMENT

10.E HEALTH. 1 USE - NO FACILITIES

RECOMMND

Review of CUP03729 did not include the proposal of any structures with plumbing. If any facilities with plumbing will be constructed, they will be required to be further evaluated by the Department of Environmental Health.

CONDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

FIRE DEPARTMENT

10.FIRE. 1 USE-#89-RAPID HAZMAT BOX

RECOMMND

Rapid entry Hazardous Material data and key storage cabinet shall be installed on the outside of the building. Plans shall be submitted to the Riverside County Fire Department for approval prior to installation.

10.FIRE. 2 USE-#25-GATE ENTRANCES

RECOMMND

Any gate providing access from a road to a driveway shall be located at least 35 feet from the roadway and shall open to allow a vehicle to stop without obstructing traffic on the road. Where a one-way road with a single traffic lane provides access to a gate entrance, a 38 foot turning radius shall be used.

10.FIRE. 3 USE-#88A-AUTO/MAN GATES

RECOMMND

Gates shall be minimum 20 feet in width, with a setback of 35 feet from face of curb/flow line. Gate access shall be equipped with a rapid entry system. Plans shall be submitted to the Fire Department for approval prior to installation. Automatic/manual gate pins shall be rated with shear pin force, not to exceed 30 foot pounds. Automatic gates shall be equipped with emergency backup power. Gates activated by the rapid entry system shall remain open until closed by the rapid entry system.

FLOOD RI DEPARTMENT

10.FLOOD RI. 1 USE FLOOD HAZARD REPORT

RECOMMND

Conditional Use Permit 03729 is a proposal for a fixed tilt utility scale Photo Voltaic Solar Plant located on an approximately 20-acre site. The site is located in the Anza area on the north side of Cahuilla Road (State Highway 371) east of Kirby Road. Public Use Permit 00929 is being process concurrently with this proposal. The site is also associated with Lot Line Adjustment 5520 and was previously reviewed by the District as PAR 1449.

The topography of the area is a relatively mild, westerly sloping terrain. A portion of the northwest corner of the site is located within the 100-year Zone A flood plain limits as delineated on Panel No. 06065C-2825G of the Flood Insurance Rate Maps issued in conjunction with the National

CONDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

10.FLOOD RI. 1

USE FLOOD HAZARD REPORT (cont.)

RECOMMND

Flood Insurance Program administered by the Federal Emergency Management Agency (FEMA). The solar panels are elevated above the natural ground by placing the panels on top of a single posts or columns which are secured into the ground. These posts or columns should not cause a major disruption in the flood plain. Within the FEMA flood plain, the bottom of the solar panel shall be a minimum of 24-inches above the ground. This requirement has been shown on the exhibit.

An existing ditch adjacent to Cahuilla Road conveys runoff southwesterly. The proposed berm along the southerly property line will not block or alter this flow pattern. Most onsite runoff will sheet flow across the property. The berm may block some runoff from leaving the site. An 18-inch culvert, located at the southwest corner of the site, will discharge any nuisance flows into the roadside ditch which may collect within the site. This is acceptable to the District.

No solid block walls which prevent flows from entering the site shall be permitted with the flood plain. Chain link fencing is acceptable for this project. Vinyl slats are to be installed with the chain link fence along the southerly portion of the project site. The limits shown are not within an area where runoff would be blocked and this is acceptable to the District.

The site is located within the Anza Area Drainage Plan (ADP) where fees have been adopted by the Board of Supervisors. However, the amount of impervious surface is negligible and therefore the District shall not impose any fee at this time. Should additional development or use be proposed, the mitigation fee may be levied at that time.

PLANNING DEPARTMENT

10.PLANNING. 1

USE - LOW PALEO

RECOMMND

According to the County's General Plan, this site has been mapped as having a "Low Potential" for paleontological resources. This category encompasses lands for which previous field surveys and documentation demonstrates a low potential for containing significant paleontological resources subject to adverse impacts. As such, this project is not anticipated to require any direct mitigation

CONDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

10.PLANNING. 1

USE - LOW PALEO (cont.)

RECOMMND

for paleontological resources. However, should fossil remains be encountered during site development:

1.All site earthmoving shall be ceased in the area of where the fossil remains are encountered. Earthmoving activities may be diverted to other areas of the site.

2.The owner of the property shall be immediately notified of the fossil discovery who will in turn immediately notify the County Geologist of the discovery.

3.The applicant shall retain a qualified paleontologist approved by the County of Riverside.

4.The paleontologist shall determine the significance of the encountered fossil remains.

5.Paleontological monitoring of earthmoving activities will continue thereafter on an as-needed basis by the paleontologist during all earthmoving activities that may expose sensitive strata. Earthmoving activities in areas of the project area where previously undisturbed strata will be buried but not otherwise disturbed will not be monitored. The supervising paleontologist will have the authority to reduce monitoring once he/she determines the probability of encountering any additional fossils has dropped below an acceptable level.

6.If fossil remains are encountered by earthmoving activities when the paleontologist is not onsite, these activities will be diverted around the fossil site and the paleontologist called to the site immediately to recover the remains.

7.Any recovered fossil remains will be prepared to the point of identification and identified to the lowest taxonomic level possible by knowledgeable paleontologists. The remains then will be curated (assigned and labeled with museum* repository fossil specimen numbers and corresponding fossil site numbers, as appropriate; places in specimen trays and, if necessary, vials with completed specimen data cards) and catalogued, an associated specimen data and corresponding geologic and geographic site data will be archived (specimen and site numbers and corresponding data entered into appropriate museum repository catalogs and computerized data bases) at the

RECOMMND

museum repository by a laboratory technician. The remains will then be accessioned into the museum repository fossil collection, where they will be permanently stored, maintained, and, along with associated specimen and site data, made available for future study by qualified scientific investigators. * Per the County of Riverside "SABER Policy", paleontological fossils found in the County of Riverside should, by preference, be directed to the Western Science Center in the City of Hemet.

8.The property owner and/or applicant on whose land the paleontological fossils are discovered shall provide appropriate funding for monitoring, reporting, delivery and curating the fossils at the institution where the fossils will be placed, and will provide confirmation to the County that such funding has been paid to the institution.

10.PLANNING. 2 USE - PDP01515 comments

RECOMMND

County Paleontological Report (PDP) No. 1515 submitted for this project (CUP03729, PUP00929) was prepared by Harry Quinn of CRM Tech and is entitled: "Paleontological Resources Assessment Report AEPCO Solar Project, Assessor's Parcel No. 575-110-021, Riverside County, California," dated July 29, 2015.

(PDP) No. 1514 concludes that the project area likely contains deep deposits of the Bautista Formation and this formation has been assigned a high paleontological sensitivity due to past vertebrate discoveries in it.

(PDP) No. 1514 recommends that a PRIMP be prepared and a monitor be present during ground disturbing activities after a depth of 10 feet.

Prior to clearing this condition please explain the recommendation for a monitor after 10' depth when the thickness of the alluvium above is unknown.

10.PLANNING. 3 USE - COMPLY WITH ORD./CODES

RECOMMND

The development of these premises shall comply with the standards of Ordinance No. 348 and all other applicable Riverside County ordinances and State and Federal codes.

The development of the premises shall conform substantially with that as shown on APPROVED EXHIBIT A, unless otherwise

amended by these conditions of approval.

10.PLANNING. 4 USE - FEES FOR REVIEW RECOMMND

Any subsequent submittals required by these conditions of approval, including but not limited to grading plan, building plan or mitigation monitoring review, shall be reviewed on an hourly basis (research fee), or other such review fee as may be in effect at the time of submittal, as required by Ordinance No. 671. Each submittal shall be accompanied with a letter clearly indicating which condition or conditions the submittal is intended to comply with.

10.PLANNING. 5 USE - LIGHTING HOODED/DIRECTED RECOMMND

Any outside lighting shall be hooded and directed so as not to shine directly upon adjoining property or public rights-of-way.

10.PLANNING. 11 USE - NO OUTDOOR ADVERTISING RECOMMND

No outdoor advertising display, sign or billboard (not including on-site advertising or directional signs) shall be constructed or maintained within the property subject to this approval.

10.PLANNING. 13 USE - PHASES ALLOWED RECOMMND

Construction of this project may be done in two (2) phases as shown on APPROVED EXHIBIT A. Any additional phases, or modifications to the approved phasing, may be permitted provided a plan for each phase of development is submitted to and approved by the Planning Department. Phasing approval shall not apply to the requirements of any agency other than the Planning Department unless otherwise indicated by the affected agency.

10.PLANNING. 19 USE - NO RESIDENT OCCUPANCY RECOMMND

No permanent occupancy shall be permitted within the property approved under this conditional use permit as a principal place of residence. No person shall use the premises as a permanent mailing address nor be entitled to vote using an address within the premises as a place of residence.

07/06/16
13:58

Riverside County LMS
CONDITIONS OF APPROVAL

CONDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

10.PLANNING. 21

USE - EXTERIOR NOISE LEVELS

RECOMMND

Exterior noise levels produced by any use allowed under this permit, including, but not limited to, any outdoor public address system, shall not exceed 45 db(A), 10-minute LEQ, between the hours of 10:00 p.m. to 7:00 a.m., and 65 db(A), 10-minute LEQ, at all other times as measured at any residential, hospital, school, library, nursing home or other similar noise sensitive land use. In the event noise exceeds this standard, the permittee or the permittee's successor-in-interest shall take the necessary steps to remedy the situation, which may include discontinued operation of the facilities. The permit holder shall comply with the applicable standards of Ordinance No. 847.

10.PLANNING. 22

USE - NOISE MONITORING REPORTS

RECOMMND

The permit holder may be required to submit periodic noise monitoring reports as determined by the Department of Building and Safety as part of a code enforcement action. Upon written notice from the Department of Building and Safety requiring such a report, the permittee or the permittee's successor-in-interest shall prepare and submit an approved report within thirty (30) calendar days to the Department of Building and Safety, unless more time is allowed through written agreement by the Department of Building and Safety. The noise monitoring report shall be approved by the Office of Industrial Hygiene of the Health Service Agency (the permittee or the permittee's successor-in-interest shall be required to place on deposit sufficient funds to cover the costs of this approval prior to commencing the required report).

10.PLANNING. 24

USE - CAUSES FOR REVOCATION

RECOMMND

In the event the use hereby permitted under this permit,
a) is found to be in violation of the terms and conditions of this permit,
b) is found to have been obtained by fraud or perjured testimony, or
c) is found to be detrimental to the public health, safety or general welfare, or is a public nuisance, this permit shall be subject to the revocation procedures.

ADDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

10. GENERAL CONDITIONS

10. PLANNING. 25 USE - CEASED OPERATIONS RECOMMND

In the event the use hereby permitted ceases operation for a period of one (1) year or more, this approval shall become null and void.

10. PLANNING. 29 USE - MT PALOMAR LIGHTING AREA RECOMMND

Within the Mt. Palomar Special Lighting Area, as defined in Ordinance No. 655, low pressure sodium vapor lighting or overhead high pressure sodium vapor lighting with shields or cutoff luminaires, shall be utilized.

10. PLANNING. 34 USE - BUSINESS LICENSING RECOMMND

Every person conducting a business within the unincorporated area of Riverside County, as defined in Riverside County Ordinance No. 857, shall obtain a business license. For more information regarding business registration, contact the Business Registration and License Program Office of the Building and Safety Department at www.rctlma.org.buslic.

10. PLANNING. 35 REN ENG - UTILITY COORDINATION RECOMMND

The developer/permit holder shall ensure all distribution lines, electrical substations and other interconnection facilities are constructed to the specifications of the utility purveyor and/or building codes. Interconnection shall conform to the procedures and standards established by the Public Utilities Commission or as applicable.

10. PLANNING. 36 REN ENG - FUTURE INTERFERENCE RECOMMND

If the operation of this facility generates electronic interference with or otherwise impairs the operation of any communication facilities, the developer/permit holder shall take immediate action and consult with County Information Technology staff to develop and implement measures acceptable to the Department of Information Technology.

10. PLANNING. 37 REN ENG - ON SITE DIST. LINES RECOMMND

The developer/permit holder shall ensure all on site electrical distribution lines are undergrounded up to the point of step-up or utility interface in the case of an on-site substation.

