

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM  
3.39  
(ID # 3012)

**MEETING DATE:**

Tuesday, January 17, 2017

**FROM:** TLMA-TRANSPORTATION:

**SUBJECT:** TLMA/TRANSPORTATION: Approval of the Plans and Specifications and Authorization to Advertise for Bid for the Slurry Seal Projects at Various Locations, California Environmental Quality Act (CEQA) Exempt. 4th and 5th Districts (Clerk to Advertise); [\$1,590,000 - Total Cost]; Local Funds 100%

**RECOMMENDED MOTION:** That the Board of Supervisors:

1. Find that the Slurry Seal Project is categorically exempt from the CEQA pursuant to State CEQA Guidelines Section 15301(c) (existing facilities) and Section 15061(b)(3) (general rule exemption); and
2. Approve the plans and specifications for the Slurry Seal Projects; and
3. Authorize the Clerk of the Board to advertise for bids to be received by the office of the Director of Transportation and Land Management at the Transportation Annex located at 3525 14th Street, Riverside, CA 92501. All bids must be received up to the hour of 2:00 p.m., Wednesday, February 8, 2017 at which time bids will be opened; and
4. Direct the Clerk of the Board of Supervisors to file the Notice of Exemption with the County Clerk for posting within five (5) working days.

**ACTION:** Policy

  
Patricia Romo, Director of Transportation 12/14/2016

FINANCIAL DATA	Current Fiscal Year:	Next Fiscal Year:	Total Cost:	Ongoing Cost
<b>COST</b>	\$ 1,590,000	\$ 0	\$ 1,590,000	\$ 0
<b>NET COUNTY COST</b>	\$ 0	\$ 0	\$ 0	\$ 0
<b>SOURCE OF FUNDS:</b> Gas Tax/HUTA (100 %). There are no General Funds used in this project.			<b>Budget Adjustment:</b>	No
			<b>For Fiscal Year:</b>	16/17

**C.E.O. RECOMMENDATION:** Approve

**MINUTES OF THE BOARD OF SUPERVISORS**

On motion of Supervisor Ashley, seconded by Supervisor Washington and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Jeffries, Tavaglione, Washington and Ashley  
Nays: None  
Absent: None  
Date: January 17, 2017

Deputy  
**3.39**

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**BACKGROUND:**

**Summary**

The slurry seal treatment is provided as preventative maintenance to extend the life of the pavement and postpone costlier pavement rehabilitation. The slurry seal treatment seals small cracks, restores lost flexibility to the pavement surface and helps preserve the underlying pavement structure. This project includes various roads located within the 4<sup>th</sup> and 5<sup>th</sup> Supervisorial Districts. The specific roads are listed in "Attachment 1".

This project proposes Slurry Seal, Cape Seal or Microsurfacing surface treatments based on the existing pavement conditions.

The slurry seal treatment consists of an application of a mixture of asphalt emulsion, aggregates, water and other additives over the existing asphalt pavement surface. This work includes road cleaning, crack repairs, application of slurry seal treatment, installation of new thermoplastic crosswalks, replacement of striping, pavement markings and raised pavement markers. All roads will be swept several times, at specified intervals, after the slurry has been applied.

The Cape Seal treatment adds a layer of "chips" or small crushed rock (screenings), and the slurry seal is placed over the chips, this treatment works well in areas of higher traffic volume.

The Microsurfacing treatment uses a Microsurfacing Emulsion that is "scrubbed" into the pavement with brushes, this treatment works well for filling cracks and leveling a street.

The submitted plans and specifications have been approved as to form by County Counsel.

Project Nos.: C6-0009 and C6-0010

**Environmental Findings**

CEQA Guidelines Section 15301(c) describes the maintenance, repair and minor alteration of existing public facilities, with negligible or no expansion of an existing facility, to be considered as a categorical exemption under CEQA. This project qualifies under this exemption since it is a repair and maintenance activity taking place on existing County of riverside (County) roads.

In addition, the project is covered by the general rule of the CEQA Guidelines Section 15061(b)(3). The slurry seal treatments involve maintenance and repair to existing paved roads within existing right of way. As a result, there is no possibility that the project will have a significant effect on the environment. Therefore, the project is exempt from CEQA because it can be seen with certainty that there is no possibility the project's activity may have a significant effect on the environment.

**Impact on Citizens and Businesses**

The slurry seal treatment will extend the life of suitable roads and reduce the need for resurfacing, which is ten times more costly. These improvements will also improve public safety.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The construction contract is estimated to cost approximately \$1,590,000, and construction is expected to finish in FY 2016/2017. The slurry seal contract will be funded with Gas Tax (ABX8-9 Mar 2010 New HUTA). There are no General Funds used in this project.

