BACKGROUND:

Project Scope

General Plan Amendment No. 1184 is a General Plan Foundation Component Amendment to change the project site's Foundation Component from Rural (R) to Community Development (CD) and to amend its Land Use Designation from Rural Residential (RR) to Medium Density Residential (MDR), on one parcel, totaling 39.09 gross acres. The project site is generally located north of Scott Road, south of Wickerd Road, west of Leon Road, and is within the Sun City/Menifee Valley Area Plan. The application for this Foundation Component General Plan Amendment was submitted during the application window for the 2016 General Plan Review Cycle.

General Plan Initiation Process

Prior to a private application for a General Plan Regular Foundation Component Amendment being processed by the Planning Department, the application is required to go through the General Plan Initiation Process (GPIP) process. The GPIP process includes receiving comments on the proposed amendment from the General Plan Advisory Committee (GPAC) and the Planning Commission. These comments are then provided to the Board of Supervisors. At this initial stage of the process, specific details of the Foundation General Plan Amendment and any accompanying implementing project are not considered, and public hearings are not required before the Planning Commission or the Board of Supervisors. The GPIP process provides an opportunity for the applicant to hear comments related to his or her proposed project before embarking on the land use and environmental review process. At this time, the Board of Supervisors will only be considering whether to initiate proceedings for the proposed Foundation Component General Plan Amendment. If the Board of Supervisors adopts an order initiating proceedings for the proposed Amendment, the proposed Amendment will then go through the land use review process including applicable environmental review, Tribal consultation, and public hearings. The initiation of proceedings by the Board of Supervisors does not commit the County to a certain course of action and shall not imply any such amendment will be approved. The Board retains full discretion under the California Environmental Quality Act when reviewing the proposed Amendment during the land use review process.

Justification for Foundation Component Amendment

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Pursuant to the Riverside County General Plan, Chapter 11: Administration Element and Article II, Section 2.5 of Ordinance No. 348, related to General Plan Regular Foundation Component Amendments, specific findings are required to approve a Foundation Component Amendment. These include findings that new conditions or circumstances exist that justify modifying the General Plan, that the modification does not conflict with the overall County Vision and that the modification would not create an internal inconsistency among the other General Plan Elements. The application for Foundation Component Amendments requires the applicant to provide information describing a new condition or circumstance that justifies modifying the General Plan. Such information has been provided by the applicant and is included with this report package.

General Plan Advisory Committee

This application was considered by the General Plan Advisory Committee (GPAC) during a public meeting on August 25, 2016, Agenda Item 3.4, and was recommended for initiation to the Planning Commission.

During the GPAC meeting, the members discussed the proposed land use change as well as the other land use changes occurring in the area. The members felt that the change would be appropriate, as the immediate area surrounding the site has a number of other proposed general plan amendments requesting similar residential densities. As a result, the GPAC recommended this project move forward for initiation.

Planning Commission

This application was considered by the Planning Commission during a public meeting on November 2, 2016, Agenda Item 2.5, and the following comments were provided by the Planning Commissioners:

During the Planning Commission meeting, the Commissioners also discussed the proposed land use change as it relates to the surrounding properties and compatibility with the other proposed projects. The Planning Commission felt that the proposed change would be appropriate, but cautioned that any future implementing development be sensitive to the surrounding community.

Impact on Citizens and Businesses

None at this time. Should the Board of Supervisors initiate this General Plan Foundation Component Amendment application, an appropriate level of land use review and environmental analysis will be conducted in conjunction with the amendment and with any implementing project.

RE: Items 2.1 – 2.11; 4.1: General Plan Initiation Proceedings, November 2, 2016

Dear Chair and Members of the Commission

Endangered Habitats League (EHL) appreciates the opportunity to submit written testimony on the General Plan Initiation Proceedings. We served on the General Plan Advisory Committee (GPAC) but, in some cases, EHL positions have been refined since the GPAC votes.

Proposals before you that do not have compelling planning merit and that do not reflect significant changes in circumstances should not move forward to full environmental review. The burden of proof is upon the applicant and/or Planning Department to affirmatively establish such facts.

General comments

EHL is concerned that the Planning Department has not provided 1) basic information as to whether more intensive uses are justified or 2) guidelines to determine whether the proposals – individually or collectively – move the County in the right direction.

Basic and necessary information includes the *housing capacity* present but unbuilt in the County and Cities' General Plans. Prior information indicates that there is a huge *overcapacity* of housing that argues against all but the most strategic increases. Other missing information includes the cumulative traffic implications of the proposed General Plan amendments. We urge you to request such information before considering these proposals.

Factors in assessing proposals should include whether the jobs-housing balance is improved or worsened, whether the greater intensity of use will be served by transit now or realistically in the future, whether vehicles miles traveled would be below current averages and put greenhouse gas (GHG) emissions on a lowered trajectory, whether the new development will be subject to high fire hazard, and whether it conflicts with the MSHCP. We hope that the Planning Department will offer its professional guidance. If not, the Commission should independently formulate a series of *guiding principles* for GPA initiation. A piecemeal approach is not adequate.

