BACKGROUND:

Summary

Since 1989, County of Riverside Community Action Partnership (CAP) has administered the City of Riverside's SHARE utility bill and deposited assistance program by identifying eligible customers, processing client applications and performing other necessary administrative activities.

The SHARE program provides utility bill and deposit assistance to low-income users of the Riverside City's utility services in an effort to reduce financial hardship often faced by low-income households.

The City of Riverside allocates \$850,000 per fiscal year to fund the low-income utility customer assistance program. These funds remain with the City of Riverside to be applied to eligible delinquent City of Riverside utility accounts. Additionally, the City of Riverside would compensate Riverside County of the funds pledged (up to \$150,000) for administration of the program.

This Amendment #17 extends the original Agreement from July 1, 2017 through June 30, 2018 with the City of Riverside for the SHARE program.

Impact on Citizens and Businesses

The approval of this amendment will continue the Riverside Public Utilities SHARE program to assist qualified low-income residential electric customers with their utility bills.

4.2 The City will provide to Grantee up to \$850,000 for low-income electric utility customer assistance and up to \$150,000 to Grantee for administration of the program for the fiscal year beginning July 1, 2017 and ending June 30, 2018.

4.3 Upon agreement of the duly authorized representatives of the City and the Grantee, the low-income electric utility customer assistance may be increased by up to 25%, an amount not to exceed \$250,000, if available funds are depleted. The City's funding of the program will be subject to annual appropriation."

IN WITNESS WHEREOF, City and Grantee have caused this Seventeenth Amendment to be duly executed on the day and year first above written.
