BACKGROUND:

Summary

The Economic Development Agency (EDA) requests that the Board of Supervisors adopt Resolution No. 2017-085 setting a public hearing regarding County Service Area charges for Fiscal Year 2017-2018. Pursuant to Riverside County Ordinance No. 573 and Government Code 25215 et seq., the proposed fiscal year 2017-2018 charges are attached as Exhibit A. As provided in County Ordinance No. 573, the rate of charge for each County Service Area (CSA) is calculated by the amount of direct and physical benefit received. In addition, some CSA special assessments were established by an engineer's report that includes an annual adjustment by the greater of two percent or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) as it stands on February of 2017, and were increased accordingly.

Impact on Citizens and Businesses

County Service Areas allow communities in unincorporated areas to pay for and receive specific services from the County. Residents receive the type of enhanced services and improvements not available in other areas of the County.
