C.E.O. RECOMMENDATION: APPROVE

BACKGROUND:

Summary

The County annually issues Tax and Revenue Anticipation Notes (TRANS) to provide needed cash to cover the projected cash flow deficits of the County General Fund during the fiscal year. The deficit occurs because the timing of tax collections does not match the County's on-going expenditure requirements.

As a cost savings measure the County evaluates annually the option of prepaying its pension obligation. Board Policy B-25 (Pension Management Policy) directs the Pension Advisory Review Committee (PARC) to review and make a recommendation regarding the prepayment of the annual CalPERS contribution.

PARC recommended the prepayment of the CALPERS contribution for the last 10 years and recommends the prepayment of the FY17-18 payment. Staff will continue to evaluate the cash flow benefit of the prepayment up to the pricing of the TRANS. If, at the time of the pricing, there is insufficient savings, the prepayment will be removed from the TRANS.

The County's issuance cost for the TRANS will be approximately \$350,000 assuming a \$340 million issuance. It is anticipated that interest rates for the tax-exempt notes will be approximately 1.07% for a 12-month note.

This year's recommendation is to offer a single 12-month note. This will allow for greater investment potential. The need to combine internal borrowing (borrowing from reserves) with external borrowing (TRANS Note) will continue to be evaluated until the day of issuance of the TRANS, and will be dictated by a detailed cost/benefit analysis.

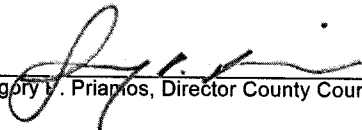

The FY 2017-18 resolution authorizes the issuance of tax and revenue anticipation notes in an amount not-to-exceed \$340,000,000, though the actual amount should be less. The large authorization provides the flexibility to issue an additional series of notes in the event the County and State budgets change substantially. The resolution also appoints the law firm of Orrick, Herrington & Sutcliffe LLP as bond counsel to the County, Kutak Rock LLP as disclosure counsel for the notes, Fieldman, Rolapp & Associates as financial advisor, and J.P. Morgan Securities LLC, as senior managing underwriter, together with Wells Fargo Securities, as co-manager.

The Debt Advisory Committee has recommended the FY 2017-18 TRANs for approval.

Impact on Citizens and Businesses

The borrowing will allow the County to run its daily business until tax revenues are received. This allows the County to provide continued services to the citizens and businesses.

COUNTY OF RIVERSIDE

RESOLUTION NO. 2017-113

RESOLUTION AUTHORIZING AND APPROVING THE BORROWING OF FUNDS FOR FISCAL YEAR 2017-2018; THE ISSUANCE AND SALE OF A 2017-2018 TAX AND REVENUE ANTICIPATION NOTE; AND THE EXECUTION AND DELIVERY OF RELATED DOCUMENTS

WHEREAS, the County of Riverside (the "County") is authorized by Section 53850 to 53858, both inclusive, of the Government Code of the State of California (the "Act") (being Article 7.6, Chapter 4, Part 1, Division 2, Title 5 of the Government Code) to borrow money by the issuance of temporary notes;

WHEREAS, the Board of Supervisors of the County (the "Board") has determined that a sum (the "Principal Amount") not to exceed a maximum principal amount of \$340,000,000, is needed for the requirements of the County, to satisfy obligations of the County, and that it is necessary that said Principal Amount be borrowed for such purpose at this time by the issuance of a note or notes therefore in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received or accrued by the County for the general fund of the County, and provided for or attributable to its fiscal year ending June 30, 2018 ("Repayment Fiscal Year");

WHEREAS, the County hereby determines to borrow, for the purposes set forth above, the Principal Amount by the issuance of the Note, as hereinafter defined;

WHEREAS, it appears, and this Board hereby finds and determines, that the Principal Amount, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys of the County provided for or attributable to the Repayment Fiscal Year, and available for the payment of the principal of the Note and the interest thereon;

WHEREAS, no money has heretofore been borrowed by or on behalf of the County through the issuance of tax and revenue anticipation notes or temporary notes in anticipation of the receipt of, or payable from or secured by, taxes, income, revenue, cash receipts or other moneys for the Repayment Fiscal Year;

WHEREAS, pursuant to Section 53856 of the Act, certain moneys which will be received or accrued by the County and provided for or attributable to the Repayment Fiscal Year can be pledged for the payment of the principal of the Note and the interest thereon (as hereinafter provided);

WHEREAS, The Bank of New York Mellon Trust Company, N.A. has agreed to act as paying agent (the "Paying Agent") with respect to the Note;

WHEREAS, the Underwriter appointed in Section 21 hereof, intends to submit an offer to purchase the Note and has submitted a form of Note Purchase Agreement (the "Purchase

2 **WHEREAS**, a form of the Preliminary Official Statement describing the Note will
3 be distributed to potential purchasers of the Note by the Underwriter;

4 **WHEREAS**, this Board has been presented with the form of each document
5 hereinafter referred to relating to the Note, and the Board has examined and approved each
6 document and desires to authorize and direct the execution of such documents and the issuance of
7 the Note;

8 **WHEREAS**, the County has determined that it may be desirable to provide for the
9 issuance of an additional parity note (the “Parity Note”) during the Repayment Fiscal Year, the
10 principal and interest on which are secured by Pledged Revenues, hereinafter defined, on a parity
11 with the Note; and

12 **NOW, THEREFORE**, this Board hereby finds, determines, declares and resolves
13 as follows:

14 **Section 1. Recitals.** All the above recitals are true and correct.

15 **Section 2. Authorization of Issuance.** This Board hereby determines to borrow
16 solely for the purpose of anticipating taxes, income, revenue, cash receipts and other moneys to
17 be received or accrued by the County for the general fund of the County and provided for or
18 attributable to the Repayment Fiscal Year, by the issuance of a note or notes, pursuant to the
19 provisions of the Act, designated the County’s “2017 Tax and Revenue Anticipation Note,” with
20 an appropriate series designation if more than one note is issued (collectively, the “Note”), to be
21 issued in the form of a fully registered note or notes, in denominations of \$5,000 or integral
22 multiples thereof, in a combined amount not to exceed the Principal Amount, to be dated the date
23 of delivery to the initial purchaser thereof, to mature on a date or dates, if more than one note is
24 issued, with or without option of prior redemption at the election of the County, not more than 15
25 months thereafter on a date indicated on the face thereof and determined in the Purchase
26 Agreement (each such date, a “Maturity Date”), and to bear interest, payable on its Maturity Date
(and if the Maturity Date is more than 12 months from the date of issuance, payable on the
interim interest payment date set forth in the Purchase Agreement) and computed upon the basis
of a 360-day year consisting of twelve 30-day months, or a 365- or 366-day year, as the case may
be, and actual days elapsed, at a rate or rates, if more than one Note is issued, not to exceed 12%
per annum as determined in the Purchase Agreement and indicated on the face of the Note (the
“Note Rate”). If the Note is not fully paid at maturity, the unpaid portion thereof shall be deemed
outstanding and shall continue to bear interest thereafter until paid. In each case set forth in the
preceding two sentences, the obligation of the County with respect to such unpaid Note shall not
be a debt or liability of the County prohibited by Article XVI, Section 18 of the California
Constitution, and the County shall not be liable thereon except to the extent of any available
revenues provided for or attributable to the Repayment Fiscal Year, as provided in Section 7
hereof. Both the principal of and interest on the Note shall be payable in lawful money of the
United States of America.

27 **Section 3. Form of Note.** The Note shall be issued in fully registered form
28 without coupons and shall be substantially in the form and substance set forth in Exhibit A, as

1 attached hereto and by reference incorporated herein, the blanks in said form to be filled in with
2 appropriate words and figures as determined at closing.

3 **Section 4. Sale of Note; Purchase Agreement; Continuing Disclosure.** The
4 form of the Purchase Agreement presented to this meeting is hereby approved. The County
5 Executive Officer, or in the absence of such officer, his or her assistant, the County Treasurer-Tax
6 Collector, or in the absence of such officer, his or her assistant, and the Auditor-Controller, or in
7 the absence of such officer, his or her assistant (each a "County Officer") are each hereby
8 individually authorized and directed to execute and deliver such Purchase Agreement in
9 substantially said form, with such changes thereto as such County Officer shall approve, such
10 approval to be conclusively evidenced by his or her execution and delivery thereof; *provided,*
11 *however,* that the interest rate on the Note shall not exceed 12% per annum, and that the
12 Underwriter's discount on the Note shall not exceed 0.05% of the Principal Amount actually
13 issued. Delivery of an executed copy of the Purchase Agreement by fax or telecopy shall be
14 deemed effective upon execution and delivery for all purposes.

15 The form of instrument, entitled "Continuing Disclosure Certificate," to be dated
16 as of its date of execution, in substantially the form presented to this meeting, is hereby approved.
17 Any County Officer is authorized and directed to execute and deliver on behalf of the County an
18 instrument in substantially said form, with such changes therein as such officer executing such
19 instrument may require or approve, such approval to be conclusively evidenced by the execution
20 and delivery thereof.

21 **Section 5. Official Statement.** The proposed form of preliminary official
22 statement (the "Preliminary Official Statement") relating to the Note, in substantially the form
23 presented to this meeting, is hereby approved with such changes, additions, completion and
24 corrections as any County Officer may approve, and the Underwriter is hereby authorized and
25 directed to cause to be distributed to prospective bidders the Preliminary Official Statement in
26 connection with the offering and sale of the Note. Such Preliminary Official Statement, together
27 with any supplements thereto, shall be in form "deemed final" by the County for purposes of Rule
28 15c2-12, promulgated by the Securities and Exchange Commission (the "Rule"), unless otherwise
exempt, but is subject to revision, amendment and completion in a final official statement (the
"Official Statement"). The Official Statement in substantially said form is hereby authorized and
approved, with such changes therein as any County Officer may approve. The County Officer is
hereby authorized and directed, at or after the time of the sale of the Note, for and in the name
and on behalf of the County, to deem the Preliminary Official Statement final on behalf of the
County, to execute a final Official Statement in substantially the form of the Preliminary Official
Statement presented to this meeting, with such additions thereto or changes therein as the County
Officer may approve, such approval to be conclusively evidenced by the execution and delivery
thereof.

Any one of the County Officers is hereby authorized and directed to provide the
Financial Advisor or the Underwriter with such information relating to the County as they shall
reasonably request for inclusion in the Preliminary Official Statement and Official Statement of
the County. Upon inclusion of the information relating to the County therein, the Preliminary
Official Statement is, except for certain omissions permitted by the Rule, hereby deemed final
within the meaning of the Rule. If, at any time prior to the end of the underwriting period, as
defined in the Rule, any event occurs as a result of which the information contained in the

1 Preliminary Official Statement might include an untrue statement of a material fact or omit to
2 state any material fact necessary to make the statements therein, in light of the circumstances
3 under which they were made, not misleading, the County shall promptly notify the Underwriter
4 and the Financial Advisor.

4 **Section 6. Disposition of Proceeds of Note; Investment.** The moneys received
5 from the sale of the Note shall be deposited in the County's "2017 Note Proceeds Account"
6 (herein called the "Proceeds Account") which Proceeds Account is hereby established and
7 maintained with the County Treasurer-Tax Collector. The moneys received from the sale of the
8 Note deposited in the County's Proceeds Account may be used and expended by the County for
9 any purpose for which it is authorized to expend funds.

8 All moneys in the Proceeds Account shall be invested in Permitted Investments (as
9 hereinafter defined), and the proceeds of such investments shall be retained in the Proceeds
10 Account.

15 **Section 7. Source of Payment; Parity Note.** The principal amount of the Note,
16 together with the interest thereon, shall be payable from taxes, income, revenue (including, but
17 not limited to, revenue from the state and federal governments), cash receipts and other moneys
18 which are accrued, received or held by the County for the general fund of the County and are
19 provided for or attributable to the Repayment Fiscal Year and which are available for payment of
20 current expenses and other obligations of the County ("Unrestricted Revenues"). As security for
21 the payment of the principal of and interest on the Note, the County hereby pledges all
22 Unrestricted Revenues (the "Pledged Revenues"), and the principal of the Note and the interest
23 thereon shall constitute a first lien and charge thereon and shall be payable from the moneys
24 received by the County from such Pledged Revenues and, to the extent not so paid, shall be paid
25 from any other taxes, income, revenue, cash receipts and other moneys of the County lawfully
26 available therefor (all as provided for in Sections 53856 and 53857 of the Act). Anything herein
27 to the contrary notwithstanding, Unrestricted Revenues pledged to the payment of the Note as
28 Pledged Revenues shall not include any amounts heretofore pledged by the County to the
payment of County of Riverside Teeter Plan obligations issued pursuant to Resolution No. 97-
203, as such resolution may be amended and supplemented from time to time. The County may
incur indebtedness secured by a pledge of its Pledged Revenues subordinate to the pledge of
Pledged Revenues hereunder and may issue subordinate tax and revenue anticipation notes.

22 In order to effect the pledge referenced in the preceding paragraph, the County
23 hereby agrees to the establishment and maintenance of a "2017 Note Payment Account" (herein
24 called the "Payment Account") by the Paying Agent as the responsible agent to maintain such an
25 account until the payment of the principal of the Note and the interest thereon, and the County
26 further agrees to cause to be deposited in the Payment Account from amounts received in the
27 months specified in the Purchase Agreement as Repayment Months (each individual month a
28 "Repayment Month" and collectively "Repayment Months") (and any amounts received
thereafter provided for or attributable to the Repayment Fiscal Year) until the amount on deposit
in the Payment Account, is equal in the respective Repayment Months identified in the Purchase
Agreement to the percentage of the principal of and interest due on the Note specified in the
Purchase Agreement. Any such deposit may take into consideration anticipated investment

1 earnings on amounts deposited in an Investment Agreement that is a Permitted Investment
2 through the Maturity Date.

