BACKGROUND:

Summary (continued)

Coroner cases require toxicological testing to determine the level of chemical substances in bodily fluids and in various organs for determining the mode, manner and cause of death. In many instances, the cause of death is determined solely by toxicological test results. Additionally, many criminal cases require testing of those suspected of being under the influence of drugs or alcohol. Further, the number of Coroner and criminal investigations has increased over the past years, resulting in an increase in the volume of blood samples sent for toxicological screening.

On April 23, 2013, Item #3-56, the Board of Supervisors approved the contract with Bio-Tox Laboratories for Toxicology Testing Services for a period of one (1) year which included an option to renew annually for an additional (4) years. The Sheriff – Coroner’s Office is requesting an increase to this contract to meet the demand of toxicology screenings as a result of a 15% Coroner’s autopsy case increase since 2011.

Impact on Residents and Businesses

The toxicology reports provide support for the determination of cause of death and support criminal cases requiring testing of those suspected of being under the influence of drugs or alcohol. The citizens benefit by having forensic evidence used to solve criminal cases and determine cause of death.

Contract History and Price Reasonableness

RFQ# SHARC 183 was sent to thirty-six (36) potential bidders and advertised on the County Website. Bio-Tox Laboratories submitted the single responsive bid. Three vendors issued no bid indicating a lack of resources. After additional follow-up contact with several of the non-responding laboratories (believed to possess the type of expertise sought for its service), it was determined that Bio-Tox is the only vendor/laboratory willing and capable of providing toxicology testing services matching County requirements.

Pricing was vigorously negotiated by Purchasing. Bio-Tox Laboratories continues to honor and maintain the original contract pricing since June 19, 2013.

COUNTY OF RIVERSIDE
AMENDMENT NO.1 TO THE AGREEMENT
WITH
BIO-TOX LABORATORIES

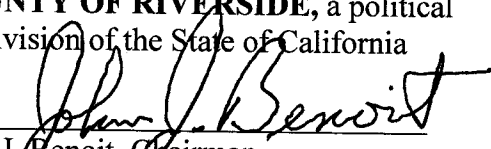

Original Contract Term:	6/19/13 through 6/30/2018
Contract Term Extended To:	Not applicable
Effective Date of Amendment:	7/1/2016
Original Annual Maximum Contract Amount:	\$510,000
Amended Annual Maximum Contract Amount:	\$560,000
