**FORM 11:** Resolution No. 2016-107, Authorization to Convey Real property to the City of Jurupa Valley, CEQA Exempt, District 2, [\$8,650] Transportation 100%

**DATE:** August 23, 2016

**PAGE:** 2 of 3

## **RECOMMENDED MOTION: (Continued)**

3. Direct the Clerk of the Board to file the Notice of Exemption with the office of the County Clerk within five (5) working days of approval by the Board;
4. Ratify and authorize a reimbursement to EDA/Real Estate Division in the amount not to exceed \$8,650 from Transportation.
5. Authorize the Chairman of the Board of Supervisors to execute the Quitclaim Deed to complete the transfer of real property.

## **BACKGROUND:**

### **Summary**

On January 29, 2002, the Redevelopment Agency entered into a contract with Riverside Construction Company for Phase 3 of the Limonite Beautification Project. During the development phase, the Board approved the acquisition of two additional parcels to accommodate a two acre community dog park, and to improve flood control and transportation facilities. This included the reconstruction of the Limonite Frontage Road to provide access to the dog park and to include a catch basin and storm drain pipe to address the existing flood conditions along Limonite Avenue.

The Board approved Minute Order 4.5 on May 14, 2002, to acquire property to facilitate and accomplish preliminary work in preparation of construction activity for the Limonite Beautification – Phase 3 Project. The County utilizes a portion of this land for a community dog park.

The Transportation Land Management Agency has operated the Landscape Maintenance District for the park since September 26, 2006.

The City of Jurupa Valley was incorporated on July 1, 2011 and on February 1, 2016; operation of the park was transferred to the city.

Pursuant to Government Code Section 25365, the County of Riverside (County) may transfer real property or any interest therein, belonging to a county to another public agency, upon the terms and conditions as are agreed upon and without complying with any other provisions of the Government Code, if the property therein to be transferred is not required for county use.

Pursuant to the California Environmental Quality (CEQA), the action was reviewed and determined to be categorically exempt from CEQA. Pursuant to State CEQA Guidelines Section 15061 (b)(3) – “Common Sense” Exemption. The County's approval of this conveyance of real property does not create any reasonably foreseeable physical change in the environment; it is merely a transfer in title to real property.

Finding that the land is no longer necessary for use by the County, the County intends to transfer its fee simple interest in real property, located in the City of Jurupa Valley, consisting of 1.44 acres, identified by Assessor Parcel Numbers 186-070-019 and 186-080-009 as more particularly described in Exhibit A attached to Resolution No. 2016-107, by Grant Deed to the City of Jurupa Valley.

Resolution No. 2016-107 and Grant Deed has been reviewed and approved by County Counsel as to legal form.

**Impact on Citizens and Businesses**

Finding that the fee simple interest is no longer necessary for use by the County, the City has initiated a request to convey the subject parcels from County to the City. Since this is only a transfer between public agencies, there will be no impact on citizens and businesses.

**Supplemental:  
Additional Fiscal Information**

The rent derived from a lease was received by TLMA to offset costs associated with maintaining and operating Pat Merritt Dog Park. As of February 1, 2016, the rent proceeds have been transferred to the City of Jurupa Valley.

No net County cost will be incurred and no budget adjustment is necessary, however, the Economic Development Agency's Real Estate Division has incurred costs associated with this transaction. County Counsel and Real Estate costs to date in the approximate amount of \$8,650 will be reimbursed from Transportation.

IN REAL PROPERTY TO THE CITY OF JURUPA VALLEY BY QUITCLAIM DEED

2 proposed conveyance is categorically exempt from CEQA pursuant to State CEQA Guidelines  
3 Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the

## NOTICE OF EXEMPTION

July 12, 2016

**Project Name:** Merritt Dog Park Conveyance to the City of Jurupa Valley

**Project Number:** FM0413130462

**Project Location:** Between Limonite Avenue and Limonite Frontage Road, east of Avenue Juan Batista. Assessor's Parcel Numbers (APNs) 186-070-019 and 186-080-009 Jurupa Valley, County of Riverside, California

**Description of Project:** The County of Riverside (County) is the owner of Merritt Dog Park in the City of Jurupa Valley, located between Limonite Avenue and Limonite Frontage Road identified with APNs 186-070-019 and 186-080-009. The property was acquired by the County as part of Phase 3 of the Limonite Beautification Project to accommodate a two-acre community dog park, and improvements to flood control and transportation facilities. These improvements consisted of the reconstruction of the Limonite Frontage Road to provide access to the dog park and to include a catch basin and storm drain pipe to address the existing flood conditions along Limonite Avenue. The County also entered into a Communication Site Lease Agreement most recently assigned to CCTMO LLC, a Delaware limited liability company (dba Crown Castle) for a communications facility. The rent derived from this lease is used to offset costs associated with maintaining and operating Pat Merritt Dog Park.

