REQUEST:

FIRST EXTENSION OF TIME REQUEST for TENTATIVE TRACT MAP NO. 33423 Minor Change No. 1

BACKGROUND:

The Tentative Tract Map No. 33423 Minor Change No. 1 was originally approved at Planning Commission on March 4, 2009. The Map proceeded to the Board of Supervisors in conjunction with Change of Zone No. 7136 and which were approved on January 23, 2007.

The County Planning Department, as part of this Extension of Time review, recommends the addition of eight (8) new conditions of approval in order to determine that the project does not adversely affect the general health, safety, and welfare of the public.

The applicant was provided the recommended new conditions and is in concurrence with them. Included in this staff report package are the recommended conditions of approval, and the

correspondence from the Extension of Time applicant (dated November 3, 2016) indicating the acceptance of the eight (8) recommended conditions.

FURTHER PLANNING CONSIDERATIONS:

EFFECT OF Senate Bill No. 1185 (SB1185): On July 15, 2008, AB208 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 12 month extension on previously approved subdivision maps set to expire between July 15, 2008 and January 1, 2011.

EFFECT OF Assembly Bill No. 333 (AB333): On July 15, 2009, AB333 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 24 month extension on previously approved subdivision maps set to expire between July 15, 2009 and January 1, 2012.

EFFECT OF Assembly Bill No. 208 (AB208): On July 13, 2011, AB208 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 24 month extension on previously approved subdivision maps set to expire between July 13, 2011 and January 1, 2014.

EFFECT OF Assembly Bill No. 116 (AB116): On July 11, 2013, AB116 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 24 month extension on previously approved subdivision maps set to expire between January 1, 2000 and July 11, 2013.

Therefore, upon an approval action by the Planning Commission, subsequent receive and file action by the Board of Supervisors, and the conclusion of the 10-day appeal period, the tentative map's expiration date will become January 23, 2018. If a final map has not been recorded prior this date, a second extension of time request must be filed 180 days prior to map expiration.

RECOMMENDATION:

RECEIVE AND FILE the Notice of Decision for the above referenced case acted on by the Planning Commission on December 7, 2016.

The Planning Department staff recommended APPROVAL of an Extension of Time; and, THE PLANNING COMMISSION:

APPROVED the **FIRST EXTENSION OF TIME REQUEST** for **TENTATIVE TRACT MAP NO. 33423, Minor Change No. 1** extending the expiration date and to reflect SB1185, AB333, AB208, and AB116 benefits to January 23, 2018, subject to all the previously approved and amended Conditions of Approval.
