On motion of Supervisor Benoit, seconded by Supervisor Ashley, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, July 26, 2016, is adjourned in memory of Lois Eleanor Strom, a longtime resident of Palm Desert, California who passed away on July 13, 2016, just one day before her 88th birthday.

Born on July 14, 1928 in Graceville, Minnesota, Lois graduated from Southwest High School in Minneapolis, Minnesota, Stephens College in Columbia, Missouri, and University of Wisconsin at River Falls, Wisconsin, and received her MBA from Azusa Pacific College in Azusa, California. She married her husband John in Minneapolis, Minnesota in 1952.

Dedicating her life and vocation to Early Childhood Education, Lois began her 40-year career in Hudson, Wisconsin, where she taught for ten years. After relocating to Palm Desert, California in 1960, she found her "life's work" teaching First Grade at George Washington Elementary School in Palm Desert.

An instrumental force in the community, Lois loved her time with children and helping them learn and grow. As charter members of Hope Lutheran Church, she and her husband John volunteered much of their time in service that benefitted young children and local valley needs. She was also a founding member of the local Sons of Norway Lodge, Solskin 6-150.

Lois was a loving and devoted wife, mother, grandmother, mentor, and friend. Her memory and passionate spirit will live forever in the hearts of those who knew and loved her.

Born on January 26, 1928 in Culiacan, Mexico, Elvera grew up in San Francisco, San Jose, and Oasis, California. While attending high school in Coachella, she met her husband Aristotie Jerry (Tellis) Codekas. They were married in San Jose in 1951 and later settled in Thermal, where they raised three daughters: Pauline Tarnow, Elaine Fleck, and Katherine Codekas. With her husband and his family, Elvera helped run the former Sun Gold Date Gardens, gift shop, and motel on Highway 111 between Indio and Palm Springs.

An instrumental force in the community, Elvera served on the Coachella Valley Cemetery District Board, the California Regional Water Quality Control Board for the Colorado River Basin Region, the Valley Memorial Hospital Auxiliary, the Riverside County Status of Women Commission, and the Riverside County Grand Jury. She was also active in the California Republican party, running the local party headquarter in Indio and attending the 1984 Republican National Convention in Dallas as a delegate.

Additionally, Elvera was a founding Director of California Women for Agriculture, which started in Indio in 1975 with the Coachella Valley Chapter and is now the most active, all-volunteer agricultural organization in the state with 20 chapters and more than 2,000 members throughout California. She also enjoyed travelling and spending quality time with her family.

On motion of Supervisor Benoit, seconded by Supervisor Ashley, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, July 26, 2016, is adjourned in memory of State Senator Sharon Runner, a 62-year-old prominent resident of Antelope Valley, California who after a courageous battle with scleroderma passed away on July 21, 2016.

Born in Los Angeles, California, Sharon was a longtime Legislator who championed a sweeping law that targeted sex offenders and then battled back into political life after her failing health. Her public service began in 1977 when she cofounded Desert Christian Schools which now serves 1,700 students of all ages on three campuses.

Sharon and her husband, George Runner, were the first husband and wife in state history to serve in the Legislature simultaneously. They were instrumental in the drafting and passage of "Jessica's Law" in 2006, a ballot measure that required sex offenders to be monitored with GPS devices and placed rules on how close they could live to schools and parks where children gather.

In 2012, Sharon underwent a double lung transplant and had to drop out of her Senate reelection bid that year. She returned in a 2015 special election after another GOP Legislator was elected to Congress. She previously served six years in the Assembly from 2002 to 2008.

Sharon's memory and passionate spirit will live forever in the hearts of those who knew and loved her.

On motion of Supervisor Ashley, seconded by Supervisor Benoit, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, July 26, 2016, is adjourned in memory of Bobby Ramirez, a 46-year-old rapper from the Riverside-based duo "Lighter Shade of Brown," who passed away on July 18, 2016.

Bobby, who went by the name DTTX, or Don't Try To Xerox, will always be remembered for breaking barriers in Chicano hip-hop. In 1990, he helped form "A Lighter Shade of Brown" with Robert "One Dope Mexican" Gutierrez. The duo came out of Riverside, California and started recording demos. Later that year, they landed a deal with Pump Records and soon released their debut album "Brown & Proud," which "cracked" the Billboard 200 powered by the classics "Latin Active" and "On a Sunday Afternoon."

A "Lighter Shade of Brown" represented a synthesized sound that reflected the imprint of Chicanos on the culture and helped pave the way for other Chicanos in hip-hop. In 1992, the duo followed up with "Hip-Hop Locos" and also provided songs for movies such as "Mi Vida Loca" and "I Like It Like That." Their third album "Layin' in the Cut" was released by Mercury Records in 1994. After a temporary hiatus, they returned in 1997 on indie with Danny "Dice" and Eric "Bajo" on Thump Records. Their self-titled fourth album featured guest appearances from "Rappin' 4-Tray" and "Dwayne Wiggins."