07/06/16

Parcel: 575-110-034

10. GENERAL CONDITIONS

10.PLANNING. 38

REN ENG - PRODUCTION MONITORIN

RECOMMND

The developer/permit holder shall monitor the plant's power production, including the power production for each array or power block and ensure systems are in place to continue monitoring throughout the life of the permit from the time the facility is connected to the grid and begins selling power. A report of the plant's power production shall be produced within fourth-five (45) days from the date the developer/permit holder receives the request from the County.

10.PLANNING. 39

REN ENG - NO FINAL NO CONNECT

RECOMMND

The developer/permit holder shall ensure that the Department of Building and safety has completed their final inspection prior to connection to the utility purveyor.

A temporary power permit may be pursued from the Department of Building and Safety prior to final inspection for construction and to allow equipment and system testing. The Director of Building and Safety or his designee, may allow the interconnection of individual arrays or power blocks if it is determine that adequate safe guards exist to ensure compliance with all conditions of approval.

10.PLANNING. 40

USE - SOLAR PROJECTS

RECOMMND

1.The applicant shall maintain re-vegetated surfaces until a self-sustaining stand of vegetation is re-established and visually adapted to the undisturbed surrounding vegetation. No new disturbance shall be created during operations without prior approval from the County.

2.Interim restoration shall be undertaken during the operating life of the project as soon as possible after disturbances.

3.Painted facilities shall be kept in good repair and repainted when color fades or flakes.

4.The color treatment method used to reduce visual contrast between the backs or non-energy gathering side of the solar panels and the landscape setting shall be kept in good repair, and repaired/retreated when it no longer effectively reduces the visual contrast.

5.Where feasible, vehicle mounted lights should be used for

ADDITIONAL USE PERMIT Case #: CUP03729

10. GENERAL CONDITIONS

10.PLANNING. 40 USE - SOLAR PROJECTS (cont.) RECOMMND

night maintenance activities. Wherever feasible, consistent with safety and security, lighting should be kept off when not in use.

10.PLANNING. 41 USE - PREVENT DUST & BLOWSAND RECOMMND

Graded but undeveloped land shall be maintained in a condition so as to prevent a dust and/or blowsand nuisance and shall be either planted with interim landscaping or provided with other wind and water erosion control measures as approved by the Building and Safety Department and the State air quality management authorities.

10.PLANNING. 42 USE - ORD 810 O S FEE (1) RECOMMND

In accordance with Riverside County Ordinance No. 810, to assist in providing revenue to acquire and preserve open space and habitat, an Open Space Mitigation Fee shall be paid for each development project or portion of an expanded development project to be constructed in Western Riverside County. The amount of the fee for commercial or industrial development shall be calculated on the basis of "Project Area," which shall mean the net area, measured in acres, from the adjacent road right-of-way to the limits of the project development.

Any area identified as "NO USE PROPOSED" on the APPROVED EXHIBIT shall not be included in the Project Area.

10.PLANNING. 43 USE - PDA04932R1 ACCEPTED RECOMMND

County Archaeological Report (PDA) No. 4932 submitted for this project (CUP03729, PUP00929) was prepared by of CRM TECH and is entitled: "Phase I Archaeological Assessment AEPCO Solar Project, APN 575-110-034, Anza area, Riverside County, California" dated July 29.2015. This report was not accepted by the County Archaeologist and report comments (request for revisions) were requested and sent to the consultant October 13, 2015.

Revised County Archaeological Report (PDA) No. 4932R1 submitted for this same project, prepared by the same aforementioned company and individual and bearing the same title, is dated November 19, 2015. This report was received on November 19, 2015 and accepted by the County Archaeologist on the same day.

10. GENERAL CONDITIONS

10.PLANNING. 43

USE - PDA04932R1 ACCEPTED (cont.)

RECOMMND

PDA 4932R1 concludes: no cultural resources were identified within or adjacent to the project area.

PDA 4932r1 does not recommend any cultural or native monitoring for this project.

These documents are herein incorporated as a part of the record for project.

10.PLANNING. 44

USE - GEO02471

RECOMMND

County Geologic Report GEO No. 2471, submitted for the project APNs 575-110-022 and 034, was prepared by LOR Geotechnical Group, Inc. The report is titled; "Preliminary Geotechnical Investigation, Proposed Anza Solar Facility, Anza Area, Riverside County, California," dated December 16, 2015. In addition, the applicant has submitted the following report:

"Response to County of Riverside Review Comments, County Geologic Report 2471, Preliminary Geotechnical Investigation, Proposed Anza Solar Facility, Anza Area, Riverside County, California, dated December 16, 2015," letter dated February 12, 2016.

This document is herein incorporated in GEO02471.

GEO02471 concluded:

- 1.No active faults are known to project through the site and the site is not within an Alquist-Priolo Earthquake Fault (Special Studies) Zone.
- 2.Based upon published maps, onsite mapping, and a review of aerial photographs of the site, no active or potentially active faults exist at, or project into the site.
- 3.The occurrence of mass movement failures, such as landslides, rockfalls, or debris flows within relatively flat areas is generally not considered common and no evidence of mass movement was observed on the site.
- 4.The possibility of liquefaction at the site is considered very low.
- 5.The potential for seismically-induced settlement is considered moderate.

GEO02471 recommended:

- 1.All loose alluvium and any existing fill/topsoil material should be removed from areas to receive engineered compacted fill and from improvement areas.
- 2.Removals on the order of 2 feet below original, natural grade will be required to expose competent alluvium upon

RECOMMND

which fills can be placed.

3. Removals should expose alluvial material with a native in-situ compaction of at least 85 percent and/or an in-situ saturation of at least 85 percent.

GEO No. 2471 satisfies the requirement for a geologic/geotechnical study for Planning/CEQA purposes. GEO No. 2471 is hereby accepted for planning purposes. Engineering and other Building Code parameters were not included as a part of this review or approval. This approval is not intended and should not be misconstrued as approval for grading permit. Engineering and other building code parameters should be reviewed and additional comments and/or conditions may be imposed by the County upon application for grading and/or building permits.

TRANS DEPARTMENT

10.TRANS. 1 USE - STD INTRO (ORD 461)

RECOMMND

With respect to the conditions of approval for the referenced tentative exhibit, the landowner shall provide all street improvements, street improvement plans and/or road dedications set forth herein in accordance with Riverside County Road Improvement Standards (Ordinance 461). It is understood that the exhibit correctly shows acceptable centerline elevations, all existing easements, traveled ways, and drainage courses with appropriate Q's, and that their omission or unacceptability may require the exhibit to be resubmitted for further consideration. This ordinance and all conditions of approval are essential parts and a requirement occurring in ONE is as binding as though occurring in all. All questions regarding the true meaning of the conditions shall be referred to the Transportation Department.

10.TRANS. 2 USE - COUNTY WEB SITE

RECOMMND

Additional information, standards, ordinances, policies, and design guidelines can be obtained from the Transportation Department Web site:
<http://rctlma.org/trans/>. If you have questions, please call the Plan Check Section at (951) 955-6527.

10. GENERAL CONDITIONS

10.TRANS. 3 USE - TS/EXEMPT

RECOMMND

The Transportation Department has not required a traffic study for the subject project. The Transportation Department has determined that the project is exempt from traffic study requirements.

WASTE DEPARTMENT

10.WASTE. 1 USE - DECOMMISSIONING/CLOSURE

RECOMMND

Prior to County Approval of the Decommissioning and Closure Plan: A Waste Recycling Plan (WRP) shall be submitted to the Riverside County Department of Waste Resources for approval. At a minimum, the WRP must identify the materials (i.e., solar panels, cardboard, concrete, asphalt, wood, etc.) that will be generated by the decommissioning and closure of the facility, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials, the facilities and/or haulers that will be utilized, and the targeted recycling or reduction rate. During the decommissioning and closure, the project site shall have, at a minimum, two (2) bins: one for waste disposal and the other for the recycling of Construction and Demolition (C&D) materials. Additional bins are encouraged to be used for further source separation of C&D recyclable materials. Accurate record keeping (receipts) for recycling of C&D recyclable materials and solid waste disposal must be kept. Arrangements can be made through the franchise hauler.

10.WASTE. 2 USE - HAZARDOUS MATERIALS

RECOMMND

Hazardous materials are not accepted at Riverside County landfills. In compliance with federal, state, and local regulations and ordinances, any hazardous waste generated in association with the project shall be disposed of at a permitted Hazardous Waste disposal facility. Hazardous waste materials include, but are not limited to, paint, batteries, oil, asbestos, and solvents. For further information regarding the determination, transport, and disposal of hazardous waste, please contact the Riverside County Department of Environmental Health, Environmental Protection and Oversight Division.

CONDITIONAL USE PERMIT Case #: CUP03729

Parcel: 575-110-034

20. PRIOR TO A CERTAIN DATE

PLANNING DEPARTMENT

20.PLANNING. 2 USE - LIFE OF THE PERMIT

RECOMMND

The life of Conditional Use Permit No. 3729 shall terminate twenty (20) years from the date of approval, on July 26, 2036. This permit shall thereafter be null and void and of no effect whatsoever.

20.PLANNING. 4 USE - EXPIRATION DATE-CUP/PUP

RECOMMND

This approval shall be used within two (2) years of the approval date; otherwise, it shall become null and void and of no effect whatsoever. By use is meant the beginning of substantial construction contemplated by this approval within two (2) year period which is thereafter diligently pursued to completion or to the actual occupancy of existing buildings or land under the terms of the authorized use. Prior to the expiration of the two year period, the permittee may request a one (1) year extension of time in which to begin substantial construction or use of this permit. Should the one year extension be obtained and no substantial construction or use of this permit be initiated within three (3) years of the approval date this permit, shall become null and void.

60. PRIOR TO GRADING PRMT ISSUANCE

BS GRADE DEPARTMENT

60.BS GRADE. 1 USE - NPDES/SWPPP

RECOMMND

Prior to issuance of any grading or construction permits - whichever comes first - the applicant shall provide the Building and Safety Department evidence of compliance with the following: "Effective March 10, 2003 owner operators of grading or construction projects are required to comply with the N.P.D.E.S. (National Pollutant Discharge Elimination System) requirement to obtain a construction permit from the State Water Resource Control Board (SWRCB). The permit requirement applies to grading and construction sites of "ONE" acre or larger. The owner operator can comply by submitting a "Notice of Intent" (NOI), develop and implement a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) and a monitoring program and reporting plan for the construction site. For additional information and to obtain a copy of the NPDES State Construction Permit contact the SWRCB at www.swrcb.ca.gov.

60.BS GRADE. 1 USE - NPDES/SWPPP (cont.)

RECOMMND

Additionally, at the time the county adopts, as part of any ordinance, regulations specific to the N.P.D.E.S., this project (or subdivision) shall comply with them.

60.BS GRADE. 2 USE - GRADING SECURITY

RECOMMND

Grading in excess of 199 cubic yards will require a performance security to be posted with the Building and Safety Department.

60.BS GRADE. 4 USE - GEOTECH/SOILS RPTS

RECOMMND

Geotechnical soils reports, required in order to obtain a grading permit, shall be submitted to the Building and Safety Department for review and approval prior to issuance of a grading permit. All grading shall be in conformance with the recommendations of the geotechnical/soils reports as approved by Riverside County.* *The geotechnical/soils, compaction and inspection reports will be reviewed in accordance with the RIVERSIDE COUNTY GEOTECHNICAL GUIDELINES FOR REVIEW OF GEOTECHNICAL AND GEOLOGIC REPORTS.

60.BS GRADE. 6 USE - DRAINAGE DESIGN Q100

RECOMMND

All drainage facilities shall be designed n accordance with the Riverside County Flood Control & Water District's or Coachella Valley Water District's conditions of approval regarding this application. If not specifically addressed in their conditions, drainage shall be designed to accommodate 100 year storm flows.

60.BS GRADE. 11 USE - APPROVED WQMP

RECOMMND

Prior to the issuance of a grading permit, the owner / applicant shall submit to the Building & Safety Department Engineering Division evidence that the project - specific Water Quality Management Plan (WQMP) has been approved by the Riverside County Flood Control District or Riverside County Transportation Department and that all approved water quality treatment control BMPs have been included on the grading plan.

60.BS GRADE. 13 USE- BMP CONST NPDES PERMIT

RECOMMND

Prior to the issuance of a grading permit, the owner / applicant shall obtain a BMP (Best Management Practices) Permit for the monitoring of the erosion and sediment control BMPs for the site. The Department of Building and Safety will conduct NPDES (National Pollutant Discharge Elimination System) inspections of the site based on Risk Level to verify compliance with the Construction General Permit, Stormwater ordinances and regulations until completion of the construction activities, permanent stabilization of the site and permit final.

