Term of Appointment: Remainder of term expiring June 30, 2019.

BACKGROUND/APPOINTEE INFORMATION:

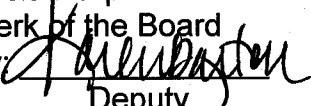

Ernesto Rios has been serving as a councilmember since October of 2007. Rios, a resident of Thermal, has effectively communicated the needs of this community and has expressed interest in being reappointed for another term. Rios holds a bachelor's degree from the University of California Los Angeles and a master's degree from University of California Riverside. Currently he is the executive director for the Pathways to Success Scholarship and Leadership Program with the Coachella Valley Economic Partnership.

Rios' experience in economic development will be a great asset in a community which is experiencing great growth and change. I believe he will continue to advocate for the needs of the constituents in Thermal and Oasis and therefore recommend his reappointment.
