FORM 11: Approval of the Clinton Keith Road Community Facilities District No. 07-2 Road and Bridge Benefit District Fee Program Improvement Credit Agreement between the County of Riverside and Lennar Homes of California, Inc. for Tract No. 36437. 3rd District; [\$0]

DATE: August 11, 2016

PAGE: 2 of 2

BACKGROUND:

Summary

Tract No. 36437 (Tract), consisting of 101 single-family residential units, is owned by Lennar Homes of California, Inc. and is located within the boundaries of the Clinton Keith Road CFD, which is administered by the County.

The Clinton Keith Road CFD is a funding mechanism that provides a means to finance, in part, the Clinton Keith Road Extension, a multi-phased, six-lane project from Antelope Road to State Route 79. Construction of the first phase of the project from Antelope Road to Whitewood Road is complete. Construction of the second phase of these improvements from Whitewood Road to Leon Road is now in progress.

The Clinton Keith Road improvements are also identified in the County's Southwest Area of the RBB and are among those facilities whose construction is to be partly funded by the collection of RBB fees.

On June 12, 2007 (Agenda Item 3-36), the Board of Supervisors approved the "Joint Funding, Credit, and Reimbursement Agreement," whereby parameters were established to form the Clinton Keith Road CFD, sell special CFD bonds, and grant developers within the CFD credits against their applicable Transportation Uniform Mitigation Fee (TUMF) and RBB fees.

The Developer and the County now desire to enter into this credit agreement to provide a means by which the Developer's participation in the Clinton Keith Road CFD is offset against the Developer's obligation to pay the applicable Southwest Area RBB fees for the Tract. Each residential unit constructed within the Tract is potentially eligible to receive RBB credits in an amount up to the current Southwest Area RBB Zone D fee of \$2,197 per dwelling unit.

Project Number: B2-04722

Impact on Residents and Businesses

Community Facilities Districts (CFD) are an important tool to fund the early delivery of infrastructure. It allows the County to provide early delivery of infrastructure to fund a major facility through a bond sale and special assessment, with appropriate credit given towards mitigation fee obligations, as opposed to the traditional "pay as you go" method to collect fees on a lot-by-lot basis over a longer period of time. The CFD for the extension of Clinton Keith Road was established in 2007 in anticipation that this major transportation facility would be needed to support planned growth in the area. The extension of Clinton Keith Road will provide an additional critical transportation link between the French Valley area and Interstate-215, improving mobility, reducing congestion on alternate roads such as Los Alamos, and improving safety.

SUPPLEMENTAL:

Additional Fiscal Information

The Developer is responsible for disclosing the CFD special assessment to potential buyers of the residential homes as part of their purchase transaction.

The County and the Developer are sometimes hereinafter referred to individually as "Party" and collectively as "Parties".

RECITALS

WHEREAS, the Developer owns Tract No. 36437 (the "Tract"), for which a Final Map was recorded on December 23, 2015, as Instrument No. 2015-0554294 and is located within Riverside County, California, as shown by Exhibit "A," attached hereto and incorporated herein by this reference;

WHEREAS, the Tract consists of 101 single-family residential units;

WHEREAS, the Tract was conditioned by the County to participate in some form of funding mechanism, such as a Community Facilities District, that would provide a means of financing the construction of public facilities, which include the full-width arterial improvements of Clinton Keith Road from Antelope Road to State Route 79, including associated appurtenances and rights-of-way (the "Project");

WHEREAS, the public facilities improvements described above had been determined by the Board of Supervisors to be necessary to mitigate the transportation and circulation needs, which the development of the Tract will contribute in part;

WHEREAS, the Riverside County Board of Supervisors (the "Board"), on June 12, 2007, adopted Resolution No. 2007-286 establishing Community Facilities District No. 07-2 Clinton Keith Road of the County of Riverside ("Clinton Keith Road CFD") and authorizing the levy of a special tax to pay for the construction or financing of the Clinton Keith Road Improvements and Resolution No. CFD 2007-04 determining the need to incur bonded indebtedness in an aggregate principal amount not to exceed \$60,000,000 to finance the Clinton Keith Road Improvements and Resolution No. CFD 2007-05 calling for a special election held on June 18, 2007, for the qualified electors of the Clinton Keith Road CFD to consider propositions dealing with the levy of the special tax and the incurrence of bonded indebtedness;

WHEREAS, the Board of Supervisors, on June 18, 2007, canvassed the results of the special election and determined that the qualified electors voted and approved the propositions by more than two-thirds of the votes cast and caused a Notice of Special Tax Lien for the Clinton Keith Road CFD to be recorded within fifteen days of the special election certification;

WHEREAS, the County, by adoption of Resolution No. 2001-317, as amended from time to time, reestablished the Southwest Area Road and Bridge Benefit District ("RBBB"), which consisted of three Zones, designated construction costs for certain road and bridge improvements to be funded by the Southwest Area RBBB, and established a road and bridge improvement fee schedule that apportioned said construction costs to all properties within the Southwest Area RBBB;

