**RECOMMENDED MOTION:** Continued

2. Authorize the Sheriff or his designee to sign standard Grant Assurances document and initial each page, allowing the County to accept the grant and;
3. Authorize the Sheriff or his designee to administer the grant projects, sign payment requests, claims for reimbursements, progress reports, future amendments and/or modifications not increasing the award by more than 20% on behalf of the County and;
4. Authorize the Sheriff to reimburse our grantor approved OPSG FY16 grant partners, City of Blythe Police Department and California Highway Patrol-Blythe Area, awarded grant funds not to exceed \$120,000 each for a total of \$240,000 and authorize future amendments and/or modifications not increasing partner awards by more than 20% for expenditures incurred as part of grant activities.

**BACKGROUND:**

**Summary**

This is a cost reimbursement grant award, therefore the awarded amount is not received in advance.

Since the events of September 11, 2001, the United States of America has increased attention to the interception of terrorists attempting entry into the United States. Terrorists and other criminals such as human and drug traffickers are regarded by law enforcement as a primary threat to our nation. Operation Stonegarden (OPSG), through intelligence gathering and agency collaboration, seeks to identify methods and enforcement profiles to weaken these types of terrorist activities.

On April 12, 2016 (3-19), the Board of Supervisors accepted the OPSG FY15 grant. OPSG within Riverside County, California will be conducted by local law enforcement agencies in collaboration with the United States Border Patrol-Yuma Sector during the period of October 1, 2016 to September 30, 2019. The focus of the operation will be to increase law enforcement presence in areas identified through intelligence information as "high-entry" points and routes of egress used by narcotic smuggling and human trafficking organizations, or as central transportation hubs. Through the enforcement of the California Penal Code, Stonegarden officers will act as a second tier of Homeland Security operations in direct support of the National Border Patrol Strategy.

It is the intent of the Yuma Sector Chief Patrol Agent, to increase border security in direct coordination with the Riverside County Sheriff's Department and our two grant partners, City of Blythe Police Department and California Highway Patrol-Blythe Area. OPSG does not extend Federal authority to County or Local law enforcement agencies to enforce Federal immigration laws. Riverside County Sheriff's Department and our grant partners, Blythe Police Department and California Highway Patrol-Blythe Area will focus on criminal suppression through identified ingress corridors pre-determined by intelligence based planning.

STATE OF CALIFORNIA**

**Page 3**

Riverside County Sheriff's Department and partnering agencies, Blythe Police Department and California Highway Patrol-Blythe Area, will not enforce immigration violations but will concentrate on enforcing California Penal Codes along said ingress routes.

The Riverside County Sheriff's Department's goal is to achieve maximum deterrence of illegal activity within the borders of Riverside County by apprehending criminals involved in illicit acts and to increase opportunities for the collection of intelligence involving criminal organizations operating within the County. The Sheriff's Department will conduct increased patrol functions on days and at locations as intelligence dictates.

The Sheriff's Department is currently utilizing funds from OPSG FY15 in FY16/17. Per the grant requirements, OPSG FY16 funds cannot be used until OPSG FY15 funds have been fully expended. It is estimated that OPSG FY16 funds will not be utilized until FY17/18. Additional budget adjustments will be requested upon receipt of the award documents, if necessary.

OPSG funding of \$400,000 for overtime and equipment will be distributed to the Riverside Sheriff's Department and grant partners, Blythe Police Department and California Highway Patrol-Blythe Area, during FY17-18, FY18-19 and FY19-20 for the purpose of increasing law enforcement presence along major routes of ingress in their area of operation.

The attached resolution and grant assurances have been approved as to form by County Counsel.

**Impact on Residents and Businesses**

The OPSG funding will allow the Sheriff's Department and grant partners, Blythe Police Department and California Highway Patrol-Blythe Area, to continue to work in collaboration with the United States Border Patrol-Yuma Sector to achieve maximum deterrence of illegal activity within the borders of Riverside County by apprehending criminals involved in illicit acts and to increase opportunities for the collection of intelligence involving criminal organizations operating within the County. Our citizens are safer as a direct result of the Homeland Security grant funding of this joint mission.
