BACKGROUND:

Summary

By Minute Order dated June 7, 2016 (Agenda Item 3-43), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the North San Jacinto Group 1 Resurfacing Project in the Soboba Hot Springs Area. The following roads are included for resurfacing:

Road Name	Begin	End	Road Length (Ft)
Chabela Dr.	Soboba Rd.	to San Jose Dr.	370
San Jose Dr.	Chabela Dr.	to E'ly San Jose Dr.	1922
Granite View Dr.	W'ly San Jose Dr.	to E'ly San Jose Dr.	1082
Las Palmas Ct.	San Jose Dr.	to S'ly End	270

These roads have moderate damage with several cracks in the pavement. These cracks are generally associated with age and thermal effects, and are in need of repair. The project consists of resurfacing these roads that will provide the public with a smooth paved roadway and improve the safety for vehicular traffic.

Additional work includes the replacement of AC dike, localized concrete curb and gutter work, replacement of pavement markings, raised pavement markers, and other work as required.

The Contractor is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the Contract.

Project Numbers: C2-0150

Impact on Residents and Businesses

The proposed improvements will benefit the project area by significantly improving the service life of the existing infrastructure.

The work is scheduled to begin in September 2016. The work will be phased to keep the road open during construction and will take approximately two months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to All American Asphalt for the total amount of \$136,943. The resurfacing contract is funded by Gas Tax/HUTA. There are no General Funds used in this project.

The proposed budget as shown on Attachment "A" includes contract award amount and other associated costs.

Contract History and Price Reasonableness

Six bids were received on June 29, 2016, ranging from \$136,943 to \$187,260. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsible bid for all bid schedules was submitted by All American Asphalt in the amount of \$136,943 which is \$37,857 (22%) below the Engineer's Estimate.

Straight Excess Liability Policy

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as such in **underlying insurance**. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured(s)" means any person or organization qualifying as such in **underlying insurance** but only to the extent and within the scope for which such "insured(s)" qualify for coverage in **underlying insurance**.

Words and phrases that are printed in bold-face type are defined in this policy. These definitions are found in **SECTION VI. DEFINITIONS** of this policy or in the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations and in accordance with the provisions of this policy, we agree with you to provide coverage as follows:

Insuring Agreements

SECTION I. COVERAGE

- A. We will pay on behalf of the insured those damages covered by this insurance in excess of the total Applicable Limits of **underlying insurance**. **This policy includes:**
1. **The terms and conditions of underlying insurance** to the extent such terms and conditions are not inconsistent or do not conflict with the terms and conditions referred to in Paragraph 2. below; and
 2. The terms and conditions that apply to this policy.
- B. Notwithstanding anything to the contrary contained in Paragraph A. above, if **underlying insurance** does not apply to damages for reasons other than exhaustion of total applicable limits of insurance by payment of **loss**, then this policy does not apply to such damages.
- C. The amount we will pay under this policy is limited as described in **SECTION II. LIMITS OF INSURANCE**.
- D. We have no obligation under this policy with respect to any settlement made without our consent.
- E. The insurance afforded under this policy applies to bodily injury or property damage only if prior to the Policy Period, neither you nor any **authorized person** knew that the bodily injury or property damage had occurred, in whole or in part. If you or any **authorized person** knew, prior to the Policy Period, that the bodily injury or property damage occurred, then any continuation, change or resumption of such bodily injury or property damage during or after the Policy Period will be deemed to have been known prior to the Policy Period.

Bodily injury or property damage which occurs during the Policy Period and was not, prior to the Policy Period, known to have occurred by you or any **authorized person** includes any continuation, change or resumption of that bodily injury or property damage after the Policy Period; and

Bodily injury or property damage will be deemed to have been known to have occurred at the earliest time when you or any **authorized person**:

1. Reports all or any part of, the bodily injury or property damage to us or any other insurer;
2. Receives a written or verbal demand or claim for damages because of the bodily injury or property damage; or
3. Becomes aware by any other means that bodily injury or property damage has occurred or has begun to occur.
