BACKGROUND:

Summary

The implementation of Assembly Bill 1633 (Chapter 641, Statutes of 2006) requires counties to assist foster youth in gaining access to important federal disability benefits while in foster care and to assist youth in having those benefits in place when leaving or emancipating from the foster care system.

Riverside County desires to maximize the use of federal and state funds while ensuring the child's individual needs are met during the stay in foster care and ensuring that funding will be available to the child upon leaving the system and/or upon emancipation. Many children qualify for federal Supplemental Security Income (SSI) and State Supplementary Payment (SSP) benefits but often go without because no one is there to assist them in the arduous application process. Riverside County has approximately 3,700 children in care requiring the potential review for SSI/SSP Advocacy Services.

Since November, 2013, DPSS has contracted with Maximus Human Services, Inc. to provide SSI/SSP advocacy services. Over fiscal years 2013/2014 and 2014/2015, Maximus Human Services, Inc. efforts resulted in \$1,702,944 SSI benefits collected for 323 foster children. These monies were used to offset foster care costs, reducing County costs. In order to continue to have this service available to foster youth, DPSS worked with County Purchasing to complete a current bid process. As a result of that bid process, DPSS is requesting the Board approve the award of a contract to Maximus Human Services, Inc. which will go into effect upon Board approval.

Impact on Residents and Businesses

These services will maximize financial resources available to foster children in Riverside County.

SUPPLEMENTAL:

Contract History and Price Reasonableness

On 04/21/2016, Request for Quote (RFQ) DPARC-490 for Supplemental Security Income was released on the Public Purchase website. Twenty-three (23) potential vendors accessed the bid, which resulted in sixteen (16) vendors downloading the RFQ and other attachments. Upon the RFQ closing, DPSS received three (3) qualified proposals for DPARC-490.

After thorough considerations, Maximus Human Services, Inc. was selected as the lowest responsive and responsible vendor based on the guidelines outlined in the scope of services. Maximus Human Services, Inc. proposed a total cost of \$100,521 for FY 16/17 and \$120,625 for the remaining four (4) fiscal years. The second most responsible bidder proposed a cost of \$134,150 for the same term.

Additional Fiscal Information

	Year 1	Year 2	Year 3	Year 4	Year 5	Total MRA

 - 1) **Breaches treated as discovered.** A breach is treated as discovered by Contractor as of the first day on which such breach is known to Contractor or, by exercising reasonable diligence, would have been known to Contractor, which includes any person, other than the person committing the breach, who is an employee, officer, or other agent of Contractor (determined in accordance with the federal common law of agency).
 - 2) **Content of notification.** The written notification to County relating to breach of unsecured PHI shall include, to the extent possible, the following information if known (or can be reasonably obtained) by Contractor:

- A. Contractor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.

- B. With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

Either party, upon written notice to the other party describing the breach, may take any of the following actions:
- 1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
 - 2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
 - 3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.
- B. **Effect of Termination.**
- 1) Upon termination of this Addendum, for any reason, Contractor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
 - 2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

12. **General Provisions.**
- A. **Retention Period.** Whenever Contractor is required to document or maintain documentation pursuant to the terms of this Addendum, Contractor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.

- C. **Survival.** The obligations of Contractor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.
- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
