BACKGROUND:

Summary

In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the May 5, 2015 public auction sale. The deed conveying title to the purchasers at the auction was recorded June 18, 2015. Further, as required by Section 4676 of the California Revenue and Taxation Code, notice of the right to claim excess proceeds was given on July 22, 2015, to parties of interest as defined in Section 4675 of said code. Parties of interest have been determined by an examination of lot book reports as well as Assessor's and Recorder's records, and various research methods were used to obtain current mailing addresses for these parties of interest.

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any additional addresses.
- Used Accurint (people finder) to notify any new addresses that may be listed for our last assessees.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 18, 2015.

The Treasurer-Tax Collector has received one claim for excess proceeds:

1. Claim from the State of California, Department of Health Care Services based on outstanding health care charges paid by the State Medi-Cal Program.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that the claim from the State of California, Department of Health

Care Services be denied since no lien was recorded to substantiate their claim and the Department is not a party of interest. Since there are no other claimants, the unclaimed excess proceeds in the amount of \$7,328.72 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimant by certified mail.

Impact on Residents and Businesses