60.BS GRADE. 14 USE - SWPPP REVIEW

RECOMMND

Grading and construction sites of "ONE" acre or larger required to develop a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) - the owner/applicant shall submit the SWPPP to the Building and Safety Department Environmental Compliance Division for review and approval prior to issuance of a grading permit.

EPD DEPARTMENT

60.EPD. 1 - MITIGATION RATIO

RECOMMND

Applicant must provide document from the Wildlife Agencies confirming 1:1 mitigation is acceptable for LAPM, as opposed to 3:1 recommended in the DBESP comment letter dated 01/22/2016. This matter is pending a response to a response to comments letter from the applicant's biologist, dated 05/05/2016, in which it references previous conversations and agreements had between the applicant and the Wildlife Agencies, to mitigate at 1:1 as well as demonstrate how the site would not be graded and all LAPM habitat not destroyed.

60.EPD. 2 - NESTING BIRD SURVEY

RECOMMND

Birds and their nests are protected by the Migratory Bird Treaty Act (MBTA) and California Department of Fish and Wildlife (CDFW) Codes. Since the project supports suitable nesting bird habitat, removal of vegetation or any other potential nesting bird habitat disturbances shall be conducted outside of the avian nesting season (February 1st through September 15th). If habitat must be cleared during the nesting season or disturbances occur within 500 feet, a preconstruction nesting bird survey shall be conducted. The

- NESTING BIRD SURVEY (cont.)

RECOMMND

preconstruction nesting bird survey must be conducted by a biologist who holds a current MOU with the County of Riverside. If nesting activity is observed, appropriate avoidance measures shall be adopted to avoid any potential impacts to nesting birds. The nesting bird survey must be completed no more than 3 days prior to any ground disturbance. If ground disturbance does not begin within 3 days of the survey date a second survey must be conducted. Prior to the issuance of a grading or building permit the project proponent must provide written proof to the Riverside County Planning Department, Environmental Programs Division (EPD) that a biologist who holds a MOU with the County of Riverside has been retained to carry out the required survey. Documentation submitted to prove compliance prior to grading or building permit issuance must at a minimum include the name and contact information for the Consulting Biologist and a signed statement from them confirming that they have been contracted by the applicant to conduct a Preconstruction Nesting Bird Survey. In some cases, EPD may also require a Monitoring and Avoidance Plan prior to the issuance of a grading or building permit. Prior to finalization of a grading permit or prior to issuance of any building permits, the projects consulting biologist shall prepare and submit a report to EPD for review, documenting the results of the survey.

PLANNING DEPARTMENT

60.PLANNING. 1

USE - PRIMP AND MONITOR

RECOMMND

PRIOR TO ISSUANCE OF GRADING PERMITS:

1.The applicant shall retain a qualified paleontologist approved by the County of Riverside to create and implement a project-specific plan for monitoring site grading/earthmoving activities (project paleontologist).

2.The project paleontologist retained shall review the approved development plan and grading plan and shall conduct any pre-construction work necessary to render appropriate monitoring and mitigation requirements as appropriate. These requirements shall be documented by the project paleontologist in a Paleontological Resource Impact Mitigation Program (PRIMP). This PRIMP shall be submitted to the County Geologist for review and approval prior to

Parcel: 575-110-034

60. PRIOR TO GRADING PRMT ISSUANCE

60.PLANNING. 1 USE - PRIMP AND MONITOR (cont.)

RECOMMND

issuance of a Grading Permit.

Information to be contained in the PRIMP, at a minimum and in addition to other industry standards and Society of Vertebrate Paleontology standards, are as follows:

- 1.Description of the proposed site and planned grading operations.
- 2.Description of the level of monitoring required for all earth-moving activities in the project area.
- 3.Identification and qualifications of the qualified paleontological monitor to be employed for grading operations monitoring.
- 4.Identification of personnel with authority and responsibility to temporarily halt or divert grading equipment to allow for recovery of large specimens.
- 5.Direction for any fossil discoveries to be immediately reported to the property owner who in turn will immediately notify the County Geologist of the discovery.
- 6.Means and methods to be employed by the paleontological monitor to quickly salvage fossils as they are unearthed to avoid construction delays.
- 7.Sampling of sediments that are likely to contain the remains of small fossil invertebrates and vertebrates.
- 8.Procedures and protocol for collecting and processing of samples and specimens.
- 9.Fossil identification and curation procedures to be employed.
- 10.Identification of the permanent repository to receive any recovered fossil material. *Pursuant the County of Riverside "SABER Policy", paleontological fossils found in the County of Riverside should, by preference, be directed to the Western Science Center in the City of Hemet. A written agreement between the property owner/developer and the repository must be in place prior to site grading.
- 11.All pertinent exhibits, maps and references.

12.Procedures for reporting of findings.

13.Identification and acknowledgement of the developer for the content of the PRIMP as well as acceptance of financial responsibility for monitoring, reporting and curation fees.

The property owner and/or applicant on whose land the paleontological fossils are discovered shall provide appropriate funding for monitoring, reporting, delivery and curating the fossils at the institution where the fossils will be placed, and will provide confirmation to the County that such funding has been paid to the institution.

All reports shall be signed by the project paleontologist and all other professionals responsible for the report's content (eg. Professional Geologist), as appropriate. Two wet-signed original copies of the report(s) shall be submitted to the office of the County Geologist along with a copy of this condition and the grading plan for appropriate case processing and tracking. These documents should not be submitted to the project Planner, the Plan Check staff, the Land Use Counter or any other County office. In addition, the applicant shall submit proof of hiring (i.e. copy of executed contract, retainer agreement, etc.) a project paleontologist for the in-grading implementation of the PRIMP.

Safeguard Artifacts Being Excavated in Riverside County
(SABER)

60.PLANNING. 11 USE- FEE STATUS RECOMMND

Prior to the issuance of grading permits for Conditional Use Permit No. 3729, the Planning Department shall determine the status of the deposit based fees. If the fees are in a negative status, the permit holder shall pay the outstanding balance.

60.PLANNING. 15 USE - AG PRESERVE (NONR) RECOMMND

Prior to the issuance of a grading permit, the Board of Supervisors shall have adopted a resolution diminishing the subject property from the boundaries of Anza Agricultural Preserve No. 1, under Agricultural Preserve Case No. 1053.

USE - ARCHAEOLOGIST RETAINED

RECOMMND

Prior to the issuance of grading permits, the developer/permit holder shall retain and enter into a monitoring and mitigation service contract with a qualified Archaeologist for services.

The Project Archaeologist shall develop a Cultural Resources Monitoring Plan which must be approved by the County Archaeologist prior to issuance of grading permits. The Project Archaeologist shall manage and oversee monitoring for all initial ground disturbing activities and excavation of each portion of the project site including clearing, grubbing, tree removals, grading, trenching, stockpiling of materials, rock crushing, structure demolition and etc.

The Project Monitor shall have the authority to temporarily divert, redirect or halt the ground disturbance activities to allow identification, evaluation, and potential recovery of cultural resources in coordination with the special interest monitors.

The developer/permit holder shall submit a fully executed copy of the contract and a wet-signed copy of the Monitoring Plan to the Riverside County Planning Department to ensure compliance with this condition of approval.

60.PLANNING. 17

USE - NATIVE MONITOR REQUIRED

RECOMMND

Prior to the issuance of grading permits, the developer/permit applicant shall enter into a contract and retain a Native American Monitor from the Morongo Band of Mission Indians. The contract shall address the treatment and ultimate disposition of cultural resources which may include repatriation and/or curation in a Riverside County approved curation facility.

Daily monitoring notes documenting observations, comments or concerns shall be kept by the Native American Monitor and shall be included in the Phase IV Monitoring report as a confidential appendix.

The Native American Monitor shall be on-site during all initial ground disturbing activities and excavation of each portion of the project site including clearing, grubbing, tree removals, grading, trenching, stockpiling of materials, rock crushing, structure demolition and etc. The Native American Monitor shall have the limited authority to temporarily divert, redirect or halt the ground disturbance activities to allow identification, evaluation, and potential recovery of cultural resources in coordination with the appropriate Cultural Resources Professional such

RECOMMND

as an Archaeologist, Historic Archaeologist, Architectural Historian and/or Historian.

The developer/permit applicant shall submit a fully executed copy of the contract to the County Archaeologist to ensure compliance with this condition of approval. Upon verification, the Archaeologist shall clear this condition.

NOTE:

1)The Cultural Resources Professional is responsible for implementing mitigation and standard professional practices for cultural resources. The Professional shall coordinate with the County, developer/permit applicant and Native American Monitors throughout the process.

2)Native American monitoring does not replace any required Cultural Resources monitoring, but rather serves as a supplement for coordination and advisory purposes for all groups' interests only.

3)The developer/permit applicant shall not be required to further pursue any agreement for special interest monitoring of this project if after 60 days from the initial attempt to secure an agreement the developer/permit applicant, through demonstrable good faith effort, has been unable to secure said agreement from the Native American Monitors. A good faith effort shall consist of no less than 3 written attempts from the developer/permit applicant to the tribe to secure the required special interest monitoring agreement and appropriate e-mail and telephone contact attempts. Documentation of the effort made to secure the agreement shall be submitted to the County Archaeologist for review and consideration.

4)Should repatriation be preferred, it shall not occur until after the Phase IV monitoring report has been submitted to the Riverside County Archaeologist. Should curation be preferred, the developer/permit applicant is responsible for all costs.

This agreement shall not modify any condition of approval or mitigation measure.

60.PLANNING. 18

USE - REQD APPLICATIONS (1)

RECOMMND

No grading permits shall be issued until Agricultural case No. 1056 has been approved and adopted by the Board of Supervisors and have been made effective. This permit shall

conform with the development standards of the designation[s] and/or zone[s] ultimately applied to the property.

TRANS DEPARTMENT

60.TRANS. 1 USE - SUBMIT GRADING PLAN RECOMMND

When you submit a grading plan to the Department of Building and Safety, two sets of the grading plan (24" X 36") shall be submitted to the Transportation Department for review and subsequently for the required clearance of the condition of approval prior to the issuance of a grading permit.

Please note, if improvements within the road right-of-way are required per the conditions of approval, the grading clearance may be dependent on the submittal of street improvement plans, the opening of an IP account, and payment of the processing fee.

Otherwise, please submit required grading plan to the Transportation Department, Plan Check Section, 8th Floor, 4080 Lemon Street, Riverside, CA

Standard plan check turnaround time is 10 working days.

70. PRIOR TO GRADING FINAL INSPECT

PLANNING DEPARTMENT

70.PLANNING. 1 USE - PHASE IV CULTURAL REPORT RECOMMND

Prior To Grading Permit Final (Archaeological Monitoring/Phase IV Report Submittal): The developer/holder shall prompt the Project Archaeologist to submit one (1) wet-signed paper copy and (1) CD of a Phase IV Cultural Resources Monitoring Report that complies with the Riverside County Planning Department's requirements for such reports for all ground disturbing activities associated with this grading permit. The report shall follow the County of Riverside Planning Department Cultural Resources (Archaeological) Investigations Standard Scopes of Work posted on the TLMA website. The County Archaeologist shall review the report to determine adequate compliance with the approved conditions of approval. Upon

80. PRIOR TO BLDG PRMT ISSUANCE

BS GRADE DEPARTMENT

80.BS GRADE. 1 USE - NO B/PMT W/O G/PMT RECOMMND

Prior to issuance of any building permit, the property
owner shall obtain a grading permit and/or approval to
construct from the Building and Safety Department.

80.BS GRADE. 2 USE - ROUGH GRADE APPROVAL RECOMMND

Prior to the issuance of any building permit, the applicant
shall obtain rough grade approval and/or approval to
construct from the Building and Safety Department. The
Building and Safety Department must approve the completed
grading of your project before a building permit can be
issued. Rough Grade approval can be accomplished by
complying with the following:

1.Submitting a "Wet Signed" copy of the Soils Compaction
Report containing substantiating data from the Soils
Engineer (registered geologist or certified geologist,
civil engineer or geotechnical engineer as appropriate) for
his/her certification of the project.

2.Submitting a "Wet Signed" copy of the Rough Grade
certification from a Registered Civil Engineer certifying
that the grading was completed in conformance with the
approved grading plan.

