BACKGROUND:

Summary (continued)

In addition to the minimum requirements required by law, the Treasurer-Tax Collector has voluntarily adopted a policy which allows the claimant an additional 90 days to file a claim. As part of the policy, the following actions were taken to locate the rightful party of the unclaimed property tax overpayments which were above and beyond what we were required to do by law.

- Advertised in the newspapers for two consecutive weeks (Desert Sun, Palo Verde Valley Times & The Press Enterprise) referring potential claimants to the TTC's website*.
- Placed links on the County's main website, the Property Tax Portal as well as the TTC's website* on May 2, 2016 through August 1, 2016.
- Contacted by phone each of the governmental entities that are on the unclaimed roll change refund list and directed them to the TTC's website*.
- Used Accurint (people finder) to locate possible new addresses for each of the potential claimants and mailed a letter referring them to the Treasurer-Tax Collector's website.

*The TTC's website included a detailed listing of all property tax unclaimed refunds that have met the requirements of R&T code Section 5102.

We started out with 760 property tax unclaimed refunds totaling \$1,471,614.96 in addition to an additional 13 denied claims from last year totaling \$75,396.56. During the additional 90 day filing period we received 140 claims totaling \$841,203.03. We are requesting to transfer property tax unclaimed refunds totaling \$697,829.52 to the general fund and \$7,978.97 in property tax unclaimed refunds to the Treasurer-Tax Collector budget for reimbursement of cost incurred in the process.

Impact on Residents and Businesses

Claimants had an additional 90 days to file a claim per a policy voluntarily adopted by the Treasurer-Tax Collector.
