Grantee acknowledges and agrees to hold Grantor harmless for any loss or expense, including reasonable attorneys' fee, arising from any such liens which might be filed or recorded against the Property, or any part thereof.

2) Grantee must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the Grantor Risk Manager before the commencement of operations under this Agreement. 3) Grantee shall cause Grantee's insurance carrier(s) to furnish the Grantor with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the Grantor Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the Grantor prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate unless the Grantor receives another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. *Grantee shall not commence operations until the Grantor has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so, on its behalf, shall sign the original endorsements*

for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the Parties hereto that Grantee's insurance shall be construed as primary insurance, and the Grantor's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of the Agreement; or, there is a material change in the scope of entry or permitted activities under this Agreement; or, the term of this Agreement, including any extensions thereof, exceeding five (5) years; the Grantor reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the Grantor Risk Manager's reasonable judgment, the amount or type of insurance carried by Grantee has become inadequate.

6) Grantee shall pass down the insurance obligations contained herein to all tiers of contractors and subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the Grantor.

8) Grantee agrees to notify Grantor of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

8. Compliance with Laws. Grantee shall, and shall cause its contractors, agents and employees to, conduct all activities undertaken pursuant to this Agreement in compliance with applicable federal, state and local laws, statues, ordinances, rules, regulations and orders. Without limiting the generality of the foregoing, Grantee shall secure, at its sole cost and expense, any and all permits and approvals which may be required by any applicable law, rule, regulation or ordinance, for Grantee's conduct of the activities contemplated in this Agreement.

9. Inspection. Grantor, its representatives, employees, agents and independent contractors shall have the right enter and inspect the Property or any portion thereof, including,

but not limited to any improvements, at any time and from time to time at reasonable times to verify Grantee's compliance with the terms and conditions of this Agreement.

10. Non-Exclusive Nature of Grant. Grantee acknowledges and agrees that the rights granted to Grantee hereunder are temporary and non-exclusive.

11. No Real Property Interest; No Possessory Interest. Grantee expressly understands, acknowledges and agrees that this Agreement does not in any way whatsoever grant or convey any permanent easement, lease, fee or other real property interest in the Property, or any portion thereof, to Grantee.

Grantee further acknowledges and agrees that Grantor's grant of the right of entry to use the Property pursuant to this Agreement creates no possessory interest in the Property and therefore Grantee shall abandon the use of the Property without the necessity of a judicial proceeding by the Grantor no later than the expiration of this Agreement, or, in the event of an earlier termination of this Agreement, Grantee shall abandon the use of the Property immediately upon such earlier termination. Grantee further acknowledges and agrees that any failure to abandon the use of the Property upon expiration or termination of this Agreement shall constitute a trespass. This Agreement is intended to be for a short term duration. Nothing set forth in this Agreement shall be deemed to limit the rights of Grantee under the Purchase Agreement and in the event of any conflict between this Agreement and the Purchase Agreement, the Purchase Agreement shall control.

12. Condition Of The Property. The Property is licensed to Grantee in an "as is" condition, existing as of the Effective Date of this Agreement. Grantee shall not construct any temporary or permanent improvements or make any material changes to the Property as part of Grantee's use of the Property without Grantor's prior written consent, which may be withheld in its sole and absolute discretion. Such prohibition on construction of improvements or material changes to the Property shall include but shall not be limited to any signs, paving, construction of fencing, retaining walls, buildings or structures, or the removal of any living trees.