3.Requesting a Rough Grade Inspection and obtaining rough
grade approval from a Riverside County inspector.

4.Rough Grade Only Permits: In addition to obtaining all
required inspections and approval of all final reports, all
sites permitted for rough grade only shall provide 100
percent vegetative coverage to stabilize the site prior to
receiving a rough grade permit final.

Prior to release for building permit, the applicant shall
have met all rough grade requirements to obtain Building
and Safety Department clearance.

REN ENG - REMEDIATION BONDING (cont.)

RECOMMND

cables. The amount shall be as specified and agreed upon in an engineering estimate prepared by a California Registered Engineer and that has been reviewed and approved by the County.

The bond shall be held for life of the permit, but may be released sooner by the Board of Supervisors upon approval of a final demolition and site restoration inspection by the Department of Building and Safety. Thereafter, and with no interruption in the bonding security of the project, bonds shall be renewed in five (5) year increments to include the expiration date of the permit(s) granted, as referenced herein.

If the Planning Director determines, at any time during the term of the bond or other security, that the amount of the bond or other security has become insufficient, the permit holder shall increase the amount of the bond or other security within thirty (30) days after being notified that the amount is insufficient, but the required increase shall not exceed the increase in the U.S. Department of Labor Consumer Price Index for the Los Angeles-Long Beach Metropolitan Area.

80.PLANNING. 21

USE- DECOM RECLMTN PLAN SOLAR

RECOMMND

Prior to the issuance of a building permit, a Decommissioning and Site Reclamation Plan shall be developed by the applicant and approved by the Planning Department. The plan shall require that all aboveground and near-ground structures be removed. Some structures shall be removed only to a level below the ground surface that will allow reclamation/restoration. Topsoil from all decommissioning activities shall be salvaged and reapplied during final reclamation. The plan shall include provisions for monitoring and determining compliance with the plan. The Plan shall include the following elements:

1.A preconstruction survey of existing conditions to establish the baseline that will be restored to.

2.A maintenance plan for the life of the project.

3.Soil borrow areas, cut-and-fill slopes, berms, water bars, and other disturbed areas shall be contoured to

RECOMMND

approximate naturally occurring slopes, thereby avoiding form and line contrasts with the existing landscapes. The Applicant shall contour to a rough texture (i.e., use large rocks/boulders, grade uneven surfaces, and/or vegetation mulches/debris) in order to trap seed and to discourage off-road travel, thereby reducing associated visual impacts.

4.A combination of seeding, planting of nursery stock, transplanting of local vegetation within the proposed disturbance areas, and staging of decommissioning activities enabling direct transplanting shall be considered. Where feasible, native vegetation shall be used for re-vegetating to establish a composition consistent with the form, line, color, and texture of the surrounding undisturbed landscape.

5.Stockpiled topsoil shall be reapplied to disturbed areas, and the areas shall be re-vegetated by using a mix of native species selected for visual compatibility with existing vegetation, where applicable, or by using a mix of native and non-native species if necessary to ensure successful re-vegetation. Gravel and other surface treatments shall be removed or buried.

6.Rocks, brush, and vegetal debris shall be restored whenever possible to approximate pre-existing visual conditions.

80.PLANNING. 22 USE- LIGHTING PLANS SOLAR (1)

RECOMMND

Prior to the issuance of a building permit, a solar power plant lighting plan shall prepared by the applicant, and approved by the Planning Department, that documents how lighting will be designed and installed to minimize night-sky impacts during facility construction and operations. Lighting for facilities should not exceed the minimum number of lights and brightness required for safety and security, and should not cause excessive reflected glare. Low-pressure sodium light sources should be used to reduce light pollution. Full cut-off luminaires should be used to minimize up lighting. Lights should be directed downward or toward the area to be illuminated. Light fixtures should not spill light beyond the project boundary. Lights in highly illuminated areas that are not occupied on a continuous basis should have switches, timer

80.PLANNING. 22 USE- LIGHTING PLANS SOLAR (1) (cont.) RECOMMND

switches, or motion detectors so that the lights operate only when the area is occupied.

Where feasible, vehicle mounted lights should be used for night maintenance activities. Wherever feasible, consistent with safety and security, lighting should be kept off when not in use. The lighting plan should include a process for promptly addressing and mitigating complaints about potential lighting impacts.

80.PLANNING. 23 USE - REQD APPLICATIONS (2) RECOMMND

No building permits shall be issued until Agricultural Case No. 1056 has been approved and adopted by the Board of Supervisors and have been made effective. This permit shall conform with the development standards of the designation(s) and/or zone(s) ultimately applied to the property.

TRANS DEPARTMENT

80.TRANS. 1 USE - CALTRANS ENCRCHMNT PRMT RECOMMND

Prior to issuance of a building permit or any use allowed by this permit, and prior to doing any work within the State highway right-of-way, clearance and/or an encroachment permit must be obtained by the applicant from the District 08 Office of the State Department of Transportation in San Bernardino.

80.TRANS. 2 USE - R-O-W DEDICATION 1 RECOMMND

Sufficient public street right-of-way along SH-371 shall be conveyed for public use to provide for a 59 foot half-width right-of-way per Standard No. 93, Ordinance 461.

80.TRANS. 3 USE - ANNEX L&LMD/OTHER DIST RECOMMND

Prior to the issuance of a building permit, the project proponent shall comply with County requirements within public road rights-of-way, in accordance with Ordinance 461. Assurance of maintenance is required by filing an application for annexation to Landscaping and Lighting Maintenance District No. 89-1-Consolidated by contacting the Transportation Department at (951)955-6767, and/or any other maintenance district approved by the

80. PRIOR TO BLDG PRMT ISSUANCE

80.TRANS. 3 USE - ANNEX L&LMD/OTHER DIST (cont.)

RECOMMND

Transportation Department or by processing and filing a 'Landscape Maintenance Agreement' through the Transportation Department Plan Check Division. Said annexation should include the following:

- (1) Streetlights on SH-371.
- (2) Street sweeping.

For street lighting, the project proponent shall contact the Transportation Department L&LMD 89-1-C Administrator and submit the following:

- (1) Completed Transportation Department application.
- (2) Appropriate fees for annexation.
- (3) (2) sets of street lighting plans approved by Transportation Department.
- (4) "Streetlight Authorization" form from SCE, IID or other electric provider.

80.TRANS. 4 USE - LIGHTING PLAN

RECOMMND

A separate streetlight plan is required for this project. Street lighting shall be designed in accordance with County Ordinance 460 and Streetlight Specification Chart found in Specification Section 22 of Ordinance 461. For projects within SCE boundaries use County of Riverside Ordinance 461, Standard No. 1000 or No. 1001. For projects within Imperial Irrigation District (IID) use IID's pole standard.

NOTE: If the project proponent plans to pay cash in lieu of constructing improvements, a plan or exhibit will need to be prepared to verify construction quantities.

80.TRANS. 5 USE - UTILITY PLAN

RECOMMND

Electrical power, telephone, communication, street lighting, and cable television lines shall be designed to be placed underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department. The applicant is responsible for coordinating the work with the serving utility company. This also applies to existing

USE - UTILITY PLAN (cont.)

RECOMMND

overhead lines which are 33.6 kilovolts or below along the project frontage and between the nearest poles offsite in each direction of the project site. A disposition note describing the above shall be reflected on design improvement plans whenever those plans are required. A written proof for initiating the design and/or application of the relocation issued by the utility company shall be submitted to the Transportation Department for verification purposes.

NOTE: If the project proponent plans to pay cash in lieu of constructing improvements, a plan or exhibit will need to be prepared to verify construction quantities.

80.TRANS. 6

USE - PARKING SPACES

RECOMMND

The parking spaces located near the west driveway shall be relocated/removed. This condition applies to those parking spaces which require a vehicle to "back out" into the road right-of-way.

WASTE DEPARTMENT

80.WASTE. 1

USE - WASTE RECYCLE PLAN (WRP)

RECOMMND

Prior to building permit issuance, a Waste Recycling Plan (WRP) shall be submitted to the Riverside County Department of Waste Resources for approval. At a minimum, the WRP must identify the materials (i.e., concrete, asphalt, wood, etc.) that will be generated by construction and development, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials, the facilities and/or haulers that will be utilized, and the targeted recycling or reduction rate. During project construction, the project site shall have, at a minimum, two (2) bins: one for waste disposal and the other for the recycling of Construction and Demolition (C&D) materials. Additional bins are encouraged to be used for further source separation of C&D recyclable materials. Accurate record keeping (receipts) for recycling of C&D recyclable materials and solid waste disposal must be kept. Arrangements can be made through the franchise hauler.

90. PRIOR TO BLDG FINAL INSPECTION

BS GRADE DEPARTMENT

90.BS GRADE. 1 USE - WQMP BMP INSPECTION

RECOMMND

Prior to final building inspection, the applicant shall obtain inspection of all treatment control BMPs and/or clearance from the Building and Safety Department. All structural BMPs described in the project - specific WQMP and indicated on the approved grading plan shall be constructed and installed in conformance with the approved plans and specifications. The Building and Safety Department must inspect and approve the completed WQMP treatment control BMPs for your project before a building final can be obtained.

90.BS GRADE. 2 USE - WQMP BMP CERT REQ'D

RECOMMND

Prior to final building inspection, the applicant/owner shall submit a "Wet Signed" copy of the Water Quality Management Plan (WQMP) Certification from a Registered Civil Engineer certifying that the project - specific WQMP treatment control BMPs have been installed in accordance with the approved WQMP.

90.BS GRADE. 3 USE - BMP GPS COORDINATES

RECOMMND

Prior to final building inspection, the applicant/owner shall provide the Department of Building Safety with GPS coordinates for the location of the project - specific WQMP treatment control BMPs.

90.BS GRADE. 4 USE - BMP REGISTRATION

RECOMMND

Prior to final building inspection, the applicant/owner shall register the project - specific WQMP treatment control BMPs with the Department of Building Safety Business Registration Division. Any person or entity that owns or operates a commercial and/or industrial facility shall register such facility for annual inspections.

90.BS GRADE. 5 USE - REQ'D GRADING INSP'S

RECOMMND

The developer / applicant shall be responsible for obtaining the following inspections required by Ordinance 457.

1.Sub-grade inspection prior to base placement.

3.Precise grade inspection of entire permit area.

a.Inspection of Final Paving

b.Precise Grade Inspection

c.Inspection of completed onsite storm drain facilities

d.Inspection of the WQMP treatment control BMPs

90.BS GRADE. 6 USE - PRECISE GRDG APPROVAL

RECOMMND

Prior to final building inspection, the applicant shall obtain precise grade approval and/or clearance from the Building and Safety Department. The Building and Safety Department must approve the precise grading of your project before a building final can be obtained. Precise Grade approval can be accomplished by complying with the following:

1.Requesting and obtaining approval of all required grading inspections.

2.Submitting a "Wet Signed" copy of the Soils Compaction Report from the Soils Engineer (registered geologist or certified geologist, civil engineer or geotechnical engineer as appropriate) for the sub-grade and base of all paved areas.

3.Submitting a "Wet Signed" copy of the Sub-grade (rough) Certification from a Registered Civil Engineer certifying that the sub-grade was completed in conformance with the approved grading plan.

4.Submitting a "Wet Signed" copy of the Precise (Final) Grade Certification for the entire site from a Registered Civil Engineer certifying that the precise grading was completed in conformance with the approved grading plan.

5.Submitting a "Wet Signed" copy of the Certification certifying the installation of any onsite storm drain systems not inspected by Riverside County Flood Control District or the Riverside County Transportation Department.

6.Submitting a "Wet Signed" copy of the Water Quality Management Plan (WQMP) Certification from a Registered Civil Engineer certifying that the Water Quality Management

Plan treatment control BMPs have been installed in accordance with the approved WQMP.

Prior to release for building final, the applicant shall have met all precise grade requirements to obtain Building and Safety Department clearance.

90.BS GRADE. 7 USE - WQMP ANNUAL INSP FEE

RECOMMND

Prior to final building inspection, the applicant shall make payment to the Building and Safety Department for the Water Quality Management Plan (WQMP) Annual Inspection.

E HEALTH DEPARTMENT

90.E HEALTH. 1 USE - HAZMAT CONTACT

RECOMMND

Contact a Hazardous Materials Specialist, Hazardous Materials Management Division, at (951) 358-5055 for any additional requirements.

