**BACKGROUND:**

**Summary (continued)**

The Successor Agency owns property within the Desert Communities Redevelopment Project Area (DCPA), Thermal sub-area, bearing the Assessor's Parcel number 757-062-003. In the LRPMP, the Successor Agency classified the disposition strategy for the property as "retain for future development" based on the needs of the Thermal community. The property is recognized by the County of Riverside as a vital site for the development of a park to fulfill the redevelopment plan objectives as detailed in the Redevelopment Plan for Project No. 4, as adopted by the Riverside County Board of Supervisors on December 23, 1986 via ordinance 638. Pursuant to the LRPMP the Successor Agency desires to transfer this property to the Desert Recreation District (DRD) for development of a community park as authorized under California Health and Safety Code 34191.5.

The Successor Agency Board approved the Agreement for Taxing Entity Compensation for APN 757-062-003 on August 23, 2016. The affected Taxing Entities are stakeholders in the sale proceeds and property tax revenues of the property. The Agreement for Taxing Entity Compensation for APN 757-062-003 was sent to all taxing entities by letter dated August 30, 2016. To date, agreements have been executed by DRD, Riverside County Office of Education, City of La Quinta, City of Coachella Annexation Area, Coachella Fire Protection, and Coachella Valley Resource Conservation.

Staff recommends that the Board of Supervisors execute the Agreement for Taxing Entity Compensation for APN 757-062-003 for the Successor Agency, County of Riverside, Riverside County Free Library, Riverside County Structure Fire Protection, County Service Area 125, and Supervisorial Road District 4. The transfer of property to DRD will have a negligible financial impact to the County.

**Impact on Residents and Businesses**

Development of a park promotes health and wellness, creates a safe place for recreation and provides a place for citizens to be active.