13. Protection and Restoration of Property. Grantee, its employees, agents,

contractors and subcontractors, shall protect the Property, including all improvements and the natural resources thereon, at all times at Grantee's sole cost and expense, and Grantee, its employees, agents, contractors and subcontractors, shall strictly adhere to the following restrictions:

13.1 Grantee shall not commit waste upon the Property;

13.2 Grantee shall not permit any dangerous condition to be created on the Property as a result of the activities of Grantee or the Grantee Representatives;

13.3 Grantee shall not place or dump garbage, trash or refuse anywhere upon or within the Property;

13.4 Grantee shall not commit or create, or suffer to be committed or created, a hazardous condition and/or nuisance to exist upon the Property;

13.5 Grantee shall not cut, prune or remove any native trees or brush upon the Property, except for the elimination of safety hazards, without first obtaining Grantor's written consent. Grantee shall take all necessary precautions to prevent the import and/or release into the environment of any hazardous materials which are imported to, in, on or under the Property during the performance of the Permitted Purpose. If hazardous materials are imported onto the Property as a result of the performance of the Permitted Purpose, Grantee shall be solely responsible for removing such imported hazardous materials in conformance with all governmental requirements. Grantee shall report to grantor, as soon as possible after each incident, any incidents with respect to the environmental condition of the Property;

13.6 Grantee shall not disturb, move or remove any rocks or boulders upon the Property, except as necessary for the elimination of safety hazards, without the prior written consent of Grantor;

13.7 Grantee shall exercise due diligence in order to protect the Property from damage, destruction by fire, vandalism or other causes;

13.8 Grantee shall remove all debris generated by Grantee, its employees,

agents, contractors and subcontractors on the Property; and

13.9 Grantee shall not damage the Property in the process of performing its contemplated activities under this Agreement.

Upon the termination or expiration of this Agreement, and provided that the Property has not been conveyed to Grantee, Grantee shall at its sole cost and expense, cause the Property to be restored from any damage or material change caused by Grantee or any Grantee Representative to substantially the same condition as the Property was in prior to Grantee's entry onto the Property under this Agreement.

14. Public Safety. Grantee shall, and shall cause its contractors, subcontractors and employees entering the Property to, take necessary and reasonable steps to protect themselves and members of the public from harm resulting from Grantee's activities on the Property, including by wearing highly visible clothing, maintaining strobe lights on vehicles and using a VHF radio when conduction activities on the Property.

15. Termination. In the event that Grantee or a Grantee Representative violates any of the terms or conditions set forth in this Agreement, the Grantor Executive Director or designee, after giving Grantee written notice of such violation and a ten (10) calendar day period within which to cure the same, shall have the right to immediately terminate this Agreement by providing written notice to Grantee of said termination. No termination or expiration of this Agreement shall relieve Grantee of performing any of its obligations required hereunder which were either required prior to or which survive such termination or expiration.

16. Waiver. Any waiver by Grantor of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any term thereof. Grantee's obligation hereunder shall be satisfied when Grantee has provided to Grantor the appropriate form of dismissal relieving Grantor from any liability for the action or claim involved. The specified insurance limits required in this Agreement shall in no way limit or circumscribe Grantee's obligations to indemnify and hold harmless the Grantor herein from third party claims. Such interpretation shall not relieve Grantee from indemnifying the Grantor to the fullest extent allowed by law.

7.4 General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the Grantor Risk Manager. If the

Grantor's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) Grantee must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the Grantor Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the Grantor, and at the election of the Country's Risk Manager, Grantee's carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the Grantor, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) Grantee shall cause Grantee's insurance carrier(s) to furnish the Grantor with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the Grantor Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the Grantor prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate unless the Grantor receives another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. *Grantee shall not commence operations until the Grantor has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so, on its behalf, shall sign the original endorsements*

for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the Parties hereto that Grantee's insurance shall be construed as primary insurance, and the Grantor's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of the Agreement; or, there is a material change in the scope of entry or permitted activities under this Agreement; or, the term of this Agreement, including any extensions thereof, exceeding five (5) years; the Grantor reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the Grantor Risk Manager's reasonable judgment, the amount or type of insurance carried by Grantee has become inadequate.

6) Grantee shall pass down the insurance obligations contained herein to all tiers of contractors and subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the Grantor.