90.E HEALTH. 2 USE - HAZMAT WASTE

RECOMMND

The facility requires a hazardous waste permit if a hazardous waste is generated as defined in Title 22 of the California Code of Regulations, Section 66260.10 and 66261.3. The hazardous waste report and fee is due at occupancy. If further review of the site indicates additional environmental health issues, the Division reserves the right to regulate the business in accordance with applicable County Ordinances. Contact (951) 358-5055 for more information.

FIRE DEPARTMENT

90.FIRE. 1 USE-#45-FIRE LANES

RECOMMND

The applicant shall prepare and submit to the Fire Department for approval, a site plan designating required fire lanes with appropriate lane painting and/or signs.

PLANNING DEPARTMENT

90.PLANNING. 19 USE- WALL & FENCE LOCATIONS

RECOMMND

Wall and/or fence locations shall be in conformance with
APPROVED EXHIBIT W.

90.PLANNING. 28 USE - ORD NO. 659 (DIF)

RECOMMND

Prior to the issuance of either a certificate of occupancy or prior to building permit final inspection, the applicant shall comply with the provisions of Riverside County Ordinance No. 659, which requires the payment of the appropriate fee set forth in the Ordinance. Riverside County Ordinance No. 659 has been established to set forth policies, regulations and fees related to the funding and installation of facilities and the acquisition of open space and habitat necessary to address the direct and cumulative environmental effects generated by new development project described and defined in this Ordinance, and it establishes the authorized uses of the fees collected.

The amount of the fee for commercial or industrial development shall be calculated on the basis of the "Project Area," as defined in the Ordinance, which shall mean the net area, measured in acres, from the adjacent road right-of-way to the limits of the project development. The Project Area for Conditional Use Permit No.3729 has been calculated to be 19.51 net acres.

In the event Riverside County Ordinance No. 659 is rescinded, this condition will no longer be applicable. However, should Riverside County Ordinance No. 659 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.

90.PLANNING. 29 REN ENG - ON SITE DIST. LINES

RECOMMND

The developer/permit holder shall ensure all on site electrical distribution lines are undergrounded up to the point of step-up or utility interface in the case of an on-site substation.

The Planning Department shall verify this condition as part of the final inspection, and shall clear this condition upon determination of compliance.

90. PRIOR TO BLDG FINAL INSPECTION

90.PLANNING. 30 REN ENG - CLEAR CONST. AREA

RECOMMND

Prior to scheduling and final inspection, the developer/permit holder shall ensure the entire site and construction staging area has been cleared from all construction related materials including, but not limited to, trash, fencing, trailers and etc.

The Planning Department shall verify this condition as part of the final inspection, and shall clear this condition upon determination of compliance.

90.PLANNING. 31 USE- LIGHTING PLANS SOLAR (2)

RECOMMND

Prior to final building permit issuance, the applicant shall provide a report showing compliance with solar power plan lighting plan.

90.PLANNING. 32 USE - ORD 810 O S FEE (2)

RECOMMND

Prior to the issuance of a certificate of occupancy, or upon building permit final inspection prior to use or occupancy for cases without final inspection or certificate of occupancy, whichever comes first, the applicant shall comply with the provisions of Riverside County Ordinance No. 810, which requires the payment of the appropriate fee set forth in the Ordinance. The amount of the fee will be based on the "Project Area" as defined in the Ordinance and the aforementioned Condition of Approval. The Project Area for Conditional Use Permit No. 3729 is calculated to be 19.51 net acres. In the event Riverside County Ordinance No. 810 is rescinded, this condition will no longer be applicable. However, should Riverside County Ordinance No. 810 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.

TRANS DEPARTMENT

90.TRANS. 1 USE - STREETLIGHTS INSTALL

RECOMMND

Install streetlights along the streets associated with development in accordance with the approved street lighting plan and standards of County Ordinances 460 and 461. For projects within IID use IID's pole standard.

Streetlight annexation into L&LMD or similar mechanism as approved by the Transportation Department shall be

90.TRANS. 1 USE - STREETLIGHTS INSTALL (cont.) RECOMMND
completed.

NOTE: The project proponent shall pay a cash-in-lieu fee for the cost of installing the streetlights, as determined by the Director of Transportation.

90.TRANS. 2 USE - EXISTING MAINTAINED SL1 RECOMMND

SH-371 along project boundary is a paved Caltrans maintained road designated as a Major Highway and shall be improved with 8" concrete curb and gutter located 38 feet from centerline to curb line, and match up asphalt concrete paving; reconstruction; or resurfacing of existing paving as determined by the Transportation Department within the 59 foot half-width dedicated right-of-way in accordance with County Standard No. 93, Ordinance 461. (38'/59')

NOTE: 1. A 5' meandering sidewalk shall be constructed within the 21' parkway per Standard No. 93 and No. 404, Ordinance 461.

2. The existing two parking slots located adjacent to the "27' wide access gate equipped with rapid entry system" shall be removed.

3. The project proponent shall pay a cash-in-lieu fee for the cost of constructing the street improvements, and preparing and implementing the WQMP/BMP, as directed by the Director of Transportation.

90.TRANS. 3 USE - UTILITY INSTALL RECOMMND

Electrical power, telephone, communication, street lighting, and cable television lines shall be placed underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department. This also applies to existing overhead lines which are 33.6 kilovolts or below along the project frontage and between the nearest poles offsite in each direction of the project site.

A certificate should be obtained from the pertinent utility company and submitted to the Department of Transportation as proof of completion.

NOTE: The project proponent shall pay a cash-in-lieu

fee for the cost of installing streetlights,
as determined by the Director of Transportation.

90.TRANS. 4 USE - ANNEX L&LMD/OTHER DIST

RECOMMND

Prior to issuance of an occupancy permit, the project proponent shall complete annexation to Landscaping and Lighting Maintenance District No. 89-1-Consolidated, and/or any other maintenance district approved by the Transportation Department or by processing and filing a 'Landscape Maintenance Agreement' through the Transportation Department Plan Check Division for continuous maintenance within public road rights-of-way, in accordance with Ordinance 461, Comprehensive Landscaping Guidelines & Standards, and Ordinance 859. Said annexation should include the following:

- (1) Streetlights on SH-371.
- (2) Street sweeping.

WASTE DEPARTMENT

90.WASTE. 1 USE - WASTE REPORTING FORM

RECOMMND

Prior to building final inspection, evidence (i.e., receipts or other types of verification) to demonstrate project compliance with the approved Waste Reporting Plan (WRP) shall be presented by the project proponent to the Planning Division of the Riverside County Department of Waste Resources. Receipts must clearly identify the amount of waste disposed and Construction and Demolition (C&D) materials recycled.

10. GENERAL CONDITIONS

EVERY DEPARTMENT

10. EVERY. 1

USE - PROJECT DESCRIPTION

RECOMMND

The use hereby permitted is to connect the 3.5 megawatt (MW) photo voltaic solar plant located on apn 575-110-034 proposed by Conditional Use Permit No. 3729 to the Anza Electric Cooperative facility on the adjacent parcel (575-110-022).

10. EVERY. 2

USE - HOLD HARMLESS

RECOMMND

The applicant/permittee or any successor-in-interest shall defend, indemnify, and hold harmless the County of Riverside (COUNTY) its agents, officers, or employees from any claim, action, or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void, or annul an approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning Public Use Permit No. 929. The COUNTY will promptly notify the applicant/permittee of any such claim, action, or proceeding against the COUNTY and will cooperate fully in the defense. If the COUNTY fails to promptly notify the applicant/permittee of any such claim, action, or proceeding or fails to cooperate fully in the defense, the applicant/permittee shall not, thereafter, be responsible to defend, indemnify, or hold harmless the COUNTY.

10. EVERY. 3

USE - DEFINITIONS

RECOMMND

The words identified in the following list that appear in all capitals in the attached conditions of Public Use Permit No. 929 shall be henceforth defined as follows:

APPROVED EXHIBIT A = Public Use Permit No. 929 , Exhibit A, dated 9/28/15.

10. EVERY. 4

USE - 90 DAYS TO PROTEST

RECOMMND

The project developer has 90 days from the date of approval of these conditions to protest, in accordance with the procedures set forth in Government Code Section 66020, the imposition of any and all fees, dedications, reservations and/or other exactions imposed on this project as a result of this approval or conditional approval of this project.

10. GENERAL CONDITIONS

BS GRADE DEPARTMENT

10.BS GRADE. 1 USE - GENERAL INTRODUCTION

RECOMMND

Improvements such as grading, filling, over excavation and recompaction, and base or paving which require a grading permit are subject to the included Building and Safety Department Grading Division conditions of approval.

10.BS GRADE. 3 USE - OBEY ALL GDG REGS

RECOMMND

All grading shall conform to the California Building Code, Ordinance 457, and all other relevant laws, rules, and regulations governing grading in Riverside County and prior to commencing any grading which includes 50 or more cubic yards, the applicant shall obtain a grading permit from the Building and Safety Department.

10.BS GRADE. 4 USE - DISTURBS NEED G/PMT

RECOMMND

Ordinance 457 requires a grading permit prior to clearing, grubbing, or any top soil disturbances related to construction grading.

10.BS GRADE. 5 USE - NPDES INSPECTIONS

RECOMMND

Construction activities including clearing, stockpiling, grading or excavation of land which disturbs less than 1 acre and requires a grading permit or construction Building permit shall provide for effective control of erosion, sediment and all other pollutants year-round. The permit holder shall be responsible for the installation and monitoring of effective erosion and sediment controls. Such controls will be evaluated by the Department of Building and Safety periodically and prior to permit Final to verify compliance with industry recognized erosion control measures.

Construction activities including but not limited to clearing, stockpiling, grading or excavation of land, which disturbs 1 acre or more or on-sites which are part of a larger common plan of development which disturbs less than 1 acre are required to obtain coverage under the construction general permit with the State Water Resources Control Board. You are required to provide proof of WDID# and keep a current copy of the storm water pollution prevention plan (SWPPP) on the construction site and shall be made available to the Department of Building and Safety

upon request.

Year-round, Best Management Practices (BMP's) shall be maintained and be in place for all areas that have been graded or disturbed and for all material, equipment and/or operations that need protection. Stabilized Construction Entrances and project perimeter linear barriers are required year round. Removal BMP's (those BMP's which must be temporarily removed during construction activities) shall be in place at the end of each working day.

Monitoring for erosion and sediment control is required and shall be performed by the QSD or QSP as required by the Construction General Permit. Stormwater samples are required for all discharge locations and projects may not exceed limits set forth by the Construction General Permit Numeric Action Levels and/or Numeric Effluent Levels. A Rain Event Action Plan is required when there is a 50% or greater forecast of rain within the 48 hours, by the National Weather Service or whenever rain is imminent. The QSD or QSP must print and save records of the precipitation forecast for the project location area from (<http://www.srh.noaa.gov/forecast>) and must accompany monitoring reports and sampling test data. A Rain gauge is required on site. The Department of Building and Safety will conduct periodic NPDES inspections of the site throughout the recognized storm season to verify compliance with the Construction General Permit and Stormwater ordinances and regulations.

E HEALTH DEPARTMENT

10.E HEALTH. 1 USE - NO FACILITIES

RECOMMND

The proposal of CUP3729 and PUP929 do not show any facilities with plumbing proposed. If facilities with plumbing are proposed, further evaluation will be required by Environmental Health.

FIRE DEPARTMENT

10.FIRE. 1 USE-#89-RAPID HAZMAT BOX

RECOMMND

Rapid entry Hazardous Material data and key storage cabinet shall be installed on the outside of the building. Plans shall be submitted to the Riverside County Fire Department

for approval prior to installation.

10.FIRE. 2 USE-#25-GATE ENTRANCES RECOMMND

Any gate providing access from a road to a driveway shall be located at least 35 feet from the roadway and shall open to allow a vehicle to stop without obstructing traffic on the road. Where a one-way road with a single traffic lane provides access to a gate entrance, a 38 foot turning radius shall be used.

10.FIRE. 3 USE-#88A-AUTO/MAN GATES RECOMMND

Gates shall be minimum 20 feet in width, with a setback of 35 feet from face of curb/flow line. Gate access shall be equipped with a rapid entry system. Plans shall be submitted to the Fire Department for approval prior to installation. Automatic/manual gate pins shall be rated with shear pin force, not to exceed 30 foot pounds. Automatic gates shall be equipped with emergency backup power. Gates activated by the rapid entry system shall remain open until closed by the rapid entry system.

