FORM 11: Ratify the Three-Year Agreements for Designation of ST Elevation Myocardial Infarction (STEMI) Receiving Centers with Four Hospitals in Riverside County. [All Districts] [\$ N/A].

DATE: July 29, 2016

PAGE: 2 of 2

BACKGROUND:

Summary (cont.)

A subset of heart attacks, known as ST-Elevation Myocardial Infarction (STEMI) can be identified by paramedics in the field. The American Heart Association/American College of Cardiology has released evidence-based guidelines for the establishment of systems of care that optimize outcomes for patients suffering from STEMI.

Critical components of the guidelines are rapid recognition and treatment in the field followed by transport to a hospital capable of providing immediate advanced cardiac procedures within pre-established timelines. Following these guidelines, the EMS Agency has developed policies, protocols and procedures required to implement a STEMI care system in Riverside County. Central to that system is the designation of hospitals as STEMI Receiving Centers. STEMI Receiving Centers have met strict criteria for advanced cardiac treatment capability, medical oversight, cardiac focused education/training, continuous quality improvement and data reporting.

All STEMI Receiving Centers in Riverside County are required by policy to maintain accreditation as a Chest Pain Center with Percutaneous Coronary Intervention (PCI), an immediate intervention used by trained cardiologists and cardiology teams to open blocked coronary arteries restoring blood flow to the heart. This accreditation is earned from the Society of Cardiovascular Patient Care (SCPC). The SCPC performs site visits and documentation reviews to ensure that hospitals with this accreditation have met the highest standards for the care of patients suffering from STEMI.

The current STEMI Receiving Centers designated in Riverside County are: Desert Regional Medical Center, Eisenhower Medical Center, JFK Memorial Hospital, Riverside Community Hospital, Loma Linda University Medical Center – Murrieta, and Temecula Valley Hospital.

Impact on Residents and Businesses

Continuing designation for STEMI Receiving Centers within Riverside County will continue to provide paramedics a definitive care option shown to improve the outcome for STEMI patients.

 7. Any failure to comply with a plan of correction imposed by REMSA;

8. Any failure to remedy any recurring malfunction, physician, nursing and other staff shortages, staff response delays, or facility problems of HOSPITAL, which causes or contributes to HOSPITAL's diversion of ambulances transporting STEMI Patients intended for HOSPITAL; and
 9. Repeated failure to submit specified reports, STEMI Care System data, or other information required under this Agreement.
- c. Opportunity to Cure: Prior to the exercise of COUNTY's right to terminate for cause, COUNTY shall give HOSPITAL at least thirty (30) days written notice (hereinafter "Correction Period") specifying in reasonable detail the grounds for termination and all deficiencies requiring correction. COUNTY may shorten the Correction Period to no less than seven (7) days if COUNTY determines that HOSPITAL's action or inaction has seriously threatened or will seriously threaten public health and safety. If HOSPITAL has not remedied each deficiency prior to the end of the Correction Period to the satisfaction of COUNTY, or COUNTY has not approved a plan of correction within the Correction Period, COUNTY may immediately terminate this Agreement upon written notice to HOSPITAL, specifying the effective date of termination. No opportunity to cure is required prior to COUNTY's termination of this Agreement for failure by HOSPITAL to complete any plan of correction imposed by COUNTY.

9. Hold Harmless/Indemnification

HOSPITAL shall indemnify and hold harmless the County of Riverside, its agencies and departments, including their officers, employees and agents (collectively "County Indemnitees"), from any liability, damage, claim, cause of action or action based or asserted upon any services of HOSPITAL, its officers, employees, subcontractors, agents or representatives related to this Agreement, including but not limited to property damage, bodily injury, or death. HOSPITAL shall defend at its sole expense, including all costs and fees (and including but not limited to attorney fees, cost of investigation, defense, settlements or awards), County Indemnitees in any claim or action related to such HOSPITAL services.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe HOSPITAL's obligations to indemnify and hold harmless the County.