8) Grantee agrees to notify Grantor of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

8. Compliance with Laws. Grantee shall, and shall cause its contractors, agents and employees to, conduct all activities undertaken pursuant to this Agreement in compliance with applicable federal, state and local laws, statues, ordinances, rules, regulations and orders. Without limiting the generality of the foregoing, Grantee shall secure, at its sole cost and expense, any and all permits and approvals which may be required by any applicable law, rule, regulation or ordinance, for Grantee's conduct of the activities contemplated in this Agreement.

9. Inspection. Grantor, its representatives, employees, agents and independent contractors shall have the right enter and inspect the Property or any portion thereof, including,

but not limited to any improvements, at any time and from time to time at reasonable times to verify Grantee's compliance with the terms and conditions of this Agreement.

10. Non-Exclusive Nature of Grant. Grantee acknowledges and agrees that the rights granted to Grantee hereunder are temporary and non-exclusive.

11. No Real Property Interest; No Possessory Interest. Grantee expressly understands, acknowledges and agrees that this Agreement does not in any way whatsoever grant or convey any permanent easement, lease, fee or other real property interest in the Property, or any portion thereof, to Grantee.

Grantee further acknowledges and agrees that Grantor's grant of the right of entry to use the Property pursuant to this Agreement creates no possessory interest in the Property and therefore Grantee shall abandon the use of the Property without the necessity of a judicial proceeding by the Grantor no later than the expiration of this Agreement, or, in the event of an earlier termination of this Agreement, Grantee shall abandon the use of the Property immediately upon such earlier termination. Grantee further acknowledges and agrees that any failure to abandon the use of the Property upon expiration or termination of this Agreement shall constitute a trespass. This Agreement is intended to be for a short term duration. Nothing set forth in this Agreement shall be deemed to limit the rights of Grantee under the Purchase Agreement and in the event of any conflict between this Agreement and the Purchase Agreement, the Purchase Agreement shall control.

12. Condition Of The Property. The Property is licensed to Grantee in an "as is" condition, existing as of the Effective Date of this Agreement. Grantee shall not construct any temporary or permanent improvements or make any material changes to the Property as part of Grantee's use of the Property without Grantor's prior written consent, which may be withheld in its sole and absolute discretion. Such prohibition on construction of improvements or material changes to the Property shall include but shall not be limited to any signs, paving, construction of fencing, retaining walls, buildings or structures, or the removal of any living trees.

13. Protection and Restoration of Property. Grantee, its employees, agents,

contractors and subcontractors, shall protect the Property, including all improvements and the natural resources thereon, at all times at Grantee's sole cost and expense, and Grantee, its employees, agents, contractors and subcontractors, shall strictly adhere to the following restrictions:

13.1 Grantee shall not commit waste upon the Property;

13.2 Grantee shall not permit any dangerous condition to be created on the Property as a result of the activities of Grantee or the Grantee Representatives;

13.3 Grantee shall not place or dump garbage, trash or refuse anywhere upon or within the Property;

13.4 Grantee shall not commit or create, or suffer to be committed or created, a hazardous condition and/or nuisance to exist upon the Property;

13.5 Grantee shall not cut, prune or remove any native trees or brush upon the Property, except for the elimination of safety hazards, without first obtaining Grantor's written consent. Grantee shall take all necessary precautions to prevent the import and/or release into the environment of any hazardous materials which are imported to, in, on or under the Property during the performance of the Permitted Purpose. If hazardous materials are imported onto the Property as a result of the performance of the Permitted Purpose, Grantee shall be solely responsible for removing such imported hazardous materials in conformance with all governmental requirements. Grantee shall report to grantor, as soon as possible after each incident, any incidents with respect to the environmental condition of the Property;

13.6 Grantee shall not disturb, move or remove any rocks or boulders upon the Property, except as necessary for the elimination of safety hazards, without the prior written consent of Grantor;

13.7 Grantee shall exercise due diligence in order to protect the Property from damage, destruction by fire, vandalism or other causes;

13.8 Grantee shall remove all debris generated by Grantee, its employees,

agents, contractors and subcontractors on the Property; and

13.9 Grantee shall not damage the Property in the process of performing its contemplated activities under this Agreement.