WHEREAS, the Clinton Keith Road Improvements have been identified as part of the Southwest Area RBBB, Zone "D" and to be among those facilities whose construction is to be financed, in part, by the collection of the Southwest Area RBBB fees within Zone "D";

WHEREAS, the Clinton Keith Road Improvements are to be constructed by the Riverside County Transportation Department as the lead agency from funding that includes the proceeds of special taxes levied or the proceeds of special tax bonds issued by the Clinton Keith Road CFD;

WHEREAS, the qualified electors of the Clinton Keith Road CFD collectively and jointly with the County entered into an agreement entitled "Joint Funding, Credit and Reimbursement Agreement" dated June 12, 2007 and approved by the County Board of Supervisors on that same date, which established the parameters by which the CFD was formed, special tax bonds will be sold, and developers would receive credits against their applicable Transportation Uniform Mitigation Fee (TUMF) and RBBB fees;

WHEREAS, the Parties now desire to enter into this Agreement to provide a means by which Developer's participation in the Clinton Keith Road CFD is offset against Developer's obligation to pay the applicable Southwest Area RBBB, Zone "D" fees for the Tract; and

WHEREAS, the Tract is located within the boundaries of the Clinton Keith Road CFD, as shown on the Boundary Map of the Clinton Keith Road CFD recorded as Instrument No. 2007-0334626 on May 21, 2007, or within territory that has been annexed to Clinton Keith Road CFD.

NOW, THEREFORE, for the purposes set forth herein, and for good and valuable consideration, the adequacy of which is hereby acknowledged, Developer and County and hereby agree as follows:

TERMS

1.0 Incorporation of Recitals: The Parties hereby affirm the facts set forth in the Recitals above and agree to the incorporation of the Recitals as though fully set forth herein.

2.0 Construction of Improvements: County shall be responsible for constructing the Clinton Keith Road Improvements.

3.0 RBBB Fee Credits

3.1 RBBB Fee Credits for Residential Dwelling Units: Upon issuance of the special tax bonds by CFD No. 07-2 (the "Bonds"), the Developer shall be entitled to credit against RBBB fees in an amount equal to the Developer's Share of Net Bond Proceeds minus the aggregate TUMF Bond Credit per single-family dwelling unit (SFDU) or multifamily dwelling unit (MFDU) calculated for the Developer's Tract(s) pursuant to Section 6.1.(a) of the Joint Funding, Credit and Reimbursement Agreement (the "RBBB Fee Credit"). The RBBB Fee Credit may be applied against RBBB fees otherwise due and payable at the time of issuance of a certificate of occupancy within the Tract(s) or, if Developer transfers all or a portion of its RBBB Fee Credit to other property within Zone D of the Southwest RBBB to such property. On the CFD Effective Date, the Developer will be entitled to receive building permits for SFDU or MFDU in tracts owned by the Developer without prior payment of RBBB fees. The Developer agrees that should the Bonds not be issued and sold within a reasonable period of time after the County's receipt of bids for the Project, the RBBB fees intended to be excused upon the issuance of the Bonds pursuant to this Section shall instead be due and owing to the County. Accordingly the Developer agrees to expeditiously make arrangements with the County for the payment of RBBB fees in respect of RBBB Fee Credits issued pursuant to this Section and applied by the Developer at the time of issuance of a certificate of occupancy for said unit(s) in anticipation of the issuance of the Bonds; and the Developer agrees to expeditiously make arrangements with the County for the payment of RBBB fees in respect of RBBB Fee Credits issued pursuant to this Section and transferred pursuant to Section 3.2 herein by the Developer in anticipation of the issuance of the Bonds.

3.2 Transfer of RBBB Fee Credits: Upon conveyance of any portion of a Tract to a third party that could utilize any RBBB Fee Credit earned pursuant to this Agreement, the Developer shall have the option to retain the RBBB Fee Credits or provide 30 days' written notice to the County of the conveyance, the name of the entity to which the property is being conveyed, the number of units being conveyed, the amount of RBBB Fee Credits represented by the conveyance, and request that the County prepare credit notices that represent the amount of RBBB Fee Credits to be retained by the Developer and the amount of RBBB Fee Credits to be transferred to the third party. The County shall not unreasonably deny the Developer's request for the transfer of RBBB Fee Credits and, if approved by the County, the credit notices will be issued within 20 days of the County's written notice of approval. In addition, the Developer's right to RBBB Fee Credits pursuant to this Agreement may be used by the Developer with respect to, or transferred or conveyed to another developer for its use with respect to any other property within Zone D of the Southwest Area RBBB in accordance with the procedures set forth herein. If the Developer elects to use, transfer or convey such RBBB Fee Credits with respect to any other property within Zone D of the Southwest Area RBBB (other than within the Tract(s)), then the County shall prepare fee credit notices in accordance with the procedure set forth herein. The provisions of Section 4.1 herein requiring an assignment and assumption agreement shall not apply to the transfer or conveyance of fee credits only and shall only apply when the fee credits are assigned in conjunction with the transfer or conveyance of lots within the Tract(s).