**COUNTY OF RIVERSIDE  
TRANSPORTATION AND  
LAND MANAGEMENT AGENCY**

Juan C. Perez, P.E., T.E.  
Director of Transportation

**Transportation Department  
NOTICE OF EXEMPTION**

Original Negative Determination Notice of  
Determination was routed to County  
Clerks for posting on: **November 15, 2016**

**PROJECT TITLE:** Slurry Seal Project – Districts 4 & 5  
Work Order #ZC6-0009C & ZC6-0010C, Task Code #Z1530

11/17/17 \_\_\_\_\_  
Date Initial

**PROJECT SPONSOR:** Riverside County Transportation Department

**PROJECT LOCATION:** Various Locations in Unincorporated areas within Supervisorial Districts 4 & 5

**SUPERVISORIAL DISTRICT:** Districts 4 & 5

**PROJECT DESCRIPTION:** The Riverside County Transportation Department (County) proposes to provide slurry seal treatment (which may include a cape seal, micro surface or a slurry seal) to existing pavement surfaces on various roads located in unincorporated areas of Supervisorial Districts 4 & 5 in Western and Eastern Riverside County. The attached exhibit and list identifies the roads for the slurry seal improvements.

Slurry seal treatments consist of an application of asphaltic emulsion covered by a sand/emulsion mixture. The purpose of the treatment is to extend the life of the pavement or to postpone the need for more costly pavement rehabilitation. The work involves cleaning and sealing cracks, then applying the slurry seal over the existing asphalt concrete surfaces. The specific type of seal treatment will vary based on the existing pavement conditions. The work also involves removing and replacing thermoplastic crosswalk and pavement markings; painting traffic stripes and other associated work as may be required. The work is limited to the existing pavement which is within the road right of way.

**ENVIRONMENTAL ANALYSIS:** The proposed project will extend the life of the pavement of the treated roads, which is a benefit to the traveling public. The project consists of maintenance and repair of an existing public road. There is no expansion of use of the road as a result of the project.

The Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) and the Coachella Valley MSHCP states that necessary operation and maintenance activities conducted for safety purposes along existing roadways are considered Covered Activities.

The Riverside County Transportation Department Staff conducted a review of the above referenced project and has determined that the proposal qualifies for a Categorical Exemption per the California Environmental Quality Act (CEQA) Guidelines.

**The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA) Guidelines, based on the following:**

**Section 15301 (c) – Existing Facilities:** The project proposes to treat paved roadway surfaces with slurry seal treatments on various roads in Western and Eastern Riverside County unincorporated areas. The project consists of maintenance and repair of an existing public structure involving no expansion of use and is exempt from CEQA under Section 15301 (c).

**Section 15061 (b) (3) – General Rule Exemption:** The project is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. The project involves maintenance of an existing street, and therefore it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

County of Riverside California

## Notice to Bidders

County of Riverside, herein called Owner, invites sealed proposals for:

### Slurry Seal Project For Fiscal Year 2017/2018

District 4  
Project No. C6-0009

District 5  
Project No. C6-0010

Bid shall be delivered to the County of Riverside Transportation Department, 14th Street Annex, 3525 14th Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, **February 1, 2017** to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated **November 2016**, and prepared by County of Riverside, whose address is same as the above, from whom they may be obtained upon deposit of **\$10.00** per set with 11"x17" plans, plus mailing costs. No refund. Prospective bidders may preview the plans, specifications and other contract documents at no charge prior to purchase at the above noted location.

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The Contractor is required to have a Class "A" or "C-12" or "C-32" license at the time of bid submission.

Engineering Estimate:	\$ 1,385,000 - \$1,615,000	(Base Bid)
	\$ 45,000 - \$ 52,500	(Alternate Bid 1)

#### Notice to Bidders

County of Riverside, herein called Owner, invites sealed proposals for:

#### Slurry Seal Project For Fiscal Year 2017/2018

District 4  
Project No. C6-0009

District 5  
Project No. C6-0010

Bid shall be delivered to the County of Riverside Transportation Department, 14th Street Annex, 3525 14th Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, **February 8, 2017** to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated **November 2016**, and prepared by County of Riverside, whose address is same as the above, from whom they may be obtained upon deposit of **\$10.00** per set with 11"x17" plans, plus mailing costs. No refund. Prospective bidders may preview the plans, specifications and other contract documents at no charge prior to purchase at the above noted location.

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The Contractor is required to have a Class "A" or "C-12" or "C-32" license at the time of bid submission.

Engineering Estimate: \$ 1,385,000 - \$ 1,615,000 (Base Bid)  
\$ 45,000 - \$ 52,500 (Alternate Bid 1)
