Staff will submit the final 2017-2018 One-Year Action Plan to the Board of Supervisors for adoption. The schedule for this Board action has not yet been determined because the Federal FY 2017 appropriations have not been approved by Congress. The One-Year Action Plan will identify the specific activities selected for Community Development Block Grant (CDBG), Home Investment Partnership Program (HOME), and Emergency Solutions Grant (ESG) funding. The 2017-2018 One-Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval.

**EXECUTIVE SUMMARY.** The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2017-2018 One Year Action Plan is a component of the Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process, and after comments have been received, the County will prepare and submit the final 2017-2018 One Year Action Plan of the 2014-2019 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.

**ANTICIPATED FUNDS.** Anticipated allocations to be received through the FY 2017-18 HUD appropriations are: \$7,731,823 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$1,864,798 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and \$649,342 for the Emergency Solutions Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

**SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES.** The County received 106 proposals for the 2017-18 CDBG funding totaling \$8,401,452. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Emergency Solutions Grant Program requests totaled \$1,327,373. HOME program proposals include: HOME New Construction (\$699,300); HOME Direct Ownership (\$699,299); HOME/CHDO Set-Aside (\$279,720); and HOME administration (\$186,479). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs (\$1,864,798).

**DISPLACEMENT.** Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

**CITIZEN PARTICIPATION AND COMMENTS.** The County of Riverside initiated the 2017-2018 CPD Funding cycle in July, 2016, with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in June, 2016, with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2017-2018 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

**PARTICIPATING COMMUNITIES.** The 2017-2018 One Year Action Plan of the 2014-2019 Consolidated Plan includes the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Eastvale, Indian Wells, Jurupa Valley, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

**IMPLEMENTATION.** The goals for the 2017-2018 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

Staff will submit the final 2017-2018 One-Year Action Plan to the Board of Supervisors for adoption. The schedule for this Board action has not yet been determined because the Federal FY 2017 appropriations have not been approved by Congress. The One-Year Action Plan will identify the specific activities selected for Community Development Block Grant (CDBG), Home Investment Partnership Program (HOME), and Emergency Solutions Grant (ESG) funding. The 2017-2018 One-Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval.

**EXECUTIVE SUMMARY.** The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2017-2018 One Year Action Plan is a component of the Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process, and after comments have been received, the County will prepare and submit the final 2017-2018 One Year Action Plan of the 2014-2019 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.

**ANTICIPATED FUNDS.** Anticipated allocations to be received through the FY 2017-18 HUD appropriations are: \$7,731,823 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$1,864,798 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and \$649,342 for the Emergency Solutions Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

**SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES.** The County received 106 proposals for the 2017-18 CDBG funding totaling \$8,401,452. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Emergency Solutions Grant Program requests totaled \$1,327,373. HOME program proposals include: HOME New Construction (\$699,300); HOME Direct Ownership (\$699,299); HOME/CHDO Set-Aside (\$279,720); and HOME administration (\$186,479). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs (\$1,864,798).

**DISPLACEMENT.** Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

**CITIZEN PARTICIPATION AND COMMENTS.** The County of Riverside initiated the 2017-2018 CPD Funding cycle in July, 2016, with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in June, 2016, with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2017-2018 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

**PARTICIPATING COMMUNITIES.** The 2017-2018 One Year Action Plan of the 2014-2019 Consolidated Plan includes the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Eastvale, Indian Wells, Jurupa Valley, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

**IMPLEMENTATION.** The goals for the 2017-2018 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.