10. Insurance

Without limiting or diminishing HOSPITAL's obligation to indemnify or hold the COUNTY harmless, HOSPITAL shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage during the term of this Agreement:

- a. Workers' Compensation: If HOSPITAL has employees as defined by the State of California, HOSPITAL shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.
- c. Vehicle Liability: If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then HOSPITAL shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If HOSPITAL's Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and HOSPITAL shall purchase at its sole expense either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with a retroactive date back to the date of, or prior to, the inception of this Agreement; or 3) demonstrate through Certificates of Insurance that HOSPITAL has maintained continuous coverage with the same or original insurer. If HOSPITAL insurance carrier(s) policies does not meet the minimum notice requirement found herein, HOSPITAL shall cause HOSPITAL'S insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.*

4) In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect. *HOSPITAL shall not commence operations until the COUNTY has been furnished original Certificate(s) of Insurance and certified original copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.*

5) It is understood and agreed to by the parties hereto that HOSPITAL's insurance shall be construed as primary insurance, and the COUNTY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

6) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right

to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Management's reasonable judgment, the amount or type of insurance carried by HOSPITAL has become inadequate.

7) HOSPITAL shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

8) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

9) HOSPITAL agrees to notify the COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

11. Conflicts of Interest

Neither HOSPITAL nor REMSA shall exert any direct or indirect influence that would cause or contribute to the transport of STEMI patients to a facility other than the closest STEMI Receiving Center, except as specifically authorized by REMSA policies and procedures. HOSPITAL and the County shall comply with all applicable federal, state, and local conflict of interest laws and regulations.

12. Compliance

The parties shall comply with applicable federal, state, and local laws, rules, and regulations, and REMSA policies and procedures in effect at the inception of this Agreement or that become effective during the term of this Agreement, including, but not limited to, facility and professional licensing, and/or certification laws and regulations, the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. section 1320d et seq.), and the Emergency Medical Treatment and Active Labor Act (42 U.S.C. section 1395dd).

13. Nondiscrimination

HOSPITAL shall comply with all applicable Federal, State, and local laws and regulations including Riverside County's equal opportunity requirements. Such laws include but are not limited to the following: Title VII of the Civil Rights Act of 1964 as amended; Americans with Disabilities Act of 1990; The Rehabilitation Act of 1973 (Sections 503 and 504); California Fair Employment and Housing Act (Government Code sections 12900 et seq.); California Labor Code sections 1101 and 1102. Nor will HOSPITAL discriminate in the provision of services provided under this Agreement because of age, race, color, national origin, ancestry, religion, sex/gender, sexual orientation, mental disability, physical disability, medical condition, political beliefs, organizational affiliations, or marital status.

14. Confidentiality

The parties agree to maintain the confidentiality of all patient information and records obtained in the course of providing services under this Agreement, in accordance with all applicable federal and state statutes and regulations and local ordinances. Such information shall be divulged only as provided by law. REMSA agrees that it is a "Health Oversight Agency" under HIPAA and, therefore, a Business Associate Agreement is not necessary. Nothing in this Agreement shall require HOSPITAL to provide or disclose to the County, or anyone else, the following: (a) documents generated solely in anticipation of malpractice litigation, and (b) documents by, or for the use of, any medical staff committee having the responsibility of evaluation and improvement of the quality of care rendered in the hospital, other than the medical staff committee responsible for evaluating STEMI care. Disclosure of any medical staff document to the County shall not constitute a waiver by HOSPITAL of the protections afforded by California Evidence Code Section 1157. If any disclosure of information contained in a medical staff committee document is sought from REMSA by a third party, REMSA shall notify HOSPITAL and shall raise all applicable objections or defenses to the demand for disclosure.

15. Mutual Cooperation

It is agreed that mutual non-competition among the designated STEMI Receiving Centers, as well as their associated helicopter services, is vital to providing optimal medical care under the STEMI Care System. In furtherance of such cooperation, HOSPITAL agrees to provide access to the helipad, if any, located at HOSPITAL to all helicopter services, to the extent necessary to triage and/or transport STEMI patients to HOSPITAL. HOSPITAL will not charge helicopter services for such landing privileges.

19. Assignment

Such records shall be maintained in such a fashion as to be able to separately identify STEMI patients from all other patients.

8. Reports, Evaluations and Research Studies

HOSPITAL shall, as may be reasonably requested by REMSA, participate in evaluations and/or research designed to show the effectiveness of the STEMI Care System; and shall submit reports and materials on its STEMI services as reasonably requested by REMSA. These reports, evaluations and studies shall be used by REMSA to analyze and generate aggregate statistical reports on the STEMI Care System performance.

