Born on July 1, 1946 in Westminster, Maryland, Jane graduated from Hollins University, Virginia in 1968 with a B.A. Degree in Theatre and French. After graduation, she moved to New York to pursue her dream of becoming an actress. When an opportunity presented itself, she drove across country in her VW Bug along with an actor friend and arrived in Hollywood where she landed a few roles in feature films. On motion of Supervisor Benoit, seconded by Supervisor Ashley, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, October 4, 2016, be adjourned in memory of W. Major Chance, a 71-year-old part-time resident of Indian Wells, California who passed away on September 1, 2016.

In 1974, Mr. Chance and his partners formed Income Property Group (IPG) which structured and managed the successful development of numerous retail, multi-family, office, industrial, and recreational projects including the Chula Vista Marina and RV Resort. In 1979, IPG purchased its first senior housing property, a skilled nursing facility in Orange County, California, and formed Health Care Group to serve as its operator/manager.

Dissatisfied with the regulations that required residents with dementia to be physically or chemically restrained, Mr. Chance led the charge to change state law to improve the care of those with dementia. In 1988, California initiated a three-year study on the benefits of specialized residential memory care communities with secured perimeters. In 1995, he was instrumental in the passage of SB 732, the legislation that finally allowed for secured perimeters in assisted living communities in California.

Mr. Chance directed the expansion of the company's senior housing portfolio including free-standing skilled nursing facilities, independent and assisted living facilities, residential memory care facilities, and multi-level campuses. After selling the majority of its senior housing communities in 2006, his company focused on the development and management of their ActivCare residential memory care communities; renaming the firm ActivCare Living, Inc. in 2011.

Recognized for his groundbreaking achievements in the industry, Mr. Chance was honored by the California Assisted Living Association (CALA) in 2015 for his leadership and commitment to improving care for those with memory loss. He served as board member of the Alzheimer's Association of San Diego from 1989 to 2002, and was its chairman from 1992 to 1997. He was also one of the founding board members of CALA and an active member of the YPO-WPO organization for the last 30-plus years.

The Board of Supervisors commemorates his service to the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of W. Major Chance.