3.3 RBBB Fee Reimbursement: If and to the extent the Developer pays Southwest Area RBBB fees with respect to development within the Tract(s) prior to the issuance

of the Bonds, but not earlier than the CFD Effective Date, the County shall reimburse the Developer from Southwest Area RBBB fees collected in the amount equal to the credit earned against such fees pursuant to this Agreement. In addition, if the Developer pays RBBB fees with respect to a Tract on or subsequent to the issuance of the Bonds, and credits earned pursuant to this Agreement were not accounted for in calculating the amount of such payments, the County shall reimburse the Developer from RBBB fees collected in the amount of overpayment upon receipt of the Developer's written notice of such overpayment. The timing of any RBBB fee reimbursement will be contingent upon the availability of funds in the Southwest Area RBBB, and reimbursements may be made in multiple payments. Pursuant to Ordinance 460, the right to reimbursement expires 15 years after the execution of this Agreement.

3.4 Project Advances: Certain developers within the boundaries of CFD No. 07-2 have previously made, and certain of the developers may in the future make, advances of funds to be used by the County to pay expenses in connection with right-of-way acquisition and other costs for the Clinton Keith Road Improvements ("Project Advance"). If prior to issuance of the Bonds, (i) the Developer has made a Project Advance and requests that a certificate of occupancy be issued for a SFDU or MFDU constructed within the Tract(s) owned by such Developer, (ii) such Developer requests that such Project Advance be applied as a credit against the RBBB fees then applicable to such Tract(s), and (iii) the amount of such Project Advance not previously applied as a credit pursuant to this subsection is at least equal to the amount of such RBBB fee, the County may issue a credit to the Developer for such RBBB fee and, upon a determination by the County that all other conditions to the issuance of such certificate of occupancy have been satisfied, the County may issue such certificate of occupancy.

4.0 Miscellaneous

4.1 Assignment: The Developer may assign all or a portion of its rights pursuant to this Agreement to a purchaser of one or more lots within the Tract (an "Assignment"). The Developer and such purchaser and assignee (the "Assignee") shall provide to the County such reasonable proof as it may require that the Assignee is the purchaser of said lots within the Tract. Any assignment pursuant to this Section shall not be effective unless and until the Developer and Assignee have executed an assignment agreement with the County in a form reasonably acceptable to County, whereby the Developer and the Assignee agree, except as may be otherwise specifically provided therein, to the following: (i) the Assignee shall receive all or a portion of the Developer's rights pursuant to this Agreement, including the RBBB Credit amount for each SFDU developed on a lot within the Tract or for each MFDU developed on a parcel within the Tract purchased by the Assignee pursuant to this Agreement and (ii) the Assignee shall be bound by all applicable provisions of this Agreement.

4.2 Relationship between the Parties: All Parties hereby mutually agree that this Agreement shall not operate to create the relationship of partnership, joint venture, or agency between the County and the Developer.

4.3 Indemnification: Developer agrees to protect, indemnify, defend and hold the Community Facilities District, the County, its elected officials, directors, officers, employees, agents and representatives, individually or any combination thereof (the "Indemnified Parties"),

harmless from and against any and all claims, including, but not limited to, third-party claims, and against any and all losses, liabilities, expenses, suits, actions, decrees, judgments, awards, reasonable attorney's fees, and court costs which the Indemnified Parties may suffer or which may be sought against or recovered or obtained from the Indemnified Parties, as a result of, or by reason of, or arising out of, or in consequence of (a) the approval of this Agreement, (b) the awarding of credit pursuant to or on account of this Agreement, and/or (c) the untruth or inaccuracy of any representation or warranty made by said Developer in this Agreement. If said Developer fails to do so, the Indemnified Parties shall have the right, but not the obligation, to defend the same and charge all of the direct or incidental costs of such defense, including reasonable attorney's fees or court costs, to and recover the same from said Developer. The provisions of this Section shall survive the termination discharge or other termination of this Agreement.

4.4 Warranty as to Property Ownership; Authority to Enter Agreement: The Developer hereby warrants that it owns fee title to the Tract and that it has the legal capacity to enter into this Agreement. All Parties warrant that the individual(s) who have signed this Agreement on behalf of such Party has the legal power, right, and authority to enter into this Agreement and such individual signing this Agreement has been duly authorized to do so, on behalf of said Party.

4.5 Other Agreements: Nothing contained herein shall be construed as affecting the County's or the Developer's respective duty to perform its respective obligations under other agreements, land use regulations or subdivision requirements relating to the development of the Tract(s), which obligations are and shall remain independent of the Developer's rights and obligations, and the County's rights and obligations, under this Agreement.

4.6 Notices: All notices, demands, invoices, and written communications shall be in writing and delivered to the following addresses or such other addresses as the Parties may designate by written notice:
