C.E.O. RECOMMENDATION:

BACKGROUND:

Summary

The California Department of Parks and Recreation is currently accepting grant applications for its Off-Highway Vehicle Enforcement Program 2016/2017 (RSO 2017/2018). Since 2002, an annual grant award from the Off-Highway Vehicle Enforcement Program has funded OHV law enforcement efforts in Riverside County.

The Riverside Off-Highway Vehicle Enforcement Program (R.O.V.E.), is the Sheriff's innovative and effective program which places Deputies on all-terrain Off-Highway Vehicles (OHV) to enforce laws concerning illegal off-highway driving and environmental destruction.

The current application will begin Phase XIV of the Sheriff's county-wide effort with a proposed start date of August 2017. The application requests \$144,160 to support Deputy Sheriff overtime for continued and expanded patrols in problematic areas.

The grant application is an estimated request to the California Department of Parks and Recreation and the application process requires adoption of a resolution. Once the grant is awarded to the Riverside County Sheriff Department, a Form 11 for grant acceptance will be submitted for board approval.

During the development of this phase of the county-wide project, the Sheriff has requested public comment via a press release on the Department's website.

Impact on Residents and Businesses

The California Department of Parks and Recreation grant allows the Sheriff Department to continue enforcement of laws concerning unlawful intrusions on private and public lands and protected habitats as well as provide educational opportunities on OHV rules and regulations.