EHL's recommendations are based upon compelling planning rationale, jobs-housing balance, transit availability, vehicle miles traveled and GHG emissions, the folly of putting more and more homes in the path of wildfire, and biological considerations. In some cases, we have identified missing information needed for justification or suggested modifications. We hope that this Commission will take a hard look at the County's future and chart a more sustainable path for the County's present and future citizens than simply perpetuating current trends.

Also, we are disappointed in the staff reports for these items. There is only a brief staff recommendation and complete deferral to applicants for justification in terms of the requisite General Plan findings. In contrast, during the last GPA cycle, staff provided its own independent and reasoned analyses, and its recommendations were grounded in facts and discussion. This was far more valuable.

Specific comments

2.1 GENERAL PLAN AMENDMENT NO. 1174 (FOUNDATION AND ENTITLEMENT/POLICY) – Temescal Canyon Area Plan – West Corona Zoning Area – Zone: One-Family Dwellings (R1) – LOCATION: Generally located south of the 91 Freeway, east of Palisades Drive, west of Kirkwood Drive, and includes Mountain View Golf Course – PROJECT SIZE: 82 gross acres – REQUEST: Proposal to amend the project site's General Plan Foundation Component from Open Space (OS) to Community Development (CD) and amend its Land Use Designation from Recreation (R) to Medium Density Residential (MDR), Medium High Density Residential (MHDR), and High Density Residential (HDR), on 11 parcels, totaling 82 gross acres

Oppose initiation

While eventual redesignation from the current recreational use may well be appropriate, much more work with the community should precede such change. In any case, we recommend a joint approval process with the City of Corona.

2.2 GENERAL PLAN AMENDMENT NO. 1176 (FOUNDATION AND ENTITLEMENT/POLICY) – Southwest Area Plan – Rancho California Zoning Area – ZONE: Residential Agriculture-2.5 Acre Minimum (R-A-2.5) – LOCATION: Northerly of Avenida Lestonnac, southerly of Rancho California Road, easterly of Avenida Olgita, and westerly of Avenida Bordeaux – PROJECT SIZE: 17.07 gross acres – REQUEST: Proposal to remove an existing K-8 private school from the boundaries of the Temecula Valley Wine Country Policy Area – Residential District, on one parcel, totaling 17.07 gross acres

Support Initiation

This remedies a non-conforming use.

2.3 GENERAL PLAN AMENDMENT NO. 1177 (FOUNDATION AND ENTITLEMENT/POLICY) – REMAP Area Plan – Anza Zoning Area – ZONE: Rural Residential- 2.5 Acre Minimum (R-R-2.5) – LOCATION: Northerly of Wellman Road, southerly of Highway 371, easterly of Kirby Road, and westerly of Rolling Hills – PROJECT SIZE: 7.74 gross acres – REQUEST: Proposal to amend the project site’s Foundation Component from Rural Community (RC) to Community Development (CD) and amend its Land Use Designation from Estate Density Residential (EDR) to Commercial Retail (CR), on one parcel, totaling 7.74 gross acres

More information needed

The Planning Department should provide an objective determination of whether additional commercial retail capacity beyond that already in the General Plan is needed in this location.

2.4 GENERAL PLAN AMENDMENT NO. 1181 (FOUNDATION AND ENTITLEMENT/POLICY) – Harvest Valley/Winchester Area Plan – Winchester Zoning Area – ZONE: Heavy Agriculture (A-2) (10 acre minimum) – LOCATION: Generally located north of Stowe Road, east of Richmond Road, south of Stetson Avenue, and west of Stueber Lane – PROJECT SIZE: 99 gross acres – REQUEST: Proposal to amend the parcel’s General Plan Foundation Component from Rural Community (RC) to Community Development (CD) and amend its Land Use Designation from Estate Density Residential (EDR) to Medium Density Residential (MDR), totaling 99 gross acres

Oppose initiation

This proposal for piecemeal urbanization lacks an appropriate planning rationale according to the criteria above (jobs-housing balance is improved, the greater intensity of use will be served by transit now or realistically in the future, vehicles miles traveled would be below current averages and put greenhouse gas (GHG) emissions on a lowered trajectory). It would result in an *incoherent* pattern of development that perpetuates the worst trends of the past in terms of piecemeal tract maps rather than true community planning. There has been no showing of changed circumstances that justifies initiation; the mere presence of highway infrastructure cannot justify development.

2.5 GENERAL PLAN AMENDMENT NO. 1184 (FOUNDATION AND ENTITLEMENT/POLICY) – Sun City/Menifee Valley Area Plan – Winchester Zoning Area – ZONE: Light Agriculture (A-1-5) – POLICY AREAS: Estate Density Residential and Rural Residential and Highway 79 – LOCATION: Generally located north of Scott Road, south of Wickerd Road, and west of Leon Road – PROJECT SIZE: 39.09 gross acres – REQUEST: Proposal to amend the project site’s General Plan Foundation Component from Rural (R) to Community Development (CD) and to amend its Land Use Designation from Rural Residential (RR) to Medium Density Residential (MDR) and remove the project site from the Estate Density Residential & Rural Residential Policy Area, on one parcel, totaling 39.09 gross acres

Oppose initiation

Upon review, this proposal is one of an ill-considered series of GPAs that have subjected a rural community separator to piecemeal urbanization. It lacks an appropriate planning rationale according to the criteria above (jobs-housing balance is improved, the greater intensity of use will be served by transit now or realistically in the future, vehicles miles traveled would be below current averages and put greenhouse gas (GHG) emissions on a lowered trajectory). It would result in an *incoherent* pattern of development that perpetuates the worst trends of the past in terms of piecemeal tract maps rather than true community planning. There has been no showing of changed circumstances that justifies initiation.