FLOOD RI DEPARTMENT

10.FLOOD RI. 1 USE FLOOD HAZARD REPORT RECOMMND

Public Use Permit 00929 is a proposal to connect electrical power lines from a proposed solar panel facility (CUP 3729) to the existing Anza Electrical Cooperative facility. The proposed solar panel facility and the existing Anza Electrical Cooperative facility are located on adjacent properties in the Anza area on the north side of Cahuilla Road (State Highway 371) east of Kirby Road. CUP 3729 is being processed concurrently with this proposal.

Compliance with the conditions of approval for CUP 3729 will satisfy any flooding, drainage or water quality issues related with this proposal.

The site is located within the Anza Area Drainage Plan (ADP) where fees have been adopted by the Board of Supervisors. However, a negligible amount of impervious area is proposed so the District shall not impose any fee at this time. Should additional development or use be proposed, the mitigation fee may be levied at that time.

TRANS DEPARTMENT

10.TRANS. 1 USE - STD INTRO (ORD 461)

RECOMMND

With respect to the conditions of approval for the referenced tentative exhibit, the landowner shall provide all street improvements, street improvement plans and/or road dedications set forth herein in accordance with Riverside County Road Improvement Standards (Ordinance 461). It is understood that the exhibit correctly shows acceptable centerline elevations, all existing easements, traveled ways, and drainage courses with appropriate Q's, and that their omission or unacceptability may require the exhibit to be resubmitted for further consideration. This ordinance and all conditions of approval are essential parts and a requirement occurring in ONE is as binding as though occurring in all. All questions regarding the true meaning of the conditions shall be referred to the Transportation Department.

10.TRANS. 2 USE - COUNTY WEB SITE

RECOMMND

Additional information, standards, ordinances, policies, and design guidelines can be obtained from the Transportation Department Web site:
<http://rctlma.org/trans/>. If you have questions, please call the Plan Check Section at (951) 955-6527.

10.TRANS. 3 USE - TS/EXEMPT

RECOMMND

The Transportation Department has not required a traffic study for the subject project. The Transportation Department has determined that the project is exempt from traffic study requirements.

WASTE DEPARTMENT

10.WASTE. 1 USE - DECOMMISSIONING/CLOSURE

RECOMMND

øPrior to County Approval of the Decommissioning and Closure Plan: A Waste Recycling Plan (WRP) shall be submitted to the Riverside County Department of Waste Resources for approval. At a minimum, the WRP must identify the materials (i.e., solar panels, cardboard, concrete, asphalt, wood, etc.) that will be generated by the decommissioning and closure of the facility, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials,

the facilities and/or haulers that will be utilized, and the targeted recycling or reduction rate. During the decommissioning and closure, the project site shall have, at a minimum, two (2) bins: one for waste disposal and the other for the recycling of Construction and Demolition (C&D) materials. Additional bins are encouraged to be used for further source separation of C&D recyclable materials. Accurate record keeping (receipts) for recycling of C&D recyclable materials and solid waste disposal must be kept. Arrangements can be made through the franchise hauler.

10.WASTE. 2 USE - HAZARDOUS MATERIALS RECOMMND

Hazardous materials are not accepted at Riverside County landfills. In compliance with federal, state, and local regulations and ordinances, any hazardous waste generated in association with the project shall be disposed of at a permitted Hazardous Waste disposal facility. Hazardous waste materials include, but are not limited to, paint, batteries, oil, asbestos, and solvents. For further information regarding the determination, transport, and disposal of hazardous waste, please contact the Riverside County Department of Environmental Health, Environmental Protection and Oversight Division.

20. PRIOR TO A CERTAIN DATE

PLANNING DEPARTMENT

20.PLANNING. 1 USE - EXPIRATION DATE-CUP/PUP RECOMMND

This approval shall be used within two (2) years of the approval date; otherwise, it shall become null and void and of no effect whatsoever. By use is meant the beginning of substantial construction contemplated by this approval within two (2) year period which is thereafter diligently pursued to completion or to the actual occupancy of existing buildings or land under the terms of the authorized use. Prior to the expiration of the two year period, the permittee may request a one (1) year extension of time in which to begin substantial construction or use of this permit. Should the one year extension be obtained and no substantial construction or use of this permit be initiated within three (3) years of the approval date this permit, shall become null and void.

20. PRIOR TO A CERTAIN DATE

20.PLANNING. 2 USE - LIFE OF THE PERMIT

RECOMMND

The life of Public Use Permit No. 929 shall terminate twenty (20) years from the date of approval, on July 26, 2036. This permit shall thereafter be null and void and of no effect whatsoever.

60. PRIOR TO GRADING PRMT ISSUANCE

BS GRADE DEPARTMENT

60.BS GRADE. 1 USE - NPDES/SWPPP

RECOMMND

Prior to issuance of any grading or construction permits - whichever comes first - the applicant shall provide the Building and Safety Department evidence of compliance with the following: "Effective March 10, 2003 owner operators of grading or construction projects are required to comply with the N.P.D.E.S. (National Pollutant Discharge Elimination System) requirement to obtain a construction permit from the State Water Resource Control Board (SWRCB). The permit requirement applies to grading and construction sites of "ONE" acre or larger. The owner operator can comply by submitting a "Notice of Intent" (NOI), develop and implement a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) and a monitoring program and reporting plan for the construction site. For additional information and to obtain a copy of the NPDES State Construction Permit contact the SWRCB at www.swrcb.ca.gov.

Additionally, at the time the county adopts, as part of any ordinance, regulations specific to the N.P.D.E.S., this project (or subdivision) shall comply with them.

EPD DEPARTMENT

60.EPD. 1 - MITIGATION RATIO

RECOMMND

Applicant must provide document from the Wildlife Agencies confirming 1:1 mitigation is acceptable for LAPM, as opposed to 3:1 recommended in the DBESP comment letter dated 01/22/2016. This matter is pending a response to a response to comments letter from the applicant's biologist, dated 05/05/2016, in which it references previous conversations and agreements had between the applicant and the Wildlife Agencies, to mitigate at 1:1 as well as demonstrate how the site would not be graded and all LAPM habitat not destroyed.

60.EPD. 2

- NESTING BIRD SURVEY

RECOMMND

Birds and their nests are protected by the Migratory Bird Treaty Act (MBTA) and California Department of Fish and Wildlife (CDFW) Codes. Since the project supports suitable nesting bird habitat, removal of vegetation or any other potential nesting bird habitat disturbances shall be conducted outside of the avian nesting season (February 1st through September 15th). If habitat must be cleared during the nesting season or disturbances occur within 500 feet, a preconstruction nesting bird survey shall be conducted. The preconstruction nesting bird survey must be conducted by a biologist who holds a current MOU with the County of Riverside. If nesting activity is observed, appropriate avoidance measures shall be adopted to avoid any potential impacts to nesting birds. The nesting bird survey must be completed no more than 3 days prior to any ground disturbance. If ground disturbance does not begin within 3 days of the survey date a second survey must be conducted. Prior to the issuance of a grading or building permit the project proponent must provide written proof to the Riverside County Planning Department, Environmental Programs Division (EPD) that a biologist who holds a MOU with the County of Riverside has been retained to carry out the required survey. Documentation submitted to prove compliance prior to grading or building permit issuance must at a minimum include the name and contact information for the Consulting Biologist and a signed statement from them confirming that they have been contracted by the applicant to conduct a Preconstruction Nesting Bird Survey. In some cases, EPD may also require a Monitoring and Avoidance Plan prior to the issuance of a grading or building permit. Prior to finalization of a grading permit or prior to issuance of any building permits, the projects consulting biologist shall prepare and submit a report to EPD for review, documenting the results of the survey.

TRANS DEPARTMENT

60.TRANS. 1

USE - SUBMIT GRADING PLAN

RECOMMND

When you submit a grading plan to the Department of Building and Safety, two sets of the grading plan (24" X 36") shall be submitted to the Transportation Department for review and subsequently for the required clearance of the condition of approval prior to the issuance of a grading permit.

In some cases, EPD may also require a Monitoring and Avoidance Plan prior to the issuance of a grading or building permit. Prior to finalization of a grading permit or prior to issuance of any building permits, the projects consulting biologist shall prepare and submit a report to EPD for review, documenting the results of the survey.

TRANS DEPARTMENT

80.TRANS. 1 USE - CALTRANS ENCRCHMNT PRMT

RECOMMND

Prior to issuance of a building permit or any use allowed by this permit, and prior to doing any work within the State highway right-of-way, clearance and/or an encroachment permit must be obtained by the applicant from the District 08 Office of the State Department of Transportation in San Bernardino.

80.TRANS. 2 USE - R-O-W DEDICATION 1

RECOMMND

Sufficient public street right-of-way along SH-371 shall be conveyed for public use to provide for a 59 foot half-width right-of-way per Standard No. 93, Ordinance 461.

PUBLIC USE PERMIT Case #: PUP00929

Parcel: 575-110-022

80. PRIOR TO BLDG PRMT ISSUANCE

80.TRANS. 3

USE - ANNEX L&LMD/OTHER DIST

RECOMMND

Prior to the issuance of a building permit, the project proponent shall comply with County requirements within public road rights-of-way, in accordance with Ordinance 461. Assurance of maintenance is required by filing an application for annexation to Landscaping and Lighting Maintenance District No. 89-1-Consolidated by contacting the Transportation Department at (951)955-6767, and/or any other maintenance district approved by the Transportation Department or by processing and filing a 'Landscape Maintenance Agreement' through the Transportation Department Plan Check Division. Said annexation should include the following:

- (1) Streetlights on SH-371.
- (2) Street sweeping.

For street lighting, the project proponent shall contact the Transportation Department L&LMD 89-1-C Administrator and submit the following:

- (1) Completed Transportation Department application.
- (2) Appropriate fees for annexation.
- (3) (2) sets of street lighting plans approved by Transportation Department.
- (4) "Streetlight Authorization" form from SCE, IID or other electric provider.

80.TRANS. 4

MAP - LIGHTING PLAN

RECOMMND

A separate streetlight plan is required for this project. Street lighting shall be designed in accordance with County Ordinance 460 and Streetlight Specification Chart found in Specification Section 22 of Ordinance 461. For projects within SCE boundaries use County of Riverside Ordinance 461, Standard No. 1000 or No. 1001. For projects within Imperial Irrigation District (IID) use IID's pole standard.

NOTE: If the project proponent plans to pay cash in lieu of constructing improvements, a plan or exhibit will need to be prepared to verify construction quantities.

80.TRANS. 5 USE - UTILITY PLAN

RECOMMND

Electrical power, telephone, communication, street lighting, and cable television lines shall be designed to be placed underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department. The applicant is responsible for coordinating the work with the serving utility company. This also applies to existing overhead lines which are 33.6 kilovolts or below along the project frontage and between the nearest poles offsite in each direction of the project site. A disposition note describing the above shall be reflected on design improvement plans whenever those plans are required. A written proof for initiating the design and/or application of the relocation issued by the utility company shall be submitted to the Transportation Department for verification purposes.

NOTE: If the project proponent plans to pay cash in lieu of constructing improvements, a plan or exhibit will need to be prepared to verify construction quantities.

80.TRANS. 6 USE - PARKING SPACES

RECOMMND

The parking spaces located near the west driveway that require a vehicle to "back out" into the road right-of-way shall be relocated/removed.

WASTE DEPARTMENT

80.WASTE. 1 USE - WASTE RECYCLE PLAN (WRP)

RECOMMND

Prior to building permit issuance, a Waste Recycling Plan (WRP) shall be submitted to the Riverside County Department of Waste Resources for approval. At a minimum, the WRP must identify the materials (i.e., concrete, asphalt, wood, etc.) that will be generated by construction and development, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials, the facilities and/or haulers that will be utilized, and the targeted recycling or reduction rate. During project construction, the project site shall have, at a minimum, two (2) bins: one for waste disposal and the other for the recycling of Construction and Demolition (C&D) materials. Additional bins are encouraged to be used for further source separation of C&D recyclable materials. Accurate record

keeping (receipts) for recycling of C&D recyclable materials and solid waste disposal must be kept. Arrangements can be made through the franchise hauler.