Upon the termination or expiration of this Agreement, and provided that the Property has not been conveyed to Grantee, Grantee shall at its sole cost and expense, cause the Property to be restored from any damage or material change caused by Grantee or any Grantee Representative to substantially the same condition as the Property was in prior to Grantee's entry onto the Property under this Agreement.

14. Public Safety. Grantee shall, and shall cause its contractors, subcontractors and employees entering the Property to, take necessary and reasonable steps to protect themselves and members of the public from harm resulting from Grantee's activities on the Property, including by wearing highly visible clothing, maintaining strobe lights on vehicles and using a VHF radio when conducting activities on the Property.

15. Termination. In the event that Grantee or a Grantee Representative violates any of the terms or conditions set forth in this Agreement, the Grantor Executive Director or designee, after giving Grantee written notice of such violation and a ten (10) calendar day period within which to cure the same, shall have the right to immediately terminate this Agreement by providing written notice to Grantee of said termination. No termination or expiration of this Agreement shall relieve Grantee of performing any of its obligations required hereunder which were either required prior to or which survive such termination or expiration.

16. Waiver. Any waiver by Grantor of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any term thereof. Failure on the part of the Grantor to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof, or estopping Grantor from enforcement hereof at a later date.

17. Grantor's Proprietary Capacity. Grantee agrees that Grantor, in making and entering into this Agreement, is acting and shall be deemed to be acting solely in Grantor's

proprietary capacity for all purposes and in all respects; and nothing contained in this Agreement shall be deemed directly or indirectly to restrict or impair in any manner or respect whatsoever any of Grantor's governmental powers or rights or the exercise thereof by Grantor, whether with respect to the Property or Grantee's use thereof or otherwise. It is intended that Grantee shall be obligated to fulfill and comply with all such requirements as may be imposed by any governmental agency or authority of the Grantor having or exercising jurisdiction over the Property in its governmental capacity.

19. Entire Agreement. This Agreement is the result of negotiations between the Parties and no ambiguity in this Agreement shall be construed against the drafter. The Parties declare and represent that no inducement, promise or agreement not set forth herein has been made to them and that this Agreement and the Purchase Agreement contain the entire agreement between the Parties regarding the subject matter herein. The terms of this Agreement are contractual and not a mere recital.

20. Warranty of Authority. The undersigned represents that it has the authority to, and does, bind the person or entity on whose behalf and for whom it is signing this Agreement and the attendant documents provided for herein, and this Agreement and said additional documents are, accordingly, binding on said person or entity.

21. Assignment. This Agreement shall not, nor shall any interest herein be assigned, mortgaged, hypothecated, or transferred by Grantee, whether voluntary or involuntary or by operation of law, nor shall Grantee let or sublet or grant any license of permit with respect to the use and occupancy of the Property or any portion thereof.

The covenants contained in this Grant Deed shall be construed as covenants running with the land and not as conditions which might result in forfeiture of title.

4. Every covenant and condition and restriction contained in this Grant Deed shall remain in effect in perpetuity.

5. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that Grantor shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of Grantor, and such covenants shall run in favor of Grantor for the entire period during which such covenants shall be in force and effect, without regard to whether Grantor is or remains an owner of any land or interest therein to which such covenants relate. Grantor shall have the right, in the event of any breach of any such agreement or covenant, to exercise all the rights and remedies, and to maintain any actions at law or suit in equity or other proper proceedings to enforce the curing of such breach of agreement or covenant.

6. No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid or in any way impair the lien or charge of any mortgage or deed of trust or security interest; provided, however, that any subsequent owner of the Property shall be bound by such remaining covenants, conditions, restrictions, limitations, and provisions, whether such owner's title was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise.
