BACKGROUND:

Summary

By Minute Order dated June 7, 2016 (Agenda Item 3-42), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of approximately 500 linear feet of sidewalk and associated improvements on the north side of Grand Avenue between Gregory Place and Fairmont Lane in the Community of Lakeland Village. The sidewalk will provide a safer pedestrian path for travel to and from the Lakeland Village School which serves grades K-8.

Improvements on Grand Avenue will connect the existing curb, gutter and sidewalks on the north side of the street between Gregory Place and Fairmont Lane. Currently, this segment of Grand Avenue consists of a graded dirt shoulder and lacks the protection of a raised curb barrier.

Other improvements include construction of the Americans with Disabilities Act (ADA) compliant ramps at the intersection of Grand Avenue and Stoneman Street.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award. The addendum was issued to clarify and modify the approved contract documents. The addendum is attached and designated as Addendum No. 1.

The proposed budget as shown on attachment "A" includes the contract award amount and other associated costs.

The County of Riverside Transportation Department (Transportation Department) recommends award of the following schedules of work in the Contract amount of \$188,740:

Base Bid Schedule: Grand Avenue Sidewalk Improvement Project
Alternate Bid Schedule 2: Masonry Block Wall

Alternate bid schedule 1, for the relocation of a gas meter, is not selected for award due to Southern California Gas Company performing the relocation work.

The Contractor is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents, which meet the requirements of the Contract.

Project No. C6-0056

Impact on Residents and Businesses

The improvements will improve pedestrian safety around Lakeland Village School.

The work is scheduled to begin in Fall 2016. The road will be open during construction and will take approximately one month to complete. The Contractor will be required to coordinate the construction with Lake Elsinore School District for minimum disruption of traffic during peak hours.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to S&H Civilworks for the total amount of \$188,740. The project will be funded with Gas Tax/Highway users Tax Account (HUTA) and SB-821 Local Transportation funds for which the Transportation Department successfully competed.

There are no General Funds used in this project.