9. Hold Harmless/Indemnification

HOSPITAL shall indemnify and hold harmless the County of Riverside, its agencies and departments, including their officers, employees and agents (collectively "County Indemnitees"), from any liability, damage, claim, cause of action or action based or asserted upon any services of HOSPITAL, its officers, employees, subcontractors, agents or representatives related to this Agreement, including but not limited to property damage, bodily injury, or death. HOSPITAL shall defend at its sole expense, including all costs and fees (and including but not limited to attorney fees, cost of investigation, defense, settlements or awards), County Indemnitees in any claim or action related to such HOSPITAL services.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe HOSPITAL's obligations to indemnify and hold harmless the County.

10. Insurance

Without limiting or diminishing HOSPITAL's obligation to indemnify or hold the COUNTY harmless, HOSPITAL shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage during the term of this Agreement:

- a. Workers' Compensation: If HOSPITAL has employees as defined by the State of California, HOSPITAL shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.
- c. Vehicle Liability: If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then HOSPITAL shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If HOSPITAL's Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and HOSPITAL shall purchase at its sole expense either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with a retroactive date back to the date of, or prior to, the inception of this Agreement; or 3) demonstrate through Certificates of Insurance that HOSPITAL has maintained continuous coverage with the same or original insurer. Coverage provided under items 1), 2), or 3) will continue as the law allows.
- e. General Insurance Provisions – All lines:
 - 1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If

the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) HOSPITAL must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the County's Risk Manager, HOSPITAL's carrier shall either 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY; or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) HOSPITAL shall cause HOSPITAL's insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein; and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. *Further, said Certificate(s) and policies of Insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If HOSPITAL insurance carrier(s) policies does not meet the minimum notice requirement found herein, HOSPITAL shall cause HOSPITAL'S insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.*

4) In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect. *HOSPITAL shall not commence operations until the COUNTY has been furnished original Certificate(s) of Insurance and certified original copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.*

5) It is understood and agreed to by the parties hereto that HOSPITAL's insurance shall be construed as primary insurance, and the COUNTY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

6) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right

to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Management's reasonable judgment, the amount or type of insurance carried by HOSPITAL has become inadequate.

7) HOSPITAL shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

8) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

9) HOSPITAL agrees to notify the COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

11. Conflicts of Interest

Neither HOSPITAL nor REMSA shall exert any direct or indirect influence that would cause or contribute to the transport of STEMI patients to a facility other than the closest STEMI Receiving Center, except as specifically authorized by REMSA policies and procedures. HOSPITAL and the County shall comply with all applicable federal, state, and local conflict of interest laws and regulations.

12. Compliance

The parties shall comply with applicable federal, state, and local laws, rules, and regulations, and REMSA policies and procedures in effect at the inception of this Agreement or that become effective during the term of this Agreement, including, but not limited to, facility and professional licensing, and/or certification laws and regulations, the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. section 1320d et seq.), and the Emergency Medical Treatment and Active Labor Act (42 U.S.C. section 1395dd).

Nor will HOSPITAL discriminate in the provision of services provided under this Agreement because of age, race, color, national origin, ancestry, religion, sex/gender, sexual orientation, mental disability, physical disability, medical condition, political beliefs, organizational affiliations, or marital status.

14. Confidentiality

The parties agree to maintain the confidentiality of all patient information and records obtained in the course of providing services under this Agreement, in accordance with all applicable federal and state statutes and regulations and local ordinances. Such information shall be divulged only as provided by law. REMSA agrees that it is a "Health Oversight Agency" under HIPAA and, therefore, a Business Associate Agreement is not necessary. Nothing in this Agreement shall require HOSPITAL to provide or disclose to the County, or anyone else, the following: (a) documents generated solely in anticipation of malpractice litigation, and (b) documents by, or for the use of, any medical staff committee having the responsibility of evaluation and improvement of the quality of care rendered in the hospital, other than the medical staff committee responsible for evaluating STEMI care. Disclosure of any medical staff document to the County shall not constitute a waiver by HOSPITAL of the protections afforded by California Evidence Code Section 1157. If any disclosure of information contained in a medical staff committee document is sought from REMSA by a third party, REMSA shall notify HOSPITAL and shall raise all applicable objections or defenses to the demand for disclosure.

15. Mutual Cooperation

It is agreed that mutual non-competition among the designated STEMI Receiving Centers, as well as their associated helicopter services, is vital to providing optimal medical care under the STEMI Care System. In furtherance of such cooperation, HOSPITAL agrees to provide access to the helipad, if any, located at HOSPITAL to all helicopter services, to the extent necessary to triage and/or transport STEMI patients to HOSPITAL. HOSPITAL will not charge helicopter services for such landing privileges.