In 1999, the last of their releases included a greatest hits album and the single "Sunny Day." That year, Robert became a DJ at San Bernardino Radio Station KGGI and Bobby carried on touring and working on new music. In 2011, the album "It's A Wrap" was released through Illuminated Entertainment Group. The duo also had a scheduled concert in Las Vegas on August 20, 2016.

Bobby played a pivotal role in the duo's success with his "unique voice" and "energetic, high-pitched, and skilled flow." His memory and passionate spirit will live forever in the hearts of those who knew and loved him. He will be greatly missed but never forgotten.

The Board of Supervisors commemorates his service to the County of Riverside.

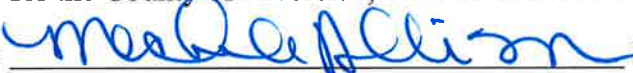

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Bobby Ramirez.

On motion of Supervisor Washington, seconded by Supervisor Benoit, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, July 26, 2016, is adjourned in memory of Jimmy Moore, an 81-year-old prominent resident of Temecula who passed away on July 13, 2016.

Born in Fort Smith, Arkansas, Jimmy proudly served in the United States Army in the years following World War II. During his Military travels, he earned a Bachelor's Degree from the University of Nebraska and a Masters at the University of Alaska. He also studied at George Washington University and was a dissertation short of a Doctorate.

After retiring from the Army as a Lieutenant Colonel, Jimmy taught in college, worked in the insurance and health spa industry, formed a software company, and ran a business consulting firm with his wife Peg. They moved to Southern California in Irvine when he was working for the software company. A short time later, they settled in the Temecula area because of its "wide open spaces and Old West charms."

An instrumental force in the community, Jimmy was the "leader" of the City of Temecula's incorporation effort and one of the City's most active volunteers. One of his "legacies" was changing the City's name to "Temecula" because he and other members of the "City Committee" didn't like the idea of saying they lived in "Rancho California, California." They preferred "Temecula" which has roots in a name for the area used for centuries by the Pechanga Band of Luiseno Indians. In the incorporation election of 1989, voters agreed and the City of Temecula was "born." As the City grew, Jimmy remained active, working on charitable projects with the Kiwanis Club and serving on the Board of the Temecula Valley Historical Society.

Jimmy was a loving and devoted husband, father, grandfather, great-grandfather, and friend. His memory and passionate spirit will live forever in the hearts of those who knew and loved him.

On motion of Supervisor Jeffries, seconded by Supervisor Benoit, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, July 26, 2016, is adjourned in memory of Garry Grant, a prominent resident of Meadowbrook, California and Riverside County "activist" who passed away on July 21, 2016.

Born in Portsmouth, Hampshire, England in 1927, Garry apprenticed as a fitter before transferring to the Royal Engineers Brighton Technical College at age 18 and proudly served on the Fighting Vehicle Proving Grounds during World War II. After the war, Garry was in Hiroshima in 1946 repatriating Japanese POW's (Prisoners of War) to their country. He left the service as a Corporal at the age of 26 and worked for Ford Motor Company for 10 years.

Garry and his beloved wife Thelma were married in 1952 and immigrated to the United States in 1962. They moved to California in 1963 and became proud American citizens in 1973. He worked in landscaping during his first year in the United States and then found work as a tool and die maker working for a space contractor on the Appollo program. He worked for American Meter for 16 years and then worked for H. Koch & Sons until retirement.

After settling in Riverside County in 1991, Gary and Thelma's desire to be active participants in our Country's democracy and commitment to preserving the area's rural communities made them an instrumental force in monitoring local and County government. They spent many years advocating for safety improvements on Highway 74 which led to its widening project being moved ahead of schedule. Garry served as Chair of the Meadowbrook Roads Committee for sixteen years and presided over CSA 41 for the Meadowbrook Community of Interest. They became involved with Riverside County Unincorporated Communities in the early 1990's, with Garry becoming the organization's longest serving president. As cities incorporated over the years, RCUC was re-branded as Riverside County United Communities.

When Thelma passed away in 2012, Garry continued their shared labor of love for this government of We, the People, with RCUC and by participating at each County Board of Supervisors meeting. He was honored by the County of Riverside Board of Supervisors in 2015 for the celebration of his 20th Anniversary with the Riverside County United Communities.

Garry was a devoted family man, advocate, and friend whose memory and passionate spirit will live forever in the hearts of those who knew and loved him.
