STATE OF CALIFORNIA**

BACKGROUND:

Summary

The equipment purchase is to replace end of life servers at the Public Health warehouse at Innovation Way and at the Health Administration Building. The Department of Public Health normally replaces servers on a five (5) year program in order to maintain warranty coverage for any hardware maintenance.

Impact on Residents and Businesses

There is no direct impact.

Contract History and Price Reasonableness

The cost is referenced from a Request For Quote #HSARC-295 closed on June 29, 2016 with only two bids received. The tax is not included in the RFQ. A rate of 8% is added into the cost. The County has determined Golder Star Technology, Inc. to be the lowest responsive and responsible bidder for this commodity.

ATTACHMENT A:
