7 6. DISTRICT shall endeavor to issue DEVELOPER a Notice to Proceed within
8 twenty (20) days of receipt of DEVELOPER'S complete written notice, as set forth in Section
9 I.8.; however, DISTRICT'S construction inspection staff is limited and, therefore, the issuance of
10 a Notice to Proceed is subject to staff availability.

11 In the event DEVELOPER wishes to expedite issuance of a Notice to
12 Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at
13 DEVELOPER'S sole cost and expense. DEVELOPER shall furnish appropriate documentation
14 of the individual's credentials and experience to DISTRICT for review and, if appropriate,
15 approval. DISTRICT shall review the individual's qualifications and experience and, upon
16 approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized
17 to act on DISTRICT'S behalf on all DISTRICT DRAINAGE FACILITY construction and quality
18 control matters. If DEVELOPER'S initial construction inspection deposit furnished pursuant to
19 Section I.3. exceeds ten thousand dollars (\$10,000), DISTRICT shall refund to DEVELOPER up
20 to eighty percent (80%) of DEVELOPER'S initial inspection deposit within forty-five (45) days
21 of DISTRICT'S approval of DEPUTY INSPECTOR; however, a minimum balance of ten
22 thousand dollars (\$10,000) shall be retained on account.

23 7. PROJECT construction work shall be on a five (5) day, forty (40) hour work
24 week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless
25 otherwise approved in writing by DISTRICT. If DEVELOPER feels it is necessary to work more
26
27
28

1 than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written
2 request for permission from DISTRICT to work the additional hours. The request shall be
3 submitted to DISTRICT at least seventy-two (72) hours prior to the requested additional work
4 hours and shall state the reasons for the overtime and the specific time frames required. The
5 decision of granting permission for overtime work shall be made by DISTRICT at its sole
6 discretion and shall be final. If permission is granted by DISTRICT, DEVELOPER will be
7 charged the cost incurred at the overtime rates for additional inspection time required in
8 connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including
9 any amendments thereto, of the County of Riverside.
10

11 8. DEVELOPER for itself, its successors and assigns hereby releases
12 DISTRICT and County of Riverside (including their agencies, districts, special districts and
13 departments, their respective directors, officer, Board of Supervisors, elected and appointed
14 officials, employees, agents and representatives) from any and all claims, demands, actions, or
15 suits of any kind arising out of any liability, known or unknown, present or future, including but
16 not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the
17 California Constitution, the Fifth Amendment of the United States Constitution, or any other law
18 or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused
19 by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute
20 a release by DEVELOPER of DISTRICT, its officers, agents and employees from any and all
21 claims, demands, actions or suits of any kind arising out of any liability, known or unknown,
22 present or future, for the negligent maintenance of DISTRICT DRAINAGE FACILITY, after the
23 acceptance of ownership, operation and maintenance of DISTRICT DRAINAGE FACILITY by
24 DISTRICT.
25
26
27
28

1 9. DEVELOPER shall indemnify and hold harmless DISTRICT, County of
2 Riverside, and CITY (including their respective agencies, districts, special districts and
3 departments, their respective directors, officers, Board of Supervisors, elected and appointed
4 officials, employees, agents and representatives) from any liability, claim, damage, proceeding or
5 action, present or future, based upon, arising out of or in any way relating to DEVELOPER'S
6 (including its officers, employees, subcontractors and agents) actual or alleged acts or omissions
7 related to this Agreement, performance under this Agreement, or failure to comply with the
8 requirements of this Agreement, including but not limited to: (a) property damage; (b) bodily
9 injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California
10 Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance
11 or regulation caused by the diversion of waters from the natural drainage patterns or the discharge
12 of drainage within or from PROJECT; or, (d) any other element of any kind or nature whatsoever.

13
14 DEVELOPER shall defend, at its sole expense, including all costs and fees
15 (including but not limited to attorney fees, cost of investigation, defense and settlements or
16 awards), DISTRICT, County of Riverside, and CITY (including their respective agencies,
17 districts, special districts and departments, their respective directors, officers, Board of
18 Supervisors, elected and appointed officials, employees, agents and representatives) in any claim,
19 proceeding or action for which indemnification is required.
20
21

22 With respect to any of DEVELOPER'S indemnification requirements,
23 DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall
24 have the right to adjust, settle, or compromise any such claim, proceeding or action without the
25 prior consent of DISTRICT, County of Riverside and CITY; provided, however, that any such
26 adjustment, settlement or compromise in no manner whatsoever limits or circumscribes
27 DEVELOPER'S indemnification obligations to DISTRICT, County of Riverside, or CITY.
28

1 DEVELOPER'S indemnification obligations shall be satisfied when
2 DEVELOPER has provided to DISTRICT, County of Riverside, and CITY the appropriate form
3 of dismissal (or similar document) relieving DISTRICT, County of Riverside, or CITY from any
4 liability for the claim, proceeding or action involved.

5 The specified insurance limits required in this Agreement shall in no way
6 limit or circumscribe DEVELOPER'S obligations to indemnify and hold harmless DISTRICT,
7 County of Riverside and CITY from third party claims.

8 In the event there is conflict between this section and California Civil Code
9 Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782.
10 Such interpretation shall not relieve the DEVELOPER from indemnifying DISTRICT, County of
11 Riverside or CITY to the fullest extent allowed by law.

12 10. Any waiver by DISTRICT or by CITY of any breach of any one or more of
13 the terms of this Agreement shall not be construed to be a waiver of any subsequent or other
14 breach of the same or of any other term hereof. Failure on the part of DISTRICT or CITY to
15 require exact, full and complete compliance with any terms of this Agreement shall not be
16 construed as in any manner changing the terms hereof, or estopping DISTRICT or CITY from
17 enforcement hereof.

18 11. Any and all notices sent or required to be sent to the parties of this Agreement
19 will be mailed by first class mail, postage prepaid, to the following addresses:

If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

13. Any action at law or in equity brought by any of the parties hereto for the purpose of enforcing a right or rights provided for by the Agreement, shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the parties hereto waive all provisions of law providing for a change of venue in such proceedings to any other county.

14. This Agreement is the result of negotiations between the parties hereto, and the advice and assistance of their respective counsel. The fact that this Agreement was prepared as a matter of convenience by DISTRICT shall have no import or significance. Any uncertainty or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT prepared this Agreement in its final form.

15. The rights and obligations of DEVELOPER shall inure to and be binding upon all heirs, successors and assignees.

16. DEVELOPER shall not assign or otherwise transfer any of its rights, duties or obligations hereunder to any person or entity without the written consent of the other parties hereto being first obtained. In the event of any such transfer or assignment, DEVELOPER expressly understands and agrees that it shall remain liable with respect to any and all of the obligations and duties contained in this Agreement.

17. The individual(s) executing this Agreement on behalf of DEVELOPER hereby certify that they have the authority within their company to enter into and execute this Agreement, and have been authorized to do so by any and all boards of directors, legal counsel, and/or any other board, committee or other entity within their company which have the authority

1 to authorize or deny entering this Agreement.

2 18. This Agreement is intended by the parties hereto as a final expression of their
3 understanding with respect to the subject matters hereof and as a complete and exclusive statement
4 of the terms and conditions thereof and supersedes any and all prior and contemporaneous
5 agreements and understandings, oral or written, in connection therewith. This Agreement may be
6 changed or modified only upon the written consent of the parties hereto.