3 Any County Officer is hereby authorized to approve the determination of the
4 Repayment Months and percentages of the principal of and interest due on the Note required to be
5 on deposit in the Payment Account in each Repayment Month, all as specified in the Purchase
6 Agreement, by executing and delivering the Purchase Agreement, such execution and delivery to
7 be conclusive evidence of approval by this Board and such County Officer. In the event on the
8 day in each such Repayment Month that a deposit to the Payment Account is required to be made,
9 the County has not received sufficient Unrestricted Revenues to permit the deposit into the
10 Payment Account of the full amount of Pledged Revenues to be deposited in the Payment
11 Account from said Unrestricted Revenues in said month, then the amount of any deficiency shall
12 be satisfied and made up from any other moneys of the County lawfully available for the payment
13 of the principal of the Note and the interest thereon, as and when such other moneys are received
14 or are otherwise legally available.

15 Any moneys placed in the Payment Account shall be for the benefit of the holders
16 of the Note. The moneys in the Payment Account shall be applied only for the purposes for
17 which the Payment Account is created until the principal of the Note and all interest thereon are
18 paid or until provision has been made for such payment.

19 In the event that moneys in the Payment Account are insufficient to pay the
20 principal of and interest on the Note in full when due, such moneys shall be applied in the
21 following priority: first, to pay interest on the Note; and second, to pay principal of the Note.
22 Any moneys remaining in or accruing to the Payment Account after the principal of the Note and
23 the interest thereon have been paid, or provision for such payment has been made, shall be
24 transferred to the general fund of the County.

25 Moneys in the Payment Account shall be invested in Permitted Investments and
26 any such investment shall be for the account and risk of the County. The County shall not be
27 deemed to be relieved of any of its obligations with respect to the Note by reason of such
28 investment of the moneys in its Payment Account.

Anything herein to the contrary notwithstanding, the County may at any time
during the Repayment Fiscal Year issue a Parity Note secured by a first lien and charge on
Pledged Revenues on a parity with the Note; provided that (i) the issuance of any such Parity
Note shall not, in and of itself, reduce or impair the rating on the Note, (ii) the maturity date of
any such Parity Note shall be later than the outstanding Note and (iii) the Note and Parity Note
shall have the same paying agent. In the event that the County issues a Parity Note, the County
shall make appropriate deposits into the Payment Account with respect to such Parity Note, and
in such event, the Payment Account shall also be held for the benefit of the holders of the Parity
Note.

Section 8. Execution of Note. Any one of the County Officers or any other
officer designated by the Board shall be authorized to execute the Note by manual or facsimile
signature, and the Clerk of the Board of the County or any duly appointed deputy or assistant
thereto shall be authorized to countersign the Note by manual or facsimile signature. Said
officers of the County are hereby authorized to cause the blank spaces of the Note to be filled in

1 as may be appropriate pursuant to the Purchase Agreement. In case any officer whose signature
2 shall appear on any Note shall cease to be such officer before the delivery of such Note, such
3 signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had
remained in office until delivery. The Note need not bear the seal of the County, if any.

4 **Section 9. Use of Depository; Registration, Exchange and Transfer.**

5 (A) The Depository Trust Company, New York, New York ("DTC"), is hereby
6 appointed depository for the Note. DTC shall perform such function pursuant to the Blanket
7 Issuer Letter of Representations on file with DTC (the "Letter of Representation"). The Note
8 shall be initially issued and registered in the name of "Cede & Co.," as nominee of DTC and shall
be evidenced by a single Note for each series. Registered ownership of each Note, or any portion
thereof, may not thereafter be transferred except as set forth in Section 9(B).

9 (B) The Note shall be initially issued and registered as provided in Section 9(A)
10 hereof. Registered ownership of the Note, or any portions thereof, may not thereafter be
transferred except:

11 (i) to any successor of Cede & Co., as nominee of DTC, or its
12 nominee, or of any substitute depository designated pursuant to clause (ii) of this
13 subsection (B) ("Substitute Depository"); provided, that, any successor of Cede &
14 Co., as nominee of DTC or Substitute Depository, shall be qualified under any
applicable laws to provide the service proposed to be provided by it;

15 (ii) to any Substitute Depository not objected to by the County
16 Officer, upon (1) the resignation of DTC or its successor (or any Substitute
17 Depository or its successor) from its functions as depository, or (2) a determination
18 by the County Officer to substitute another depository for DTC (or its successor)
because DTC (or its successor) is no longer able to carry out its functions as
depository; provided, that, any such Substitute Depository shall be qualified under
any applicable laws to provide the services proposed to be provided by it; or

19 (iii) to any person as provided below, upon (1) the resignation of
20 DTC or its successor (or any Substitute Depository or its successor) from its
21 functions as depository, or (2) a determination by the County Officer to
discontinue using DTC or a depository.

22 (C) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection
23 (B) of this Section 9, upon receipt of the outstanding Note of each series by the Paying Agent
24 (together with a written request of the County Officer to the Paying Agent designating the
25 Substitute Depository), a single new Note of each series, which the County shall prepare or cause
26 to be prepared, shall be executed and delivered, authenticated by the Paying Agent, and registered
27 in the name of any such successor to Cede & Co. or such Substitute Depository, or their
28 respective nominees, as the case may be, all as specified in the written request of the County
Officer. In the case of any transfer pursuant to clause (iii) of Subsection (B) of this Section 9
upon receipt of the outstanding Note of a series by the Paying Agent (together with a written
request of the County Officer to such Paying Agent), a new Note, which the County shall prepare
or cause to be prepared, shall be executed by the County and authenticated by the Paying Agent
and delivered in such denominations and registered in the names of such persons as specified by

1 the County Officer in such written request, subject to the limitations of this Section 9, provided,
2 that, the Paying Agent shall deliver such new Note as soon as practicable.

3 (D) The County and the Paying Agent shall be entitled to treat the person in
4 whose name any Note is registered as the owner thereof for all purposes of this Resolution and for
5 purposes of payment of principal of and interest on such Note, notwithstanding any notice to the
6 contrary received by the Paying Agent or the County; and the County and the Paying Agent shall
7 not have responsibility for transmitting payments to, communicating with, notifying, or otherwise
8 dealing with any beneficial owners of the Note while DTC or its successor is the registered
9 owner. Neither the County nor the Paying Agent shall have any responsibility or obligation, legal
10 or otherwise, to any such beneficial owners or to any other party, including DTC or its successor
11 (or Substitute Depository or its successor), except to the registered owner of any Note, and the
12 Paying Agent may rely conclusively on its records as to the identity of the owners of the Note.

13 (E) Notwithstanding any other provision of this Resolution and so long as the
14 outstanding Note is registered in the name of Cede & Co. or its registered assigns, the County and
15 the Paying Agent shall cooperate with Cede & Co. or its registered assigns, as sole registered
16 owner, in effecting payment of the principal of and interest on the Note by arranging for payment
17 in such manner that funds for such payments are properly identified and are made available on the
18 date they are due all in accordance with the Letter of Representation, the provisions of which the
19 Paying Agent may rely upon to implement the foregoing procedures notwithstanding any
20 inconsistent provisions herein.

21 (F) In the case of any transfer pursuant to clause (iii) of subsection (B) of this
22 Section, any Note may, in accordance with its terms, be transferred or exchanged for a like
23 aggregate principal amount in authorized denominations, upon the books required to be kept by
24 the Paying Agent pursuant to the provisions hereof, by the person in whose name it is registered,
25 in person or by his duly authorized attorney, upon surrender of such Note for cancellation, and, in
26 the case of a transfer, accompanied by delivery of a written instrument of transfer, duly executed
27 and in form approved by the Paying Agent.

28 Whenever any Note shall be surrendered for transfer or exchange, the County shall
execute and the Paying Agent shall authenticate and deliver a new Note of authorized
denominations of the same series, for a like aggregate principal amount of the same interest rate.
The Paying Agent shall require the owner requesting such transfer or exchange to pay any tax or
other governmental charge required to be paid with respect to such transfer or exchange.

(G) The Paying Agent will keep or cause to be kept sufficient books for the
registration and transfer of the Note of each series, which shall at all times be open to inspection
by the County. Upon presentation for such purpose, the Paying Agent shall, under such
reasonable regulations as it may prescribe, register or transfer or cause to be registered or
transferred, on such books, the Note as hereinbefore provided.

(H) If any Note shall become mutilated, the County, at the expense of the owner
of such Note, shall execute, and the Paying Agent shall thereupon authenticate and deliver a new
Note of like series, tenor, interest rate and number in exchange and substitution for the Note so
mutilated, but only upon surrender to the Paying Agent of the Note so mutilated. Every mutilated
Note so surrendered to the Paying Agent shall be cancelled by it and delivered to, or upon the

1 order of, the County. If any Note shall be lost, destroyed or stolen, evidence of such loss,
2 destruction or theft may be submitted to the County and the Paying Agent and, if such evidence
3 be satisfactory to both and indemnity satisfactory to them shall be given, the County, at the
4 expense of the owner, shall execute, and the Paying Agent shall thereupon authenticate, if
5 required, and deliver a new Note of like series, interest rate, tenor and number in lieu of and in
6 substitution for the Note so lost, destroyed or stolen (or if any such Note shall have matured or
7 shall be about to mature, instead of issuing a substitute Note, the Paying Agent may pay the same
8 without surrender thereof). The Paying Agent may require payment by the registered owner of a
9 Note of a sum not exceeding the actual cost of preparing each new Note issued pursuant to this
10 paragraph and of the expenses which may be incurred by the County and the Paying Agent. Any
11 Note issued under these provisions in lieu of any Note alleged to be lost, destroyed or stolen shall
12 constitute an original additional contractual obligation on the part of the County whether or not
13 the Note so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall
14 be entitled to the benefits of this Resolution with the Note of any other series secured by this.

15 The Note of any series surrendered for payment or registration of transfer, if
16 surrendered to any person other than the Paying Agent, shall be delivered to the Paying Agent and
17 shall be promptly cancelled by it. The County may at any time deliver to the Paying Agent for
18 cancellation any Note previously authenticated and delivered hereunder which the County may
19 have acquired in any manner whatsoever, and any Note so delivered shall promptly be cancelled
20 by the Paying Agent. No Note shall be authenticated in lieu of or in exchange for any Note
21 cancelled as provided herein, except as expressly permitted hereunder. The cancelled Note of any
22 series held by the Paying Agent shall be disposed of as directed by the County.

23 **Section 10. Representations and Covenants of the County.** The County makes
24 the following representations and covenants for the benefit of the holders of the Note:

25 (A) The County is duly organized and existing under and by virtue of the laws
26 of the State of California and has all necessary power and authority (i) to adopt this Resolution
27 and perform its obligations thereunder, (ii) to enter into and perform its obligations under the
28 Purchase Agreement, and (iii) to issue the Note and perform its obligations thereunder.

(B) Upon the issuance of the Note, the County shall have taken all action
required to be taken by it to authorize the issuance and delivery of the Note and the performance
of its obligations thereunder, and the County has full legal right, power and authority to issue and
deliver the Note.

(C) The issuance of the Note, the adoption of the Resolution and the execution
and delivery of the Purchase Agreement, and compliance with the provisions hereof and thereof
will not conflict with or violate any law, administrative regulation, court decree, resolution,
charter, by-laws or other agreement to which the County is subject or by which it is bound.

(D) Except as may be required under blue sky or other securities laws of any
state or Section 3(a)(2) of the Securities Act of 1933, there is no consent, approval, authorization
or other order of, or filing with, or certification by, any regulatory authority having jurisdiction
over the County required for the issuance and sale of the Note or the consummation by the
County of the other transactions contemplated by this Resolution, except those the County shall
obtain or perform prior to or upon the issuance of the Note.

1 (E) Prior to the issuance of the Note, the County has duly, regularly and
2 properly adopted a preliminary budget for the Repayment Fiscal Year setting forth expected
3 revenues and expenditures and has complied with all statutory and regulatory requirements with
4 respect to the adoption of such budget. The County hereby covenants that it shall (i) duly,
5 regularly and properly prepare and adopt its final budget for the Repayment Fiscal Year,
6 (ii) provide to the Financial Advisor and the Underwriter, promptly upon adoption, copies of such
7 final budget and of any subsequent revisions, modifications or amendments thereto and
8 (iii) comply with all applicable laws pertaining to its budget.

9 (F) The County (i) has not defaulted within the past twenty (20) years, and is
10 not currently in default, on any debt obligation and (ii), to the best knowledge of the County, has
11 never defaulted on any debt obligation.

12 (G) The County's most recent audited financial statements present fairly the
13 financial condition of the County as of the date thereof and the results of operation for the period
14 covered thereby. Except as has been disclosed to the Financial Advisor and the Underwriter and
15 in the Preliminary Official Statement and to be set forth in the final Official Statement, there has
16 been no change in the financial condition of the County since the date of such audited financial
17 statements that will in the reasonable opinion of the County materially impair its ability to
18 perform its obligations under this Resolution and the Note. The County agrees to furnish to the
19 Financial Advisor and the Underwriter promptly, from time to time, such information regarding
20 the operations, financial condition and property of the County as such party may reasonably
21 request.

22 (H) There is no action, suit, proceeding, inquiry or investigation, at law or in
23 equity, before or by any court, arbitrator, governmental or other board, body or official, pending
24 or, to the best knowledge of the County, threatened against or affecting the County questioning
25 the validity of any proceeding taken or to be taken by the County in connection with the Note, the
26 Purchase Agreement or this Resolution, or seeking to prohibit, restrain or enjoin the execution,
27 delivery or performance by the County of any of the foregoing, or wherein an unfavorable
28 decision, ruling or finding would have a materially adverse effect on the County's financial
condition or results of operations or on the ability of the County to conduct its activities as
presently conducted or as proposed or contemplated to be conducted, or would materially
adversely affect the validity or enforceability of, or the authority or ability of the County to
perform its obligations under, the Note, the Purchase Agreement or this Resolution.

(I) Upon issuance of the Note and execution of the Purchase Agreement, this
Resolution, the Purchase Agreement and the Note will constitute legal, valid and binding
agreements of the County, enforceable in accordance with their respective terms, except as such
enforceability may be limited by bankruptcy or other laws affecting creditors' rights generally,
the application of equitable principles if equitable remedies are sought, the exercise of judicial
discretion in appropriate cases and the limitations on legal remedies against local agencies, as
applicable, in the State of California.

(J) The County and its appropriate officials have duly taken, or will take, all
proceedings necessary to be taken by them, if any, for the levy, receipt, collection and
enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of
this Resolution and the Note.

