C.E.O. RECOMMENDATION:

On September 24, 2013, the Board of Supervisors approved in principle the initiation of a County Redevelopment Bond Refunding Program (Agenda Item 4-1). On February 11, 2014, the Board of Supervisors executed the Refunding Program Agreement and approved Successor Agency Resolution No. 2014-003, requesting direction to undertake proceedings for the refunding of outstanding bonds of the former Redevelopment Agency for the County of Riverside. The Successor Agency's staff and the Program's financing team continue to bring forward refunding candidates that meet its savings guidelines.

The proposed issuance of refunding bonds is to refinance bonds issued in 2006 for the Desert Communities Project Area and in 2010 for the Desert Communities and I-215 Project areas. Two new series of bonds will be issued by the Successor Agency to refinance the 2006 Series D and 2010 Series D (Desert Communities) and E (I 215 Project) Bonds. The project area bonds for Desert Communities and the I-215 Project Areas will be simultaneously purchased by the Riverside County Public Financing Authority and resold to the underwriters on a pooled basis. (There is a companion item on the Successor Agency Agenda today.) The term of the existing 2006 and 2010 bonds will not be extended. The refunding bonds produce savings in excess of the Board's present value savings target of 3% (Board Policy B-24 for the Riverside County Debt Advisory Committee). The issuance of the refunding bonds was approved at the Oversight Board meeting on January 19, 2017 and the DAC meeting on January 26, 2017.

The anticipated amount of the proposed bond issues, savings percentages, and savings amounts are shown in the table below.

2017 Series D & E (PFA Bonds)

Description	2016 RCPFA Bonds
New Issue Size	\$79,335,000
NPV Savings	\$7,430,000
NPV Savings As %	

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Refunded Bonds	9.70%
Average Annual Savings	\$476,000
Total Expected Savings	\$11,434,000

As of January 5, 2017.

It is expected that these refunding bonds will be issued in May 2017. The final disclosure documents of the proposed bond issues will be brought back to the Successor Agency and the Authority for approval. The DOF is expected to approve the Oversight Boards action approving the refinancing. The Board package includes our independent financial advisor's report as required by the DOF.

Impact on Citizens and Businesses

This item will be beneficial for the citizens of Riverside County due to the surplus tax revenue that will be derived from the refinancing at lower rates. Taxing entities will share the surplus property taxes from the project areas which will be distributed to the County, cities, schools, and special districts in Riverside County.

The savings in debt service payments that would otherwise be paid to bondholders will be distributed to those taxing entities including the County General Fund, K-12 school districts and community college districts, and finally cities and special districts.

<u>Maturity Date</u> <u>(October 1)</u>	<u>Principal</u> <u>Amount</u>	<u>Interest</u> <u>Rate</u>
--	-----------------------------------	--------------------------------

The scheduled payment of principal and interest on the Bonds maturing on and after October 1, 20__ are guaranteed under the Authority Bonds Insurance Policy. Additionally, the Bonds maturing on October 1, 20__ are Term Bonds.

Interest on the Bonds shall be payable on each Interest Payment Date to the person whose name appears on the Registration Books as the Owner thereof as of the Record Date immediately preceding each such Interest Payment Date, such interest to be paid by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owner at the address of such Owner as it appears on the Registration Books as of the preceding Record Date; provided however, that payment of interest may be by wire transfer to

In the event of a redemption pursuant to this Section 2.02(a), the Authority shall provide the Trustee with a revised sinking fund schedule giving effect to the optional redemption so completed.

The Authority shall be required to give the Trustee written notice of its intention to redeem Bonds under this Section 2.02(a) at least 60 days prior to the date to be fixed for redemption or such later date as shall be permitted by the Trustee, and the Authority shall deposit or cause the Successor Agency to deposit all amounts required for any redemption pursuant to this Section 2.02(a) at least one Business Day prior to the date fixed for such redemption. The Authority shall ensure that the Bonds redeemed pursuant to this Section 2.02(a) shall be selected for redemption based on the Successor Agency Bonds, if any, being concurrently redeemed, and in a manner that does not adversely affect the Authority's ability to pay debt service on the Bonds in a timely manner.

(b) Mandatory Sinking Fund Redemption. The Term Bonds shall also be subject to redemption or prior purchase in part by lot, from Sinking Account payments made by the Authority pursuant to Section 4.02(b), at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium, or in lieu thereof shall be purchased by the Authority as described below, in the aggregate respective principal amounts and on the respective dates as set forth in the following tables; provided, however, that, if some but not all of the Term Bonds have been redeemed pursuant to subsection (a) above, the total amount of all future Sinking Account payments payable with respect to the maturity redeemed shall be reduced by the aggregate principal amount of the maturity so redeemed, to be allocated among such Sinking Account payments in integral multiples of \$5,000 as determined by the Authority (notice of which determination shall be given by the Authority to the Trustee).

The Term Bonds maturing on October 1, 20__ are subject to mandatory sinking fund redemption in part by lot at a redemption price equal to the principal amount thereof to be redeemed, plus accrued interest thereon to the date of redemption, without premium, in the aggregate respective principal amounts and on October 1, in the respective years as set forth in the following tables; provided, however, that in lieu of mandatory sinking fund redemption thereof such Bonds may be purchased by the Successor Agency pursuant to the Successor Agency Bonds Indentures:

Term Bonds Maturing October 1, 20__

Sinking Account Redemption Date <u>(October 1)</u>	Principal Amount To be Redeemed <u>or Purchased</u>

The par amount of any Term Bonds so purchased by or upon the Request of the Authority in any twelve-month period ending on August 1 in any year shall be credited towards and shall reduce the par amount of the Term Bonds required to be redeemed on October 1 in such year; provided that evidence satisfactory to the Trustee of such purchase has been delivered to the Trustee by said August 1.

(c) Mandatory Redemption upon Acceleration of Successor Agency Bonds. The Bonds shall also be subject to mandatory redemption in whole or in part among maturities on a pro rata basis and by lot within a maturity, on any date, from amounts credited towards the payment of principal of any Successor Agency Bonds coming due and payable solely by reason of acceleration of such Successor Agency Bonds pursuant to Section 8.01 of the Successor Agency Bonds Indentures, at a redemption price equal to the principal amount of the Bonds to be redeemed, without premium, together with accrued interest thereon to the redemption date. The Bonds shall be subject to redemption under this subsection (c) solely from amounts credited towards the payment of any Successor Agency Bonds which has become due and payable by reason of acceleration, and shall not be subject to redemption from any amounts credited towards the payment of matured principal which has become due and payable.

(d) Notice of Redemption; Rescission. The Trustee on behalf and at the expense of the Authority shall mail (by first class mail) notice of any redemption to the Insurer and to the respective Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and to the Securities Depositories and to one or more Information Services, at least thirty (30) but not more than sixty (60) days prior to the date fixed for redemption; provided, however, that neither failure to receive any such notice so mailed nor any defect therein shall affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice shall state the date of the notice, the redemption date, the redemption place and the redemption price and shall designate the

CUSIP numbers, the Bond numbers and the maturity or maturities (in the event of redemption of all of the Bonds of such maturity or maturities in whole) of the Bonds to be redeemed, and shall require that such Bonds be then surrendered at the Trust Office for redemption at the redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Authority shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of optional redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Authority and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(e) Partial Redemption of Bonds. In the event only a portion of any Bond is called for redemption, then upon surrender of such Bond the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of the same series and maturity date, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond to be redeemed.

(f) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of and interest (and premium, if any) on the Bonds so called for redemption shall have been duly provided, such Bonds so called shall cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price, and no interest shall accrue thereon from and after the redemption date specified in such notice. All Bonds redeemed or purchased pursuant to this Section 2.02 shall be canceled by the Trustee.

(g) Manner of Redemption. Whenever any Bonds or portions thereof are to be selected for redemption by lot, the Trustee shall make such selection, in such manner as the Trustee shall deem fair and appropriate, and shall notify the Authority and the Successor Agency thereof. In the event of redemption by lot of Bonds, the Trustee shall assign to each Bond then Outstanding a distinctive number for each \$5,000 of principal amount. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected, but only so much of the principal amount or maturity amount, as applicable, of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. All Bonds redeemed or purchased pursuant to this Section 2.02 shall be canceled and, if held by the Trustee, shall be surrendered to the Authority (subject to the provisions of Section 9.10).

Section 2.03. Book-Entry System.

(a) Original Delivery. The Bonds shall be initially delivered in the form of a separate single fully registered Bond without coupons (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered on the

Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, the Authority and the Trustee shall have no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Authority holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the Authority elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Authority and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the Authority to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the nominee of written notice to the effect that the Depository has determined to substitute a new Nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Authority shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Authority and the Trustee shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Authority or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bond Owners. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, the Authority may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Authority determines to terminate the Depository as such, then the Authority shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Authority and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering

the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Authority fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Section 2.04. Form of Bonds. The form of the Bonds, the form of Trustee's Certificate of Authentication and the form of Assignment to appear thereon, shall be substantially in the respective forms set forth in Exhibit A attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

"CUSIP" identification numbers shall be imprinted on the Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the Successor Agency to use such CUSIP numbers in any notice to Owners shall not constitute an event of default or any violation of the Successor Agency's contract with such Owners and shall not impair the effectiveness of any such notice.

Section 2.05. Execution of Bonds. The Bonds shall be signed in the name and on behalf of the Authority with the manual or facsimile signatures of its Chairman, Vice Chairman, the Executive Director or the Assistant Executive Director and attested with the manual or facsimile signature of its Secretary or any assistant duly appointed by the Board, and shall be delivered to the Trustee for authentication by it. In case any officer of the Authority who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been authenticated or delivered by the Trustee or issued by the Authority, such Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issue, shall be as binding upon the Authority as though the individual who signed the same had continued to be such officer of the Authority. Also, any Bond may be signed on behalf of the Authority by any individual who on the actual date of the execution of such Bond shall be the proper officer although on the nominal date of such Bond such individual shall not have been such officer.

Only such of the Bonds as shall bear thereon a Certificate of Authentication in substantially the form set forth in Exhibit A, manually executed by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such Certificate of the Trustee shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

Section 2.06. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bond shall be surrendered for transfer, the Authority shall execute and the Trustee shall thereupon authenticate and deliver to the transferee a new Bond or Bonds of like tenor, maturity and aggregate principal amount of authorized denominations. The Trustee shall collect any tax or other governmental charge on the transfer of any Bonds pursuant to this Section 2.06. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Authority. The Trustee shall not be required to transfer, pursuant to this Section, either (a) any Bond during the period established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption.

Section 2.07. Exchange of Bonds. Bonds may be exchanged at the Trust Office for Bonds of the same tenor and maturity and of other authorized denominations. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Authority and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Authority and be registered and authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Authority issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Trust Office, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.09. Registration Books. The Trustee will keep or cause to be kept at its Trust Office sufficient records for the registration and transfer of the Bonds, which shall at all times during regular business hours be open to inspection by the Successor Agency, the Insurer and the Authority with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said records, Bonds as hereinbefore provided.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Authority, at the expense of the Owner of said Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like series, tenor and authorized denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it and delivered to, or upon the order of, the Authority. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft

may be submitted to the Trustee and, if such evidence be satisfactory to it and indemnity satisfactory to it shall be given, the Authority, at the expense of the Bond Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like series and tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee). The Authority may require payment of a reasonable fee for each new Bond issued under this Section and of the expenses which may be incurred by the Authority and the Trustee. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original contractual obligation on the part of the Authority whether or not the Bond alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds secured by this Indenture.

ARTICLE III

Section 3.01. Issuance of Bonds. Upon the execution and delivery of this Indenture, the Authority shall execute and deliver Bonds in the aggregate principal amount of \$_____, and shall deliver the Bonds to the Trustee for authentication and delivery to the Original Purchaser thereof upon the Request of the Authority.

Section 3.02. Application of Proceeds of Sale of Bonds. Upon the receipt of payment for the Bonds on the Closing Date, the Trustee shall deposit the proceeds of sale thereof in an amount equal to \$_____ (being the par amount of the Bonds, \$_____, plus net original issue premium of \$_____, less the discount of the Original Purchaser relating to the Bonds in the amount of \$_____, less the premium on the Authority Bonds Insurance Policy in the amount of \$_____ and less the premium on the Reserve Insurance Policies in the amount of \$_____) as follows: \$_____ in the Bond Purchase Fund and \$_____ in the Costs of Issuance Fund.

Section 3.03. Bond Purchase Fund. The Trustee shall establish and maintain a separate fund to be known as the "Bond Purchase Fund" into which shall be deposited the proceeds of sale of the Bonds pursuant to Section 3.02. The Trustee shall use all amounts in the Bond Purchase Fund on the Closing Date to purchase the Successor Agency Bonds, as follows:

(a) The Trustee shall purchase the 2017 Series D Bonds for a purchase price of \$_____ (being the initial aggregate principal amount of the 2017 Series D Bonds (\$_____), (i) less that portion of the Original Purchaser's discount on the Bonds in the amount of \$_____ allocable to the 2017 Series D Bonds, (ii) plus that portion of the net original issue premium on the Bonds in the amount of \$_____ allocable to the 2017 Series D Bonds, (iii) less the premium on the Authority Bonds Insurance Policy in the amount of \$_____ paid by the Original Purchaser on the Closing Date allocable to the 2017 Series D Bonds, (iv) less the premium on the 2017 Series D Reserve Insurance Policy in the amount of \$_____ paid by the Original Purchaser on the Closing Date, and (v) less that portion of the Costs of Issuance allocable to the 2017 Series D Bonds in the amount of \$_____), and shall disburse such purchase price on behalf of the Successor Agency in accordance with Section 3.02 of the 2017 Series D Bonds Indenture. The Authority shall deliver or cause to be delivered the executed and authenticated 2017 Series D Bonds to the Trustee and hereby instructs the Trustee and the Trustee hereby agrees to hold such 2017 Series D Bonds in trust in the Bond Purchase Fund for the benefit of the Owners of the Bonds; and

(b) The Trustee shall purchase the 2017 Series E Bonds for a purchase price of \$_____ (being the initial aggregate principal amount of the 2017 Series E Bonds (\$_____), (i) less that portion of the Original Purchaser's discount on the Bonds in the amount of \$_____ allocable to the 2017 Series E Bonds, (ii) plus that portion of the net original issue premium on the Bonds in the amount of \$_____ allocable to the 2017 Series E Bonds, (iii) less the premium on the Authority Bonds Insurance Policy in the amount of \$_____ paid by the Original Purchaser on the Closing Date allocable to the 2017 Series E Bonds, (iv) less the premium on the 2017 Series E Reserve Insurance Policy in the amount of \$_____ paid by the Original Purchaser on the Closing Date, and (v) less that portion of the Costs of Issuance allocable to the 2017 Series E Bonds in the amount of \$_____). The Authority shall deliver or cause to be delivered the executed and authenticated 2017 Series E

Bonds to the Trustee and hereby instructs the Trustee and the Trustee hereby agrees to hold such 2017 Series E Bonds in trust in the Bond Purchase Fund for the benefit of the Owners of the Bonds.

Section 3.04. Costs of Issuance Fund. There is hereby established a fund to be held by the Trustee known as the "Costs of Issuance Fund" into which shall be deposited a portion of the proceeds of the Bonds in the aggregate amount of \$_____ (which also constitutes proceeds of the Successor Agency Bonds) pursuant to Section 3.01. The moneys in the Costs of Issuance Fund shall be used to pay Costs of Issuance from time to time upon receipt of a Request of the Authority. Each such Request of the Authority shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. On the date which is one hundred eighty (180) days following the Closing Date, or upon the earlier receipt by the Trustee of a Request of the Authority stating that all Costs of Issuance have been paid, the Trustee shall transfer all remaining amounts in the Costs of Issuance Fund to the Successor Agency to be deposited by the Successor Agency into the Debt Service Funds established pursuant to the Successor Agency Bonds Indentures. The Authority may at any time file a Request of the Authority requesting that the Trustee retain a specified amount in the Costs of Issuance Fund and transfer the remaining amount to the Successor Agency for deposit into the Debt Service Funds established pursuant to the Successor Agency Bonds Indentures, and the Trustee shall comply with such request. Each such Request of the Authority shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

Section 3.05. Validity of Bonds. The validity of the authorization and issuance of the Bonds shall not be affected in any way by any proceedings taken by the Successor Agency with respect to the application of the proceeds of the Successor Agency Bonds, and the recital contained in the Bonds that the same are issued pursuant to the Bond Law shall be conclusive evidence of their validity and of the regularity of their issuance.

ARTICLE IV

REVENUES; FLOW OF FUNDS

Section 4.01. Pledge of Revenues; Assignment of Rights. Subject to the provisions of Section 6.03 and 6.12 the Bonds shall be secured by a first lien on and pledge (which shall be effected in the manner and to the extent hereinafter provided) of all of the Revenues and a pledge of all of the moneys in the Revenue Fund, the Interest Account and the Principal Account, including all amounts derived from the investment of such moneys. The Bonds shall be equally secured by a pledge, charge and lien upon the Revenues and such moneys without priority for number, date of Bonds, date of execution or date of delivery; and the payment of the interest on and principal of the Bonds and any premiums upon the redemption of any thereof shall be and are secured by an exclusive pledge, charge and lien upon the Revenues and such moneys. So long as any of the Bonds are Outstanding, the Revenues and such moneys shall not be used for any other purpose; except that out of the Revenues there may be apportioned such sums, for such purposes, as are expressly permitted by Section 4.02.

The Authority hereby transfers in trust and assigns to the Trustee, for the benefit of the Owners from time to time of the Bonds and the Insurer, all of the Revenues and all of the right, title and interest of the Authority in the Successor Agency Bonds. The Trustee shall be entitled to and shall receive all of the Revenues, and any Revenues collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and shall forthwith be paid by the Authority to the Trustee. The Trustee also shall, with the consent or at the direction of the Insurer and subject to the provisions of this Indenture, be entitled to and shall take all steps, actions and proceedings reasonably necessary in its judgment to enforce, either jointly with the Authority or separately, all of the rights of the Authority and all of the obligations of the Successor Agency under the Successor Agency Bonds.

Section 4.02. Receipt, Deposit and Application of Revenues. All Revenues described in clause (a) of the definition thereof in Section 1.01 shall be promptly deposited by the Trustee upon receipt thereof in a special fund designated as the "Revenue Fund" which the Trustee shall establish, maintain and hold in trust hereunder.

Three (3) Business Days prior to each Interest Payment Date, or as soon thereafter as the Trustee receives payments of debt service on the Successor Agency Bonds, the Trustee shall transfer from the Revenue Fund and deposit into the following respective accounts (each of which the Trustee shall establish and maintain within the Revenue Fund), the following amounts in the following order of priority, the requirements of each such account (including the making up of any deficiencies in any such account resulting from lack of Revenues sufficient to make any earlier required deposit) at the time of deposit to be satisfied before any transfer is made to any account subsequent in priority:

(a) Interest Account. Not less than three (3) Business Days prior to each Interest Payment Date, or as soon thereafter as the Trustee receives payments of debt service on the Successor Agency Bonds, the Trustee shall deposit in the Interest Account an amount required to cause the aggregate amount on deposit in the Interest Account to equal the amount of interest becoming due and payable on such Interest Payment Date on all Outstanding Bonds. No deposit need be made into the Interest Account if the amount contained therein is at least equal to the interest becoming due and payable upon all Outstanding Bonds on the next succeeding Interest Payment Date.

All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds redeemed prior to maturity). All amounts on deposit in the Interest Account on the first day of any Bond Year, to the extent not required to pay any interest then having come due and payable on the Outstanding Bonds, shall be withdrawn therefrom by the Trustee and transferred to the Successor Agency to be used for any lawful purpose of the Successor Agency.

(b) Principal Account. Not less than three (3) Business Days prior to each Interest Payment Date, or as soon thereafter as the Trustee receives debt service on the Successor Agency Bonds, on which the principal of the Bonds shall be payable, the Trustee shall deposit in the Principal Account an amount required to cause the aggregate amount on deposit in the Principal Account to equal the principal amount of the Bonds coming due and payable on such Interest Payment Date pursuant to Section 2.01, or the redemption price of the Bonds required to be redeemed on such Interest Payment Date pursuant to Section 2.02(a) or (b). All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of (i) paying the principal of the Serial Bonds at the maturity thereof, (ii) paying the principal of the Term Bonds upon the mandatory sinking fund redemption thereof pursuant to Section 2.02(b) or upon the maturity thereof, or (iii) paying the redemption price of Bonds upon the redemption thereof pursuant to Section 2.02(a). All amounts on deposit in the Principal Account on the first day of any Bond Year, to the extent not required to pay the principal of any Outstanding Bonds then having come due and payable, shall be withdrawn therefrom and transferred to the Successor Agency to be used for any lawful purpose of the Successor Agency.

Section 4.03. Investments. All moneys in any of the funds or accounts established with the Trustee pursuant to this Indenture shall be invested by the Trustee solely in Permitted Investments, as directed by in a Request of the Authority filed with the Trustee at least two (2) Business Days in advance of the making of such investments. In the absence of any such directions from the Authority, the Trustee shall invest any such moneys in Permitted Investments described in clause (d) of the definition thereof; provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received a Written Request of the Authority specifying a specific money market fund and, if no such Written Request of the Authority is so received, the Trustee shall hold such moneys uninvested. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the fund or account from which such investment was made. For purposes of acquiring any investments hereunder, the Trustee may commingle funds held by it hereunder but shall account for each separately. The Trustee may act as principal or agent in the acquisition or disposition of any investment. The Trustee shall incur no liability for losses arising from any investments made pursuant to this Section.

The Authority acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Authority the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, the Authority specifically waives receipt of such confirmations to the extent permitted by law. The Authority further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be

obtained from the applicable broker. The Trustee will furnish the Authority and the Successor Agency periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder or by or brokers selected by the Authority. Upon the Authority's or the Successor Agency's election, such statements will be delivered to such party via the Trustee's online service and upon electing such service, paper statements will be provided to that party only upon request.

Section 4.04. Valuation and Disposition of Investments. All investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value as determined by the Authority. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued by the Authority at their present value (within the meaning of section 148 of the Code).

Section 4.05. Claims upon the Authority Bonds Insurance Policy. As long as the Authority Bonds Insurance Policy shall be in full force and effect or any amounts are owed to the Insurer in connection therewith, and notwithstanding anything to the contrary set forth elsewhere in this Indenture, the Authority and the Trustee shall comply with the following provisions: [To come from insurer]

Section 4.06. Rights of the Insurer. For so long as the Insured Bonds are Outstanding, notwithstanding anything to the contrary set forth in this Indenture, the Authority agrees as follows: [To come from insurer]

ARTICLE V
COVENANTS

Section 5.01. Punctual Payment. The Authority shall punctually pay or cause to be paid the principal, interest and premium (if any) to become due in respect of all the Bonds, in strict conformity with the terms of the Bonds and of this Indenture, according to the true intent and meaning thereof, but only out of Revenues and other assets pledged for such payment as provided in this Indenture.

Section 5.02. Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which shall not have been so extended. Nothing in this Section shall be deemed to limit the right of the Authority to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance shall not be deemed to constitute an extension of maturity of the Bonds.

Section 5.03. Against Encumbrances. The Authority shall not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under this Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by this Indenture. Subject to this limitation, the Authority expressly reserves the right to enter into one or more other indentures for any of its corporate purposes, including other programs under the Bond Law, and reserves the right to issue other obligations for such purposes.

Section 5.04. Power to Issue Bonds and Make Pledge and Assignment. The Authority is duly authorized pursuant to law to issue the Bonds and to enter into this Indenture and to pledge and assign the Revenues, the Successor Agency Bonds and other assets purported to be pledged and assigned, respectively, under this Indenture in the manner and to the extent provided in this Indenture. The Bonds and the provisions of this Indenture are and will be the legal, valid and binding special obligations of the Authority in accordance with their terms, and the Authority and the Trustee shall, subject to the provisions of this Indenture at all times, to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bond Owners under this Indenture against all claims and demands of all persons whomsoever.

Section 5.05. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, books of record and account, prepared in accordance with corporate trust industry standards, in which entries shall be made of all transactions made by the Trustee relating to the proceeds of Bonds, the Revenues, the Successor Agency Bonds and all funds and accounts established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Authority, the Successor Agency and the Insurer, during regular business hours with reasonable prior written notice.

Section 5.06. No Additional Obligations. The Authority covenants that no additional bonds, notes or other indebtedness shall be issued or incurred which are payable out of the Revenues in whole or in part, except that the Authority may issue refunding bonds payable out

of the Revenues that refund the Bonds in part so long as the aggregate debt service payable on the refunding bonds is less than the aggregate debt service on the Bonds refunded.

Section 5.07. No Arbitrage. The Authority shall not take, or permit to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

Section 5.08. Rebate Requirement. The Authority shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investments earnings, if any, to the federal government.

Section 5.09. Private Activity Bond Limitation. The Authority shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of section 141(b) of the Code.

Section 5.10. Private Loan Financing Limitation. The Authority shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private loan financing test of section 141(c) of the Code.

Section 5.11. Federal Guarantee Prohibition. The Authority shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

Section 5.12. Compliance with the Code. The Authority covenants to take any and all action and to refrain from taking such action, which is necessary in order to comply with the Code or amendments thereto in order to maintain the exclusion from federal gross income, pursuant to Section 103 of the Code, of the interest on the Bonds paid by the Authority and received by the Owners. This covenant shall continue in full force and effect following any defeasance of the Bonds pursuant to Section 9.03.

Section 5.13. Successor Agency Bonds. Subject to the provisions of this Indenture, the Trustee, as assignee of the Authority's rights pursuant to Section 4.01, shall promptly collect all amounts due from the Successor Agency pursuant to the Successor Agency Bonds and shall diligently enforce, and take all steps, actions and proceedings reasonably necessary for the enforcement of all of the rights of the Authority thereunder and for the enforcement of all of the obligations of the Successor Agency thereunder.

Section 5.14. Continuing Disclosure. The Authority, on its own behalf and on behalf of the Successor Agency, hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Indenture, failure of the Authority to comply with the Continuing Disclosure Agreement shall not be an Event of Default hereunder. However, any Participating Underwriter or any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Authority to comply with its obligations under this Section 5.14.

Section 5.15. Further Assurances. The Authority will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture,

and for the better assuring and confirming unto the Owners of the Bonds and the Insurer the rights and benefits provided in this Indenture.

ARTICLE VI

THE TRUSTEE

Section 6.01. Appointment of Trustee. The Bank of New York Mellon Trust Company, N.A., a national banking association organized and existing under and by virtue of the laws of the United States of America, is hereby appointed Trustee by the Authority for the purpose of receiving all moneys required to be deposited with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture. The Authority agrees that it will maintain a Trustee (i) acceptable to the Insurer and (ii) having a corporate trust office in the State, with a combined capital and surplus (including capital and surplus of its parent or affiliate) of at least Seventy-Five Million Dollars (\$75,000,000), and subject to supervision or examination by federal or State authority, so long as any Bonds are Outstanding. If such bank, association, corporation or trust company publishes a report of condition at least annually pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this Section 6.01 the combined capital and surplus of such bank, association, corporation or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee is hereby authorized to pay the principal of and interest and redemption premium (if any) on the Bonds, as applicable, when duly presented for payment at maturity, or on redemption or purchase prior to maturity, and to cancel all Bonds upon payment thereof. The Trustee shall keep accurate records of all funds administered by it and of all Bonds paid and discharged.

Section 6.02. Acceptance of Trustee. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) The Trustee, prior to the occurrence of an Event of Default and after curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default hereunder has occurred (which has not been cured or waived), the Trustee may exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill and diligence in their exercise, as a prudent person would exercise in the conduct of its own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder by or through attorneys, agents, or receivers, and shall not be responsible for the acts or omissions of any receivers, agents or attorneys and shall be entitled to advice of counsel concerning all matters of trust and its duty hereunder. The Trustee may conclusively rely on an opinion of counsel as full and complete protection for any action taken or suffered by it hereunder.

(c) The Trustee shall not be responsible for any recital herein, or in the Bonds, or for any of the supplements thereto or instruments of further assurance, or for the sufficiency of the Indenture, the Successor Agency Bonds or any security for the Bonds issued hereunder or intended to be secured hereby and the Trustee shall not be bound to ascertain or inquire as to the observance or performance of any covenants, conditions or agreements on the part of the Authority hereunder. The Trustee may

conclusively rely on an opinion of counsel as full and complete protection for any action taken or suffered by it hereunder.

(d) Except as provided in Section 3.02, Section 3.03 and Section 3.04, the Trustee shall not be accountable for the use of any proceeds of sale of the Bonds delivered hereunder. The Trustee may become the Owner of Bonds secured hereby with the same rights which it would have if not the Trustee; may acquire and dispose of other bonds or evidences of indebtedness of the Authority with the same rights it would have if it were not the Trustee; and may act as a depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of Bonds, whether or not such committee shall represent the Owners of the majority in aggregate principal amount of the Bonds then Outstanding.

(e) The Trustee shall be protected in acting, in good faith and without negligence, upon any notice, request, consent, certificate, order, affidavit, letter, telegram, facsimile transmission, electronic mail or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken or omitted to be taken by the Trustee in good faith and without negligence pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of any Bond, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof. The Trustee shall not be bound to recognize any person as an Owner of any Bond or to take any action at his request unless the ownership of such Bond by such person shall be reflected on the Registration Books.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a Certificate of the Authority as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default hereunder of which the Trustee has been given notice or is deemed to have notice, as provided in Section 6.02(h) hereof, shall also be at liberty to accept a Certificate of the Authority to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed by it to be necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for other than its negligence or willful default. The immunities and exceptions from liability of the Trustee shall extend to its officers, directors, employees and agents.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder except failure by the Authority to make any of the payments to the Trustee required to be made by the Authority pursuant hereto or failure by the Authority to file with the Trustee any document required by this Indenture to be so filed subsequent to the issuance of the Bonds, unless the Trustee shall be specifically notified in writing of such default by the Authority or the Insurer, and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the Trust Office, and in the absence of

such notice so delivered the Trustee may conclusively assume there is no Event of Default hereunder except as aforesaid.

(i) At any and all reasonable times the Trustee, the Insurer and their duly authorized agents, attorneys, experts, accountants and representatives, shall have the right (but not the duty) fully to inspect all books, papers and records of the Authority pertaining to the Bonds, and to make copies of any of such books, papers and records such as may be desired but which is not privileged by statute or by law.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises hereof.

(k) Notwithstanding anything elsewhere in this Indenture with respect to the execution of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, the Trustee shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, as may be deemed desirable for the purpose of establishing the right of the Authority to the execution of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking the action referred to in Section 8.02 or this Article (other than the payment of debt service on the Bonds, drawing on the Authority Bonds Insurance Policy or the sending or giving of notices required to be sent or given hereunder), the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default in connection with any such action.

(m) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law.

(n) The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

(o) The Trustee shall have no responsibility or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Bonds.

(p) The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

(q) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Authority shall provide to the Trustee an incumbency certificate listing officers with the authority to

provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Authority whenever a person is to be added or deleted from the listing. If the Authority elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Authority understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Authority shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Authority and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Authority agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(r) The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and final payment or defeasance of the Bonds. All indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, officers, employees and agents of the Trustee.

(s) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(t) The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

(u) Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the Authority, and such Certificate shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

(v) The Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Section 6.03. Fees, Charges and Expenses of Trustee. The Trustee shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees (including expenses) and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. Upon the occurrence of an Event of Default hereunder, but only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment of any Bond upon the amounts held hereunder for the foregoing fees, charges and expenses incurred by it respectively.

Section 6.04. Notice to Bond Owners of Default. If an Event of Default hereunder occurs with respect to any Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.02(h) hereof, then the Trustee shall promptly give written notice thereof by first-class mail to the Insurer and the Owner of each such Bond, unless such Event of Default shall have been cured before the giving of such notice; provided, however, that unless such Event of Default consists of the failure by the Authority to make any payment when due, the Trustee with the consent of the Insurer may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Bond Owners not to give such notice.

Section 6.05. Intervention by Trustee. In any judicial proceeding to which the Authority is a party which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the Owners of any of the Bonds, the Trustee, with the consent of the Insurer, may intervene on behalf of such Bond Owners, and subject to Section 6.02(l) hereof, shall do so if requested in writing by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding.

Section 6.06. Removal of Trustee. Upon prior written notice to the Insurer, the Owners of a majority in aggregate principal amount of the Outstanding Bonds may at any time, and the Authority may (and at the request of the Successor Agency shall) so long as no Event of Default shall have occurred and then be continuing, remove the Trustee initially appointed, and any successor thereto, by an instrument or concurrent instruments in writing delivered to the Trustee, whereupon the Authority, the Insurer or such Owners, as the case may be, shall appoint a successor or successors thereto; provided that any such successor shall be a bank, association, corporation or trust company meeting the requirements set forth in Section 6.01.

Section 6.07. Resignation by Trustee. The Trustee and any successor Trustee may at any time give thirty (30) days' written notice of its intention to resign as Trustee hereunder,

such notice to be given to the Authority, the Successor Agency and the Insurer by registered or certified mail. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. Upon such acceptance, the Authority shall cause notice thereof to be given by first class mail, postage prepaid, to the Insurer and the Bond Owners at their respective addresses set forth on the Registration Books. So long as any Insured Bonds remain Outstanding, any Trustee hereunder shall be acceptable to the Insurer.

Section 6.08. Appointment of Successor Trustee. In the event of the removal or resignation of the Trustee pursuant to Sections 6.06 or 6.07, respectively, with the prior written consent of the Successor Agency, the Authority shall promptly appoint a successor Trustee. In the event the Authority shall for any reason whatsoever fail to appoint a successor Trustee within forty-five (45) days following the delivery to the Trustee of the instrument described in Section 6.06 or within forty-five (45) days following the receipt of notice by the Authority pursuant to Section 6.07, the Trustee may, at the expense of the Authority, apply to a court of competent jurisdiction for the appointment of a successor Trustee meeting the requirements of Section 6.01 hereof. Any such successor Trustee appointed by such court shall become the successor Trustee hereunder notwithstanding any action by the Authority purporting to appoint a successor Trustee following the expiration of such forty-five-day period.

Within sixty (60) days following the appointment of a successor Trustee hereunder, the former Trustee shall deliver to such successor Trustee (a) all funds and accounts held by the former Trustee hereunder, and (b) any and all information and documentation as may be required or reasonably requested by the Authority or such successor Trustee in connection with the transfer to such successor Trustee of all the duties and functions of the Trustee hereunder. The Authority shall pay the reasonable costs and expenses of such former Trustee incurred in connection with such transfer.

Section 6.09. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided that such company shall meet the requirements set forth in Section 6.01, shall be the successor to the Trustee and vested with all of the title to the trust estate and all of the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

Section 6.10. Concerning any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Authority an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but such predecessor shall, nevertheless, on the Request of the Authority, or of the Trustee's successor, execute and deliver an instrument transferring to such successor all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as the Trustee hereunder to its successor. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor Trustee, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority.

Section 6.11. Appointment of Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in the case of litigation under this Indenture, and in particular in case of the enforcement of the rights of the Trustee on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate co-trustee. The following provisions of this Section 6.11 are adopted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them. The Trustee shall not be liable for any acts or omissions of any separate or co-trustee.

Should any instrument in writing from the Authority be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 6.12. Indemnification; Limited Liability of Trustee. The Authority further covenants and agrees to indemnify and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense (including reasonable legal fees and expenses) and liabilities which it may reasonably incur arising out of or in the exercise and performance of its powers and duties hereunder or pursuant to the Successor Agency Bonds, including the reasonable costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees. Such indemnity shall survive the termination or discharge of this Indenture and the resignation or removal of the Trustee. No provision in this Indenture shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder if repayment of such funds or adequate indemnity against such liability or risk is not assured to it. The Trustee shall not be liable for any action taken or omitted to be taken by it in accordance with the direction of the Owners of at least twenty-five percent (25%) of the aggregate principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding or remedy available to the Trustee under this Indenture.

ARTICLE VII

MODIFICATION AND AMENDMENT OF THE INDENTURE

Section 7.01. Amendment Hereof. This Indenture and the rights and obligations of the Authority and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption, with the written consent of the Insurer, but without consent of any Bond Owners, to the extent permitted by law but only for any one or more of the following purposes-

(a) to add to the covenants and agreements of the Authority in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or powers herein reserved to or conferred upon the Authority so long as such limitation or surrender of such rights or powers shall not materially adversely affect the Owners of the Bonds or the interests of the Insurer; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Authority may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not materially adversely affect the interests of the Owners of the Bonds or the interests of the Insurer; or

(c) to amend any provision hereof relating to the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exclusion from gross income of interest on any of the Bonds under the Code, in the opinion of nationally-recognized bond counsel.

Except as set forth in the preceding paragraph of this Section 7.01, this Indenture and the rights and obligations of the Authority and of the Owners of the Bonds may only be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of the Insurer and the Owners of a majority in aggregate principal amount of the Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Authority to pay the principal, interest or redemption premiums at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the Insurer and the Owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee.

The Trustee shall send a copy of any amendment to this Indenture to the Insurer and S&P.

Section 7.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Outstanding Bonds, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03. Endorsement or Replacement of Bonds after Amendment. After the effective date of any action taken as hereinabove provided, the Authority may, with the prior written consent of the Insurer, determine that the Bonds shall bear a notation, by endorsement in form approved by the Authority, as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Trust Office, a suitable notation as to such action shall be made on such Bond. If the Authority shall so determine, new Bonds so modified as, in the opinion of the Authority, shall be necessary to conform to such Bond Owners' action shall be prepared and executed, and in that case upon demand of the Owner of any Bond Outstanding at such effective date such new Bonds shall be exchanged at the Trust Office, without cost to each Bond Owner, for Bonds then Outstanding, upon surrender of such Outstanding Bonds.

Section 7.04. Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Bond Owner from accepting any amendment as to the particular Bond held by him, provided that due notation thereof is made on such Bond and provided, further, that written consent to such amendment shall first be obtained from the Insurer.

Section 7.05. Copy of Supplemental Indenture to any Rating Agency. The Authority shall provide a copy of any Supplemental Indenture to any rating agency that then has in effect (to the knowledge of the Authority) a credit rating on the Bonds.

Section 7.06. Trustee's Reliance. The Trustee may conclusively rely, and shall be protected in relying, upon an opinion of counsel stating that all requirements of this Indenture relating to the amendment or modification hereof have been satisfied and that such amendments or modifications do not materially adversely affect the interests of the Owners.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF BOND OWNERS

Section 8.01. Events of Default. The following events shall be Events of Default hereunder:

(a) Default in the due and punctual payment of the principal of any Bond pursuant to Section 4.02, whether at maturity as therein expressed, by proceedings for redemption, by declaration or otherwise.

(b) Default in the due and punctual payment of any installment of interest on any Bond pursuant to Section 4.02.

(c) Default by the Authority in the observance of any of the other covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, if such default shall have continued for a period of thirty (30) days after written notice thereof, specifying such default and requiring the same to be remedied, shall have been given to the Authority and the Insurer by the Trustee, or to the Authority and the Trustee by the Insurer or by the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding; provided that such default shall not constitute an Event of Default hereunder if the Authority shall, with the consent of the Insurer, commence to cure such default within said thirty (30) day period and thereafter diligently and in good faith shall cure such default within a reasonable period of time.

(d) The filing by the Authority of a petition or answer seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction shall approve a petition, filed with or without the consent of the Authority, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Authority or of the whole or any substantial part of its property.

(e) Default by the Successor Agency under a Successor Agency Bonds Indenture.

Section 8.02. Remedies and Rights of Bond Owners. Upon the occurrence of an Event of Default, the Trustee may, subject to the provisions of Section 8.09 hereof, pursue any available remedy at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Outstanding Bonds, and to enforce any rights of the Trustee under or with respect to this Indenture.

If an Event of Default shall have occurred and be continuing and, subject to the provisions of Section 8.09 hereof, if requested so to do by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, the Trustee has been indemnified as provided in Section 6.02(l) and the Insurer shall have provided its written consent, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article VIII, as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Bond Owners.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bond Owners) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bond Owners hereunder or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein; such right or power may be exercised from time to time as often as may be deemed expedient.

Section 8.03. Application of Revenues and Other Funds after Default. All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture and any other funds held by the Trustee shall be applied by the Trustee in the following order upon presentation of the several Bonds, and the stamping thereon of the amount of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in carrying out the provisions of this Article VIII and incurred in and about the performance of its powers and duties under this Indenture, including reasonable compensation to its agents, attorneys and counsel; and

Second, to the payment of the whole amount of interest on and principal of the Bonds then due and unpaid, with interest on overdue installments of principal and interest, as applicable, to the extent permitted by law at an annual rate of ten percent (10%) per annum provided, however, that in the event such amounts shall be insufficient to pay in full the full amount of such interest and principal, as applicable, then such amounts shall be applied in the following order of priority:

(a) first, to the payment of all installments of interest, on the Bonds then due and unpaid, on a pro rata basis in the event that the available amounts are insufficient to pay all such interest in full,

(b) second, to the payment of principal of all installments of the Bonds then due and unpaid, on a pro rata basis in the event that the available amounts are insufficient to pay all such principal in full,

(c) third, to the payment of the redemption price (including principal and interest, premium, if any, accrued to the redemption date) of the Bonds to be redeemed from Revenues derived from the acceleration of the Successor Agency Bonds, on a pro rata basis in the event that the available amounts are insufficient to pay the redemption price of all such Bonds in full, and

(d) fourth, to the payment of interest on overdue installments of principal and interest, on a pro rata basis in the event that the available amounts are insufficient to pay all such interest in full.

Section 8.04. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion with the consent of the Insurer or upon the direction of the Insurer or upon the request of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding with the consent of

the Insurer, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds and the Insurer, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if, subject to the provisions of Section 8.09 hereof, at the time there has been filed with it a written request signed by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding hereunder or the Insurer opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation. Any suit, action or proceeding which any Owner of Bonds and the Insurer shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee with the consent of the Insurer for the equal benefit and protection of all Owners of Bonds similarly situated and the Trustee is hereby appointed (and the successive respective Owners of the Bonds issued hereunder, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners of the Bonds for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners of the Bonds as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact.

Section 8.05. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bond Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Revenues and other amounts pledged hereunder, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 8.06. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture, or in the Bonds, shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay the interest on and principal of the Bonds to the respective Owners of the Bonds at the respective dates of maturity, as herein provided, out of the Revenues and other moneys herein pledged for such payment.

A waiver of any default or breach of duty or contract by the Trustee or any Bond Owner, in either case subject to the provisions of Section 8.09 hereof, shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach; provided however, that no such waiver shall occur without the prior written consent of the Insurer. No delay or omission of the Trustee or any Owner of any of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy conferred upon the Trustee or Bond Owners by the Bond Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee, the Insurer or the Bond Owners, as the case may be.

Section 8.07. Rights and Remedies of Bond Owners. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee and the Insurer written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, with the consent of the Insurer, shall have made a written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee

against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of thirty (30) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy hereunder; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of and interest and premium (if any) on such Bond, as applicable, as herein provided or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.08. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case, the Authority, the Trustee, the Insurer and the Bond Owners shall be restored to their former positions and rights hereunder, respectively, with regard to the property subject to this Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 8.09. Insurer Deemed Sole Owner. So long as the Insurer shall be in compliance with its payment obligations under the Authority Bonds Insurance Policy, the Insurer shall be deemed to be the sole owner of the Insured Bonds for purposes of all provisions relating to an event of default with respect to the Insured Bonds, except with respect to the giving of notice of such an Event of Default. The Insurer shall be included as a party in interest and as a party entitled to (1) notify the Trustee of the occurrence of an Event of Default and (2) request the Trustee to intervene in judicial proceedings that affect the Insured Bonds or the security therefor. In addition, the provisions herein and in the Successor Agency Bonds Indentures requiring the consent, approval or direction of the Insurer shall be applicable only at such time as the Insurer shall be in compliance with its payment obligations under the Authority Bonds Insurance Policy and the Reserve Insurance Policies.

Anything in this Indenture to the contrary notwithstanding, upon the occurrence and continuation of an Event of Default with respect to the Bonds, the Insurer shall be entitled to control and direct the enforcement of all rights and remedies granted under this Indenture to the Owners of the Insured Bonds, or to the Trustee for the benefit of the Owners of the Insured Bonds, including but not limited to rights and remedies which may be exercised pursuant to this Indenture following an event of default and including but not limited to the right to approve all waivers of any events of default. The rights granted to the Insurer under this Indenture shall be deemed terminated and shall not be exercisable by the Insurer during any period during which the Insurer shall be in default under the Authority Bonds Insurance Policy.

ARTICLE IX

Notwithstanding anything in this Indenture contained, the Authority shall not be required to advance any moneys derived from any source of income other than the Revenues for the payment of the principal of or interest on the Bonds, or any premiums upon the redemption thereof, or for the performance of any covenants herein contained (except to the extent any such covenants are expressly payable hereunder from the Revenues or otherwise from amounts payable under the Successor Agency Bonds). In the event the Authority shall, pursuant to the foregoing provisions, pay and discharge any portion or all of the Bonds then Outstanding, the Trustee shall be authorized to take such actions and execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge, including, without limitation, selection by lot of Bonds of any maturity of the Bonds that the Authority has determined to pay and discharge in part. In the event the Authority shall, pursuant to the foregoing provisions, pay and discharge all of the Bonds then Outstanding, any funds thereafter held by the Trustee which are not required for said purposes, shall be paid over to the Authority.

Section 9.04. Successor Is Deemed Included in All References to Predecessor.

Whenever in this Indenture or any Supplemental Indenture the Authority is named or referred to, such reference shall be deemed to include the successor to the powers, duties and functions, with respect to the management, administration and control of the affairs of the Authority, that are presently vested in the Authority, and all the covenants, agreements and provisions contained in this Indenture by or on behalf of the Authority shall bind and inure to the benefit of its successors whether so expressed or not.

Section 9.05. Content of Certificates. Excluding certificates delivered on the Closing Date, every certificate with respect to compliance with a condition or covenant provided for in this Indenture shall include (a) a statement that the person or persons making or giving such certificate have read such covenant or condition and the definitions herein relating thereto; (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate are based; (c) a statement that, in the opinion of the signers, they have made or caused to be made such examination or investigation as is necessary to enable them to express an informed opinion as to whether or not such covenant or condition has been complied with; and (d) a statement as to whether, in the opinion of the signers, such condition or covenant has been complied with.

Any such certificate made or given by an officer of the Authority may be based, insofar as it relates to legal matters, upon a certificate or opinion of or representations by counsel, unless such officer knows that the certificate or opinion or representations with respect to the matters upon which his certificate may be based, as aforesaid, are erroneous, or in the exercise of reasonable care should have known that the same were erroneous. Any such certificate or opinion or representation made or given by counsel may be based, insofar as it relates to factual matters, on information with respect to which is in the possession of the Authority, or upon the certificate or opinion of or representations by an officer or officers of the Authority, unless such counsel knows that the certificate or opinion or representations with respect to the matters upon which his certificate, opinion or representation may be based, as aforesaid, are erroneous, or in the exercise of reasonable care should have known that the same were erroneous.

Section 9.06. Execution of Documents by Bond Owners. Any request, consent or other instrument required by this Indenture to be signed and executed by Bond Owners may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by such Bond Owners in person or by their agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee and of the Authority if made in the manner provided in this Section 9.06.

The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument or writing acknowledged to him the execution thereof.

The ownership of Bonds shall be proved by the Registration Books. Any request, consent or vote of the Owner of any Bond shall bind every future Owner of the same Bond and the Owner of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Authority in pursuance of such request, consent or vote. In lieu of obtaining any demand, request, direction, consent or waiver in writing, the Trustee may call and hold a meeting of the Bond Owners upon such notice and in accordance with such rules and obligations as the Trustee considers fair and reasonable for the purpose of obtaining any such action.

Section 9.07. Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned or held by or for the account of the Successor Agency or the Authority (but excluding Bonds held in any employees' retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, provided, however, that for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver, only Bonds which the Trustee knows to be so owned or held shall be disregarded. Upon request of the Trustee, the Authority and the Successor Agency shall specify to the Trustee those bonds disqualified pursuant to this Section and the Trustee may conclusively rely on such certificate.

Section 9.08. Waiver of Personal Liability. No officer, agent or employee of the Authority shall be individually or personally liable for the payment of the interest on or principal of the Bonds; but nothing herein contained shall relieve any such officer, agent or employee from the performance of any official duty provided by law.

Section 9.09. Partial Invalidity. If any one or more of the covenants or agreements, or portions thereof, provided in this Indenture on the part of the Authority (or of the Trustee) to be performed should be contrary to law, then such covenant or covenants, such agreement or agreements, or such portions thereof, shall be null and void and shall be deemed separable from the remaining covenants and agreements or portions thereof and shall in no way affect the validity of this Indenture or of the Bonds; but the Bond Owners shall retain all rights and benefits accorded to them under the Bond Law or any other applicable provisions of law. The Authority hereby declares that it would have entered into this Indenture and each and every other section, paragraph, subdivision, sentence, clause and phrase hereof and would have authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this Indenture or the application

thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

Section 9.10. Destruction of Canceled Bonds. Whenever in this Indenture provision is made for the surrender to the Authority of any Bonds which have been paid or canceled pursuant to the provisions of this Indenture, the Authority may, if permitted by law, upon the Request of the Authority direct the Trustee to destroy such Bonds and furnish to the Authority a certificate of such destruction.

Section 9.11. Funds and Accounts. Any fund or account required by this Indenture to be established and maintained by the Authority or the Trustee may be established and maintained in the accounting records of the Authority or the Trustee, as the case may be, either as a fund or an account, and may, for the purpose of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account. All such records with respect to all such funds and accounts held by the Authority shall at all times be maintained in accordance with generally accepted accounting principles and all such records with respect to all such funds and accounts held by the Trustee shall be at all times maintained in accordance with corporate trust industry practices; in each case with due regard for the protection of the security of the Bonds and the rights of every Owner thereof.

Section 9.12. Notices. Any notice, request, complaint, demand, communication or other paper shall be sufficiently given and shall be deemed given when delivered or mailed by first class mail, postage prepaid, or sent by overnight mail or courier, or sent by fax, or other form of telecommunication, including electronic mail, addressed as follows:

The RIVERSIDE COUNTY PUBLIC FINANCING AUTHORITY, a joint powers authority organized and existing under the laws of the State of California (the "Authority"), for value received, hereby promises to pay (but only out of the Revenues and other moneys and securities hereinafter referred to) to the Registered Owner identified above or registered assigns (the "Registered Owner"), on the Maturity Date identified above, the Principal Amount identified above in lawful money of the United States of America; and to pay interest thereon at the Interest Rate identified above in like money from the date hereof, which date shall be the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond (unless this Bond is authenticated on or before an Interest Payment Date and after the fifteenth calendar day of the month preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or unless this Bond is authenticated on or before September 15, 2017, in which event it shall bear interest from the Dated Date identified above; provided, however, that if, at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest hereon has previously been paid or made available for payment), payable semiannually on April 1 and October 1 in each year, commencing October 1, 2017 (each an "Interest Payment Date"), until payment of such Principal Amount in full. The Principal Amount hereof and redemption premium (if any) are payable upon presentation hereof at the corporate trust office of The Bank of New York Mellon Trust Company, N.A. (the "Trustee") in Los Angeles, California or such other place as designated by the Trustee (the "Trust Office"). Interest hereon is payable by check of the Trustee mailed by first class mail on each Interest Payment Date to the Registered Owner hereof at the address of the Registered Owner as it appears on the registration books maintained by the Trustee (the "Registration Books") as of the fifteenth calendar day of the month preceding such Interest Payment Date, or, upon written request filed with the Trustee prior to the fifteenth (15th) day of the month preceding the Interest Payment Date by a Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to an account in the United States of America designated by such Registered Owner in such written request.

