BACKGROUND/APPOINTEE INFORMATION:

Matthew Melkesian has expressed great interest in representing the residents of the unincorporated area of Oasis in the Thermal-Oasis Community Council. Melkesian holds a bachelor's degree in business management from San Diego State University and is currently working in low-income housing projects for both Thermal and Oasis.

I believe that Melkesian's desire to positively impact his community along with his experience in housing developments and business entrepreneurship will be a great addition to this Community Council.