1 (K) Except for Parity Notes, if any, permitted to be executed and delivered
2 pursuant to Section 7 hereof, the County shall not incur any indebtedness secured by a pledge of
3 its Pledged Revenues unless such pledge is subordinate in all respects to the pledge of Pledged
4 Revenues hereunder.

5 (L) The information contained in the Official Statement (excluding the
6 statements and information under the heading "UNDERWRITING" and under "THE NOTE—
7 Book-Entry Only System"), as of the time of delivery thereof to the Underwriter and at all times
8 subsequent thereto up to and including the closing, will be true, complete, correct and final in all
9 material respects and will not contain any untrue statement of a material fact or omit to state a
10 material fact necessary to make the statements therein, in the light of the circumstances under
11 which they were made, not misleading.

12 (M) The County hereby covenants and agrees that it will comply with and carry
13 out all of the provisions of the Continuing Disclosure Certificate consistent with the requirements
14 of the Rule.

15 **Section 11. Tax Covenants.** The County will not take any action or fail to take
16 any action if such action or failure to take such action would adversely affect the exclusion from
17 gross income of the interest payable on the Note under Section 103 of the Internal Revenue Code
18 of 1986, as amended (the "Code"). Without limiting the generality of the foregoing, the County
19 will not make any use of the proceeds of the Note or any other funds of the County which would
20 cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code, a
21 "private activity bond" within the meaning of Section 141(a) of the Code, or an obligation the
22 interest on which is subject to federal income taxation because it is "federally guaranteed" as
23 provided in Section 149(b) of the Code. The County, with respect to the proceeds of the Note,
24 will comply with all requirements of such sections of the Code and all regulations of the United
25 States Department of the Treasury issued or applicable thereunder to the extent that such
26 requirements are, at the time, applicable and in effect.

27 The County hereby covenants that the County will take all legally permissible
28 steps necessary to ensure that all of the gross proceeds of the Note will be expended no later than
the day that is six months after the date of issuance of the Note so as to satisfy the requirements of
Section 148(f)(4)(B) of the Code.

Notwithstanding any other provision of this Resolution to the contrary, upon the
County's failure to observe, or refusal to comply with, the covenants contained in this Section 11,
no one other than the holders or former holders of the Note, and their legal representatives, shall
be entitled to exercise any right or remedy under this Resolution on the basis of the County's
failure to observe, or refusal to comply with, such covenants.

The covenants contained in this Section 11 shall survive the payment of the Note.

Section 12. Events of Default and Remedies.

If any of the following events occur, it is hereby defined as and declared to be and
to constitute an "Event of Default":

1 (a) Failure by the County to make or cause to be made the transfers and
2 deposits to the Payment Account, or any other payment required to be paid
3 hereunder, including payment of principal of and interest on the Note, on or before
the date on which such transfer, deposit or other payment is due and payable;

4 (b) Failure by the County to observe and perform any covenant,
5 condition or agreement (other than failure to make a payment or transfer as
6 provided in subsection (a) of this Section) on its part to be observed or performed
7 under this Resolution, for a period of fifteen (15) days after written notice,
8 specifying such failure and requesting that it be remedied, is given to the County
by the holders of not less than 10% in aggregate principal amount of the Note,
unless such holders shall agree in writing to an extension of such time prior to its
expiration;

9 (c) Any warranty, representation or other statement by or on behalf of
10 the County contained in this Resolution or the Purchase Agreement or in any
11 requisition or any financial report delivered by the County or in any instrument
12 furnished in compliance with or in reference to this Resolution or the Purchase
Agreement or in connection with the Note, is false or misleading in any material
respect;

13 (d) A petition is filed against the County under any bankruptcy,
14 reorganization, arrangement, insolvency, readjustment of debt, dissolution or
15 liquidation law of any jurisdiction, whether now or hereafter in effect and is not
16 dismissed within 30 days after such filing, but the holders of the Note shall have
the right to intervene in the proceedings prior to the expiration of such 30 days to
protect their interests;

17 (e) The County files a petition in voluntary bankruptcy or seeking
18 relief under any provision of any bankruptcy, reorganization, arrangement,
19 insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction,
whether now or hereafter in effect, or consents to the filing of any petition against
it under such law; or

20 (f) The County admits insolvency or bankruptcy or is generally not
21 paying its debts as such debts become due, or becomes insolvent or bankrupt or
22 makes an assignment for the benefit of creditors, or a custodian (including without
23 limitation a receiver, liquidator or trustee) of the County or any of its property is
24 appointed by court order or takes possession thereof and such order remains in
effect or such possession continues for more than 30 days, but the holders of the
Note shall have the right to intervene in the proceedings prior to the expiration of
such 30 days to protect their interests;

25 Whenever any Event of Default referred to in this Section 12 shall have happened
26 and be continuing, the holders of the Note and any adversely affected former holders of the Note,
27 and their legal representatives, shall, in addition to any other remedies provided herein, have the
28 right, at their option without any further demand or notice, to take one or any combination of the
following remedial steps:

1 (a) Without declaring the Note to be immediately due and payable,
2 require the County to pay to the Paying Agent on behalf of the holders of the Note,
3 an amount equal to the principal of the Note and interest thereon to maturity, plus
4 all other amounts due hereunder, and upon notice to the County the same shall
become immediately due and payable by the County without further notice or
demand; and

5 (b) Take whatever other action at law or in equity (except for
6 acceleration of payment on the Note) which may appear necessary or desirable to
7 collect the amounts then due and thereafter to become due hereunder or to enforce
any other of its rights hereunder.

8 **Section 13. Application of Amounts After Default.** Notwithstanding anything
9 to the contrary contained herein, after a default by the County, all funds and accounts held by the
10 Paying Agent and all payments received by the Paying Agent with respect to the Note after an
11 Event of Default by the County pursuant to Section 12 hereof, and all damages or other payments
12 received by the Paying Agent for the enforcement of any rights and powers of the Paying Agent
13 under Section 12, shall be deposited into the Payment Account and as soon as practicable
thereafter applied to the payment of all amounts then due as interest on the Note and any Parity
Note, and thereafter to the payment of all amounts due as principal on the Note and any Parity
Note, ratably without preference or priority of any kind, according to the amounts due and
payable with respect to such Note and Parity Note.

14 **Section 14. Paying Agent.** The Bank of New York Mellon Trust Company, N.A.
15 is hereby appointed as paying agent and registrar for the Note. The County hereby directs and
16 authorizes the payment by the Paying Agent of the interest on and principal of the Note when
17 such become due and payable, from the Payment Account held by the Paying Agent in the name
18 of the County in the manner set forth herein. The County hereby covenants to deposit funds in
such account at the time and in the amount specified herein to provide sufficient moneys to pay
the principal of and interest on the Note on the day on which it matures. Payment of the Note
shall be in accordance with the terms of the Note and this Resolution.

19 **Section 15. Approval of Actions.** All actions heretofore taken by the officers
20 and agents of the County or this Board with respect to the sale and issuance of the Note are
21 hereby approved, confirmed and ratified, and the County Officers and agents of the County are
22 hereby authorized and directed, for and in the name and on behalf of the County, to do any and all
23 things and take any and all actions and execute any and all certificates, agreements and other
documents which they, or any of them, may deem necessary or advisable in order to consummate
the lawful issuance and delivery of the Note in accordance with, and related transactions
contemplated by, this Resolution.

24 **Section 16. Proceedings Constitute Contract.** The provisions of the Note and
25 of this Resolution shall constitute a contract between the County and the registered holders of the
26 Note and such provisions shall be enforceable by mandamus or any other appropriate suit, action
or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrevocable.

27 **Section 17. Limited Liability.** Notwithstanding anything to the contrary
28 contained herein or in the Note or in any other document mentioned herein or related to the Note,

1 the County shall not have any liability hereunder or by reason hereof or in connection with the
2 transactions contemplated hereby except to the extent payable from moneys available therefor as
3 set forth in Section 7 hereof.

4 **Section 18. Amendments.** At any time or from time to time, the County may
5 adopt one or more Supplemental Resolutions without the necessity for consent of the owner of the
6 Note for any one or more of the following purposes:

7 (a) to add to the covenants and agreements of the County in this
8 Resolution, other covenants and agreements to be observed by the County which
9 are not contrary to or inconsistent with this Resolution as theretofore in effect;

10 (b) to add to the limitations and restrictions in this Resolution, other
11 limitations and restrictions to be observed by the County which are not contrary to
12 or inconsistent with this Resolution as theretofore in effect;

13 (c) to confirm, as further assurance, any pledge under, and the
14 subjection to any lien or pledge created or to be created by, this Resolution, of any
15 monies, securities or funds, or to establish any additional funds or accounts to be
16 held under this Resolution;

17 (d) to cure any ambiguity, supply any omission, or cure or correct any
18 defect or inconsistent provision in this Resolution; or

19 (e) to amend or supplement this Resolution in any other respect;

20 provided, however, that any such Supplemental Resolution does not adversely affect the interests
21 of the holders of the Note.

22 Any modifications or amendment of this Resolution and of the rights and
23 obligations of the County and of the holders of the Note may be made by a Supplemental
24 Resolution, with the written consent of the holders of at least a majority in principal amount of
25 the Note outstanding at the time such consent is given; *provided, however,* that if such
26 modification or amendment will, by its terms, not take effect so long as the Note remains
27 outstanding, the consent of the holders of such Note shall not be required. No such modification
28 or amendment shall permit a change in the maturity of the Note or a reduction of the principal
amount thereof or an extension of the time of any payment thereon or a reduction of the rate of
interest thereon, or a change in the date or amounts of the pledge set forth in this Resolution,
without the consent of the holders of such Note, or shall reduce the percentage of the Note, the
consent of the holders of which is required to effect any such modification or amendment, or shall
change or modify any of the rights or obligations of the Paying Agent without its written assent
thereto.

29 **Section 19. Severability.** In the event any provision of this Resolution shall be
30 held invalid or unenforceable by any court of competent jurisdiction, such holding shall not
31 invalidate or render unenforceable any other provision hereof.

32 **Section 20. Appointment of Bond Counsel and Disclosure Counsel.** The
33 County approves and consents to the appointment of the law firm of Orrick, Herrington &

13 corresponding percentages of principal of and interest due on the Note as set forth in the Purchase
14 Agreement (such pledged amounts being hereinafter called the "Pledged Revenues"), and the
15 principal of the Note and the interest thereon shall constitute a first lien and charge thereon and
16 shall be payable from the Pledged Revenues, and to the extent not so paid shall be paid from any

The

Preliminary Official Statement and the Official Statement shall be in the designated electronic format to comply with the Rule and the rules of the Municipal Securities Rulemaking Board ("MSRB"). The County has approved the distribution by the Underwriters of the Official Statement and the County hereby authorizes the Underwriters to use, in connection with the offer and sale of the Note, the Official Statement and the Resolution and all information contained herein and therein and all other documents, agreements, certificates or statements furnished by the County to the Underwriters or entered into in connection with the transactions contemplated by this Purchase Contract.

The County will undertake, pursuant to a Continuing Disclosure Certificate (the "Continuing Disclosure Certificate"), to provide ongoing periodic disclosure and notices of the occurrence of certain listed events. A description of such undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

In connection with the issuance of the Note, the County will enter into the Paying Agent Agreement, dated as of _____, 2017 (the "Paying Agent Agreement"), by and between County and The Bank of New York Mellon Trust Company, N.A. (the "Paying Agent"), a national banking association duly organized and operating under the laws of the United States of America.

4. Public Offering of the Note. The Underwriters agree to make a bona fide public offering of the Note at the price or yield set forth on the cover of the Official Statement. The Underwriter may offer and sell the Note to certain dealers and banks at prices lower than the public offering price stated on the cover of the Official Statement and said public offering price may be changed from time to time by the Underwriters.

The County acknowledges and agrees that (i) the purchase and sale of the Note pursuant to this Purchase Contract is an arm's-length commercial transaction between the County and the Underwriters, (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriters are and have been acting solely as principals and are not acting as the agent, fiduciary, financial advisor or municipal advisor of the County, (iii) the Underwriters have not assumed an advisory or fiduciary responsibility in favor of the County with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriters have provided other services or are currently providing other services to the County on other matters) and the Underwriters have no obligation to the County with respect to the offering contemplated hereby except the obligations expressly set forth in this Purchase Contract, (iv) the Underwriters have financial and other interests that differ from those of the County and (v) the County has consulted its own legal, financial and other advisors to the extent it has deemed appropriate.

5. Closing. At 8:00 a.m., Pacific Daylight Time, on _____, 2017, or at such other time and on such other date as shall have been mutually agreed upon by the County and the Underwriters (the "Closing Date"), the County will deliver to the Underwriters, through the facilities of DTC, the Note in registered form duly executed and other documents hereinafter mentioned, and the Underwriters will accept such delivery and pay the purchase price thereof in immediately available funds to the order of the County (the "Closing").

6. Representations, Warranties and Agreements of the County. The County hereby represents, warrants and agrees with the Underwriters that:

(a) The County is a political subdivision, organized and existing pursuant to the Constitution and laws of the State of California (the "State"), and has all requisite right, power and authority to conduct its business, to adopt the Resolution, to issue the Note and to execute this Purchase Contract, the Paying Agent Agreement and the Continuing Disclosure Certificate (collectively, the "Documents"), and to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by the Documents.

(b) All representations and warranties set forth in the Resolution are true and correct on the date hereof and are made for the benefit of the Underwriters as if set forth herein.

(c) (i) At or prior to the Closing, the County will have taken all actions required to be taken by it to authorize the issuance and delivery of the Note; (ii) the execution and delivery of the Note and the Documents, the adoption by the County of the Resolution, and the performance by the County of the obligations contained in the Documents, have been duly authorized and such authorization will be in full force and effect at the time of the Closing, and when duly executed and delivered the Note and the Documents will each constitute the valid and legally binding obligation of the County enforceable against the County in accordance with their respective terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws in effect for the protection of debtors and by application of general principles of equity; (iii) this Purchase Contract has been duly executed and delivered and constitutes the valid and legally binding obligation of the County enforceable against the County in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws in effect for the protection of debtors and by application of general principles of equity; (iv) the Board of Supervisors has duly authorized the consummation by the County of all transactions contemplated by the Documents and the Resolution; and (v) the County has authorized and approved the Preliminary Official Statement and the Official Statement and the distribution thereof by the Underwriters.