2.6 GENERAL PLAN AMENDMENT NO. 1186 (FOUNDATION AND ENTITLEMENT/POLICY) – Southwest Area Plan – Rancho California Zoning Area – ZONE: Rural Residential (R-R) POLICY AREA: Highway 79 – LOCATION: Generally located north of Vino Way, south of Buck Road, east of Pourroy Road, and west of Anza Road – PROJECT SIZE: 145.63 gross acres – REQUEST: Proposal to amend the project site’s General Plan Foundation Component from Open Space (OS) to Community Development (CD) and amend its Land Use Designation from Conservation Habitat (CH) to Estate Density Residential (EDR), on eight parcels, totaling 145.63 gross acres

Oppose initiation unless modified

These “inholdings” in the Johnson Ranch conservation area reflect mapping errors that should be the subject of a Technical Amendment. The proposed Community Development is out of place in this rural and environmentally sensitive location. EHL recommends a lower Rural density combined with density transfer between the parcels, so as to remove density from the interior of the preserve and locate it in the southeast.

2.7 GENERAL PLAN AMENDMENT NO. 1187 (FOUNDATION AND ENTITLEMENT/POLICY) – Southwest Area Plan – Rancho California Zoning Area – ZONE: Light Agriculture (A-1-5) – Location: North of Mazoe Street, south of Auld Road, east of Dickson Path, and west of Maddalena Road – PROJECT SIZE: 14.48 gross acres – REQUEST: Proposal to amend the project site’s General Plan Foundation Component from Rural (RUR) to Community Development (CD) and amend its Land Use Designation from Rural Residential (RR) to Estate Density Residential (EDR), on three parcels, totaling 14.48 gross acres

Oppose initiation

This proposal to change from Rural to CD/Estate Residential lacks an appropriate planning rationale according to the criteria above (jobs-housing balance is improved, the greater intensity of use will be served by transit now or realistically in the future, vehicles miles traveled would be below current averages and put

greenhouse gas (GHG) emissions on a lowered trajectory). The proposed estate density neither retains rural character (it intrudes into a block of rural land) nor achieves an efficient, higher density use of the land (if that could be justified). The change to CD is a strategy linked to future highway improvements (Butterfield Stage Rd.) yet future infrastructure alone cannot justify new development.

2.8 GENERAL PLAN AMENDMENT NO. 1191 (FOUNDATION AND ENTITLEMENT/POLICY) – Southwest Area Plan – French Valley Zoning Area – ZONE: Rural Residential (R- R) – POLICY AREAS: Highway 79 and Leon Keller – LOCATION: Generally located north of Aaron Road, south of Scott Road, east of Leon Road, and west of Fowler Drive – PROJECT SIZE: 2.49 gross acres – REQUEST: Proposal to amend the project site’s General Plan Foundation Component from Rural Community (RC) to Community Development (CD) and amend its Land Use Designation from Estate Density Residential (EDR) to Light Industrial (LI) on one parcel, totaling 2.49 gross acres

Oppose initiation

While locations for RV and boat storage are important, the Planning Department should objectively assess actual need and then identify the most suitable parcels.

2.9 GENERAL PLAN AMENDMENT NO. 1194 (FOUNDATION AND ENTITLEMENT/POLICY) – Southwest Area Plan – Rancho California Zoning Area – ZONE: Manufacturing – Service Commercial (M-SC) and Rural Residential (R-R) – LOCATION: Generally located northeast of Interstate 15, west of Sparta Lane, east of Rainbow Canyon Road, and south of the City of Temecula within the Rainbow Canyon Community – PROJECT SIZE: 36.70 gross acres – REQUEST: Proposal to amend a portion of the project site’s General Plan Foundation Component from Rural (R) to Community Development (CD) and amend its Land Use Designation from Rural Mountainous (RM) to Light Industrial (LI), on one parcel, totaling 36.70 gross acres

Support initiation

This proposal involves remedying a non-confirming use and retaining Rural Mountainous in the remainder.

2.10 GENERAL PLAN AMENDMENT NO. 1197 (Foundation and Entitlement/Policy) – Third Supervisorial District – Southwest Area Plan – Rancho California Zoning Area – ZONE: Rural Residential (R-R), and Wine Country-Equestrian (WC-E) – LOCATION: Generally located south of De Portola Road, east of Los Caballos Road and west of Pauba Road – PROJECT SIZE: 238.5 gross acres – REQUEST: Proposal to remove four of the five project site parcels from the Temecula Valley Wine Country – Equestrian District Policy Area and establish them in the Temecula Valley Wine Country – Winery District Policy Area and establish the fifth parcel, which exists

outside of a Policy Area, in the Temecula Valley Wine Country – Winery District Policy Area, on five parcels, totaling 238.5 gross acres

Support initiation

This proposal would result in a less intensive Rural Mountainous designation, more compatible with rural and habitat uses.

