**C.E.O. RECOMMENDATION:** Approve.

**BACKGROUND:**

**Summary**

The request before the Board is for an enterprise fax server solution for all departments within the County of Riverside.

A fax server is a system that allows computer users attached to a network to send and receive fax messages. Since 2009, RCIT has been using RightFax Enterprise Server, a consolidated fax solution utilizing traditional TDM connectivity that requires additional hardware that has become expensive to maintain and it has greater limitations with higher costs for expansion than a Fax over Internet Protocol (FoIP) fax server solution.

Riverside County requires a fax solution that integrates with our Cisco based Voice over Internet Protocol (VoIP) platform recently deployed with the Converged Network Project (CNP). A FoIP solution can provide enhanced productivity, streamline operations and lower total cost of ownership.

RCIT is proposing implementing a Software-Based FoIP board-less solution not requiring expensive fax boards and will be deployed in a virtualized environment eliminating the cost of a physical server. XMediusFAX solution provides cost-effective survivability, scalability and multi-tenancy that can support all County departments located at 500+ locations within Riverside County by utilizing our Converged Network.

Survivability is the capability of a solution or system to withstand partial or total failures or even a catastrophic disaster without significantly impairing its normal operations. The XMedius deployment will include two servers at separate geographic locations with inter-system replication for business continuity and disaster recovery. The system is scalable by simply licensing extra channels, up to 300 fax channels per server – no extra hardware or third-party kits required and multi-tenancy supports up to 20,000 sites.

Increased productivity and cost savings over traditional manual faxing will be provided by users no longer having to make time-consuming trips to a fax machine. Processes will be put in place to streamline operations through the systems integrations with existing County systems. Cost of ownership is lower by eliminating the hardware end of life replacements, maintenance and repair.

**Impact on Citizens and Businesses**

There is no negative impact on resident or businesses within the County of Riverside. This solution will enhance the county electronic business communication process, lower supply and administration cost, and keep the county within HIPAA compliance requirements.

**Contract History and Price Reasonableness**

On October 17, 2016 Purchasing Department on behalf of Riverside County Information Technology (RCIT) issued a formal Request for Proposal (RFP) ITARC-430 for an Enterprise Fax Server Solution for countywide utilization. The RFP was publicly posted on publicpurchase.com with notification sent to over 400 vendors that have registered for this commodity. Thirty three (33) vendors accessed and downloaded the RFP files from publicpurchase.com. Four proposals were deemed responsive ranging from \$207,847 to \$577,216. The proposals were evaluated and scored by members from RCIT based on evaluation criteria set forth in the RFP; overall responsiveness and general understanding of the RFP requirements, contractor's experience and price reasonableness. The evaluation committee recommends the award to Dimension Data North America as the lowest, most responsive, responsible vendor with a total cost of \$207,847 for the purchase of a perpetual license and maintenance and support services for a five-year period.

CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

**23. General**

**23.1** CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.

**23.2** Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

**23.3** In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

**23.4** CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

**23.5** CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The CONTRACTOR warrants that it has good title to all materials or products used by CONTRACTOR or provided to COUNTY pursuant to this Agreement, free from all liens, claims, or encumbrances.

**23.6** Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

**23.7** The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

**23.8** CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

**23.9** CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

**23.10** CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

**23.11** This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

**23.12** This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.