(d) No consent, approval, authorization, license, order, filing, registration, qualification, election or referendum, of or by any person, organization, State court or State governmental agency or public body whatsoever is required for the consummation of the transactions contemplated hereby, except for such actions as have been taken or as may be necessary to qualify the Note for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may designate (except that the County shall not be responsible for the failure to comply with any such laws or regulations with regard to Blue Sky).

(e) The adoption of the Resolution and the execution and delivery of this Purchase Contract, and compliance with the provisions hereof and thereof, will not in any material respect conflict with, or constitute a breach of or default under, the County's duties under the Resolution or any law, administrative regulation, court decree, resolution, by-laws or other agreement to which the County is subject or by which it or any of its property is bound.

(f) Except as otherwise disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before any State court or public

body, pending or, to the best knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the County or the entitlement of the officials of the County to their respective offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of the Note, the application of the proceeds of the sale of the Note, or the collection of revenues or taxes of the County pledged or to be pledged or available to pay the principal of and interest on the Note, or the pledge thereof, or in any way contesting the validity of the Note or the Documents, or contesting the powers or authority of the County with respect to the Note or the Documents; or (iii) in which a final adverse decision would (a) materially adversely affect the consummation of the transactions contemplated by the Documents, or (b) declare the Documents to be invalid or unenforceable in whole or in material part.

(g) As of the date thereof and at all times prior to the execution of this Purchase Contract, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except for information permitted to be omitted therefrom by the Rule.

(h) As of the date hereof, the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If between the date of the Official Statement and the Closing (i) any event shall occur or any pre-existing fact or condition shall become known which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the County shall promptly notify the Underwriters thereof, and (ii) if in the reasonable opinion of the Underwriters and the County, such event, fact or condition requires the preparation and publication of a supplement or amendment to the Official Statement, the County will at its expense supplement or amend the Official Statement in a form and in a manner jointly approved by the Underwriters and the County, which approval shall not be unreasonably withheld.

(i) The County undertakes that, for a period beginning with the day on which the Note is delivered to the Underwriters and ending on the earlier of (i) the 25th day following the end of the underwriting period, as defined in the Rule, or (ii) 90 days following Closing, it will (a) apprise the Underwriters of all material developments, if any, occurring with respect to the County and (b) if determined by the County or requested by the Underwriters, prepare a supplement to the Official Statement in respect of any such material event. The period described in the preceding sentence shall be reduced to twenty-five (25) days following the end of the underwriting period if the Official Statement has been deposited with the MSRB and is available from such depository upon request. The Underwriters hereby agree to use their best efforts to deposit the Official Statement with the MSRB so that such period will be reduced to twenty-five (25) days following the end of the underwriting period. Unless otherwise notified in writing by the Underwriters, the County may assume that the end of this underwriting period occurs on the date when the County delivers the Note to the Underwriters.

(j) Between the date hereof and the Closing, without the prior written consent of the Underwriters, the County will not have issued any bonds, notes or other obligations for borrowed money except as may be described in or contemplated by the Official Statement.

(k) Any certificates signed by any official of the County and delivered to the Underwriters shall be deemed a representation and warranty by the County to the Underwriters as to the statements made therein but not of the person signing the same.

(l) The County will punctually pay or cause to be paid the principal of and interest to become due on the Note in strict conformity with the terms of the Resolution and the Note and it will faithfully observe and perform all of the conditions, covenants and requirements of the Note and the Documents.

(m) The County will furnish such information, execute such instruments and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request in order (i) to qualify the Note for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may designate and (ii) to determine the eligibility of the Note for investment under the laws of such states and other jurisdictions and will, if requested by the Underwriters, use its best efforts to continue such qualifications in effect so long as required for distribution of the Note; provided that the County shall not be required to pay any fees in connection with the foregoing or to subject itself to service of process in any jurisdiction in which it is not presently so subject.

(n) Between the date hereof and the Closing, the County will not modify or amend the Resolution without the prior written consent of the Underwriters.

(o) The County will enter into the Continuing Disclosure Certificate in order to provide the information required therein. Except as disclosed in the Official Statement, the County has not failed to comply in all material respects with any continuing undertaking under the Rule during the previous five years.

(p) The Note will be issued only under and within the limits of the Act and the Resolution, and, as such, are general obligations of the County, but payable only out of certain taxes, income, revenue, cash receipts and other moneys to be received by the County attributable to County Fiscal Year 2017-18, as set forth in the Resolution.

(q) The County's Comprehensive Annual Financial Report (CAFR) as of June 30, 2016, for the fiscal year ended on such date, as described or set forth, as appropriate, in the Official Statement, is true, complete and correct and fairly presents the financial condition of the County as of such date and the results of its operations for such fiscal year. There has been no material adverse change in the financial condition of the County since June 30, 2016, except as described in the CAFR or the Official Statement.

(r) In order to effect the pledge of Pledged Revenues provided in the Resolution, the County hereby agrees to be deposited in the Payment Account (as defined in the Resolution) (a) on [_____, 2018], an amount equal to [__]% of the principal amount of and interest on the Note at maturity from unrestricted revenues received by the County in [_____ 20__]; and (b) on [_____, 2018], an amount equal to [__]% of the

principal amount of and interest on the Note at maturity from unrestricted revenues received by the County in [____ 20__] (and any amounts received thereafter provided for or attributable to Fiscal Year 2017-18), until the amount on deposit in the Payment Account is equal to the percentage of the principal and interest due on the Note. Any such deposit may take into consideration anticipated investment earnings on amounts deposited in an Investment Agreement that is a Permitted Investment through the Maturity Date.

7. Conditions to Obligations of Underwriters at Closing. The Underwriters have entered into this Purchase Contract in reliance upon the representations and warranties of the County contained herein and the performance by the County of its obligations hereunder, as of the date hereof and as of the Closing. The obligation of the Underwriters to purchase the Note at the Closing is subject to the following further conditions, any or all of which can be waived by the Underwriters in writing:

(a) The representations and warranties of the County contained herein shall be true and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriters at the Closing and otherwise pursuant hereto shall be true and correct in all material respects at and as of the Closing;

(b) At and as of the Closing (i) the Official Statement, this Purchase Contract, the Paying Agent Agreement, the Continuing Disclosure Certificate and the Resolution shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been jointly agreed to in writing by the County and the Underwriters; (ii) all actions under the Act which, in the opinion of Orrick, Herrington & Sutcliffe LLP, Note Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the County shall perform or have performed all of its obligations required under or specified in the Resolution or this Purchase Contract to be performed at or prior to the Closing;

(c) To the best knowledge of the County, based on reasonable inquiry, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or public body, is pending or threatened against the County which has any of the effects described in Paragraph 6(f) hereof or contesting in any way the completeness or accuracy of the Official Statement; and

(d) At or prior to the Closing, the Underwriters shall have received a copy of the following documents in each case dated at and as of the Closing and satisfactory in form and substance to the Underwriters:

(1) An approving opinion of Note Counsel as to the Note in the form attached to the Official Statement as APPENDIX C, addressed to the County, together with a reliance letter addressed to the Underwriters;

(2) A supplemental opinion of Note Counsel, addressed to the Underwriters, to the effect that:

(i) the Purchase Contract and the Paying Agent Agreement have been duly executed and delivered by the County and are valid and binding

agreements of the County, except as enforcement may be limited by bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against counties in the State and except that no opinion need be expressed with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, waiver or severability;

(ii) the statements contained in the Official Statement in the sections thereof entitled "THE NOTE," "TAX MATTERS," and the Appendix containing the form of approving opinion, excluding any material that may be treated as included under such captions by cross-reference, insofar as such statements expressly summarize certain provisions of the Resolution and the Note and the form and content of the approving opinion, are accurate in all material respects; and

(iii) the Note is not subject to the registration requirements of Securities Act of 1933, as amended, and the Resolution is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended.

(3) The negative assurance letter, dated the date of the Closing and addressed to the County and the Underwriters, of Kutak Rock LLP, as Disclosure Counsel to the County, to the effect that based upon their participation in the preparation of the Official Statement as Disclosure Counsel to the County and without having undertaken to determine independently the accuracy or completeness of the contents in the Official Statement, such counsel has no reason to believe that the Official Statement, as of its date and as of the Closing Date (except for information therein with respect to DTC or with respect to any financial, numerical or statistical data, or any estimates, assumptions and expressions of opinion, contained in the Official Statement, including any of the appendices thereto, as to which we express no opinion or view) contained or contains any untrue statement of a material fact or omitted or omits to state any material fact required to be stated therein, in light of the circumstances under which they were made, not misleading in any material respect;

(4) An opinion of the County Counsel, addressed to the Underwriters, to the effect that:

(i) The County is a political subdivision duly organized and validly existing under and by virtue of the Constitution and laws of the State of California;

(iii) There is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body pending or, to the best of the County Counsel's knowledge, threatened against or affecting the County in which an unfavorable decision, ruling or finding would materially adversely affect the participation of the County in, or consummation of, the transactions contemplated by the Official Statement, the Note, the Purchase Contract or the Resolution, or in any way contesting the existence of the County or its powers with respect thereto, nor, to the best of the County Counsel's knowledge, is there any basis for any such action, suit, proceeding or investigation;

(iv) The County has full right and lawful authority to adopt the Resolution and to execute and deliver the Note, the Purchase Contract and the Official Statement, such documents have been duly authorized, executed and delivered on behalf of the County, and the Purchase Contract and the Resolution constitute the legal, valid and binding obligations of the County enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to or limiting creditors' rights generally, by the principles of equity if equitable remedies are sought, by the exercise of judicial discretion and by the limitations on remedies against counties in the State;

(v) To the best of the County Counsel's knowledge, the adoption of the Resolution and the execution and delivery of the Note, the Purchase Contract and the Official Statement and compliance by the County with the provisions thereof, under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the County a breach of or default under any agreement or other instrument applicable to or binding upon the County or any existing law, regulation, court order or consent decree to which the County is subject; and

(vi) Based upon examinations which we have made and our discussions in conferences with certain officials of the County and others with respect to the Official Statement and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Official Statement (including the Appendices attached thereto), nothing has come to our attention which would lead us to believe that the Official Statement (other than financial and statistical data therein and incorporated therein by reference and DTC and its book entry system, as to which no opinion need be expressed) contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(iii) the adoption of the Resolution and the execution and delivery of the Note and the Documents and compliance with the provisions hereof and thereof, under the circumstances contemplated thereby and hereby, do not conflict with or constitute on the part of the County a material breach of or material default under any agreement or other instrument applicable or binding upon the County or any of its properties or any existing law, regulation, court order or consent decree to which the County or any of its properties is subject;

(iv) the County has full right and lawful authority to deliver the Official Statement, to execute and deliver the Note, and to execute and deliver the Documents, to adopt the Resolution and the County has duly authorized, executed and delivered the Official Statement and the Documents;

(iii) No consent, approval, authorization or other action by any governmental or regulatory authority having jurisdiction over the Paying Agent that has not been obtained is or will be required for the consummation by the Paying Agent of the transactions contemplated by the Paying Agent Agreement and by the Paying Agent of the transactions contemplated by the Resolution to be undertaken by the Paying Agent;

(iv) The execution and delivery by the Paying Agent of the Paying Agent Agreement, and compliance with the terms thereof will not conflict with, or result in a violation or breach of, or constitute a default under, any material agreement or material instrument to which the Paying Agent is a party or by which it is bound, or, to the best knowledge of the Paying Agent, any law, rule, regulation, order or decree of any court or governmental agency or body having jurisdiction over the Paying Agent; and

(v) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, served on, or, to the best knowledge of the Paying Agent, threatened against, the Paying Agent, affecting the existence of the Paying Agent or the titles of its officers to their respective offices, or in any way contesting or affecting the validity or enforceability of the Paying Agent Agreement against the Paying Agent, or contesting the power of the Paying Agent or its authority to enter into, adopt or perform its obligations under the Paying Agent Agreement, wherein an unfavorable decision, ruling or finding would

materially adversely affect the validity or enforceability of the Paying Agent Agreement against the Paying Agent.

8. Termination of Obligations of Underwriters. If the County shall be unable to satisfy the conditions set forth in Section 7 to the obligations of the Underwriters contained in this Purchase Contract, the obligations of the Underwriters under this Purchase Contract may be terminated by the Underwriters by notice to the County at, or at any time prior to, the Closing Date. Notwithstanding any provision herein to the contrary, the performance of any and all conditions contained herein for the benefit of the Underwriters may be waived by the Underwriters in writing in their sole discretion.