2.11 GENERAL PLAN AMENDMENT NO. 1202 (FOUNDATION AND ENTITLEMENT/POLICY) – Southwest Area Plan – Rancho California Zoning Area – ZONE: Citrus Vineyard (C/V-10) – LOCATION: Generally located north of Los Nogales Road, south of Monte de Oro Road, west of Camino del Vino, and east of Anza Road – PROJECT SIZE: 48.52 gross acres – REQUEST: Proposal to remove the project site from the Temecula Valley Wine Country – Wine District Policy Area and establish in the Temecula Valley Wine County – Residential District Policy Area, on one parcel, totaling 48.52 gross acres

Support initiation

The argument is adequately made that the rural residential use is more appropriate to the site.

4.1 GENERAL PLAN AMENDMENT NO. 1166 (TECHNICAL) – Intent to Adopt a Negative Declaration – Elsinore Area Plan – Temescal Wash Policy Area – Alberhill Area Zoning Region – Zoning: Manufacturing Service Commercial (M-SC) – Location: Between Interstate 15 and Temescal Canyon Road, east of Hostettler Road and west of Larson Avenue – 7.03 acres – REQUEST: A General Plan Amendment to change the project site's General Plan Foundation Component from Rural (RUR) to Community Development (CD) and to change the site's General Plan Land Use from Rural Residential (RR) 5 Acre Minimum to Light Industrial (LI).

Support

This fixes a mapping error.

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION: General Plan Amendment No. 1184 is a General Plan Regular Foundation Component Amendment to change the project site's General Plan Foundation Component from Rural (R) to Community Development (CD), amend its Land Use Designation from Rural Residential (RR) to Medium Density Residential (MDR), and remove the project site from the Estate Density Residential & Rural Residential Policy Area, on one parcel, totaling 39.09 gross acres. The application for this Foundation General Plan Amendment was submitted during the application window for the 2016 General Plan Review Cycle.

LOCATION: The project site is generally located north of Scott Road, south of Wickerd Road, west of Leon Road, and within the Sun City/Menifee Valley Area Plan

PROJECT APN: 466-220-027

GENERAL PLAN INITIATION PROCESS (GPIP): Prior to a private application for a General Plan Regular Foundation Component Amendment being processed by the Planning Department, the application is required to go through the GPIP process. This process includes receiving comments on the proposed amendment from the General Plan Advisory Committee (GPAC) and the Planning Commission. These comments are then provided to the Board of Supervisors. At this initial stage of the process, specific details of the Foundation General Plan Amendment and any accompanying implementing project are not considered, and public hearings are not required before the Planning Commission or the Board of Supervisors. The Board of Supervisors will only be considering whether to initiate proceedings for the proposed Foundation General Plan Amendment. If the Board of Supervisors adopts an order initiating proceedings for the proposed Amendment, the proposed Amendment will then go through the land use review process including applicable environmental review, Tribal consultation, and public hearings. The initiation of proceedings by the Board of Supervisors does not commit the County to a certain course of action and shall not imply any such amendment will be approved. The Board retains full discretion under the California Environmental Quality Act when reviewing the proposed Amendment during the land use review process.

JUSTIFICATION FOR FOUNDATION COMPONENT AMENDMENT – APPLICANT PROVIDED: Pursuant to the Riverside County General Plan, Chapter 11: Administration Element, "Required and Optional Findings" subsection, evidence demonstrating new conditions or circumstances is required to justify a Foundation Component Amendment. Article II, Section 2.5 of Ordinance No. 348 related to General Plan Foundation Component Amendments – Regular, provides further details regarding the General Plan Initiation ("GPIP") process and restates the requirement to provide new circumstances or conditions as consideration for a Foundation Component General Plan Amendment. Each Foundation Component Amendment application includes information

describing a new condition or circumstance, which has been provided by the applicant, and is restated below:

The project site is located within the Estate Density Residential and Rural Residential Policy Area, which requires new development to adhere to the existing land use of the Estate Density Residential (2-acre minimum) and Rural Residential (5-acre minimum). However, this policy contains a provision that allows for development at a denser range, if there is a general area-wide property owner consensus to change the land use pattern. This area-wide change is demonstrated by the number of Foundation Component General Plan Amendment applications that were submitted during the 2008 cycle, which include GPA00921 west of project site, GPA00976, GPA926, & GPA00974, although some of these have since been withdrawn. These projects are located along Scott Road, and are also Foundation Component Amendment requests to change from Rural to Community Development in order to establish a Medium Density (MDR) (2-5 DU/AC) Land Use Designation. Changing the project site's land use will enable development of a compatible and consistent density as that of the existing residential tract, which was constructed at a Medium Density Residential (2-5 DU/AC) range. Additionally, a new high school will be located directly to the north and northeast of the project site.

GENERAL PLAN ADVISORY COMMITTEE ACTION: This application was considered by the General Plan Advisory Committee ("GPAC") during a public meeting on August 25, 2016 and was unanimously recommended for initiation to the Planning Commission.

During the GPAC meeting, the applicant spoke on behalf of project. He discussed the new high school that is located to the north of the site, stating that new housing within the area will be needed in support.

TIME OF MEETING: 9:00am (or as soon as possible thereafter)
DATE OF MEETING: **Wednesday, November 2, 2016**
PLACE OF MEETING: RIVERSIDE COUNTY ADMINISTRATIVE CENTER
BOARD CHAMBERS, 1ST FLOOR
4080 LEMON STREET
RIVERSIDE, CA 92501

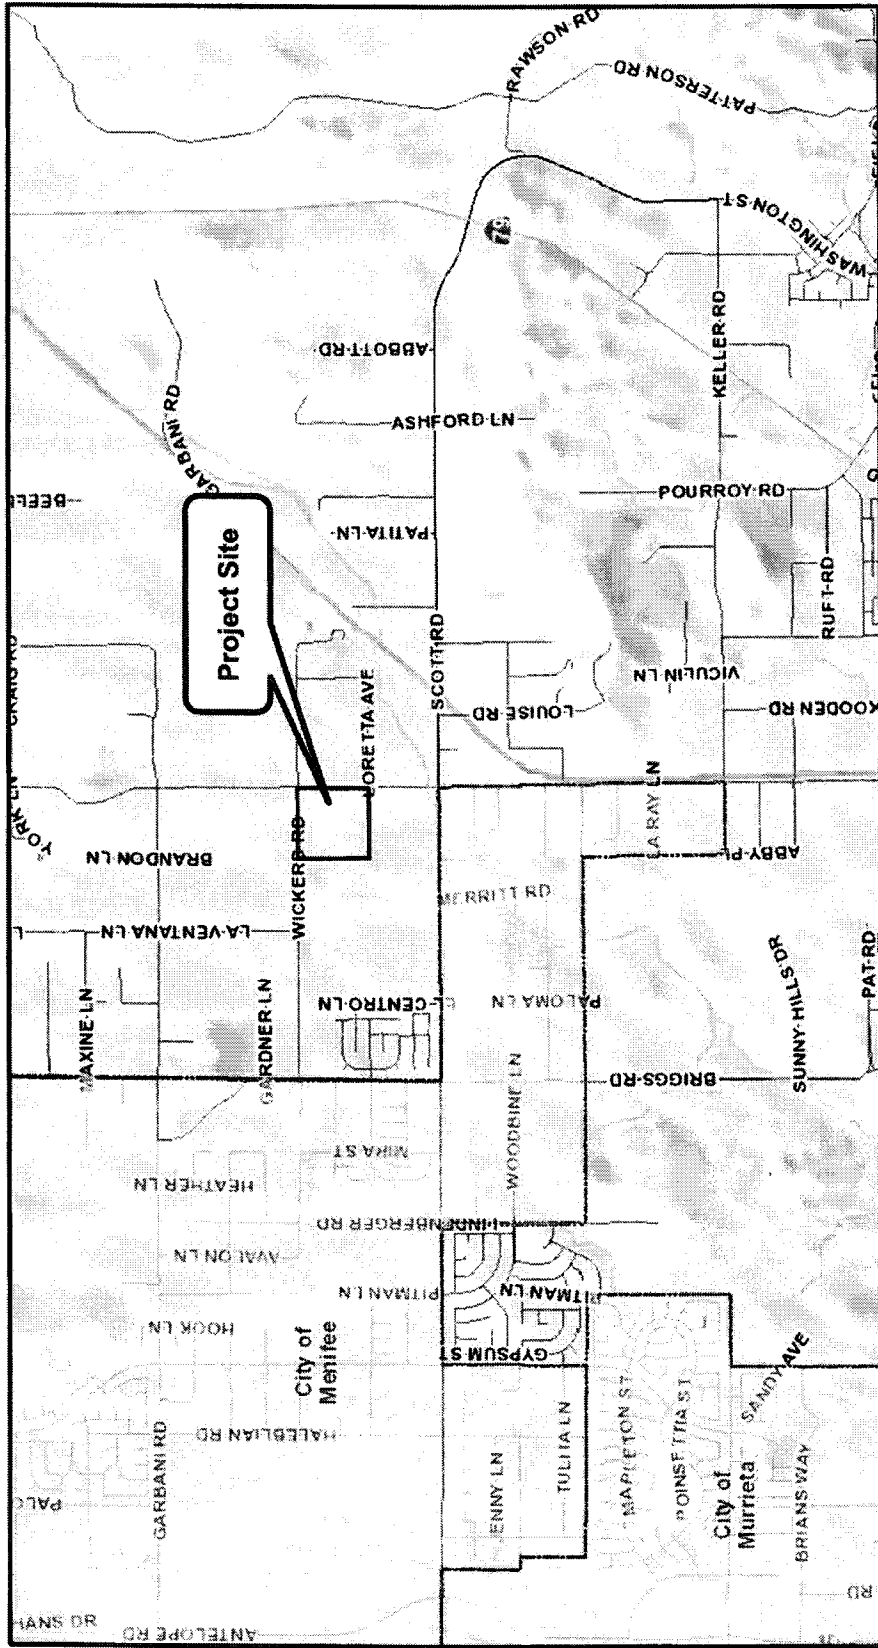

For further information regarding this application, please contact Project Planner John Earle Hildebrand III at (951) 955-1888 or e-mail jhildebr@rctlma.org, or go to the County Planning Department's Planning Commission agenda web page at: <http://planning.rctlma.org/PublicHearings.aspx>

The case file for the proposed application may be viewed Monday through Friday, from 8:30 A.M. to 5:00 P.M. at the County of Riverside Planning Department office, located at 4080 Lemon St. 12th Floor, Riverside, CA 92501. For further information or an appointment, contact the project planner.

Any person wishing to comment on the proposed application may do so in writing between the date of this notice and the public meeting; or, may appear and be heard at the time and place noted above. All comments received prior to the public meeting will be submitted to the Planning Commission, who will consider such comments, in addition to any oral testimony, before providing comments on the proposed application.

Prior to a private application for a **General Plan Regular Foundation Component Amendment** being processed by the Planning Department, the application is required to go through the GPIP process. This process includes receiving comments on the proposed amendment from the General Plan Advisory Committee ("GPAC") and the Planning Commission ("PC"). These comments are then provided to the Board of Supervisors ("BOS"). At this initial stage of the process, specific details of the Foundation General Plan Amendment and any accompanying implementing project are not considered, and public hearings are not required before the Planning Commission or the Board of Supervisors. The Board of Supervisors will **ONLY** be considering whether to initiate proceedings for the proposed Foundation General Plan Amendment.

RIVERSIDE COUNTY

GENERAL PLAN ADVISORY COMMITTEE GPIP REPORT

August 25, 2016

Foundation GPA No.: 1184
Supervisorial District: Third
Area Plan: Sun City/Menifee Valley
Zoning Area/District: Winchester Area
Property Owner(s): KGK Riverside Properties
Project Representative(s): MDMG, Inc.

