BACKGROUND:

Summary

The County of Riverside has been notified that the Edward Byrne Memorial Justice Assistance Grant allocation has been released and the County will receive an allocation of \$54,551. The amount will be split between the District Attorney, Probation and the Sheriff Department. The Sheriff's Department will receive \$27,277 of the \$54,551. The grant project and budget period is October 1, 2015- September 30, 2019. The Sheriff's Department will spend all of its allocation in FY16-17. Due to a funding disparity, the City of Riverside will act as the fiscal agent that will disperse grant funds to the 11 other eligible cities within Riverside County. The U.S. Department of Justice defines a funding disparity when multiple cities or municipalities are collectively allocated one and half (150 percent) more than the county, and the county bears more than 50 percent of the collective costs associated with prosecution or incarceration of each municipality's Part 1 violent crimes.

Schedule A details budget adjustments only for the Sheriff's Department in the amount of \$27,277. The allocation for the Sheriff's Department will be used to partially fund a Sergeant's position within the Fugitive Warrant Enforcement Team. The District Attorney's Office and Probation Department will make their own budgets adjustments if necessary.

The Interlocal Agreement have been approved as to form by County Counsel.