- c. Opportunity to Cure: Prior to the exercise of COUNTY's right to terminate for cause, COUNTY shall give HOSPITAL at least thirty (30) days written notice (hereinafter "Correction Period") specifying in reasonable detail the grounds for termination and all deficiencies requiring correction. 9. Hold Harmless/Indemnification

HOSPITAL shall indemnify and hold harmless the County of Riverside, its agencies and departments, including their officers, employees and agents (collectively "County Indemnitees"), from any liability, damage, claim, cause of action or action based or asserted upon any services of HOSPITAL, its officers, employees, subcontractors, agents or representatives related to this Agreement, including but not limited to property damage, bodily injury, or death. HOSPITAL shall defend at its sole expense, including all costs and fees (and including but not limited to attorney fees, cost of investigation, defense, settlements or awards), County Indemnitees in any claim or action related to such HOSPITAL services.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe HOSPITAL's obligations to indemnify and hold harmless the County.

10. Insurance

Without limiting or diminishing HOSPITAL's obligation to indemnify or hold the COUNTY harmless, HOSPITAL shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage during the term of this Agreement:

- a. Workers' Compensation: If HOSPITAL has employees as defined by the State of California, HOSPITAL shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. If HOSPITAL insurance carrier(s) policies does not meet the minimum notice requirement found herein, HOSPITAL shall cause HOSPITAL'S insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.*

4) In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect. *HOSPITAL shall not commence operations until the COUNTY has been furnished original Certificate(s) of Insurance and certified original copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.*

5) It is understood and agreed to by the parties hereto that HOSPITAL's insurance shall be construed as primary insurance, and the COUNTY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

6) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right

to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Management's reasonable judgment, the amount or type of insurance carried by HOSPITAL has become inadequate.

7) HOSPITAL shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

8) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

9) HOSPITAL agrees to notify the COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

11. Conflicts of Interest

Neither HOSPITAL nor REMSA shall exert any direct or indirect influence that would cause or contribute to the transport of STEMI patients to a facility other than the closest STEMI Receiving Center, except as specifically authorized by REMSA policies and procedures. HOSPITAL and the County shall comply with all applicable federal, state, and local conflict of interest laws and regulations.

12. Compliance

The parties shall comply with applicable federal, state, and local laws, rules, and regulations, and REMSA policies and procedures in effect at the inception of this Agreement or that become effective during the term of this Agreement, including, but not limited to, facility and professional licensing, and/or certification laws and regulations, the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. section 1320d et seq.), and the Emergency Medical Treatment and Active Labor Act (42 U.S.C. section 1395dd).

13. Nondiscrimination

HOSPITAL shall comply with all applicable Federal, State, and local laws and regulations including Riverside County's equal opportunity requirements. Such laws include but are not limited to the following: Title VII of the Civil Rights Act of 1964 as amended; Americans with Disabilities Act of 1990; The Rehabilitation Act of 1973 (Sections 503 and 504); California Fair Employment and Housing Act (Government Code sections 12900 et seq.); California Labor Code sections 1101 and 1102. The parties agree to maintain the confidentiality of all patient information and records obtained in the course of providing services under this Agreement, in accordance with all applicable federal and state statutes and regulations and local ordinances. Such information shall be divulged only as provided by law. REMSA agrees that it is a "Health Oversight Agency" under HIPAA and, therefore, a Business Associate Agreement is not necessary. Nothing in this Agreement shall require HOSPITAL to provide or disclose to the County, or anyone else, the following: (a) documents generated solely in anticipation of malpractice litigation, and (b) documents by, or for the use of, any medical staff committee having the responsibility of evaluation and improvement of the quality of care rendered in the hospital, other than the medical staff committee responsible for evaluating STEMI care. Disclosure of any medical staff document to the County shall not constitute a waiver by HOSPITAL of the protections afforded by California Evidence Code Section 1157. If any disclosure of information contained in a medical staff committee document is sought from REMSA by a third party, REMSA shall notify HOSPITAL and shall raise all applicable objections or defenses to the demand for disclosure.

15. Mutual Cooperation

It is agreed that mutual non-competition among the designated STEMI Receiving Centers, as well as their associated helicopter services, is vital to providing optimal medical care under the STEMI Care System. In furtherance of such cooperation, HOSPITAL agrees to provide access to the helipad, if any, located at HOSPITAL to all helicopter services, to the extent necessary to triage and/or transport STEMI patients to HOSPITAL. HOSPITAL will not charge helicopter services for such landing privileges.