Finding that the land is no longer necessary for use by the County, the County intends to transfer its fee simple interest in the Pat Merritt Dog Park, consisting of 1.44 acres to the City of Jurupa Valley. Pursuant to Government Code Section 25365, the County may transfer real property or any interest therein, belonging to a county to another public agency, upon the terms and conditions as are agreed upon and without complying with any other provisions of the Government Code, if the property therein to be transferred is not required for county use. The conveyance of the fee simple interest in the property to the City of Jurupa Valley is identified as the proposed Project under the California Environmental Quality Act (CEQA). The conveyance of the parcels does not allow for any construction activity, change in use, or any other condition that may lead to a direct or indirect physical environmental impact at this time. No additional direct or indirect physical environmental impacts are anticipated.

**Name of Public Agency Approving Project:** County of Riverside, Economic Development Agency

**Name of Person or Agency Carrying Out Project:** County of Riverside; City of Jurupa Valley

**Exempt Status:** State CEQA Guidelines, 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

**Reasons Why Project is Exempt:** The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project is the conveyance of real property that is no longer needed for the use by or purposes of the County. The Project will not cause any impacts to scenic resources, historic resources, or unique sensitive environments and will not result in physical changes to the existing site. Further, no unusual circumstances or potential cumulative impacts would occur that may reasonably create an environmental impact. The proposed conveyance of real property will not have an effect on the environment and the mere transfer of ownership interests will not allow for any development, construction, or change of use that may create any future direct or indirect physical environmental impact; thus, no environmental impacts are anticipated to occur.

- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required.

With certainty, there is no possibility that the conveyance of this property may have a significant physical effect on the environment. The conveyance would be limited to the transfer of land from the County to the City of Jurupa Valley and would not result in any physical direct or reasonably foreseeable indirect impacts to the environment. The conveyance of this property to the City of Jurupa Valley does not require any construction activities and would not lead to any direct or reasonably foreseeable indirect physical environmental impacts to the existing site.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed meets the categorical exemption as identified. No further environmental analysis is warranted.

**DATE:** July 13, 2016

**PAGE:** 2 of 3

**BACKGROUND:**

**Summary**

On January 29, 2002, the Redevelopment Agency entered into a contract with Riverside Construction Company for Phase 3 of the Limonite Beautification Project. During the development phase, the Board approved the acquisition of two additional parcels to accommodate a two acre community dog park, and to improve flood control and transportation facilities. This included the reconstruction of the Limonite Frontage Road to provide access to the dog park and to include a catch basin and storm drain pipe to address the existing flood conditions along Limonite Avenue.

The Board approved Minute Order 4.5 on May 14, 2002, to acquire property to facilitate and accomplish preliminary work in preparation of construction activity for the Limonite Beautification – Phase 3 Project. The County utilizes a portion of this land for a community dog park.

The Transportation Department has operated and maintained the dog park since 2003 through funding provided by a landscape maintenance district (LMD) which also maintains landscape improvements along Limonite Avenue. Additional revenue was received from a cell tower lease located within the dog park.

The City of Jurupa Valley was incorporated on July 1, 2011, and on February 1, 2016, operation of the park was transferred to the city.

Pursuant to Government Code Section 25365, the County may transfer interests in real property or interest therein, belonging to the County to another public agency, upon the terms and conditions as agreed upon and without complying with any other provisions of the government code, if the property or interest therein to be conveyed is not required for County use. Finding that the fee simple interest is no longer necessary for use by the County, the County intends to transfer its fee simple interest in real property, located in the City of Jurupa Valley, consisting of approximately 1.44 acres, identified by Assessor Parcel Numbers 186-070-019 and 186-080-009 as more particularly described in Exhibit "A" attached to Resolution No. 2016-106, by Grant deed to the City of Jurupa Valley.

Pursuant to Government Code Section 25365, the County may transfer to the City of Jurupa Valley without a vote of the electors of the County first being taken, any real or personal property belonging to the County.

This Resolution No. 2016-106 has been reviewed and approved by County Counsel as to legal form.

**Impact on Citizens and Businesses**

Finding that the fee simple interest is no longer necessary for use by the County, the City has initiated a request to convey the subject parcels from County to the City. Since this is only a transfer between public agencies, there will be no impact on citizens and businesses.

**Additional Fiscal Information**

The rent derived from a cell tower lease as well as from a landscape maintenance district was received by TLMA to offset costs associated with maintaining and operating Pat Merritt Dog Park. As of February 1, 2016 the rent proceeds have been transferred to the City of Jurupa Valley.

No net County cost will be incurred and no budget adjustment is necessary, however, the Economic Development Agency's Real Estate Division has incurred costs associated with this transaction. County Counsel and Real Estate costs to date in the approximate amount of \$1,192.00 will be reimbursed by TLMA.