90. PRIOR TO BLDG FINAL INSPECTION

FIRE DEPARTMENT

90.FIRE. 1 USE-#45-FIRE LANES RECOMMND

The applicant shall prepare and submit to the Fire Department for approval, a site plan designating required fire lanes with appropriate lane painting and/or signs.

TRANS DEPARTMENT

90.TRANS. 1 USE - STREETLIGHTS INSTALL RECOMMND

Install streetlights along the streets associated with development in accordance with the approved street lighting plan and standards of County Ordinances 460 and 461. For projects within IID use IID's pole standard.

Streetlight annexation into L&LMD or similar mechanism as approved by the Transportation Department shall be completed.

NOTE: The project proponent shall pay a cash-in-lieu fee for the cost of installing the streetlights, as determined by the Director of Transportation.

90.TRANS. 2 USE - EXISTING MAINTAINED SL1 RECOMMND

SH-371 along project boundary is a paved Caltrans maintained road designated as a Major Highway and shall be improved with 8" concrete curb and gutter located 38 feet from the centerline to curb line, and match up asphalt concrete paving; reconstruction; or resurfacing of existing paving as determined by the Transportation Department within the 59 foot half-width dedicated right-of-way in accordance with County Standard No. 93, Ordinance 461. (38'/59')

NOTE: 1. A 5' meandering sidewalk shall be constructed within the 21' parkway per Standard No. 93 and No. 404, Ordinance 461.

2. The existing two parking slots located adjacent to the "27' wide access gate equipped with rapid entry system" shall be removed.
3. The project proponent shall pay a cash-in-lieu fee for the cost of constructing the street improvements, and preparing and implementing the WQMP/BMP, as directed by the Director of Transportation.

90.TRANS. 3 USE - UTILITY INSTALL RECOMMND

Electrical power, telephone, communication, street lighting, and cable television lines shall be placed underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department. This also applies to existing overhead lines which are 33.6 kilovolts or below along the project frontage and between the nearest poles offsite in each direction of the project site.

A certificate should be obtained from the pertinent utility company and submitted to the Department of Transportation as proof of completion.

NOTE: The project proponent shall pay a cash-in-lieu fee for the cost of installing the streetlights, as determined by the Director of Transportation.

90.TRANS. 4 USE - ANNEX L&LMD/OTHER DIST RECOMMND

Prior to issuance of an occupancy permit, the project proponent shall complete annexation to Landscaping and Lighting Maintenance District No. 89-1-Consolidated, and/or any other maintenance district approved by the Transportation Department or by processing and filing a 'Landscape Maintenance Agreement' through the Transportation Department Plan Check Division for continuous maintenance within public road rights-of-way, in accordance with Ordinance 461, Comprehensive Landscaping Guidelines & Standards, and Ordinance 859. Said annexation should include the following:

- (1) Streetlights on SH-371.
- (2) Street sweeping.

CONDITIONAL USE PERMIT NO. 03729, PUBLIC USE PERMIT NO. 00929 (FTA 2015-01), Applicant: Arizona Electric Power Cooperative, Inc. – Third Supervisorial District – Anza Zoning Area – REMAP Area Plan – Agricultural and Open Space Rural (OS-RUR) and the Rural Village Overlay – Location: North of Highway 371 and Burnt Valley Road, east of Kirby Road – 20 Acres – Zoning: A-1-10 and R-R-20– **REQUEST:** Conditional Use Permit No. 03729 proposes 3.5 Mega Watt fixed tilt utility scale Photo Voltaic Solar Plant located on a 20 acre parcel(575-110-034). The project proposes three phases; the first phase will consist on 1 Mega Watt, the Second will consist of 1.5 Mega Watts, and the third phase will consist of 1 Mega Watt. There are no buildings, parking or other facilities being proposed. Access will be taken from the existing Anza Electric facility located on parcels 575-110-020, 022, and 023. Public Use Permit No. 00929 proposes to connect the 3 Mega Watt Photo Voltaic Solar plant located on apn 575-110-034 to the Anza Electric Cooperative facility on the adjacent parcel (575-110-022). No proposed site modifications to existing facilities at Anza Electric Cooperative other than interconnect/access. – APNs: 575-110-020, 575-110-022, 575-110-020, and 575-110-034.

LDC staff members and other listed Riverside County Agencies, Departments and Districts staff:

A Bluebeam invitation has been emailed to appropriate staff members so they can view and markup the map(s) and/or exhibit(s) for the above-described project. Please have your markups completed and draft conditions in the Land Management System (LMS) on or before the indicated LDC date. If it is determined that the attached map(s) and/or exhibit(s) are not acceptable, please have corrections in the system and DENY the LMS routing on or before the above date. This case is scheduled for a **LDC meeting on October 8, 2015.** Once the route is complete, and the approval screen is approved with or without corrections, the project can be scheduled for a public hearing.

Other listed entities/individuals:

Please note that the Planning Department has gone paperless and is no longer providing physical copies of the submitted map(s) and/or exhibit(s) for review. However we still want your comments. Please go the Department's webpage at: <http://planning.rctlma.org/DevelopmentProcess/LDCAgendas/2015LDCAgendas.aspx> Open the LDC agenda for the above reference date, and scroll down to view the applicable map(s) and/or exhibit(s). Please provide any comments, questions and recommendations to the Planning Department on or before the above referenced date.

Should you have any questions regarding this project, please do not hesitate to contact **Larry Ross, (951) 955-9294, Project Planner**, or e-mail at lross@rctlma.org / MAILSTOP #: 1070

Re: AB-52, CUP 03729, PUP0929

Dear Ms. Heather Thomson,

The Agua Caliente Band of Cahuilla Indians (ACBCI) appreciates your efforts to include the Tribal Historic Preservation Office (THPO) in the AEPCO Solar project. The project area is not located within the boundaries of the ACBCI Reservation. However, it is within the Tribe's Traditional Use Area (TUA). For this reason, the ACBCI THPO requests the following:

*At this time ACBCI has no concerns and defers to the Cahuilla Band of Cahuilla Indians. This letter shall conclude our consultation efforts.

Again, the Agua Caliente appreciates your interest in our cultural heritage. If you have questions or require additional information, please call me at (760)699-6829. You may also email me at keskew@aguacaliente.net.

Cordially,

A handwritten signature in cursive script that reads "Katie Eskew".

Re: Conditional Use Permit No. 03729, Public Use Permit No. 00929

Dear Ms. Thomson:

This letter is written on behalf of Rincon Band of Luiseño Indians. We have received your notification regarding Conditional Use Permit No. 03729, Public Use Permit No. 00929 and we thank you for the SB18/AB52 continued consultation notification. The location you have identified is within the Territory of the Luiseño people.

Embedded in the Luiseño Territory are Rincon's history, culture and identity. The project is within the Territory of the Luiseño people but, is not within Rincon's Historic Boundaries. We do not have any additional information regarding this project but, we defer to the Pechanga Band of Luiseño Indians or Soboba Band of Luiseño Indians who are closer to your project area.

Thank you for the opportunity to protect and preserve our cultural assets.

Re: AB 52 Consultation; CUP03729, PUP0929

The Soboba Band of Luiseno Indians has received your notification pursuant under Assembly Bill 52.

The Soboba Band of Luiseno Indians appreciates your observance of Tribal Cultural Resources and their preservation in your project. The information provided to us on said project(s) has been assessed through our Cultural Resource Department. At this time the Soboba Band does not have any specific concerns regarding known cultural resources in the specified areas that the project encompasses, but does request that the appropriate consultation continue to take place between concerned tribes, project proponents, and local agencies.

Also, working in and around traditional use areas intensifies the possibility of encountering cultural resources during any future construction/excavation phases that may take place. For this reason, the Soboba Band wishes to defer to the Cahuilla Band of Indians who are in closer proximity to the project. Please feel free to contact me with any additional questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe", with a long horizontal line extending to the right.

APPLICATION FOR LAND USE PROJECT

If the property is owned by more than one person, attach a separate page that references the application case number and lists the names, mailing addresses, and phone numbers of all persons having an interest in the real property or properties involved in this application.

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The signature below authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of your application, you will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

APPLICATION FOR LAND USE PROJECT

If the property is owned by more than one person, attach a separate page that references the application case number and lists the names, mailing addresses, and phone numbers of all persons having an interest in the real property or properties involved in this application.

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The signature below authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of your application, you will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

Michael K. Saunders

PRINTED NAME OF APPLICANT

SIGNATURE OF APPLICANT

AUTHORITY FOR THIS APPLICATION IS HEREBY GIVEN:

I certify that I am/we are the record owner(s) or authorized agent and that the information filed is true and correct to the best of my knowledge. An authorized agent must submit a letter from the owner(s) indicating authority to sign the application on the owner's behalf.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

Kevin M. Short

PRINTED NAME OF PROPERTY OWNER(S)

SIGNATURE OF PROPERTY OWNER(S)

PRINTED NAME OF PROPERTY OWNER(S)

SIGNATURE OF PROPERTY OWNER(S)

If the property is owned by more than one person, attach a separate sheet that references the application case number and lists the printed names and signatures of all persons having an interest in the property.

☐ See attached sheet(s) for other property owners' signatures.

APPLICATION FOR LAND USE PROJECT

Approximate Gross Acreage: 20

General location (nearby or cross streets): North of Highway 371, South of Hamilton Creek, East of Kirby Road, West of Highway 371

Thomas Brothers map, edition year, page number, and coordinates: 38th ed. 2010, Pg. 935 D04

Project Description: (describe the proposed project in detail)

Conditional Use Permit for the one-megawatt photovoltaic (PV) solar facility on the 20 acre parcel north side of State Route 371 (SR-371), west of the existing Anza Electric Cooperative office and yard in the unincorporated area of Riverside County. The proposed project will be located on APN 575-110-034 being created by LLA No. 05520.

Related cases filed in conjunction with this application:

Public Use Permit, Agricultural Diminishment, Environmental Assessment

Is there a previous application filed on the same site: Yes ☒ No ☐

If yes, provide Case No(s). PAR 01449, FT 2015-01, LLA 5520 (Parcel Map, Zone Change, etc.)

E.A. No. (if known) _____ E.I.R. No. (if applicable): _____

Have any special studies or reports, such as a traffic study, biological report, archaeological report, geological or geotechnical reports, been prepared for the subject property? Yes ☒ No ☐

If yes, indicate the type of report(s) and provide a copy: Cultural, Biological, and Traffic

Is water service available at the project site: Yes ☐ No ☒

If "No," how far must the water line(s) be extended to provide service? (No. of feet/miles) TBD

Will the project eventually require landscaping either on-site or as part of a road improvement or other common area improvements? Yes ☒ No ☐

Is sewer service available at the site? Yes ☐ No ☒

If "No," how far must the sewer line(s) be extended to provide service? (No. of feet/miles) TBD

Will the project result in cut or fill slopes steeper than 2:1 or higher than 10 feet? Yes ☐ No ☒

How much grading is proposed for the project site?

Estimated amount of cut = cubic yards: 1000

APPLICATION FOR LAND USE PROJECT

Estimated amount of fill = cubic yards 1000

Does the project need to import or export dirt? Yes ☐ No ☒

Import N/A Export N/A Neither N/A

What is the anticipated source/destination of the import/export?
N/A

What is the anticipated route of travel for transport of the soil material?
N/A

How many anticipated truckloads? N/A truck loads.

What is the square footage of usable pad area? (area excluding all slopes) 818,056.8 sq. ft.

Is the project located within 8½ miles of March Air Reserve Base? Yes ☐ No ☒

If yes, will any structure exceed fifty-feet (50') in height (above ground level)? Yes ☐ No ☐

Is the project located within 1000 feet of a military installation, beneath a low-level flight path or within special use airspace as defined in Section 21098 of the Public Resources Code, and within an urbanized area as defined by Section 65944 of the Government Code? (See California Office of Planning and Research website: <http://cmluca.projects.atlas.ca.gov/>) Yes ☐ No ☒

Is the project located within the boundaries of an Airport Land Use Compatibility Plan adopted by the Riverside County Airport Land Use Commission? Yes ☐ No ☒

Does the project area exceed one acre in area? Yes ☒ No ☐

Is the project located within any of the following watersheds (refer to Riverside County Land Information System (RCLIS) (<http://www3.tnra.co.riverside.ca.us/pa/rclis/index.html>) for watershed location)?