This Bond is one of a duly authorized issue of bonds of the Authority designated the "Riverside County Public Financing Authority 2017 Series A Tax Allocation Revenue Bonds (Desert Communities and Interstate 215 Corridor Projects)" (the "Bonds"), limited in principal amount to _____ Dollars (\$ _____), issued pursuant to and secured by an Indenture of Trust, dated as of _____ 1, 2017 (the "Indenture"), by and between the Authority and the Trustee. Reference is hereby made to the Indenture and all indentures supplemental thereto for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the Revenues (as that term is defined in the Indenture), of the rights, duties and immunities of the Trustee and of the rights and obligations of the Authority thereunder; and all of the terms of the Indenture are hereby incorporated herein and constitute a contract between the Authority and the Registered Owner hereof, and to all of the provisions of which Indenture the Registered Owner hereof, by acceptance hereof, assents and agrees.

The Bonds are authorized to be issued pursuant to the provisions of the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4 (commencing with Section 6584) of Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California (the "Act"). The Bonds are special obligations of the Authority and, as and to the extent set forth in the Indenture, are payable solely from the Revenues and certain other moneys and securities held by the Trustee as provided in the Indenture. All of the Bonds are equally secured by a pledge of, and charge and lien upon, all of the Revenues and such other moneys and securities, and the Revenues and such other moneys and securities constitute a trust fund for the security and payment of the principal of and interest on the Bonds. The full faith and credit of the Authority is not pledged for the payment of the principal of or interest or redemption premiums (if any) on the Bonds. The Bonds are not secured by a legal or equitable pledge of, or charge, lien or encumbrance upon, any of the property of the Authority or any of its income or receipts, except the Revenues and such other moneys and securities as provided in the Indenture.

The Bonds have been issued to provide funds to the Authority to purchase two separate issues of tax allocation refunding bonds (collectively, the "Successor Agency Bonds") issued by the Successor Agency to the Redevelopment Agency for the County of Riverside (the "Successor Agency") to refund certain outstanding obligations of the Successor Agency with respect to its Desert Communities Redevelopment Project Area and Interstate 215 Corridor Redevelopment Project Area (collectively the "Project Areas"). The Successor Agency Bonds are issued pursuant to two separate Indentures of Trust, each dated as of _____ 1, 2017 and by and between the Successor Agency and the Trustee (collectively, the "Successor Agency Bonds Indentures") and are secured by a pledge of, security interest in and lien on Tax Revenues (as defined in the Successor Agency Bonds Indentures) allocated and paid to the Successor Agency with respect to the Project Areas. The Successor Agency Bonds are payable on a parity with certain other obligations of the Successor Agency as provided in the Successor Agency Bonds Indentures.

The Bonds maturing on or before October 1, 20__, are not subject to optional redemption prior to maturity. The Bonds maturing on and after October 1, 20__, are subject to redemption, at the option of the Authority or the Successor Agency on any date on or after October 1, 20__, as a whole or in part, by such maturities as shall be determined by the Authority or the Successor Agency, and by lot within a maturity, from any available source of funds, at a redemption price equal to the principal amount of the Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Term Bonds maturing on October 1, 20__ are subject to mandatory sinking fund redemption in part by lot at a redemption price equal to the principal amount thereof to be

redeemed, plus accrued interest thereon to the date of redemption, without premium, in the aggregate respective principal amounts and on October 1, in the respective years as set forth in the following tables; provided, however, that in lieu of mandatory sinking fund redemption thereof such Bonds may be purchased by the Successor Agency pursuant to the Successor Agency Bonds Indentures:

Term Bonds Maturing October 1, 20__

Sinking Account Redemption Date (October 1)	Principal Amount To be Redeemed or Purchased
---	--

The Bonds are also subject to mandatory redemption in whole, or in part among maturities on a pro rata basis and by lot within a maturity, on any date, from amounts credited towards the payment of principal of any Successor Agency Bonds (as defined in the Indenture) coming due and payable solely by reason of acceleration of such Successor Agency Bonds by reason of an Event of Default, as provided in the Successor Agency Bonds Indentures, at a redemption price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the redemption date.

The Trustee on behalf and at the expense of the Authority shall mail (by first class mail) notice of any redemption to the Insurer (as defined in the Indenture) and to the respective Owners of any Bonds designated for redemption, at their respective addresses appearing on the Registration Books, to the Securities Depositories and to one or more Information Services (as such terms are defined in the Indenture), at least thirty (30) but not more than sixty (60) days prior to the redemption; provided, however, that neither failure to receive any such notice so mailed nor any defect therein shall affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice shall state the date of the notice, the redemption date, the redemption place and the redemption price and shall designate the CUSIP numbers, the serial numbers of each maturity or maturities (except that if the event of redemption is of all of the Bonds of such maturity or maturities in whole, the Trustee shall designate such maturities or the maturity in whole without referencing each individual number) of the Bonds to be redeemed, and shall require that such Bonds be then surrendered at the Trust Office for redemption at the redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Authority shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of optional redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Authority and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 or any integral multiple thereof. Subject to the limitations and upon payment of the charges, if any, provided in the Indenture, fully registered Bonds may be exchanged at the Trust Office or such other place as designated by the Trustee for a like aggregate principal amount and maturity of fully registered Bonds of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Trust Office or such other place as designated by the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer a new fully registered Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. The Trustee shall not be required to register the transfer or exchange of any Bond during the period established by the Trustee for the selection of Bonds for redemption or any Bond selected for redemption.

The Authority and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority and the Trustee shall not be affected by any notice to the contrary.

The Indenture and the rights and obligations of the Authority and of the owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time in the manner, to the extent, and upon the terms provided in the Indenture; provided that no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Authority to pay the principal, interest or redemption premiums at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the registered owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee, all as more fully set forth in the Indenture.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Authority or the Trustee for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

It is hereby certified that all things, conditions and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of California and by the Act, and that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Constitution or statutes of the State of California or by the Act.

This Bond shall not be entitled to any benefit under the Indenture, or become valid or obligatory for any purpose, until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Authority has caused this Bond to be executed in its name and on its behalf by the facsimile signatures of its Executive Director and Secretary and its seal to be reproduced hereon all as of the Dated Date identified above.

All the opinions, letters, certificates, instruments and other documents mentioned above or elsewhere in this Purchase Contract shall be deemed to be in compliance with the provisions hereof if, but only if, they are in form and substance satisfactory to the Underwriters.

If the Authority, the Agency or the Trustee shall be unable to satisfy the conditions to the obligations of the Underwriters to purchase, to accept delivery of and to pay for the Bonds contained in this Purchase Contract, if the Authority or Agency shall determine in good faith (and provide written notice to the Underwriters) that legislation has been introduced or proposals made by the Governor of the State which if enacted and effective would impose additional limitations or burdens on the Authority, the Agency or the County by reason of the issuance of the Bonds or which purport to prohibit the issuance of the Bonds, or if the obligations of the Underwriters to purchase, to accept delivery of and to pay for the Bonds shall be terminated for any reason permitted by this Purchase Contract, this Purchase Contract shall terminate and the Underwriters shall be under no further obligation hereunder.

9. Termination. The Underwriters shall have the right to terminate this Purchase Contract, without liability therefor, by notification to the Authority if at any time between the date hereof and prior to the Closing:

(a) any event shall occur which causes any statement contained in the Official Statement to be materially misleading or results in a failure of the Official Statement to state a material fact necessary to make the statements in the Official Statement, in the light of the circumstances under which they were made, not misleading and, in either such event, (a) the Authority refuses to permit the Official Statement to be supplemented to supply such statement or information in a manner satisfactory

to the Underwriters or (b) the effect of the Official Statement as so supplemented is, in the judgment of the Underwriters, to materially adversely affect the market price or marketability of the Bonds or the ability of the Underwriters to enforce contracts for the sale, at the contemplated offering prices (or yields), of the Bonds; or

(b) the marketability of the Bonds or the market price thereof or the ability of the Underwriters to enforce contracts for the sale, at the contemplated offering prices (or yields) of the Bonds, in the opinion of the Underwriters, has been materially adversely affected by an amendment to the Constitution of the United States or by any legislation in or by the Congress of the United States or by the State, or the amendment of legislation pending as of the date of this Purchase Contract in the Congress of the United States, or the recommendation to Congress or endorsement for passage (by press release, other form of notice or otherwise) of legislation by the President of the United States, the Treasury Department of the United States, the Internal Revenue Service or the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, or the proposal for consideration of legislation by either such Committee or by any member thereof, or the presentment of legislation for consideration as an option by either such Committee, or by the staff of the Joint Committee on Taxation of the Congress of the United States, or the favorable reporting for passage of legislation to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or any decision of any Federal or State court or any ruling or regulation (final, temporary or proposed) or official statement on behalf of the United States Treasury Department, the Internal Revenue Service or other federal or State authority materially adversely affecting the federal or State tax status of the Agency, or the interest on bonds or notes or obligations of the general character of the Bonds; or

(c) any legislation, ordinance, rule or regulation shall be introduced in, or be enacted by any governmental body, department or agency of the State, or a decision by any court of competent jurisdiction within the State or any court of the United States shall be rendered which, in the reasonable opinion of the Underwriters, materially adversely affects the marketability or the market price of the Bonds or the ability of the Underwriters to enforce contracts for the sale, at the contemplated offering prices (or yields) of the Bonds; or

(d) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including all underlying obligations, as contemplated hereby or by the Official Statement, is in violation or would be in violation of, or that obligations of the general character of the Bonds, or the Bonds, are not exempt from registration under, any provision of the federal securities laws, including the Securities Act of 1933, as amended and as then in effect, or that the Indenture needs to be qualified under the Trust Indenture Act of 1939, as amended and as then in effect; or

(e) additional material restrictions not in force as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities exchange which restrictions materially adversely affect the marketability or the market price of the Bonds or the ability of the Underwriters to enforce contracts for the sale, at the contemplated offering prices (or yields) of the Bonds; or

(f) a general banking moratorium shall have been established by federal or State authorities; or

(g) the United States has become engaged in hostilities which have resulted in a declaration of war or a national emergency or there has occurred any other outbreak of hostilities or a national or international calamity or crisis, or there has occurred any escalation of existing hostilities, calamity or crisis, financial or otherwise or there has occurred a downgrade of the sovereign debt rating of the United States by any major credit rating agency or payment default on United States Treasury obligations', the effect of which on the financial markets of the United States being such as, in the reasonable opinion of the Underwriters, would affect materially adversely the marketability or market price of the Bonds or the ability of the Underwriters to enforce contracts for the sale, at the contemplated offering prices (or yields) of the Bonds; or

(h) any rating of the Bonds shall have been downgraded, suspended or withdrawn by a national rating service, which, in the Underwriters' reasonable opinion, materially adversely affects the marketability or market price of the Bonds or the ability of the Underwriters to enforce contracts for the sale, at the contemplated offering prices (or yields) of the Bonds; or

(i) the commencement of any action, suit or proceeding described in Section 5(f) or 6(h) hereof which, in the judgment of the Underwriters, materially adversely affects the market price of the Bonds or the ability of the Underwriters to enforce contracts for the sale, at the contemplated offering prices (or yields) of the Bonds; or

(j) there shall be in force a general suspension of trading on the New York Stock Exchange.

10. Expenses. The Authority (or the Agency on behalf of the Authority) will pay or cause to be paid the approved expenses incident to the performance of its obligations hereunder and certain expenses relating to the sale of the Bonds, including, but not limited to, (a) the cost of the preparation and printing or other reproduction of the Authority Legal Documents and the Agency Legal Documents (other than this Purchase Contract); (b) the fees and disbursements of Bond Counsel, Disclosure Counsel, the Municipal Advisor, Fiscal Consultant and any other experts or other consultants retained by the Agency; (c) the costs and fees of the credit rating agencies; (d) the cost of preparing and delivering the definitive Bonds; (e) the cost of providing immediately available funds on the Closing Date; (f) the cost of the printing or other reproduction of the Preliminary Official Statement and Official Statement and any amendment or supplement thereto, including a reasonable number of certified or conformed copies thereof; (g) the Underwriters' out-of-pocket expenses incurred with the financing; (h) the fees of [Digital Assurance Certification, L.L.C.] for a continuing disclosure undertaking compliance review; and (i) expenses (included in the expense component of the spread) incurred by the Underwriters on behalf of the Authority's, the County's or the Agency's employees which are incidental to implementing this Purchase Contract. The Underwriters will pay (from the expense component of the spread) the expenses of the preparation of this Purchase Contract and all other expenses incurred by the Underwriters in connection with the public offering and distribution of the Bonds, and the fee and disbursements of Underwriters' Counsel. The Underwriters are required to pay the fees of the California Debt and Investment Advisory Commission in connection with the offering of the Bonds. The Authority and the Agency acknowledge that they have had an opportunity, in consultation with such advisors as it may deem appropriate, if any, to evaluate and consider such fees. Notwithstanding that such fees are solely the legal obligation of the Underwriters, the Authority (or the Agency on behalf of the Authority) agrees to reimburse the Underwriters for such fees.

MEMORANDUM

To: Successor Agency to the Redevelopment Agency for the County of Riverside

Date: January 6, 2017

From: C.M. de Crinis - Financial Advisor to the County of Riverside Tax Allocation Bonds Refunding Program

RE: \$162 million Successor Agency 2017 Bond Refunding Plan.
Series 2006 JPFA Series A , Series 2007 Jurupa Valley Project Area, Series 2010 A Housing, Series 2010 Mid-County Project Area, Series 2010 Desert Communities Project Area and Series 2010 Interstate 215 Project Area Bonds.

Introduction

As a result of ABx1 26 and the California Supreme Court decision in the Matosantos case challenging the constitutionality of AB 26, all redevelopment agencies in the State were dissolved as of February 1, 2012, including the Redevelopment Agency for the County of Riverside, and successor agencies to the former redevelopment agencies were designated to expeditiously wind down the affairs of the former redevelopment agencies. The County of Riverside acts as the successor agency to the Redevelopment Agency (the "Successor Agency").

Section 34177.5 of the Health & Safety Code, which was added to the Dissolution Act by AB 1484, authorizes the Successor Agency to issue bonds for the purpose of refunding outstanding tax allocation bonds of the Redevelopment Agency or the Successor Agency to provide debt service savings provided that (A) the total interest

cost to maturity on the refunding bonds plus the principal amount of the refunding bonds does not exceed the total remaining interest cost to maturity on the bonds to be refunded plus the remaining principal of the bonds to be refunded, and (B) the principal amount of the refunding bonds does not exceed the amount required to defease the refunded bonds, to establish customary debt service reserves, and to pay related costs of issuance. If the foregoing conditions are satisfied, the initial principal amount of the refunding bonds may be greater than the outstanding principal amount of the bonds to be refunded.

Section 34177.5(h) of the Dissolution Act requires the Successor Agency to make diligent efforts to ensure that the lowest long-term cost financing is obtained, and requires the successor agency to make use of an independent financial advisor in developing financing proposals and to make the work products of the financial advisor available to the Department of Finance at its request. This report will be submitted to the Department of Finance as part of the Agency's request for approval of the proposed 2016 refunding for the 2006 A and 2006 B Public Financing Authority Tax Allocation Revenue Bonds.

This report is written by C.M. de Crinis & Co. Inc., which has been engaged as the independent financial advisor to the County of Riverside's Tax Allocation Bond Refunding Program (the "County Program"), to analyze the possible refunding of the Successor Agency's tax allocation bonds and to assure compliance with AB 1484.

Overview of Bond Refunding Plan

On February 20, 2014 the County's Successor Agency Oversight Board elected, pursuant to Health and Safety Code Section 34177.5(f), to participate in the Riverside County's Refunding Program which is available to all Successor Agencies in the County. Consistent with its internal policies and its fiduciary obligation to the taxpayers, the Successor Agency's staff and the Program's financing team continue to bring forward refunding candidates that meet its savings guidelines. Currently we have identified six additional series of outstanding bonds of the Successor Agency totaling \$169,595,000 that can be refunded for savings. These six bond series were issued by the Successor Agency in 2006, 2007 and 2010. The bonds issued in 2006 and 2007 must be refunded on a current basis while the 2010 Bonds can be advance refunded. A table of the all the Successor Agency bond debt and the identified refunding candidates is shown below.

Targeted Refunding Candidates
 Future Refunding Candidates

Refunding Candidates

The Successor Agency proposes to refund the highlighted issues:

1. **Series 2006 D Bonds (Desert Communities Project Area).** Currently \$1,620,000 in Bonds are outstanding and refundable for acceptable savings. These bonds have a final maturity date of October 1, 2037 and were first callable 10/1/2016 at Par. Net Present Value savings are currently \$126,408 or 7.8 % of bonds refunded. It is expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of “premium” pricing; the net proceeds will be sufficient to redeem the outstanding bonds.
2. **Series 2007 Bonds (Jurupa Valley Project Area).** Currently \$71,730,000 in Bonds are outstanding and refundable for acceptable savings. These bonds have a final maturity date of October 1, 2035 and are first callable 10/1/2017 at Par. Net Present Value savings are currently \$ 3,970,833 or 5.5 % of bonds refunded. It is expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of “premium” pricing; the net proceeds will be sufficient to redeem the outstanding bonds.. With the exception of \$7 million, the Series 2007

Bonds cannot be advance refunded on a tax exempt basis. The bonds, therefore, cannot be issued until after July 1, 2017.

3. **Series 2010 A Housing Bonds.** Currently \$15,885,000 in Bonds are outstanding and can be advance refunded for acceptable savings. These bonds have a final maturity date of October 1, 2039 and are first callable 10/1/2020 at par. Net Present Value savings are currently \$1,162,884 or 7.3% of bonds refunded. It is expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of “premium” pricing; the net proceeds will be sufficient to redeem the outstanding bonds..
4. **Series 2010 Bonds (Mid-County – Series C, Desert Communities – Series D & Interstate 215 – Series E Project Areas).** Currently \$80,360,000 in Bonds are outstanding and can be advance refunded for acceptable savings. These bonds are first callable 10/1/2020 at Par. The 2010 Bonds are outstanding in the following amounts:
 - a. Series 2010 C (Mid-County)- \$5,350,000 – Final Maturity 10/1/40
 - b. Series 2010 D (Desert Communities) - \$28,305,000 – Final Maturity 10/1/37
 - c. Series 2010 E (Interstate 215) - \$46,705,000 – Final Maturity 10/1/40

Net Present Value savings are currently \$7,472,818 or 9.75% of bonds refunded. It is expected that the amount of refunding bonds to be sold will be less than the bonds outstanding as a result of “premium” pricing; the net proceeds will be sufficient to redeem the outstanding bonds.

Bond Structuring - General

Given the historically low interest rates, the Successor Agency has reviewed the viability of refunding the 2010 and 2011 bonds. The analysis supported current refunding the remaining Series 2006 D and 2007 Bonds and advance refunding certain of the Series 2010 Bonds. This was determined based on savings targets and opportunity costs associated with advance refunding bonds. Based on these costs, particularly the negative cost of carry to the call dates and the unpredictability of the credit markets, the Successor Agency determined that only the 2010 issues will be advance refund at this time.

Bond Structure and Credit Considerations – Refunding Series 2006 D, Series 2010 D and Series 2010 E Bonds for the Desert Communities and Interstate 215 Project Areas.

The Refunding of the Series 2006D and the Series 2010 D and E Bonds will be on issued on a pooled basis to reduce costs and be consistent with the pooling in 2015 and 2016 for these same project areas.

\$ 79,335,000

Riverside County Public Financing Authority
2017 Series A Tax Allocation Refunding Revenue Bonds
(Pooling Series 2017 D & Series 2017 E)

After analyzing several alternative structures with the lead underwriter, the recommended financing plan is to *consolidate the proposed Successor Agency refunding bond issues, the Series 2017 D and E Bonds into a single bond issue in a simultaneous two-step process.* First, senior lien project area refunding bonds, *the Series 2017 D and E Bonds* will be issued by the Successor Agency on parity with their respective existing project area senior lien bonds. Additionally, these bonds will be secured by a pledge of, and lien on, and shall be repaid from moneys deposited from time to time in the Successor Agency's Redevelopment Property Tax Trust Fund pursuant to Section 34177.5(g), known as an RPTTF Pledge. Second, *the Series 2017 D and E Bonds* will simultaneously sold to the Riverside County Public Financing Authority and pooled into a single revenue bond issue, the Riverside County Public Financing Authority 2017 Refunding Revenue Bonds. This pooled structure is advisable as the senior lien bonds of the underlying Project Areas (Desert Communities and Interstate 215) each maintain the bond rating of Standard & Poor's "A" and "A-" respectively. In 2016 the same structure received a rating upgrade to "A". It is expected therefor that the Series 2017 Bonds will also be rated Standard & Poor's "A". Given their underlying ratings, it is not expected that pooling the issues will incur added interest costs and that costs of issuing the bonds can be lowered. Institutional investors are familiar with the pooled structure for these project areas from 2015 and 2016. This is the **same bond structure** utilized to refund the underlying pooled bonds for PFA Series 2005 and 2006 A and B Bonds in 2015 and in 2016 Bonds for the corresponding project areas.

Issuing all the Refunding Bonds in a single issuance, with a subordinate RPTTF pledge only, was also explored. Given the complex nature of the County RPTTF Fund, existing senior and subordinate debt and the number of project areas and sub areas, it was not deemed advisable given the complexity to evaluate the credit by potential investors and bond insurance companies. The proposed structure was determined more efficient from a bond pricing, savings and debt administration standpoint.

The 2017 Refunding Revenue Bonds issued by the Authority will be purchased by an underwriting team lead by Citigroup Global Markets. Senior lien debt service coverage on the Series D Bonds is expected to be over 168 % and senior lien debt service coverage on the Series E Bonds is expected to be 179 %. Revenue Bond Structures, as proposed, are not cross collateralized, with the exception of the RPTTF back up pledge. The Desert Communities Project Area, however, has high property owner diversification and is considered one of the strongest of the Agency's project areas.

County policy is to achieve a minimum net present value savings of 3% of the principal bonds refunded (*Board Policy B-24*). If the savings are insufficient, the Successor Agency may forgo or delay the refinancing. The Series 2006 D Bonds can be refunded or repaid at any time after October 1, 2016 upon 30 days' notice and will be treated as a current refunding under Federal Tax Law. The Series 2010 D and E Bonds will be treated as an advance refunding and are not callable until 10/1/20. Since a significant portion of the proposed

bonds are advance refunding's, County Staff may require savings higher than the 3% minimum required by the County Debt Policy.

Tax revenues will be pledged to pay the refunding debt service and submitted together with other existing Successor Agency debt service on the semi-annual ROPS for approval by the Department of Finance.

The bond term and repayment dates will be identical to the outstanding bonds being refunded. Savings will be proportional in each year.

Bond Structure and Credit Considerations for refunding Jurupa 2007 and Series 2010 C for the Jurupa and Mid-County Project Areas.

The Refunding of the Series 2007 Jurupa Project Area and 2010 Series C Bonds will be issued directly by the Agency on standalone basis.

Tax Allocation Refunding Bonds
2017 Series C

The Series 2017 Series B (Jurupa Valley Project Area) and Series 2017 C (Mid-County Project Area) Refunding Bonds will *be issued directly by the Agency* on senior lien parity basis with its existing outstanding bond series in each Project Area. The decision was made not to include the Series B or C Bonds in the pooled financing since Jurupa Valley is the largest and strongest of the Agency's five project areas, rated "A" by S & P and in the opinion of the managing underwriter would garner more investor interest while the Series C Bonds, the Mid-County Project Area, is the smallest and weakest of the Agency's five project areas, Rated "BBB+" by S & P and in the opinion of the managing underwriter would garner the least investor and bond insurer interest. Additionally the Series 2007 Jurupa Bonds cannot be advance refunded and therefor may be on a different underwriting schedule by a few months. While the pricing experience in 2016 would support including these issues in a pooled structured given the very strong bond markets at the time, it is not known what impact this would have in more volatile markets if the bond sale was delayed to accommodate the Series B Bonds. Another concern is that pooling these issues with the other project areas bonds would be detrimental to the 2017 PFA Bonds given that under the pooled structure, the weakest project area, Mid-County with a BBB+ rating, is the basis for the bond rating and bond insurance pricing. While not the case in 2016, in 2015 Mid-County was turned down for bond insurance from one of the primary insurers and premiums were higher from the remaining insurer. Property owner concentration is very high in Mid-County. The decision was made to keep the Agency's debt structure reasonably manageable. Expected debt service coverage on the 2017 Series B Jurupa issue is expected at 213 % and the coverage on the Series C Mid-County issue is expected to be 371 %, however most of this coverage in Mid-County is due to a single Power Plant owner who paid 39.1% of the property taxes in the project area last year.

When the RPTTF residual taxes are additionally pledged to bond debt service, it raises the ratings to "A". Jurupa is also expected to qualify for bond insurance. Whether Mid-County qualifies for bond insurance or not will have to be determined during the rating process.

The bond term and repayment dates will be identical to the outstanding bonds being refunded. Savings will be proportional in each year.

The Series 2017 Housing Bonds will *be issued directly by the Agency* on a senior lien parity basis with its existing \$154 million in outstanding housing bond series. Expected debt service coverage on the 2017 Housing issue is expected at 170%. The current rating of the Housing Series is "A" by Standard & Poor's. The 2017 Housing Bond Series along with the other outstanding housing series are secured joint and severally by all five of the County's Project Areas.

Bond Debt Service Reserve Funds

In 2014 amendments to the prior indentures were approved by the existing insurers, Syncora and National Public Finance Guarantee, to allow for new debt service reserve fund sureties in cases where lower rated bond reserve fund sureties currently exist. These amendments were granted in connection with the Agency’s 2014 Refunding Bonds. The Agency’s Series D Bonds underlying the Series 2006 Riverside County PFA Series A Bonds currently have bond reserve fund surety policies issued by MBIA which is now National Public Finance Guarantee. Securing new surety policies produces greater savings than funding the debt service reserve requirement with cash from bond proceeds. Due to the 2008 credit crisis, great recession, and concerns about the dissolution of Redevelopment Agencies in 2012, bond insurance was not available in 2010 and the Series 2010 C, D and E Bonds had cash funded bond reserve funds. The market has changed since 2010 and bond insurance, including bond insurance reserve fund surety policies are available and add value in 2017. For the proposed Series 2017 PFA Bonds, refunding the Series 2006 D and Series 2010 D and E Bonds, a bond reserve fund surety can replace the 2006 D surety but the Series 2010 D and E must have cash funded debt service reserve funds. The Series 2017 B Bonds can

replace the existing reserve fund surety. The Series 2017 C Bond debt service reserve must be cash funded. The Series 2017 Housing Series is also expected to hold a cash funded debt service reserve fund.

There are three reserve fund surety providers generally acceptable to the market, Assured Guarantee Municipal, National Public Finance Guarantee and Build America Mutual; none have the "AAA" credit ratings from both Standard & Poor's and Moody's as required under the existing senior indentures. Their Standard and Poor's ratings are "AA", "AA-" and "AA" respectively. Obtaining bond insurance and a higher rated surety policy, if available, will upgrade the credit quality of the Project Area's other outstanding parity tax allocation bonds. It is also expected that the Authority's and Agency's Refunding Bonds will qualify and benefit from bond insurance.

Bond Ratings

It is expected, based upon the experience of the Series 2015 and 2016 Refunding Programs, that the Series 2017 PFA Refunding Revenue Bonds will receive an underlying rating from Standard & Poor's of "A", based on each project area's characteristics, increased debt service coverage, and backup RPTTF Pledge. This will be an upgrade for the Series 2010 E Bonds (I-215 Project Area). The Series 2017 Jurupa, Mid-County and Housing Series are expected to also be rated "A" by Standard & Poor's, based primarily on the backup RPTTF pledge.

It is also expected that bond insurance will be available from Assured Guaranty Mutual and/or Build America Mutual increasing the ratings to the "AA" category which is the current rating of both insurers by S&P. **Assured Guaranty insured the Authority's and Agency's 2015 Refunding Bonds and Build America Mutual (BAM) insured the 2016 Bonds.** No application will be made for a Moody's or Fitch rating. Insurance premiums are expected to be lower for the Series B Jurupa Valley Project Area Bonds and higher or possibly not available for the Series C Mid-County Project Area Bonds when compared to the proposed Pooled PFA Bond Series D and E Bonds.

Process and Timing

The Successor Agency and Oversight Boards are expected to approve the financing legal documents for the proposed refunding bond series at their respective meetings in January or early February 2017. The Successor Agency and the Authority are expected to take action to approve the Bond Official Statements in March 2017. Assuming timely approvals from all entities, including the State Department of Finance, the Successor Agency and the Authority anticipate underwriting the Series 2017 PFA Refunding Bonds, the Series 2017 Housing Series and Series 2017 Series C Bonds for the Mid-County Project Area in April of 2017. The refunding the Series 2017 B Bonds for the Jurupa Project Area cannot be underwritten until June 2017 because they cannot be advance refunded on a tax exempt basis as discussed previously. Depending on market conditions in April of 2017 all Bond issues may be delayed until June 2017.

Allocation of Savings

It is expected that reductions in annual debt service will be allocated by the County Auditor to the appropriate taxing entities semiannually as part of the tax apportionment and ROPS processes. The primary beneficiaries are school and community college districts receiving approximately 60% of the savings although the State may offset savings by reducing State funding to all but Basic Aid Districts. The County will receive approximately 30% (direct and indirect) of the annual savings, with the remainder distributed to cities and special districts. (See attached summary.)

Compliance with AB 1484

Based upon the current projected results, the 2017 Refunding Bonds would meet the tests imposed by AB 1484 – See “Summary of Refunding Results” herein. The total interest cost to maturity on the refunding bonds plus the principal amount of the refunding bonds does not exceed the total remaining interest cost to maturity on the bonds to be refunded plus the remaining principal of the bonds to be refunded, and the principal amount of the refunding bonds does not exceed the amount required to defease the refunded bonds, to establish customary debt service reserves, and to pay related costs of issuance. It is also worth noting here that the County’s policy with respect to refundings is to obtain a present value savings of at least 3% of the refunded bonds. (See Refunding Results Table herein)

The Successor Agency has made diligent efforts to ensure that the lowest long-term cost financing is obtained. These efforts include selecting a bond structure which is expected to carry the lowest interest cost and having a co-manager for underwriting the bonds. The Successor Agency has utilized an independent financial advisor in developing financing proposals and the work products of the financial advisor in addition to this memorandum are available to the Department of Finance at its request.