PROJECT DESCRIPTION: Proposal to amend the project site's General Plan Foundation Component from Rural (R) to Community Development (CD) and to amend its Land Use Designation from Rural Residential (RR) to Medium Density Residential (MDR) and remove the project site from the Estate Density Residential & Rural Residential Policy Area, on one parcel, totaling 39.09 gross acres.

LOCATION: Generally located north of Scott Road, south of Wickerd Road, and west of Leon Road.

PROJECT APN: 466-220-027

Figure 1: Project Location Map

PROJECT DETAILS: This General Plan Amendment is a proposal to change the project site's General Plan Foundation Component from Rural (R) to Community Development (CD) and to change its Land Use Designation from Rural Residential (RR) to Medium Density Residential (MDR) and remove the project site from the Estate Density Residential & Rural Residential Policy Area, on one parcel, totaling 39.09 gross acres. This General Plan application does not include an accompanying implementing project.

LAND USE CHANGE DISCUSSION – APPLICANT PROVIDED: The project site is located within the Estate Density Residential and Rural Residential Policy Area, which requires new development to adhere to the existing land use of the Estate Density Residential (2-acre minimum) and Rural Residential (5-acre minimum). However, this policy contains a provision that allows for development at a denser range, if there is a general area-wide property owner consensus to change the land use pattern. This area-wide change is demonstrated by the number of Foundation Component General Plan Amendment applications that were submitted during the 2008 cycle, which include GPA00921 west of project site, GPA00976, GPA926 & GPA00974, although some of these have since been withdrawn. These projects are located along Scott Road, and are also Foundation Component Amendment requests to change from Rural to Community Development in order to establish a Medium Density (MDR) (2-5 DU/AC) Land Use Designation. Changing the project site's land use will enable development of a compatible and consistent density as that of the existing residential tract, which was constructed at a Medium Density Residential (2-5 DU/AC) range. Additionally, a new high school will be located directly to the north and northeast of the project site.

**APPLICATION FOR FOUNDATION COMPONENT AMENDMENT TO THE RIVERSIDE COUNTY
GENERAL PLAN**

II. GENERAL PLAN FOUNDATION COMPONENT AMENDMENT JUSTIFICATION:

Pursuant to the Riverside County General Plan, Chapter 11: Administration Element, "Required and Optional Findings" subsection, evidence demonstrating new conditions or circumstances is required to justify a Foundation Component Amendment. Provide details of the new conditions or circumstances that would satisfy these required Foundation Component Amendment findings.
(Please be specific. Attach separate pages if needed.)

The project site is located within the Estate Density Residential and Rural Residential Policy Area, which requires new development to adhere to the existing land use of Estate Density Residential (2-acre Min) and Rural Residential (5-acre Min). However, this policy contain a provision that allows for development at a denser range, if there is a general area-wide property owner consensus to change the land use pattern. GENERAL PLAN**

III. OTHER TYPES OF GENERAL PLAN AMENDMENTS:

Would the proposed Foundation Component Amendment result in a conflict with any part of the Riverside County General Plan? If so, describe in detail the conflict. (Attach separate pages if needed.)

NOTES:

1. Please see the 2016 property owner initiated Regular General Plan Foundation Component Amendment (FGPA) Process approved by the Riverside County Board of Supervisors on March 8, 2016.
2. Most Riverside County entitlement application fees are Deposit Based Fees ("DBF"). The FGPA initial application filing fee is **\$10,000.00**. This application fee includes the review of the FGPA through the GPIP process only. Each case is unique; therefore, additional funds may be requested should unanticipated circumstances arise during the course of the GPIP review process.

Furthermore:

- o If an accompanying implementing project application is submitted concurrently, additional fees pursuant to Ordinance No. 348, which are specified on the Planning Department website and based upon the application type, shall be required upon submittal.
 - o Should the FGPA application be initiated by the Board of Supervisors at the conclusion of the GPIP process, additional General Plan Amendment fees, to complete the adoption process, shall be required.
3. Application submittal items a for Foundation General Plan Amendment:
 - o This completed application form.
 - o Application filing fees.
 - o Site map showing the project area and extent.
 - o Any additional maps/plans relevant to illustrate the project area location.

ENDANGERED HABITATS LEAGUE

DEDICATED TO ECOSYSTEM PROTECTION AND SUSTAINABLE LAND USE

March 16, 2017

VIA ELECTRONIC MAIL

The Hon. John Tavaglione, Chair
Riverside County Board of Supervisors
4080 Lemon St.
Riverside CA 92501

RE: Items 16.1-16.7, General Plan Initiation Proceedings, March 21, 2017

Dear Chairman Tavaglione and Members of the Board:

Endangered Habitats League (EHL) appreciates the opportunity to submit written testimony on the General Plan Initiation Proceedings. We were honored to serve on the General Plan Advisory Committee (GPAC) which reviewed these proposals. Proposals that do not have compelling planning merit and that do not reflect significant changes in circumstances should not move forward to full environmental review.

General comments

Prior to your consideration of initiating environmental review, EHL urges the Planning Department to provide: 1) the basic information necessary to determine whether the more intensive proposed uses are justified, and 2) guidelines to assess whether the proposals – individually or collectively – move the County in the right planning direction.

Basic and necessary information includes the *housing capacity* present but unbuilt in the County and Cities' General Plans. Prior information indicates that there is a huge *overcapacity* of housing that argues against all but the most strategic increases. Other missing information includes the cumulative traffic implications of the proposed General Plan amendments. We urge you to request such information.

Factors in assessing proposals should include whether the jobs-housing balance is improved or worsened, whether the greater intensity of use will be served by transit now or realistically in the future, whether vehicles miles traveled would be below current averages and put greenhouse gas (GHG) emissions on a lowered trajectory, proximity of infrastructure and services, whether the new development will be subject to high fire hazard, and whether it conflicts with the MSHCP or otherwise impacts intact natural lands. We hope that the Planning Department will offer its professional guidance. If not, your Board should independently formulate *guiding principles* for GPA initiation. A piecemeal approach is not adequate.

EHL's recommendations are based upon presence of a planning rationale, jobs-housing balance, transit availability, vehicle miles traveled and GHG emissions, the folly of putting more and more homes in the path of wildfire, and biological considerations. In some cases, we have identified missing information or suggested modifications. We hope that your Board will take a hard look at the County's future and chart a more sustainable path for the County's present and future citizens than simply perpetuating current trends.

Also, the staff reports for these items are brief and inappropriately defer to the applicants for the requisite findings, rather than providing independent staff analysis.

Specific comments

16.1 GENERAL PLAN AMENDMENT NO. 1198 – Mead Valley – 23 gross acres – REQUEST: Proposal to amend the project site's General Plan Foundation Component from Rural Community (RC) to Community Development (CD) and to amend its Land Use Designation from Very Low Density Residential (VLDR) to Medium Density Residential (MDR), on one parcel

More information needed

This is a proposal to replace a dysfunction Rural Community designation with Community Development within Mead Valley. It could be considered "infill" of sorts that uses urbanized land more efficiently. However, a strong planning rationale has not been made in terms of this being a priority location for additional housing capacity, ameliorating jobs-housing imbalance, having access to current or future transit, and/or reducing average per capita vehicle miles traveled and GHG emissions. If this case can be made, then we would support initiation.

16.2 GENERAL PLAN AMENDMENT NO. 1197 – Southwest Area – 238.5 gross acres – REQUEST: Proposal to remove four of the five project site parcels from the Temecula Valley Wine Country – Equestrian District Policy Area and establish them in the Temecula Valley Wine Country – Winery District Policy Area and establish the fifth parcel, which exists outside of a Policy Area, in the Temecula Valley Wine Country – Winery District Policy Area, on five parcels

Support initiation

This proposal would result in a less intensive Rural Mountainous designation, more compatible with rural and habitat uses.

16.3 GENERAL PLAN AMENDMENT NO. 1194 – Southwest Area – 36.70 gross acres – REQUEST: Proposal to amend a portion of the project site's General Plan Foundation Component from Rural (R) to Community Development (CD) and amend its Land Use Designation from Rural Mountainous (RM) to Light Industrial (LI), on one parcel

Support initiation

This proposal involves remedying a non-confirming use and retaining Rural Mountainous in the remainder.

16.4 GENERAL PLAN AMENDMENT NO. 1191 – Southwest Area – 2.49 gross acres – REQUEST: Proposal to amend the project site’s General Plan Foundation Component from Rural Community (RC) to Community Development (CD) and amend its Land Use Designation from Estate Density Residential (EDR) to Light Industrial (LI) on one parcel

Oppose initiation

While locations for RV and boat storage are important, the Planning Department should objectively assess actual need and then identify the most suitable parcels.

16.5 GENERAL PLAN AMENDMENT NO. 1187 – Southwest Area – 14.48 gross acres – REQUEST: Proposal to amend the project site’s General Plan Foundation Component from Rural (RUR) to Community Development (CD) and amend its Land Use Designation from Rural Residential (RR) to Estate Density Residential (EDR), on three parcels

Oppose initiation

This proposal to change from Rural to CD/Estate Residential lacks an appropriate planning rationale according to the criteria above (jobs-housing balance is improved, the greater intensity of use will be served by transit now or realistically in the future, vehicles miles traveled would be below current averages and put greenhouse gas (GHG) emissions on a lowered trajectory). The proposed estate density neither retains rural character (it intrudes into a block of rural land) nor achieves an efficient, higher density use of the land (if that could be justified). The change to CD is a strategy linked to future highway improvements (Butterfield Stage Rd.) yet future infrastructure alone cannot justify new development.

16.6 GENERAL PLAN AMENDMENT NO. 1186 – Rancho California – 145.63 gross acres – REQUEST: Proposal to amend the project site’s General Plan Foundation Component from Open Space (OS) to Community Development (CD) and amend its Land Use Designation from Conservation Habitat (CH) to Estate Density Residential (EDR), on eight parcels

Oppose initiation unless modified

These “inholdings” in the Johnson Ranch conservation area reflect mapping errors that should be the subject of a Technical Amendment. The proposed Community

Development is out of place in this rural and environmentally sensitive location. EHL recommends a lower Rural density combined with density transfer between the parcels, so as to remove density from the interior of the preserve and locate it in the southeast.

16.7 GENERAL PLAN AMENDMENT NO. 1184 – Sun City/Menifee Valley – 39.09 gross acres – REQUEST: Proposal to amend the project site's General Plan Foundation Component from Rural (R) to Community Development (CD) and to amend its Land Use Designation from Rural Residential (RR) to Medium Density Residential (MDR) and remove the project site from the Estate Density Residential & Rural Residential Policy Area, on one parcel

Oppose initiation

Upon review, this proposal is one of an ill-considered series of GPAs that have subjected a rural community separator to piecemeal urbanization. It lacks an appropriate planning rationale according to the criteria above (jobs-housing balance is improved, the greater intensity of use will be served by transit now or realistically in the future, vehicles miles traveled would be below current averages and put greenhouse gas (GHG) emissions on a lowered trajectory). It would result in an *incoherent* pattern of development that perpetuates the worst trends of the past in terms of piecemeal tract maps rather than true community planning. There has been no showing of changed circumstances that justifies initiation.

Thank you for considering our views.

Yours truly,

Dan Silver

NOTICE OF PUBLIC MEETING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A GENERAL PLAN INITIATION PROCEEDINGS FOR A GENERAL PLAN AMENDMENT IN THE SUN CITY / MENIFEE – WINCHESTER AREA, THIRD SUPERVISORIAL DISTRICT

NOTICE IS HEREBY GIVEN that a public meeting will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, March 21, 2017 at 10:30 A.M.** or as soon as possible thereafter, to consider initiation proceedings for the application submitted by KGK Riverside Properties – MDMG, Inc., on **General Plan Amendment No. 1184**, which proposes to amend the General Plan Foundation Component from Rural (R) to Community Development (CD) and amend the land use from Rural Residential (RR) to Medium Density Residential (MDR), on one parcel, totaling 39.09 gross acres (“the project”). The project is located north of Scott Road, south of Wickerd Road, and west of Leon Road in the Third Supervisorial District.

The Planning Commission recommended that the Board of Supervisors adopt an order initiating proceedings for **General Plan Amendment No. 1184**.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, Riverside, California 92501, and at the Riverside County Planning Department at 4080 Lemon Street, 12th Floor, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT JOHN HILDEBRAND, PROJECT PLANNER, AT (951) 955-1888 OR EMAIL jhildebr@rctlma.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public meeting, or may appear and be heard at the time and place noted above. All written comments received prior to the public meeting will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public meeting described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public meeting. Be advised that as a result of the public meeting and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office, 24 hours in advance of the Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in the front row to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.
