1 11. There have been approximately three (3) subsequent follow up inspections, with the last
2 inspection being June 29, 2016. THE PROPERTY continues to be in violation of RCO No. 457.

3 12. Based upon my experience, knowledge and visual observations, it is my determination
4 that the substandard structure (Commercial Structure) on THE PROPERTY creates an extreme health,
5 safety, fire and structural hazard to the neighbors and general public and constitutes a public nuisance in
6 violation of the provisions set forth in RCO No. 457.

7 13. A recent inspection showed THE PROPERTY remained in violation and constitutes a
8 public nuisance in violation of the provisions set forth of RCO No. 457.

9 14. A Notice of Pendency of Administrative Proceedings was recorded in the Office of the
10 County Recorder, County of Riverside, State of California, on June 29, 2016, as Instrument Number
11 2016-0266552. A true and correct copy of the Notice of Pendency of Administrative Proceedings is
12 attached hereto and incorporated herein by reference as Exhibit "F."

13 15. A Notice to Correct County Ordinance Violations and Abate Public Nuisance, providing

17 by reference as Exhibit "G."

18 16. Significant rehabilitation, removal and/or demolition of the substandard structure and
19 removal and disposal of all structural materials, rubbish and debris are required to abate the public
20 nuisance and bring THE PROPERTY into compliance with RCO No. 457, the Health and Safety, Uniform
21 Housing, Administrative and Abatement of Dangerous Buildings Codes.

22 17. Accordingly, the following findings and conclusions are recommended:

23 (a) the structure (Commercial Structure) be condemned as a substandard building,
24 public and attractive nuisance;

25 (b) the OWNER, or whoever has possession or control of THE PROPERTY, be
26 required to rehabilitate or demolish said structure, including the removal and disposal of all structural
27 debris and materials, on THE PROPERTY in strict accordance with the provisions of RCO No. 457;

28 ///

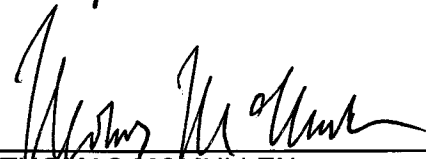

1 (c) the OWNER, or whoever has possession or control of THE PROPERTY, be
2 ordered to ascertain the existence or non-existence of asbestos containing materials in said structure by
3 survey and materials sample testing through the Industrial Hygiene Specialist of the County Health
4 Department, Division of Special Services; and, prior to the abatement ordered in subsection (b) above, to
5 secure the removal and disposal of all asbestos containing materials discovered through such survey
6 and testing by contract with a duly certified and licensed contractor for the handling of such materials to
7 avoid citations and/or fines by South Coast Air Quality Management District ("SCAQMD") pursuant to
8 SCAQMD Rule NO. 1403;

9 (d) if the substandard structure is not razed, removed and disposed of, or
10 reconstructed in strict accordance with all Riverside County Ordinances, including but not limited to RCO
11 No. 457, within ninety (90) days of the date of the Board's Order to Abate, the substandard structure and
12 contents therein may be abated by representatives of the Riverside County Code Enforcement
13 Department, a contractor or the Sheriff's Department upon receipt of an owner's consent or a Court
14 Order where necessary under applicable law authorizing entry onto THE PROPERTY;

15 (e) that reasonable costs of abatement, after notice and opportunity for hearing, shall be
16 imposed as a lien on THE PROPERTY, which may be collected as a special assessment against THE
17 PROPERTY pursuant to Government Code Section 25845 and RCO Nos. 457, 541 and 725.

18 I declare under penalty of perjury under the laws of the State of California that the
19 foregoing is true and correct.

DO NOT RECORD

The following is a copy of provisions (1) to (14), inclusive, of the fictitious deed of trust, recorded in each county in California, as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR AGREES:

- (1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefore; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.
- (2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
- (3) To appear in and defend any action or proceeding purporting to affect the security hereof or affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.
- (4) To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

- (5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the rate called for in the note secured hereby, or at the amount allowed by law at date of expenditure, whichever is greater, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.
- (6) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in this same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.
- (7) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.
- (8) That at any time or from time to time, without liability therefore and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.
- (9) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention and upon payment of its fees. Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them.)
- (10) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act pursuant to such notice.
- (11) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

- (12) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties, must contain the name of the original