The Underwriters shall also have the right to terminate, in their sole discretion, their obligations under this Purchase Contract, by notice to the County at, or at any time prior to the Closing, if between the date hereof and the Closing:

(i) an event shall occur which makes untrue or incorrect in any material respect, as of the time of such event, any statement or information contained in the Official Statement or which is not reflected in the Official Statement but should be reflected therein in order to make the statements contained therein not misleading in any material respect and, in either such event, the County refuses to permit the Official Statement to be supplemented to supply such statement or information or the effect of the Official Statement as so supplemented is, in the judgment of the

Underwriters, to materially adversely affect the market for the Note or the sale, at the contemplated offering prices (or yields), by the Underwriters of the Note; or

(ii) legislation shall be introduced in, enacted by, reported out of committee, or recommended for passage by the State, either House of the Congress, or recommended to the Congress or otherwise endorsed for passage (by press release, other form of notice or otherwise) by the President of the United States, the Treasury Department of the United States, the Internal Revenue Service or the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, or legislation is proposed for consideration by either such committee by any member thereof or presented as an option for consideration by either such committee by the staff or such committee or by the staff of the Joint Committee on Taxation of the Congress of the United States, or a bill to amend the Internal Revenue Code (which, if enacted, would be effective as of a date prior to the Closing) shall be filed in either House, or a decision by a court of competent jurisdiction shall be rendered, or a regulation or filing shall be issued or proposed by or on behalf of the Department of the Treasury or the Internal Revenue Service of the United States, or other agency of the federal government, or a release or official statement shall be issued by the President, the Department of the Treasury or the Internal Revenue Service of the United States, in any such case with respect to or affecting (directly or indirectly) the taxation of interest received on obligations of the general character of the Note which, in the opinion of the Underwriters, materially adversely affects the market for the Note or the sale, at the contemplated offering prices (or yields), by the Underwriters of the Note; or

(iv) legislation is introduced in or enacted (or resolution passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Note, including any or all underlying arrangements, are not exempt from registration under or other requirements of the Securities Act of 1933, as amended, or that the Resolution is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended, or that the issuance, offering, or sale of obligations of the general character of the Note, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect; or

(v) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national or international emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the reasonable judgment of the

Underwriters, impractical or inadvisable to proceed with the offering of the Note as contemplated in the Official Statement; or

(vi) there shall have occurred a general suspension of trading, minimum or maximum prices for trading shall have been fixed and be in force or maximum ranges or prices for securities shall have been required on the New York Stock Exchange or other national stock exchange whether by virtue of a determination by that Exchange or by order of the Securities and Exchange Commission or any other governmental agency having jurisdiction or any national securities exchange shall have: (i) imposed additional material restrictions not in force as of the date hereof with respect to trading in securities generally, or to the Note or similar obligations; or (ii) materially increased restrictions now in force with respect to the extension of credit by or the charge to the net capital requirements of underwriters or broker-dealers such as to make it, in the judgment of the Underwriters, impractical or inadvisable to proceed with the offering of the Note as contemplated in the Official Statement; or

(vii) a general banking moratorium shall have been declared by federal or New York or California state authorities or a major financial crisis or a material disruption in commercial banking or securities settlement or clearances services shall have occurred such as to make it, in the judgment of the Underwriters, impractical or inadvisable to proceed with the offering of the Note as contemplated in the Official Statement; or

(viii) a downgrading or suspension of any rating (without regard to credit enhancement) by Moody's Investors Service ("Moody's"), S&P, or Fitch of any debt securities issued by the County, or (ii) there shall have been any official statement as to a possible downgrading (such as being placed on "credit watch" or "negative outlook" or any similar qualification) of any rating by Moody's, S&P or Fitch of any debt securities issued by the County, including the Note; or

(ix) any amendment to the federal or State Constitution or action by any federal or State court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the County, its property, income, securities (or interest thereon), the validity or enforceability of the Note; or

(x) any materially adverse change in the financial condition of the County.

9. Conditions to Obligations of the County. The performance by the County of its obligations under this Purchase Contract with respect to issuance, sale and delivery of the Note to the Underwriters is conditioned upon (i) the performance by the Underwriters of its obligations hereunder; and (ii) receipt by the County and the Underwriters of opinions and certificates being delivered at or prior to the Closing by persons and entities other than the County.

10. Expenses. (a) The Underwriters shall be under no obligation to pay, and the County shall pay from its available funds or from the proceeds of the Note, the following expenses: (i) all expenses in connection with the preparation, distribution and delivery of the Preliminary Official Statement, the Official Statement, and any amendment or supplement thereto, and this Purchase Contract; (ii) all expenses in connection with the printing, issuance and delivery of the Note; (iii) the fees and disbursements of Note Counsel and Disclosure Counsel; (iv) the fees and disbursements of counsel and consultants, including the County's financial advisor, in connection with the Note; (v) the disbursements of the County in connection with the Note; (vi) the fees and disbursements of the Paying Agent; (vii) any and all fees incurred in connection with obtaining a rating on the Note or

In addition, the Paying Agent shall be entitled to payment of all reasonable expenses (including, without limitation, legal fees and expenses) incurred in satisfaction of any of the provisions hereof, out of the COI Deposit or, if such funds no longer exist or are not sufficient, the County shall make such reimbursement to the Paying Agent.

At that time, the Paying Agent shall remit any amount remaining in the Costs of Issuance Account to the County.

(e) The Paying Agent shall also have such duties as assigned to it under the Resolution.

ARTICLE IV
ADDITIONAL PROVISIONS REGARDING THE PAYING AGENT

SECTION 4.01 **ADDITIONAL RIGHTS AND DUTIES.** The Paying Agent undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof and may conclusively rely on certificates, invoices and requisitions furnished to the Paying Agent. In addition:

(a) No provisions of this Agreement shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(b) The Paying Agent may rely, shall be protected in acting or refraining from acting upon and shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, resolution, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(c) The Paying Agent may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and completed authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(d) Neither the Paying Agent nor any of its officers, directors, employees or agents shall be liable for any action taken or omitted under this Agreement or in connection herewith except to the extent caused by the Paying Agent's gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, no longer subject to appeal or review. The Paying Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

(e) Any bank, corporation or association into which the Paying Agent may be merged or converted or with which it may be consolidated, or any bank, corporation or association resulting from any merger, conversion or consolidation to which the Paying Agent shall be a party, or any bank, corporation or association succeeding to all or substantially all of the corporate trust business of the Paying Agent shall be the successor of the Paying Agent hereunder without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto except where an instrument of transfer or assignment is required by law to effect such succession, anything herein to the contrary notwithstanding.

(f) The County shall indemnify, defend and hold harmless the Paying Agent and its officers, directors, employees and agents, from and against and reimburse the Paying Agent for any and all claims, obligations, liabilities, losses, damages, actions, suits, judgments, reasonable costs and expenses (including reasonable attorneys' and agents' fees and expenses) of whatever kind or nature regardless of their merit, demanded, asserted or claimed against the Paying Agent directly or indirectly relating to, or arising from, claims against the Paying Agent by reason of its

participation in the transactions contemplated hereby, except to the extent caused by the Paying Agent's gross negligence or willful misconduct. The provisions of this Section 4.01(f) shall survive the termination of this Agreement or the earlier resignation or removal of the Paying Agent.

If the County elects to give the Paying Agent e-mail or facsimile instructions (or instructions by a similar electronic method) and the Paying Agent in its discretion elects to act upon such instructions, the Paying Agent's understanding of such instructions shall be deemed controlling. The Paying Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Paying Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The County agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Paying Agent, including without limitation the risk of the Paying Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 4.02 **MONEY HELD BY PAYING AGENT.** The Paying Agent shall hold the COI Deposit in the Costs of Issuance Account to be held in a fiduciary capacity for the payment of Costs of Issuance. Payments made from the Costs of Issuance Account shall be made by check or wire transfer drawn on such trust account.

All funds at any time and from time to time provided to or held by the Paying Agent hereunder shall be deemed, construed, and considered for all purposes as being provided to or held by the Paying Agent in trust and as a Paying Agent for the County, for payment of Costs of Issuance for the benefit of the County. The Paying Agent acknowledges, covenants, and represents that it is acting therein in an agency capacity in relation to such funds, and is not accepting, holding, administering, or applying such funds as a banking depository, but solely as paying agent for and on behalf of the County, to be applied as Paying Agent pursuant to the terms of this Agreement. The County shall be entitled to the same preferred claim and first lien on the funds so provided as are enjoyed by the beneficiaries of trust funds generally. The funds provided to the Paying Agent hereunder shall not be subject to warrants, drafts, or checks drawn by the County and, except as expressly provided herein, shall not be subject to compromise, setoff, or other charge or diminution by the Paying Agent.

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the County of Riverside, based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest with respect to the Note is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. The amount treated as interest on the Note and excluded from gross income may depend upon the taxpayer's election under Internal Revenue Notice 94-84. In the further opinion of Bond Counsel, interest on the Note is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Note. ² Preliminary; subject to change.

until such amounts are required for the repayment of the Note. Any money deposited by the Paying Agent in the Payment Account shall be for the benefit of the holders of the Note and, until the Note and all interest thereon are paid or until provision has been made for the payment of the principal of and interest on the Note at maturity, the moneys in the Payment Account shall be applied solely for the purpose of paying the principal of and interest on the Note at its maturity, although such amounts shall be invested by the County in Permitted Investments (as defined in the Resolution). In the event investment losses cause amounts on deposit in the Payment Account to be insufficient to pay principal of and interest on the Note at maturity, the County is required to use any available Unrestricted Revenues from Fiscal Year 2017-18 for the payment of principal of and interest on the Note, but there is no guarantee that the County will have sufficient Unrestricted Revenues to pay the principal of and interest on the Note as the same becomes due. Moneys in the Payment Account may not be withdrawn to pay operating expenses.

The Resolution requires that the Pledged Revenues be deposited and held in the Payment Account until maturity, at which time the moneys in such fund will be used to repay the Note. If during the foregoing period there are insufficient sources of Pledged Revenues to permit deposit of the full amount of Pledged Revenues, then the amount of any deficiency shall be satisfied from any Unrestricted Revenues lawfully available for the repayment of the Note. The County is not authorized to levy or collect any taxes for the repayment of the Note.

Should the County file for Chapter 9 bankruptcy, a court might hold that the holders of the Note do not have a valid and prior lien on the Payment Account invested in the County Treasurer's Pooled Investment Fund. While the County has taken steps to mitigate this risk by retaining the Paying Agent, by entering into a formal investment agreement with the Paying Agent, and by its practice of maintaining separate records of the Payment Account held in the Pooled Investment Fund, if the holders of the Note cannot trace the Payment Account funds, they may not be available for payment of principal of and interest on the Notes. There can be no assurance that the holders of the Note will be able to successfully trace such funds in the County Treasurer's Pooled Investment Fund in the future. For more information regarding the County Treasurer's Pooled Investment Fund, see "APPENDIX A—FINANCIAL INFORMATION-Riverside County Treasurer's Pooled Investment Fund."

Available Sources of Repayment

The Note, in accordance with the Act, is a general obligation of the County but is payable only out of Unrestricted Revenues, which include the taxes, income, revenue, cash receipts and other moneys of the County which are accrued, received or held by the County for the General Fund of the County and are provided for or attributable to the 2017-18 Fiscal Year and which are generally available for the payment of current expenses and other obligations of the County ("Unrestricted Revenues"). The Constitution of the State substantially limits the County's ability to levy ad valorem taxes (see "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS" herein). The County may, under the Act, issue the Note only if the principal of and interest on the Note will not exceed 85% of the estimated amounts of the County's uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts, and other moneys to be received or accrued by the County for the General Fund of the County and provided for or attributable to the Repayment Fiscal Year, all of which will be legally available to pay principal of and interest on the Note. The County has reserved the right to issue additional notes during Fiscal Year 2017-18 having a parity or subordinate lien on the Pledged Revenues, so long as the principal of and interest on the Note and such additional notes will not exceed 85% of the estimated moneys legally available for the payment of the Note and the interest thereon. See "Additional Note Obligations" below and "APPENDIX F—FORM OF RESOLUTION" attached hereto. Further detail as to the estimated Unrestricted Revenues available for repayment can be found in "Table I, County of Riverside Fiscal Year 2017-18 Projected Unrestricted Revenues Available for Note Repayment," "Table IV, County of

Estimated and Projected General Fund Cash Flows

Set forth below in Table II is a detailed summary of the County’s actual Fiscal Year 2015-16 General Fund cash flows. Set forth below in Table III is a detailed summary of the County’s actual and estimated Fiscal Year 2016-17 General Fund cash flows. Set forth below in Table IV is a detailed summary of the County’s projected Fiscal Year 2017-18 General Fund cash flows. Table V provides a comparison between the Fiscal Year 2016-17 original projections of General Fund cash flows and the Fiscal Year 2016-17 actual/estimated General Fund cash flows. Table VI provides a comparison between the Fiscal Year 2016-17 actual/estimated General Fund cash flows and the Fiscal Year 2017-18 projected General Fund cash flows.

The estimated Fiscal Year 2016-17 cash flows and the projected Fiscal Year 2017-18 cash flows, as prepared by the County Auditor’s Office, reflect the best currently available estimates and judgments of the County Auditor’s Office as to the County’s revenues and expenditures and the expected financial condition of the County for such fiscal years. The presented projected cash flows assume that all of the County’s cash flow requirements are externally funded through the issuance of the Note, but, based on market conditions, the County may determine to borrow internally for a portion of its cash flow needs.

Neither the County's independent auditors, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the estimated Fiscal Year 2016-17 cash flows or the projected Fiscal Year 2017-18 cash flows contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and such parties assume no responsibility for, and disclaim any association with, the estimated Fiscal Year 2016-17 cash flows or the projected Fiscal Year 2017-18 cash flows.

The assumptions and estimates underlying the projected cash flows are uncertain and, though considered reasonable by the management of the County as of the date hereof, are subject to a wide variety of significant business, economic and political risks and uncertainties that could cause actual results to differ materially from those contained in the projected cash flows. Accordingly, there can be no assurance that the projected results are indicative of the future performance of the County or that actual results will not be materially higher or lower than those contained in the projected cash flows. Inclusion of the projected cash flows in this Official Statement should not be regarded as a representation by any person that the results contained in the projected cash flows will be achieved. Basic assumptions underlying these General Fund projections include, but are not limited to, revenues and expenses as set forth in the County's recommended budget, impacts of recommended State budget, and no additional extraordinary support to the Riverside University Medical Center from the General Fund.

California Government Code Section 25252 authorizes the Board of Supervisors of the County to establish and abolish funds necessary for the proper transaction of the business of the County and further provides that the Board of Supervisors may authorize the County Auditor to perform this function. In addition, California Government Code Section 25252 authorizes the Board of Supervisors to make

transfers from one fund to another as the public interest requires and further provides that the Board of Supervisors may by resolution authorize the County Auditor to make such transfers of money from one fund to another if the Board of Supervisors has authority over each such fund, as the public interest requires. Pursuant to Resolution 2010-205, adopted by the Board of Supervisors on August 10, 2010, the Board of Supervisors has authorized the County Auditor to make temporary transfers of money between those funds under the authority of the Board of Supervisors as the public interest may require.

Set forth in Table VII below are the actual and estimated alternative cash resources available to the County from the specified funds as of the dates set forth in such table. Pursuant to the authority granted in Resolution 2010-205, the County Auditor is authorized to transfer such moneys from one fund to another fund as the public interest may require, including transfers to the General Fund for the payment of the Note. There is no prescribed time period for the repayment of temporary transfers from one fund to another. The County Auditor has the authority to determine the timing of such repayments based on the needs of the respective funds.

The assumptions and estimates underlying the estimated alternative cash resources are uncertain and, though considered reasonable by the management of the County as of the date hereof, are subject to a wide variety of significant business, economic and political risks and uncertainties that could cause actual results to differ materially from those contained in the estimated alternative cash resources. Accordingly, there can be no assurance that the estimated results are indicative of the future performance of the County or that actual results will not be materially higher or lower than those contained in the estimated alternative cash resources. Inclusion of the estimated alternative cash resources in this Official Statement should not be regarded as a representation by any person that the results contained in the estimated alternative cash resources will be achieved.

issuance of any such Parity Note shall not in and of itself reduce or impair the rating on the Note, (ii) the maturity date of any such Parity Note shall be later than the outstanding Note, and (iii) the Note and Parity Note shall have the same paying agent. In the event that the County issues a Parity Note, the County shall make appropriate deposits into the Payment Account with respect to such Parity Note, and in such event, the Payment Account shall also be held for the benefit of the holders of the Parity Note. The County may incur indebtedness secured by a pledge of its Pledged Revenues subordinate to the pledge of Pledged Revenues with respect to the Note and may issue subordinate tax and revenue anticipation notes. See "APPENDIX F—FORM OF RESOLUTION" attached hereto. [The County currently expects that, other than the Note, it will not issue any bonds, notes or warrants pursuant to the Act with respect to the 2017-18 Fiscal Year.]

Book-Entry-Only System

DTC will act as securities depository for the Note. The Note will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Note certificate will be issued for each issue of the Note each in the aggregate principal amount of such issue, and will be deposited with DTC. Individual purchases of participation in the Note will be made in book-entry form only. Purchasers of the Note will not receive certificates representing their ownership interest in the Note purchased. Principal and interest payments represented by the Note are payable directly to DTC by the Paying Agent. Upon receipt of payments of principal and interest, DTC will in turn distribute such payments to its participants who are responsible for distributing such payments to the beneficial owners of the Note. See "APPENDIX E—BOOK-ENTRY-ONLY SYSTEM" attached hereto.

Unless otherwise noted, the information contained in Appendix E hereto has been provided by DTC. The County makes no representations as to the accuracy or completeness of such information. The beneficial owners of the Note should confirm the following information with DTC, the Direct Participants or the Indirect Participants.

NEITHER THE COUNTY NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT OR ANY INDIRECT PARTICIPANT; (B) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE NOTE; (C) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR

INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE OWNER OF THE NOTE; (D) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE NOTE; OR (E) ANY OTHER MATTER REGARDING DTC.

THE COUNTY

The County was organized in 1893 from territory in San Bernardino and San Diego Counties and encompasses 7,177 square miles. The County is bordered on the north by San Bernardino County, on the east by the State of Arizona, on the south by San Diego and Imperial Counties and on the west by Orange and San Bernardino Counties. The County is the fourth largest county (by area) in the state and stretches 185 miles from the Arizona border to within 20 miles of the Pacific Ocean. There are 28 incorporated cities in the County. According to the State Department of Finance, Demographic Research Unit, the County's population was estimated at 2,384,783 as of January 1, 2017, reflecting a 1.6% increase over the prior year.

The County is a general law county divided into five supervisorial districts on the basis of registered voters and population. The County is governed by a five-member Board of Supervisors (the "Board"), elected by district, and serve staggered four-year terms. The Chair of the Board is elected by the Board members. The County administration includes appointed and elected officials, boards, commissions and committees which assist the Board.

The County provides a wide range of services to residents, including police and fire protection, medical and health services, education, library services and public assistance programs. Some municipal services are provided by the County on a contract basis to incorporated cities within its boundaries. These services are designed to allow cities to contract for municipal services such as police and fire protection without incurring the cost of creating County departments and facilities. Services are provided to the cities at cost by the County.

Three distinct geographical areas characterize the County: the western valley area, the higher elevations of the mountains and the desert areas. The western portion of the County, which includes the San Jacinto Mountains and the Cleveland National Forest, experiences the mild climate typical of Southern California. The eastern desert areas experience warmer and drier weather conditions.

See "APPENDIX A—INFORMATION REGARDING THE COUNTY OF RIVERSIDE" for a more detailed description of the County.

CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS

Article XIII A of the State Constitution

In 1978, California voters approved Proposition 13, adding Article XIII A to the California Constitution. Article XIII A was subsequently amended in 1986, as discussed below. Article XIII A limits the amount of any ad valorem tax on real property to 1% of the full cash value thereof, except that additional ad valorem taxes may be levied to pay debt service on indebtedness approved by the voters prior to July 1, 1978 and on bonded indebtedness for the acquisition or improvement of real property which has been approved on or after July 1, 1978 by two-thirds of the voters voting on such indebtedness. Article XIII A defines full cash value to mean "the county assessor's valuation of real property as shown on the Fiscal Year 1975-76 tax bill under 'full cash' or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership have occurred after the

1975 assessment." This full cash value may be increased at a rate not to exceed 2% per year to account for inflation.

Article XIII A has subsequently been amended to permit reduction of the "full cash value" base in the event of declining property values caused by damage, destruction or other factors, and to provide that there would be no increase in the "full cash value" base in the event of reconstruction of property damaged or destroyed in a disaster.

Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any property tax (except to pay voter-approved indebtedness). The 1% property tax is automatically levied by the county and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1979.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the 2% annual adjustment are allocated among the various jurisdictions in the "taxing area" based upon their respective "situs." Any such allocation made to the County continues as part of its allocation in future years.

Article XIII B of the State Constitution

On November 6, 1979, California voters approved Proposition 4, known as the Gann Initiative, which added Article XIII B to the California Constitution. Propositions 98 and 111, approved by the California voters in 1988 and 1990, respectively, substantially modified Article XIII B. The principal effect of Article XIII B is to limit the annual appropriations of the State and any city, county, school district, authority, or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted for changes in the cost of living and population. The initial version of Article XIII B provided that the "base year" for establishing an appropriations limit was the 1978-79 Fiscal Year, which was then adjusted annually to reflect changes in population, consumer prices and certain increases in the cost of services provided by these public agencies. Proposition 111 revised the method for making annual adjustments to the appropriations limit by redefining changes in the cost of living and in population. It also required that beginning in Fiscal Year 1990-91, each appropriations limit must be recalculated using the actual 1986-87 appropriations limit and making the applicable annual adjustments as if the provisions of Proposition 111 had been in effect.

Appropriations subject to limitation of a local government under Article XIII B include generally any authorization to expend during a fiscal year the proceeds of taxes levied by or for that entity and the proceeds of certain State subventions to that entity, exclusive of refunds of taxes. Proceeds of taxes include, but are not limited to, all tax revenues plus the proceeds to an entity of government from (1) regulatory licenses, user charges and user fees (but only to the extent such proceeds exceed the cost of providing the service or regulation), (2) the investment of tax revenues, and (3) certain subventions received from the State. Article XIII B permits any government entity to change the appropriations limit by a vote of the electors in conformity with statutory and constitutional voting effective for a maximum of four years.

As amended by Proposition 111, Article XIII B provides for testing of appropriations limits over consecutive two-year periods. If an entity's revenues in any two-year period exceed the amounts permitted to be spent over such period, the excess has to be returned by revising tax rates or fee schedules over the subsequent two years. As amended by Proposition 98, Article XIII B provides for the payment of a portion of any excess revenues to a fund established to assist in financing certain school needs.

The County's appropriations limit for the Fiscal Year 2015-16 was \$2,543,829,145 and the amount shown in its budget for that year as the appropriations subject to limitation was \$1,074,501,736. The County's appropriations limit for Fiscal Year 2016-17 is \$2,714,793,102 and the amount subject to the limitation is \$1,084,524,906.

Right To Vote on Taxes Initiative-Proposition 218

On November 5, 1996, the voters of the State approved Proposition 218, known as the "Right to Vote on Taxes Act." Proposition 218 adds Articles XIIC and XIID to the California Constitution and contains a number of interrelated provisions affecting the ability of local agencies to levy and collect both existing and future taxes, assessments, fees and charges. Proposition 218 (Article XIIC) requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes of the County require a majority vote and taxes for specific purposes, even if deposited in the County's General Fund, require a two-thirds vote.

Proposition 218 (Article XIID) also adds several provisions making it generally more difficult for local agencies to levy and maintain fees, charges, and assessments for municipal services and programs. These provisions include, among other things, (i) a prohibition against assessments which exceed the reasonable cost of the proportional special benefit conferred on a parcel, (ii) a requirement that assessments must confer a "special benefit," as defined in Article XIID, over and above any general benefits conferred, (iii) a majority protest procedure for assessments which involves the mailing of notice and a ballot to the record owner of each affected parcel, a public hearing and the tabulation of ballots weighted according to the proportional financial obligation of the affected party, and (iv) a prohibition against fees and charges which are used for general governmental services, including police, fire or library services where the service is available to the public at large in substantially the same manner as it is to property owners.

Proposition 218 (Article XIIC) also removes limitations on the initiative power in matters of reducing or repealing local taxes, assessments, fees or charges. No assurance can be given that the voters of any county will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges currently comprising a substantial part of the County's General Fund. No such initiative is currently pending, or to the knowledge of the County, proposed.

The County is unaware of any assessments imposed by the County which, if challenged, would adversely affect County finances. Implementing legislation respecting Proposition 218 may be introduced in the State legislature from time-to-time that would supplement and add provisions to California statutory law. No assurance may be given as to the terms of such legislation or its potential impact on the County.

Proposition 62

Proposition 62, a statutory initiative that was adopted by the voters voting in the State at the November 4, 1986 general election, (a) requires that any new or higher taxes for general governmental purposes imposed by local governmental entities be approved by a majority vote of the voters of the governmental entity voting in an election on the tax, (b) requires that any special tax (defined as taxes levied for other than general governmental purposes) imposed by a local governmental entity be approved by a two-thirds vote of the voters of the governmental entity voting in an election on the tax, (c) restricts the use of revenues from a special tax to the purposes or for the service for which the special tax was imposed, (d) prohibits the imposition of ad valorem taxes on real property by local governmental entities except as permitted by Article XIII A of the California Constitution, (e) prohibits the imposition of transaction taxes and sales taxes on the sale of real property by local governmental entities, and (f)

requires a reduction of ad valorem property taxes allocable to the jurisdiction imposing a tax not in compliance with its provisions equal to one dollar for each dollar of revenue attributable to the invalid tax, for each year that the tax is collected.

Following its adoption by the voters, various provisions of Proposition 62 were declared unconstitutional at the appellate court level. For example, in *City of Woodlake v. Logan*, 230 Cal.App.3d 1058 (1991) (the "Woodlake Case"), the Court of Appeal held portions of Proposition 62 unconstitutional as a referendum on taxes prohibited by the California Constitution. In reliance on the Woodlake Case, numerous taxes were imposed or increased after the adoption of Proposition 62 without satisfying the voter approval requirements of Proposition 62. On September 28, 1995, the California Supreme Court, in *Santa Clara County Local Transportation Authority v. Guardino*, 11 Cal. 4th 220 (1995) (the "Santa Clara Case"), upheld the constitutionality of the portion of Proposition 62 requiring a two-thirds vote in order for a local government or district to impose a special tax, and, by implication, upheld a parallel provision requiring a majority vote in order for a local government or district to impose any general tax. In deciding the Santa Clara Case on Proposition 62 grounds, the Court disapproved the decision in the Woodlake Case.

The decision in the Santa Clara Case did not address the question of whether it should be applied retroactively. On June 4, 2001, the California Supreme Court released *Howard Jarvis Taxpayers Association v. City of La Habra, et al.* 74 Cal.App.4th 707 (1999) (the "La Habra" case). In this decision, the court held that a public agency's continued imposition and collection of a tax is an ongoing violation, upon which the statute of limitations period begins anew with each collection. The court also held that, unless another statute or constitutional rule provided differently, the statute of limitations for challenges to taxes subject to Proposition 62 is three years. Accordingly, a challenge to a tax subject to Proposition 62 may only be made for those taxes received within three years of the date the action is brought. No such challenge against the County is currently pending, or to the knowledge of the County, proposed.

Proposition 1A

Proposition 1A, proposed by the Legislature in connection with the 2004-05 Budget Act, approved by the voters in November 2004 and generally effective in 2007-08 Fiscal Year, provides that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate or change the allocation of local sales tax revenues, subject to certain exceptions. Proposition 1A generally prohibits the State from shifting to schools or community colleges any share of property tax revenues allocated to local governments for any fiscal year, as set forth under the laws in effect as of November 3, 2004. Any change in the allocation of property tax revenues among local governments within a county must be approved by two-thirds of both houses of the Legislature. The State may also approve voluntary exchanges of local sales tax and property tax revenues among local governments within a county. Proposition 1A also provides that if the State reduces the VLF rate then in effect, 0.65 percent of vehicle value, the State must provide local governments with equal replacement revenues. Further, Proposition 1A requires the State, beginning July 1, 2005, to suspend State mandates affecting cities, counties and special districts, excepting mandates relating to employee rights, schools or community colleges, in any year that the State does not fully reimburse local governments for their costs to comply with such mandates.

Proposition 1A may result in increased and more stable County revenues. The magnitude of such increase and stability is unknown and would depend on future actions by the State. However, Proposition 1A could also result in decreased resources being available for State programs. This reduction, in turn, could affect actions taken by the State to resolve budget difficulties. Such actions could include increasing State taxes, decreasing spending on other State programs or other action, some of which could be adverse to the finances of the County.

Proposition 22

Proposition 22, approved by California voters in November 2010, prohibits the State, even during a period of severe fiscal hardship, from delaying the distribution of tax revenues for transportation, redevelopment or local government projects and services and prohibits fuel tax revenues from being loaned for cash-flow or budget balancing purposes to the State General Fund or any other State fund. In addition, Proposition 22 generally eliminates the State's authority to temporarily shift property taxes from cities, counties and special districts to schools, temporarily increase a school and community college districts' share of property tax revenues, prohibits the State from borrowing or redirecting redevelopment property tax revenues or requiring increases in pass-through payments thereof, and prohibits the State from reallocating vehicle license fee revenues to pay for State-imposed mandates. In addition, Proposition 22 requires a two-thirds vote of each house of the State legislature and a public hearing process to be conducted in order to change the amount of fuel excise tax revenues shared with cities and counties. Proposition 22 prohibits the State from enacting new laws that require redevelopment agencies to shift funds to schools or other agencies. While Proposition 22 will not change overall State and local government costs or revenues by the express terms thereof, it will cause the State to adopt alternative actions to address its fiscal and policy objectives.

