BACKGROUND

Summary

On January 17, 2017 ID#3300 Ordinance 771.2 was introduced. Riverside County Ordinance No. 771 ("Ordinance") regulates the control of dangerous and potentially dangerous animals and currently includes language that has been removed from the authorizing statute and therefore must be updated.

Food and Agricultural Code section 31603 defined a vicious dog as including "Any dog seized under Section 599aa of the Penal Code and upon the sustaining of a conviction of the owner or keeper under subdivision (a) of Section 597.5 of the Penal Code." The definition required that all dogs owned or kept for the purposes of dog fighting be labeled vicious dogs without consideration to the dog's individual demeanor. Assembly Bill No. 1825, approved by the Governor on July 25, 2016, and effective on January 1, 2017 has removed this language. The amendment to Section 31603 requires that any dog that is seized be evaluated for behavioral issues and adoptability without consideration to an animal's dog fighting history.

Riverside County Ordinance 771 addresses the control of dangerous and potentially dangerous dogs by mirroring the language used to define vicious dogs in Food and Agricultural Code section 31603. The proposed amendment will remove the repealed statutory language from the ordinance.

This amendment has been reviewed and approved as to form by County Counsel.

The amendment to Ordinance No.771 is exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The amendment is not a project pursuant to sections 15060(c)(2), 15060 (c)(3) and 15378 and is otherwise exempt from CEQA pursuant to CEQA Guidelines section 15061 (b)(3). The amendment only involves realigning the ordinance with the authorizing statute. The amendment will not have a physical effect on the environment and is not anticipated to result in any significant physical environmental impacts. Furthermore, Ordinance No. 771 is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the ordinance will have a significant effect on the environment.
