FROM : TLMA-TRANSPORTATION:

SUBJECT: TLMA - TRANSPORTATION DEPARTMENT: Tenant Relocation Claim for the Clinton Keith Road Extension Project. 3rd District; [\$43,465 - Total Cost]; CFD 07-2 Clinton Keith Road 100%

RECOMMENDED MOTION: That the Board of Supervisors:

1. Find that nothing further is required pursuant to the California Environmental Quality Act (CEQA) because all potentially significant effects have been adequately analyzed in an earlier certified Final Environmental Impact Report No. 398, a Supplemental EIR and an Addendum to the Supplemental EIR; and
2. Approve the Tenant Relocation Claim and Claim for Residential Moving Expense Forms submitted for the Clinton Keith Road Extension Project; and
3. Authorize the Director of Transportation or her designee to execute any other documents and administer all actions necessary to complete this transaction; and
4. Authorize and allocate the amounts of \$26,250 for tenant relocation assistance, \$2,215 for tenant's moving expenses; and \$10,000 for staff and consultant costs; and
5. Authorize a contingency fund of \$5,000 in the event of any unforeseen relocation costs; and
6. Direct the Clerk of the Board to submit the Notice of Determination to the County Clerk for filing within five days of approval by the Board.

ACTION: Policy

Patricia Komo, Director of Transportation 3/22/2017

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Jeffries, seconded by Supervisor Ashley and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

BACKGROUND:

Summary

The Clinton Keith Road Extension Project is proposed to be constructed as a six-lane urban arterial between Antelope Road and State Route 79 in Western Riverside County, in accordance with the County General Plan. Phase I of the project, located between Antelope Road and Whitewood Road was completed on November 3, 2011. Phase IIA located between Whitewood Road and Leon Road is currently under construction to construct 4 new lanes and anticipated to be open to traffic in early 2018. Phase IIB located within the same limits of Phase IIA will add an additional 2 lanes and is expected to be under construction in mid-2018. Phase III of the Clinton Keith Road Extension Project, is the last phase and is located between Briggs Road and State Route 79 located in unincorporated County and the City of Murrieta, see Exhibit A.

The County of Riverside Transportation Department (Transportation Department) is the lead agency responsible for the completion of the Project. The Transportation Department has secured all of the right-of-way for Phase III of the Project with the exception of one property (APN: 480-100-015). The subject property is shown on Exhibit B. This property was tenant-occupied at the time the offer was presented to the fee owner.

The proposed displacement triggers relocation assistance obligations under State Relocation Law (California Government Code Section 7260 et seq.) and the State Relocation Guidelines (California Code of Regulations, Title 25, Chapter 6 et seq.). The Economic Development Division (EDA) Real Estate contracted with Overland, Pacific & Cutler, Inc. (OPC) who provided the tenant, Ms. Savage with the required General Information Notice and Notice of Eligibility. The estimated tenant relocation costs are \$26,250 and tenant's moving costs are \$2,215. Staff and OPC costs should not exceed \$10,000. However, a contingency fund of \$5,000 is requested in the event of any unforeseen relocation costs, bringing the total cost to \$43,465. The tenant elected to move out prior to disbursement of the relocation payment, therefore, no Relocation Plan was deemed necessary.

A Final Environmental Impact Report No 398 (SCH # 1995062022) was certified by the Board of Supervisors in compliance with CEQA in 2000 for the Clinton Keith Road Extension project. Supplemental Environmental Impact Report (SEIR) No. 398 was approved by the Board of

STATE OF CALIFORNIA**

Supervisors on February 7, 2006 (Agenda Item 3.44) for the Clinton Keith Road Extension Project. Additionally, on June 2, 2015 (Agenda Item 3-28), the Board of Supervisors approved an Addendum to the SEIR. The tenant relocation claim is an action in furtherance of the Clinton Keith Road Extension Project and is consistent with the characteristics evaluated in the SEIR and Addendum. Nothing further is required because all potentially significant effects have been adequately analyzed in the SEIR and Addendum.

The Form 11 has been reviewed and approved by County Counsel as to legal form.

Impact on Residents and Businesses

The Clinton Keith Widening Project will improve mobility for residents in Western Riverside County by providing a new East-West connection between Interstate 215 and State Route 79.

SUPPLEMENTAL:

Additional Fiscal Information

The following summarizes the not-to-exceed funding necessary for the relocation assistance to be provided to the displaced tenant due to the Project.

Tenant Relocation and Moving Costs	\$28,465
Staff and consultant (OPC) costs	\$10,000
Contingency	\$5,000
Total	\$43,465

All costs associated with this tenant relocation are fully funded by the CFD 07-02 Clinton Keith Road Fund in the Transportation Department's budget for FY 2016-17. No net County costs will be incurred as a result of this transaction.

received an application from Upland Pipeline, LLC ("Upland") for a Presidential Permit authorizing the construction, connection, operation, and maintenance of pipeline facilities for the export of crude oil. If the application is approved, the proposed facilities will transport crude oil from the Williston Basin region in North Dakota across the U.S.-Canadian border near Burke County, North Dakota, for onward transportation to refineries in Canada and the eastern United States.

Upland is a limited liability corporation organized under the laws of the State of Delaware. The ultimate parent corporation of Upland is TransCanada Corporation ("TransCanada"). TransCanada is a major energy infrastructure firm whose assets include approximately 35,500 miles of natural gas pipelines and a 2,600-mile petroleum pipeline. Upland plans to enter into a development, management, and operations agreement with TransCanada Oil Pipeline Operations, Inc., a subsidiary of TransCanada, to provide operating services for the project.

Under E.O. 13337, the Secretary of State is designated and empowered to receive all applications for Presidential Permits for the construction, connection, operation, or maintenance, at the borders of the United States, of facilities for the exportation or importation of liquid petroleum, petroleum products, or other non-gaseous fuels to or from a foreign country. The Department of State has the responsibility to determine whether issuance of a new Presidential Permit for construction, connection, operation, and maintenance of the proposed Upland pipeline border facilities would serve the U.S. national interest.

The Department will conduct an environmental review consistent with the National Environmental Policy Act of 1969. The Department will provide more information on the review process in a future **Federal Register** notice.

Upland's application is available at: <http://www.state.gov/e/enr/applicant/applicants/index.htm>

System Wide Information Management (SWIM) Interactive Developer Workshop; Meeting Announcement

AGENCY: Federal Aviation Administration (FAA), DOT.

System Wide Information Management (SWIM) Interactive Developer Workshop; Meeting Announcement

Tuesday, September 22, 2015 to Thursday, September 24, 2015—From 8:00 a.m. to 4:30 p.m., FAA Florida NextGen Test Bed, 557 Innovation Way, Daytona Beach, FL 32114.

Open Meeting—Interactive Workshop

The Federal Aviation Administration (FAA) invites all interested stakeholders with a background in software development to attend an interactive workshop on System Wide Information Management (SWIM) at the state of the art NextGen Test Bed in Daytona Beach, FL. Join fellow developers as the FAA introduces and demonstrates current and new data services being made available from the agency's enterprise information gateway. Socializing new ideas on how to work with data from SWIM and what applications can be developed will be highly encouraged by the organizers.

Participants to the workshop who have an existing graphical user interface that visualizes data are encouraged to bring their application to use during the workshop. Participants that do not have an interface may be provided one at no cost. All participants must bring their own hardware (laptop preferred) to use during the event.

The FAA will be providing a connection to the Research & Development Data Domain allowing participants to engage and interact real time with data from SWIM in a non-operational environment. The following data types will be introduced and available to work with during the event:

- Notices to Airmen (NOTAM)
- Common Sourced Weather
- Terminal Data Distribution Services
- Flight Data Publication Services
- Traffic Flow Management Publication Services

Participants will be highly encouraged to introduce ideas of how they would incorporate SWIM data into their operation or application both before and after working with the data types provided. For more information or to register, visit www.faa.gov/nextgen/swim.

Space is limited so register early to secure a spot! Registration will close when all spots have been filled!

About SWIM

System Wide Information Management (SWIM) is the FAA's data distribution backbone of NextGen, the Next Generation Air Transportation System. SWIM utilizes a "one to many" data distribution model, allowing easier access to more data, providing it to the right person, at the right time, in the format they want. SWIM utilizes industry standard service oriented architecture (SOA) technology to be interoperable with many types of applications capable of web service and java based messaging. The FAA is also leading the use of standard data exchange models such as Aeronautical Information Exchange (AIXM) and Flight Information Exchange (FIXM).

Uniform Relocation and Real Property Acquisition for Federal and Federally-Assisted Programs; Fixed Payment for Moving Expenses; Residential Moves

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice.

SUMMARY: The purpose of this notice is to publish changes in the Fixed Residential Moving Cost Schedule for the States and Territories of Alabama, California, Colorado, District of Columbia, Florida, Guam, Hawaii, Idaho, Illinois, Louisiana, Maryland, Massachusetts, Minnesota, Montana, Nevada, New Jersey, North Dakota, Oklahoma, Puerto Rico, Rhode Island, South Carolina, Utah, Virginia, Wisconsin, and Wyoming as provided for by section 202(b) of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended. The schedule amounts for the States and Territories not listed above

remain unchanged. The Uniform Act applies to all programs or projects undertaken by Federal agencies or with Federal financial assistance that cause the displacement of any person.

DATES: The provisions of this notice are effective August 24, 2015, or on such earlier date as an agency elects to begin operating under this schedule.

FOR FURTHER INFORMATION CONTACT: Mary Jane Daluge, Office of Real Estate Services, (202) 366-2035, email address: *Maryjane.daluge@dot.gov*; Robert Black, Office of the Chief Counsel, (202) 366-1359, email address: *Robert.Black@dot.gov*; Federal Highway Administration, 1200 New Jersey Avenue SE., Washington, DC 20590. Background

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, 42 U.S.C. 4601-4655 (Uniform Act), established a program, which includes the payment of moving and related expenses, to assist persons who move because of Federal or federally assisted projects. The FHWA is the lead agency for implementing the provisions of the Uniform Act, and has issued governmentwide implementing regulations at 49 CFR part 24.

The following 17 Federal departments and agencies have, by cross-reference,

adopted the governmentwide regulations: Department of Agriculture; Department of Commerce; Department of Defense; Department of Education; Department of Energy; Department of Homeland Security; Environmental Protection Agency; Federal Emergency Management Agency; General Services Administration; Department of Health and Human Services; Department of Housing and Urban Development; Department of the Interior; Department of Justice; Department of Labor; Department of Veterans Affairs; National Aeronautics and Space Administration; Tennessee Valley Authority.

Section 202(b) of the Uniform Act provides that as an alternative to being paid for actual residential moving and related expenses, a displaced individual or family may elect payment for moving expenses on the basis of a moving expense schedule established by the head of the lead agency. The governmentwide regulations at 49 CFR 24.302 provide that the FHWA will develop, approve, maintain, and update this schedule, as appropriate.

The purpose of this notice is to update the schedule published on May 23, 2012, at 77 FR 30586.

The schedule is being updated to reflect the increased costs associated with moving personal property and was developed from data provided by State highway agencies. This update increases the schedule amounts in the States and Territories of Alabama, California, Colorado, District of Columbia, Florida, Guam, Hawaii, Idaho, Illinois, Louisiana, Maryland, Massachusetts, Minnesota, Montana, Nevada, New Jersey, North Dakota, Oklahoma, Puerto Rico, Rhode Island, South Carolina,

Utah, Virginia, Wisconsin, and Wyoming. The schedule amounts for the States and Territories not listed above remain unchanged. The payments listed in the table below apply on a State-by-State basis. Two exceptions and limitations apply to all States and Territories. Payment is limited to \$100.00 if either of the following conditions applies:

(a) A person has minimal possessions and occupies a dormitory style room, or

(b) A person's residential move is performed by an agency at no cost to the person.

The schedule continues to be based on the "number of rooms of furniture" owned by a displaced individual or family. In the interest of fairness and accuracy, and to encourage the use of the schedule (and thereby simplify the computation and payment of moving expenses), an agency should increase the room count for the purpose of applying the schedule if the amount of possessions in a single room or space actually constitutes more than the normal contents of one room of furniture or other personal property. For example, a basement may count as two rooms if the equivalent of two rooms worth of possessions is located in the basement. In addition, an agency may elect to pay for items stored outside the dwelling unit by adding the appropriate number of rooms.

Authority: 42 U.S.C. 4622(b) and 4633(b); 49 CFR 1.85 and 24.302.

Issued on: July 17, 2015.

Gregory G. Nadeau,
Acting Administrator, Federal Highway Administration.

NOTICE OF DETERMINATION
COUNTY OF RIVERSIDE TRANSPORTATION DEPARTMENT

Supplemental Environmental Impact Report No. 398
 Addendum to Supplemental Environmental Impact Report No. 398

SCH# 1995062022

PROJECT NAME: Tenant relocation claim for the Clinton Keith Road Extension Project

LOCATION AND DESCRIPTION: The property involved in a tenant relocation claim is located in an unincorporated area of southwest Riverside County, adjacent to Los Alamos Road, along the right of way of Clinton Keith Road. The tenant is to be relocated from APN 480-100-015 in accordance with State Relocation Law (California Government Code Section 7260 et seq.) and the State Relocation Guidelines (California Code of Regulations, Title 25, Chapter 6 et seq.).

A Final Environmental Impact Report No. 398 was certified in 2000 for the Clinton Keith Road Extension Project and a Supplemental Environmental Impact Report was approved for the Project in 2006. An Addendum to the Supplemental EIR was approved in 2015. The Supplemental EIR and the Addendum to the Supplemental EIR addressed the property actions necessary for the project, and nothing further is required.

1. The tenant relocation from the property known as APN 480-100-015 will not have a significant effect on the environment.
2. An Environmental Impact Report, a Supplemental Environmental Impact Report and an Addendum to the Supplemental EIR were prepared and certified for the Clinton Keith Road Extension Project pursuant to the provisions of CEQA.
3. The tenant relocation claim was reviewed and it was determined that no new environmental documentation is required because (a) the acquisition of the property was adequately addressed in the SEIR and Addendum; (b) no new environmental effects have been identified; (c) no substantial increase in severity of the environmental effects have been identified as a result of the acquisition; (d) no considerably different mitigation measures have been identified; (e) no mitigation measures found infeasible have become feasible. The tenant relocation claim is an implementing action in furtherance of the Project and is consistent with the characteristics evaluated in the SEIR and Addendum.
4. Nothing further is required because all potentially significant effects have been adequately addressed in the SEIR and Addendum.

The Final EIR, SEIR and Addendum may be examined, along with administrative record, at the Transportation Department, 4080 Lemon Street, 8th fl, Riverside, California 92501.