Proposition 25

According to the State Constitution, the Governor must propose a budget to the State Legislature no later than January 10 of each year, and a final budget must be adopted no later than June 15. Historically, the budget required a two-thirds vote of each house of the Legislature for passage. However, on November 2, 2010, the voters approved Proposition 25, which amends the State Constitution to lower the vote requirement necessary for each house of the Legislature to pass a budget bill and send it to the Governor. Specifically, the vote requirement was lowered from two-thirds to a simple majority (50% plus one) of each house of the Legislature. The lower vote requirement also would apply to trailer bills that appropriate funds and are identified by the Legislature "as related to the budget in the budget bill." The budget becomes law upon the signature of the Governor, who may veto specific items of expenditure. Under Proposition 25, a two-thirds vote of the Legislature is still required to override any veto by the Governor.

Proposition 26

On November 2, 2010, the voters passed Proposition 26, which amends the State Constitution to require that certain state and local fees be approved by two-thirds of each house of the Legislature instead of a simple majority, or by local voters. The change in law affects regulatory fees and charges such as oil recycling fees, hazardous materials fees and fees on alcohol containers.

Proposition 26 provides that the local government bears the burden of proving by a preponderance of evidence that a levy, charge or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the government activity, and that the manner in which those costs are allocated to a payor bear a reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity. The County does not expect the provisions of Proposition 26 to materially and adversely affect its ability to pay debt service on the Note when due.

Assessment Appeals and Assessor Reductions

Pursuant to California law, a property owner may apply for a reduction of the property tax assessment for such owner's property by filing a written application, in the form prescribed by the State Board of Equalization, with the appropriate county assessment appeals board (a "Proposition 8" appeal).

Any reduction in the assessment ultimately granted applies only to the year for which application is made and during which written application is filed. The assessed value increases to its pre-reduction level for fiscal years following the year for which the reduction application is filed. However, if the taxpayer establishes through proof of comparable values that the property continues to be overvalued (known as "ongoing hardship"), a county assessor has the power to grant a reduction not only for the year for which application was originally made, but also for the then current year as well. In a similar manner, a county assessor may reassert the pre-appeal level of assessed value depending on the county assessor's determination of current value.

In addition to reductions in assessed value resulting from Proposition 8 appeals and general economic conditions, California law also allows assessors to reduce assessed value unilaterally based on a general decline in market value of an area. Although Proposition 8 reductions are temporary and are expected to be eliminated under Proposition 13 if and when market conditions improve, no assurance is given that such reductions will be eliminated. The County has, in prior years, been affected by a reduction in taxable property assessed values due to successful property owner appeals and unilateral reductions by the County Assessor, and may experience additional reductions in the future. According to the Riverside County Assessor-County Clerk-Recorder Annual Report 2016-2017, in Fiscal Year 2015-16, the secured property tax roll increased by approximately 5.02% from the prior year. The County expects assessed valuation to increase by approximately 5.00% in Fiscal Year 2017-18 primarily as a result of increasing property values and sale volume. See "APPENDIX A—INFORMATION REGARDING THE COUNTY OF RIVERSIDE."

Timing is an important consideration with respect to the property valuation process. Values are set for the current year with a valuation date as of the preceding January 1. Changes in market value subsequent to the January 1 valuation date are not reflected until the subsequent year. Therefore, there is an inherent lag in the process.

The County Assessor prepares the tax roll in each spring and summer. Owners are notified of changes in valuation by early fall and have the ability to file an appeal. The deadline for appeals in the County is November 30th. Current year appeals take a number of months to process and typically are not resolved by the end of the fiscal year.

Assessor-initialized reductions generally represent the bulk of adjustments to the tax roll during a time of a market decline. Cumulatively, assessed valuation in the County declined 11% since Fiscal Year 2007-08 through Fiscal Year 2014-15 due to the County Assessor's proactive reviews. Since Fiscal Year 2014-15 there have been no additional proposition 8 reductions of significance.

Future Initiatives

Article XIII A, Article XIII B, Article XIII C, Article XIII D and Propositions 62, 1A, 25 and 26 were each adopted as measures that qualified for the ballot pursuant to the State's initiative process. From time-to-time, other initiative measures could be adopted, further affecting revenues of the County or the County's ability to expend revenues. The nature and impact of these measures cannot be anticipated by the County.

State Budget for Fiscal Year 2016-17. On June 27, 2016, the Governor signed the State Budget Act for Fiscal Year 2016-17 (the "2016-17 Budget Act"). The 2016-17 Budget Act includes approximately \$125.2 billion in general fund resources (including revenues, transfers and the prior year ending balance) and approximately \$122.5 billion in general fund expenditures. By the end of the 2016-17 Fiscal Year, the Budget Stabilization Account/Rainy Day Fund is projected to have a total balance of approximately \$6.7 billion. The 2016-17 Budget Act includes an approximately 6.0% percent State general fund spending increase from the fiscal year 2015-16 State budget.

The complete 2016-17 Budget Act and additional information concerning the State's financial condition is available from the California Department of Finance website at www.dof.ca.gov and the State's Legislative Analyst's Office at <http://www.lao.ca.gov>. Proposed State Budget for Fiscal Year 2017-18 and May Revision. On January 10, 2017, the Governor released the 2017-18 Proposed State Budget (the "2017-18 Proposed Budget Act"). The 2017-18 Proposed Budget Act proposes a balanced budget for Fiscal Year 2017-18. However, the Governor cautions that the State's projected revenues are approximately \$5.8 billion lower than originally projected for such fiscal year expected (as compared to the 2016-17 State budget) and, absent

corrective action, could lead to annual deficits of \$1 billion to \$2 billion.- In the 2017-18 Proposed Budget Act, the Governor estimates that sales and use tax (the second largest revenue source in the State) will generate \$25 billion in general fund revenues in Fiscal Year 2016-17 and \$25.2 billion in Fiscal Year 2017-18. However, such figures are \$1.7 billion dollars lower as compared to the prior year's budget projections. The Governor projects that such decline is a result of slower growth in consumer spending and business investment as well as the sunset of the 0.25 cent Proposition 30 sales tax increase. The 2017-18 Proposed Budget Act estimates that total sources available in fiscal year 2016-17 will be approximately \$123.8 billion (including a prior year balance of approximately \$5.0 billion) and total expenditures in fiscal year 2016-17 of approximately \$122.8 billion. The 2017-18 Proposed Budget Act projects total sources available for fiscal year 2017-18 of approximately \$125.1 billion (including a prior year balance of approximately \$1.0 billion). The 2017-18 Proposed Budget Act projects total expenditures of \$122.6 billion (inclusive of non-Proposition 98 expenditures of \$71.17 billion and Proposition 98 expenditures of \$51.35 billion). The 2017-18 Proposed Budget Act proposes to allocate \$980 million of the general fund's projected fund balance to the Reserve for Liquidation of Encumbrances and approximately \$1.6 billion of such fund balance to the State's Special Fund for Economic Uncertainties. In addition, the 2017-18 Proposed Budget Act estimates the Budget Stabilization Account/Rainy Day Fund will have a balance of \$7.87 billion.

The County is currently evaluating the Governor's 2017-18 Proposed Budget Act-. The impact of the Governor's 2017-18 Proposed Budget Act on the County's finances cannot be determined at this time. The 2017-18 Proposed Budget Act:

The 2017-18 Proposed Budget Act.)
- provides \$536.1 million for the Children's Health Insurance Program and \$279.5 million in Fiscal Year 2017-18 for Medi-Cal Benefits for undocumented children. ~~The 2017-18 Proposed Budget Act,~~

The impact of the Governor's 2017-18 Proposed Budget Act on the County's finances cannot be determined at this time.~~
[May Revision highlights to be provided upon release]

On May 11, 2017, the Governor released the May Revision to the 2017-18 Proposed Budget Act (the "2017-18 May Revision") which projects Fiscal Year 2017-18 General Fund revenue and transfers of approximately \$125.9 billion, total expenditures of approximately \$124.0 billion and a year-end surplus of approximately \$8.4 billion, of which \$980 million would be reserved for liquidation of encumbrances and approximately \$1.6 billion would be deposited in a reserve fund for economic uncertainties. In the 2017-18 May Revision, the Governor provides a modestly improved fiscal outlook compared to the 2017-18 Proposed Budget Act. The 2017-18 May Revision estimates that revenues will be \$3.3 billion lower than that forecasted in the 2016-17 Budget Act (reflecting higher revenues of \$2.5 million when compared to the projected reduced revenues set forth the 2017-18 Proposed Budget Act). The modestly improved fiscal outlook set forth in the May Revision allows the advancing of several key priorities. The May Revision proposes to: (1) increase total funding for K-12 education by \$1.4 billion in Fiscal Year 2017-18, (2) substantially mitigate increased costs associated with the In-Home Supportive Services (IHSS) costs borne by county realignment funds in the next year, preserving counties' abilities to provide key safety net programs (see below for more detail), (3) restore the \$500 million child care package from the 2016-17 Budget Act, and (4) a \$6 billion supplemental payment to CalPERS with a loan from the Surplus Money Investment Fund that will reduce unfunded liabilities, stabilize State contribution rates and result in savings of \$11 billion over the next 20 years. The 2017-18 May Revision further provides that the State must continue to plan and save for future budgets given uncertainty surrounding actions contemplated by the federal government relating to health care for five million Californians, elimination of state tax dedication and the elimination of funding for organizations such as Planned Parenthood, all of which, according to the 2017-18 May Revision, could send the State's budget into turmoil.

The County is currently evaluating the Governor's 2017-18 May Revision. The impact of the Governor's 2017-18 May Revision on the County's finances cannot be determined at this time. The 2017-18 May Revision proposes the following changes, among others, to the 2017-18 Proposed Budget Act:

- approximately \$1.1 million in total State general fund contributions over the next four years to mitigate the \$592.2 million IHSS cost shift to counties as well as an on-going State general fund contribution in future years to reduce the impact of such cost shift; additionally, the Governor proposes to redirect certain revenues to further offset such cost shift; an annual inflation factor is proposed to be phased in that would apply to counties' costs associated with IHSS and such inflation factor would be zero and five percent in the first and second years, respectively, and subject to a sliding scale in future years, contingent on 1991 realignment revenue performance; furthermore, in the event of financial hardship resulting from the cost shift, counties would be able to apply to the Department of Finance for a low interest loan to help cover such costs; in addition, any amounts that counties may owe the State through the Fiscal Year 2015-16 because of the State Board of Equalization's miscalculations of sales tax allocation are proposed to be forgiven.
- approximately \$115 million less in emergency drought funding, reflecting a shift from immediate emergency drought actions to ongoing efforts to make the State more resilient to climate change and to continue water conservation.

- approximately \$43.2 million more in funding relating to the regulation of cannabis for medical and recreational purposes.
- an increase of \$143 million in the estimated amount of revenue that will be redirected from the 1991 Realignment Health Account under Assembly Bill 85 (Statutes of 2013, Chapter 24) in Fiscal Year 2017-18.
- extension of the Cal MediConnect program, mandatory enrollment of dually eligible beneficiaries, and long-term services and supports integration into managed care (except IHSS).
- an approximate \$1.1 billion increase in the Medi-Cal program expenditure appropriation.
- an approximate \$19.1 million decrease in general fund and federal Temporary Assistance for Needy Families (TANF) block grants in Fiscal Year 2017-18 and \$35.5 million in general fund and TANF in Fiscal Year 2017-18 to reflect updated caseload and average cost per case projections.
- decreases of \$34.1 million general fund and \$37.3 million in general fund in Fiscal Years 2016-17 and 2017-18, respectively, to reflect updated caseload and average cost per case projections, and
- approximately \$2.8 billion in partial year revenues in Fiscal Year 2017-18 in connection with the implementation of Road Repair and Accountability Act of 2017 (Statutes of 2017, Chapter 5) which, over the next ten years, is expected to provide an average of \$5.4 billion per year for State and local transportation.

Legislative Analyst's Office Response to 2017-18 Proposed Budget Act [and May Revision].

The Legislative Analyst's Office (the "LAO"), a nonpartisan State office which provides fiscal and policy information and advice to the State Legislature, released its Overview of the 2017-18 Proposed Budget on January 13, 2017 ("Proposed Budget LAO Overview") and its Overview of the May Revision on May [], 2017 ("May Revise LAO Overview," together, the "LAO Overview") which are available on the LAO's website (which is not incorporated by reference herein). In the Proposed Budget LAO Overview, the LAO challenges the Governor's revenue projections with regard to personal income tax revenues as being far too low. While the LAO admits that the Governor's estimated 3.3% personal income tax growth rate is possible, the LAO points out that it is inconsistent with other aspects of the administration's economic outlook, which predicts stock price growth for several years after 2016. By the May revision of the budget, the LAO predicts that the budget will change and reflect considerably more revenue since the State will have more information on its fiscal condition. The LAO also points out that the Governor's budget proposal assumes no major changes in federal policy, which the LAO notes is a reasonable assumption given that at this point, there is no way of knowing precisely what actions the new Congress and the President will pursue. The LAO explains that there may be some near-term benefit to State tax revenues based on changes in federal tax policies, but states that other possible federal policy changes, however, could affect the economy, reduce federal funding, and/or increase State costs substantially in future years-especially potential changes in federal health care programs. [LAO Overview of May Revise to come upon release of such report].

Future State Budgets. No prediction can be made by the County as to whether the State will encounter budgetary problems in future fiscal years, and if this occurs, it is not clear what measures would be taken by the State to balance its budget, as required by law. In addition, the County cannot predict the final outcome of future State budget negotiations, the impact that such budgets will have on County finances and operations or what actions will be taken in the future by the State Legislature and Governor to deal with changing State revenues and expenditures. Current and future State budgets will be affected by national and State economic conditions and other factors, over which the County has no control.