☐ Santa Ana River

☒ Santa Margarita River

☐ Whitewater River

Please note: If your project is within the San Jacinto River as shown on the RCLIS, please check Santa Ana River above and use the Santa Ana River worksheet, "Checklist for Identifying Projects Requiring a Project-Specific Water Quality Management Plan (WQMP) within the Santa Ana River Region" on the following pages.

INDEMNIFICATION AGREEMENT

This INDEMNIFICATION AGREEMENT ("Agreement"), made by and between the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("COUNTY"), and Anza Electric Cooperative, Inc., a California Corporation ("PROPERTY OWNER"), relating to the PROPERTY OWNER'S indemnification of the COUNTY under the terms set forth herein:

WITNESSETH:

WHEREAS, the PROPERTY OWNER has a legal interest in the certain real property described as APN 575-110-022 and 575-110-034 ("PROPERTY"); and,

WHEREAS, on September 14, 2015, PROPERTY OWNER filed an application for Conditional Use Permit No. 3729 and Public Use Permit No. 929 ("PROJECT"); and,

WHEREAS, judicial challenges of projects requiring discretionary approvals, including, but not limited to, California Environmental Quality Act determinations, are costly and time consuming. Additionally, project opponents often seek an award of attorneys' fees in such challenges; and,

WHEREAS, since property owners are the primary beneficiaries of such approvals, it is appropriate that such owners bear the expense of defending against any such judicial challenge, and bear the responsibility of any costs, attorneys' fees and damages which may be awarded to a successful challenger; and,

WHEREAS, in the event a judicial challenge is commenced against the PROJECT, the COUNTY has requested and the PROPERTY OWNER has agreed to defend, indemnify and hold harmless the COUNTY, its agents, officers, or employees from any claim, action or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void or annul any approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PROJECT or its associated environmental documentation ("LITIGATION"); and,

WHEREAS, this Agreement is entered into by the COUNTY and PROPERTY OWNER to establish specific terms concerning PROPERTY OWNER'S indemnification obligation for the PROJECT.

NOW, THEREFORE, it is mutually agreed between COUNTY and PROPERTY OWNER as follows:

1. **Indemnification.** PROPERTY OWNER, at its own expense, shall defend, indemnify and hold harmless the COUNTY, its agents, officers, and

employees from and against any claim, action or proceeding brought against the COUNTY, its agents, officers, and employees to attack, set aside, void or annul any approval of the PROJECT including any associated costs, damages, and expenses including, but not limited to, costs associated with Public Records Act requests submitted to the COUNTY related to the PROJECT and an award of attorneys' fees and costs incurred or arising out of the above-referenced claim, action or proceeding brought against the COUNTY ("Indemnification Obligation.")

2. ***Defense Cooperation.*** PROPERTY OWNER and the COUNTY shall reasonably cooperate in all aspects of the LITIGATION. Nothing contained in this Agreement, however, shall be construed to limit the discretion of COUNTY, in the interest of the public welfare, to settle, defend, appeal or to decline to settle or to terminate or forego defense or appeal of the LITIGATION. It is also understood and agreed that all litigation pleadings are subject to review, revision and approval by COUNTY's Office of County Counsel.

3. ***Representation and Payment for Legal Services Rendered.*** COUNTY shall have the absolute right to approve any and all counsel retained to defend COUNTY in the LITIGATION. PROPERTY OWNER shall pay the attorneys' fees and costs of the legal firm retained by PROPERTY OWNER to represent the COUNTY in the LITIGATION. Failure by PROPERTY OWNER to pay such attorneys' fees and costs may be treated as an abandonment of the PROJECT and as a default of PROPERTY OWNER's obligations under this Agreement.

4. ***Payment for COUNTY's LITIGATION Costs.*** Payment for COUNTY's costs related to the LITIGATION shall be made on a deposit basis. LITIGATION costs include any associated costs, fees, damages, and expenses as further described in Section 1. herein as Indemnification Obligation. Within thirty (30) days of receipt of notice from COUNTY that LITIGATION has been initiated against the PROJECT, PROPERTY OWNER shall initially deposit with the COUNTY's Planning Department the total amount of Twenty Thousand Dollars (\$20,000). PROPERTY OWNER shall deposit with COUNTY such additional amounts as COUNTY reasonably and in good faith determines, from time to time, are necessary to cover costs and expenses incurred by the COUNTY, including but not limited to, the Office of County Counsel, Riverside County Planning Department and the Riverside County Clerk of the Board associated with the LITIGATION. Within ten (10) days of written notice from COUNTY, PROPERTY OWNER shall make such additional deposits. Collectively, the initial deposit and additional deposits shall be referred to herein as the "Deposit."

5. ***Return of Deposit.*** COUNTY shall return to PROPERTY OWNER any funds remaining on deposit after ninety (90) days have passed since final adjudication of the LITIGATION.

6. **Notices.** For all purposes herein, notices shall be effective when personally delivered, delivered by commercial overnight delivery service, or sent by certified or registered mail, return receipt requested, to the appropriate address set forth below:

COUNTY:
Office of County Counsel
Attn: Melissa Cushman
3960 Orange Street, Suite 500
Riverside, CA 92501

PROPERTY OWNER:
Anza Electric Cooperative, Inc.
Attn: Kevin Short
58470 Highway 371
Anza, CA 92539

With a copy to:
Arizona Electric Power Cooperative Inc.
Attn: Michael Saunders
PO Box 2165
Benson, AZ 85602

7. **Default and Termination.** This Agreement is not subject to termination, except by mutual agreement or as otherwise provided herein. In the event of a default of PROPERTY OWNER's obligations under this Agreement, COUNTY shall provide written notification to PROPERTY OWNER of such alleged default and PROPERTY OWNER shall have ten (10) days after receipt of written notification to cure any such alleged default. If PROPERTY OWNER fails to cure such alleged default within the specified time period or otherwise reach agreement with the COUNTY on a resolution of the alleged default, COUNTY may, in its sole discretion, do any of the following or combination thereof:

- a. Deem PROPERTY OWNER's default of PROPERTY OWNER's obligations as abandonment of the PROJECT and as a breach of this Agreement;
- b. Rescind any PROJECT approvals previously granted;
- c. Settle the LITIGATION.

In the event of a default, PROPERTY OWNER shall remain responsible for any costs and attorney's fees awarded by the Court or as a result of settlement and other expenses incurred by the COUNTY related to the LITIGATION or settlement.

8. **COUNTY Review of the PROJECT.** Nothing in this Agreement shall be construed to limit, direct, impede or influence the COUNTY's review and consideration of the PROJECT.

9. **Complete Agreement/Governing Law.** This Agreement represents the complete understanding between the parties with respect to matters set forth herein. This Agreement shall be construed in accordance with the laws of the State of California.

10. **Successors and Assigns.** The obligations specific herein shall be made, and are binding on the successors in interest of the PROPERTY OWNER, whether the succession is by agreement, by operation of law or by any other means.

11. **Amendment and Waiver.** No modification, waiver, amendment or discharge of this Agreement shall be valid unless the same is in writing and signed by all parties.

12. **Severability.** If any term, provision, covenant or condition of this Agreement is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each term, provision, covenant or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

13. **Survival of Indemnification.** The parties agree that this Agreement shall constitute a separate agreement from any PROJECT approval, and if the PROJECT, in part or in whole, is invalidated, rendered null or set aside by a court of competent jurisdiction, the parties agree to be bound by the terms of this Agreement, which shall survive such invalidation, nullification or setting aside.

14. **Interpretation.** The parties have been advised by their respective attorneys, or if not represented by an attorney, represent that they had an opportunity to be so represented in the review of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement.

15. **Captions and Headings.** The captions and section headings used in this Agreement are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

16. **Jurisdiction and Venue.** Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed in the Courts of Riverside County, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court or jurisdiction.

17. **Counterparts; Facsimile & Electronic Execution.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. To facilitate execution of this Agreement, the parties may execute and exchange facsimile or electronic counterparts, and facsimile or electronic counterparts shall serve as originals.

18. **Joint and Several Liability.** In the event there is more than one PROPERTY OWNER, the liability of PROPERTY OWNER shall be joint and several, and PROPERTY OWNER each of them shall be jointly and severally liable for performance of all of the obligations of PROPERTY OWNER under this Agreement.

19. **Effective Date.** The effective date of this Agreement is the date the parties sign the Agreement. If the parties sign the Agreement on more than one date, then the last date the Agreement is signed by a party shall be the effective date.

IN WITNESS WHEREOF, the parties hereto have duly caused this Agreement to be executed by their authorized representatives as of the date written.

PROPERTY OWNERS CERTIFICATION FORM

I, VINNIE NGUYEN, certify that on 6/14/2016.

The attached property owners list was prepared by Riverside County GIS.

APN (s) or case numbers CUP03729 / PUP00929 For

Company or Individual's Name Planning Department.

Distance buffered 2000'.

Pursuant to application requirements furnished by the Riverside County Planning Department, Said list is a complete and true compilation of the owners of the subject property and all other property owners within 600 feet of the property involved, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum notification area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the project is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information filed is true and correct to the best of my knowledge. I understand that incorrect or incomplete information may be grounds for rejection or denial of the application.

PROPERTY OWNERS CERTIFICATION FORM

I, VINNIE NGUYEN, certify that on 6/28/2016

The attached property owners list was prepared by Riverside County GIS

APN (s) or case numbers AG01053 For

Company or Individual's Name Planning Department

Distance buffered 5280

Pursuant to application requirements furnished by the Riverside County Planning Department, Said list is a complete and true compilation of the owners of the subject property and all other property owners within 600 feet of the property involved, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum notification area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the project is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information filed is true and correct to the best of my knowledge. I understand that incorrect or incomplete information may be grounds for rejection or denial of the application.

Construction and use of a 3.5 Mega Watt fixed utility scale Photo Voltaic Solar Plan.
Project Description

This is to advise that the Riverside County Board of Supervisors, as the lead agency, has approved the above-referenced project on _____, and has made the following determinations regarding that project:

1. The project WILL NOT have a significant effect on the environment.
2. A Mitigated Negative Declaration was prepared for the project pursuant to the provisions of the California Environmental Quality Act (\$2,210.25+\$50.00) and reflect the independent judgment of the Lead Agency.
3. Mitigation measures WERE made a condition of the approval of the project.
 4. A Mitigation Monitoring and Reporting Plan/Program WAS adopted.
 5. A statement of Overriding Considerations WAS NOT adopted
 6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the earlier EA, with comments, responses, and record of project approval is available to the general public at: Riverside County Planning Department, 4080 Lemon Street, 12th Floor, Riverside, CA 92501.

CASE NO. 1053 (FAST TRACK 2015-01)**

DATE: July 26, 2016

PAGE: Page 2 of 2

RECOMMENDED MOTION: That the Board of Supervisors:

ADOPT a **MITIGATED NEGATIVE DECLARATION** for **ENVIRONMENTAL ASSESSMENT NO. 42833**, based on the findings incorporated in the initial study and the conclusion that the project will not have a significant effect on the environment;

APPROVE **CONDITIONAL USE PERMIT NO. 3729**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report and Environmental Assessment No. 42833; and

APPROVE **PUBLIC USE PERMIT NO. 929**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report and Environmental Assessment No. 42833.

ADOPT **RESOLUTION NO. 2016-XXX** for the Diminishment of Anza Agricultural Preserve No.1, Map No. 1053, based upon findings and conclusions incorporated in the staff report.

BACKGROUND:

Summary

Conditional Use Permit No. 3729 proposes the construction of a 3.5 Mega Watt fixed utility scale Photo Voltaic Solar Plant and Public Use Permit No. 929 proposes to connect the 3.5 Mega Watt Photo Voltaic Solar plant located on APN 575-110-034 to the Anza Electric Cooperative facility on the adjacent parcel (575-110-022).

The project proposes three phases; the first phase will consist of the installation of 1 Mega Watt, the Second will consist of 1.5 Mega Watts, and the third phase will consist of 1 Mega Watt. There are no buildings, parking or other facilities being proposed. Access will be provided from the existing Anza Electric facility on the adjacent parcel to the east (575-110-022). No modifications are proposed on the existing facilities at the Anza Electric Cooperative site, except for establishing cross-access.

The project was granted Fast Track Authorization by the Riverside County Economic Development Agency, for the reasons that the project will provide employment for the Anza community and Riverside County.

Impact on Citizens and Businesses

All impacts have been analyzed in the Initial Study/Mitigated Negative Declaration.
