**BACKGROUND:**

**Summary**

Newport Road is one of the key east-west corridors in southwestern Riverside County. The interchange serves developing areas in the City of Menifee and unincorporated Riverside County.

The County is currently constructing the I-215/Newport Road Interchange in the City of Menifee. New loop on-ramps have been constructed and the existing ramps have been realigned. Newport Road will be widened to six through lanes between Haun and Antelope Roads and construction is substantially complete, however construction closeout activities are expected to continue to mid 2017.

On July 14, 2009 (Agenda Item 3-83), the Board of Supervisors approved the Cooperative Agreement between the County and Caltrans for the project development of the Newport Road Interchange at I-215. The current Cooperative Agreement will expire on December 31, 2016. As previously stated, project closeout activities are necessary; therefore, the termination date of the agreement will be extended with this amendment.

This Amendment has been reviewed and approved to form by County Counsel.