TAX MATTERS

~~[Bond counsel to confirm or update]~~ In the opinion of Orrick, Herrington & Sutcliffe LLP ("Bond Counsel"), Bond Counsel to the County, based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Note is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from State of California personal income taxes. The amount treated as interest on the Note and excluded from gross income may depend upon the taxpayer's election under Internal Revenue Notice 94-84. In the further opinion of Bond Counsel, interest on the Note is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of the opinion of Bond Counsel is set forth in "APPENDIX C—PROPOSED FORM OF OPINION OF BOND COUNSEL."

Notice 94-84, 1994-2 C.B. 559, states that the Internal Revenue Service (the "IRS") is studying whether the amount of the payment at maturity on debt obligations such as the Note that is excluded from gross income for federal income tax purposes is (i) the stated interest payable at maturity, or (ii) the difference between the issue price of the Note and the aggregate amount to be paid at maturity of the Note (the "original issue discount"). For this purpose, the issue price of the Note is the first price at which a substantial amount of the Note is sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). Until the IRS provides further guidance, taxpayers may treat either the stated interest payable at maturity or the original issue discount as interest that is excluded from gross income for federal income tax purposes. However, taxpayers must treat the amount to be paid at maturity on all tax exempt debt obligations with a term that is not more than one year from the date of issue in a consistent manner. Taxpayers should consult their own tax advisors with respect to the tax consequences of ownership of the Note original issue discount treatment is elected.

A Note purchased, whether at original issuance or otherwise, for an amount higher than the principal amount payable at maturity ("Premium Note") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of obligations, like the Premium Note, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a holder of the Note's basis in a Premium Note, will be reduced by the amount of amortizable bond premium properly allocable to such holder of the Note. Holders of a Premium Note should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Note. The County has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Note will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Note being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Note. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Note may adversely affect the value of, or the tax status of interest on, the Note. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

One of the covenants of the County referred to above requires the County to reasonably and prudently calculate the amount, if any, of excess investment earnings on the proceeds of the Note which must be rebated to the United States, to set aside from lawfully available sources sufficient moneys to pay such amounts and to otherwise do all things necessary and within its power and authority to ensure that interest on the Note is excluded from gross income for federal income tax purposes. Under the Code, if the County spends 100% of the proceeds of the Note within six months after issuance, there is no requirement that there be a rebate of investment profits in order for interest on the Note to be excluded from gross income for federal income tax purposes. The Code also provides that such proceeds are not deemed spent until all other available moneys (less a reasonable working capital reserve) are spent. The County expects to satisfy this expenditure test or, if it fails to do so, to make any required rebate payments from moneys received or accrued during the 2017-18 Fiscal Year. To the extent that any rebate cannot be paid from such moneys, California law is unclear as to whether such covenant would require the County to pay any such rebate. This would be an issue only if it were determined that the County's calculation of expenditures of Note proceeds or of rebatable arbitrage profits, if any, was incorrect.

Although Bond Counsel is of the opinion that interest on the Note is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Note may otherwise affect a holder of the Note's federal, state or local tax liability. The nature and extent of these other tax consequences will depend upon the particular tax status of the holder(s) of the Note or the holder(s) of the Note's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Note to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent holders from realizing the full current benefit of the tax status of such interest. For example, ~~the Obama Administration's~~ presidential budget proposals in ~~recent~~ previous years have proposed legislation that would limit the exclusion from gross income of interest on the Note to some extent for high-income individuals. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Note. Prospective purchasers of the Note should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel is expected to express no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Note for federal income tax purposes. It is not binding on the IRS or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the County, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The County has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Note ends with the issuance of the Note, and, unless separately engaged, Bond Counsel is not obligated to defend the County or the holders of the Note regarding the tax-exempt status of the Note in the event of an audit examination by the IRS. Under current procedures, parties other than the County and its appointed counsel, including the holders of the Note, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of the IRS's positions with which the County legitimately disagrees may not be practicable. Any action of the IRS, including but not limited to selection of the Note for audit, or

the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Note, and may cause the County or the holders of the Note to incur significant expense.

LITIGATION

[County to confirm] No litigation is pending, or, to the best knowledge of the County, threatened, concerning the validity of the Note or the Resolution, or contesting the County's ability to appropriate or make the repayment of the Note, and an opinion of the Office of County Counsel to that effect will be furnished to the Underwriters at the time of the execution and delivery of the Note. See "APPENDIX A—INFORMATION REGARDING THE COUNTY OF RIVERSIDE—Financial Information—Litigation" for a discussion of the County's pending general litigation.

LEGALITY FOR INVESTMENT

Under provisions of the California Financial Code, the Note is a legal investment for commercial banks in California to the extent that the Note, in the informed opinion of the bank, is prudent for the investment of funds of its depositors, and is eligible to secure deposits of public moneys in California under provisions of the California Government Code.

UNDERWRITING

The Note is being purchased initially by J.P. Morgan Securities LLC, as representative of itself and Wells Fargo bank, National Association (the "Underwriters"), at a price of \$[] (being the par amount of the Note, plus an original issue premium in the amount of \$[], less the Underwriters' discount of \$[]). The Contract of Purchase provides that the Underwriters will purchase the entire Note, if it is purchased. Furthermore, the obligation to make such purchase is subject to certain terms and conditions set forth in the Contract of Purchase and certain other conditions.

The Underwriters may offer and sell the Note to certain dealers and others at a price lower than the initial public offering price. The offering price may be changed from time to time by the Underwriters.

J.P. Morgan Securities LLC ("JPMS"), one of the Underwriters of the Note, has entered into negotiated dealer agreements (each, a "Dealer Agreement") with each of Charles Schwab & Co., Inc. ("CS&Co.") and LPL Financial LLC ("LPL") for the retail distribution of certain securities offerings at the original issue prices. Pursuant to each Dealer Agreement, each of CS&Co. and LPL may purchase the Note from JPMS at the original issue price less a negotiated portion of the selling concession applicable to any Note that such firm sells.

Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Products Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934.

Wells Fargo Bank, National Association, acting through its Municipal Products Group ("WFBNA"), one of the Underwriters of the Note, has entered into an agreement (the "WFA Distribution Agreement") with its affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name "Wells Fargo Advisors") ("WFA"), for the distribution of certain municipal securities offerings, including the

Note. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation, as applicable, with respect to the Note with WFA. WFBNA has also entered into an agreement (the "WFSLLC Distribution Agreement") with its affiliate Wells Fargo Securities, LLC ("WFSLLC"), for the distribution of municipal securities offerings, including the Note. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC's expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

CONTINUING DISCLOSURE

Pursuant to the Resolution, the County has covenanted for the benefit of the Owners and beneficial owners of the Note to comply with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Rule") and will enter into a Continuing Disclosure Certificate as of the closing date, in which it covenants to provide information regarding material adverse events, if any such events should occur in connection with the following, to the owners of the Note and to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access ("EMMA") system, or any successor thereto, during the term of the Note. In addition, the County has covenanted to provide updated quarterly cash flow information within 60 days of the end of each fiscal quarter, beginning with the fiscal quarter ending September 30, 2017. See "APPENDIX D—PROPOSED FORM OF CONTINUING DISCLOSURE CERTIFICATE." These covenants have been made in order to assist the Underwriters in complying with the Rule.

Within the last five years, the County and certain of its related entities have failed to comply in certain respects with continuing disclosure obligations related to outstanding indebtedness. The failure to comply fell into two general categories: (i) failure to provide significant event notices with respect to changes in the ratings of outstanding indebtedness, primarily related to changes in the ratings of various bond insurers insuring the indebtedness of the County or its related entities; (ii) missing, incomplete or late filing of annual or quarterly reports with respect to a number of the bond issues. In almost every case with respect to obligations related to the General Fund, such information and reports were available on the County's website and/or available in other continuing disclosure filings made by the County; and in all of the cases where a notice of failure to file was required to be filed, no notice of failure to file such information was provided. The County and its related entities have reviewed their previous filings and have made corrective filings, including an omnibus corrective notice regarding bond insurer ratings and ratings of the County's General Fund debt.

In order to ensure ongoing compliance by the County and its related entities with their continuing disclosure undertakings, (i) the County has instituted new procedures to ensure future compliance and coordination between the County and its related entities; and (ii) the County has contracted with a consultant to assist the County in filing accurate, complete and timely disclosure reports. The County continues to review its procedures to ensure continued compliance with the Rule.

The County has been advised by two underwriters that they filed self-reports under the Securities and Exchange Commission's (the "SEC") Municipalities Continuing Disclosure Cooperation ("MCDC") initiative regarding incorrect statements in the County's official statements concerning the County's compliance with its continuing disclosure requirements. In addition, the County filed a self-report under MCDC with respect to statements concerning continuing disclosure compliance made in official statements for over thirty bond issues of the County and related issuers. In connection with such self-reporting, on March 3, 2017, the SEC notified the County that, as of the date of such notice, the SEC did not intend to recommend any enforcement action by the SEC against the County.

RATINGS

S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC and Fitch, Inc. are expected to assign ratings of "[]" and "[]", respectively, to the Note. Such ratings reflect only the views of such rating agencies, and any explanation of the significance of such ratings should be obtained from each rating agency. Further, there is no assurance that any of the ratings will be retained for any given period of time or that any of the ratings will not be revised or withdrawn entirely by such rating agencies if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the trading value and the market price of the Note.

CERTAIN LEGAL MATTERS

At the time of the delivery of the Note, Orrick, Herrington & Sutcliffe LLP, Bond Counsel, will deliver its final approving opinion. The County's obligations under this Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Note or upon delivery to the County and to the Dissemination Agent (if any) of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. If such termination occurs prior to the final maturity of the Note, the County shall give notice of such termination in the same manner as for a Listed Event under Subsection 4(c).

Section 6. Dissemination Agent. The County may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign by providing 60 days' written notice to the County. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the County pursuant to this Certificate.

Section 7. Amendment Waiver. Notwithstanding any other provision of this Certificate, the County may amend this Certificate, and any provision of this Certificate may be waived, provided that the following conditions are satisfied:

- (a) If the amendment or waiver relates to the provisions of Section 3 or Subsection 4(a), it may only be made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, change in law (including rules or regulations) or in

interpretations thereof, or change in the identity, nature or status of an obligated person with respect to the Note, or the type of business conducted;

(b) The undertakings, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Note, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Note in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Owners of the Note, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or Beneficial Owners of the Note.

In the event of any amendment or waiver of a provision of this Certificate, the County shall describe such amendment in its next Quarterly Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the County.

Section 8. Additional Information. Nothing in this Certificate shall be deemed to prevent the County from disseminating any other information, including the information then contained in the County's official statements or other disclosure documents relating to debt issuances, using the means of dissemination set forth in this Certificate or any other means of communication, or including any other information in any Quarterly Report or notice of occurrence of a Listed Event, in addition to that which is required by this Certificate. If the County chooses to include any information in any Quarterly Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Certificate, the County shall have no obligation under this Certificate to update such information or include it in any future Quarterly Report or notice of occurrence of a Listed Event.

Section 9. Default. In the event of a failure of the County to comply with any provision of this Certificate, any Owner or Beneficial Owner of the Note may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County to comply with its obligations under this Certificate. A default under this Certificate shall not be deemed an Event of Default under the Resolution with respect to the Note, and the sole remedy under this Certificate in the event of any failure of the County to comply with this Certificate shall be an action to compel performance, and no person or entity shall be entitled to recover monetary damages under this Certificate.

Section 10. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are expressly and specifically set forth in this Certificate and the County agrees, to the extent permitted by law, to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the County under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Note.

APPENDIX E

BOOK-ENTRY-ONLY SYSTEM

The information in this APPENDIX E concerning DTC and its book-entry system has been obtained from DTC and the County takes no responsibility for the completeness or accuracy thereof. The County cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Note, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Note, or (c) prepayment or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Note, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this APPENDIX E. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

General

DTC will act as securities depository for the Note. The Note will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Note certificate will be issued for each maturity of the Note, each in the aggregate principal amount of such maturity, and will be deposited with DTC or held by the Paying Agent.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Bonds Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA." The DTC Rules applicable to Direct Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org. The County has not undertaken any responsibility for and makes no representations as to the accuracy or the completeness of the content of such material contained on the websites described in the preceding sentence including, but not limited to, updates of such information or links to other Internet sites accessed through the aforementioned websites.

Purchases of the Note under the DTC system must be made by or through Direct Participants, which will receive a credit for the Note on DTC's records. The ownership interest of each actual

purchaser of the Note ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Note are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Note, except in the event that use of the book-entry system for the Note is discontinued.

To facilitate subsequent transfers, all Note deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Note with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Note; DTC's records reflect only the identity of the Direct Participants to whose accounts such Note are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

While the Note is in the book-entry-only system, redemption notices will be sent to DTC. If less than all of the Note is being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be prepaid.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Note unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Paying Agent as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Note is credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Note will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County, the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct and Indirect Participant and not of DTC, the Paying Agent or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Note at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor depository is not obtained, certificates representing the Note are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates representing the Note will be printed and delivered to the registered holders of the Note.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

BENEFICIAL OWNERS WILL NOT RECEIVE PHYSICAL DELIVERY OF THE NOTE AND WILL NOT BE RECOGNIZED BY THE PAYING AGENT AS OWNERS THEREOF, AND BENEFICIAL OWNERS WILL BE PERMITTED TO EXERCISE THE RIGHTS OF OWNERS ONLY INDIRECTLY THROUGH DTC AND THE PARTICIPANTS.

Effective Buying Income

“Effective Buying Income” is defined as personal income less personal tax and nontax payments, a number often referred to as “disposable” or “after-tax” income. Personal income is the aggregate of wages and salaries, other than labor-related income (such as employer contributions to private pension funds), proprietor’s income, rental income (which includes imputed rental income of owner-occupants of non-farm dwellings), dividends paid by corporations, interest income from all sources and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local, nontax payments fines, fees, penalties, etc.) and personal contributions to social security insurance and federal retirement payroll deductions. According to U.S. government definitions, the resultant figure is commonly known as “disposable personal income.”

The following table summarizes the total effective buying income for the County and the State for the period 2013 through 2017:
