BACKGROUND:

Summary

In August 2016, DPSS submitted an application for Homeless Assistance funds to the U.S. Department of Housing and Urban Development (HUD) through a collaborative effort and consolidated application with the Riverside County's Continuum of Care (CoC). The Riverside County Continuum of Care is a local planning body that coordinates housing and services funding for homeless families and individuals. In January of 2017, HUD announced the approval of twenty-three (23) renewal and three (3) new grants for Riverside County's 2016 homeless projects.

In accordance with Board Resolution No. 2010.045, approved by the Board on May 25, 2010 (item 3.38), the authority to accept McKinney-Vento Homeless Assistance Act funding was delegated to the Director of DPSS. These fully executed Grant Agreements are attached. In addition to receiving and filing the HUD grant agreements, DPSS seeks Board approval to utilize the 2016 HUD CoC Sponsor Agreement Template (Attachment A), to ratify and/or execute and sign the sponsor agreements listed below that correspond with the HUD grant agreements, in order to ensure timely processing.

CONTINUUM OF CARE PROGRAM GRANT AGREEMENT

This Grant Agreement ("this Agreement") is made by and between the United States Department of Housing and Urban Development ("HUD") and County of Riverside (the "Recipient").

This Agreement is governed by title IV of the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11301 et seq. (the "Act") and the Continuum of Care Program rule (the "Rule").

The terms "Grant" or "Grant Funds" represents the funds that are provided under this Agreement. The term "Application" means the application submissions on the basis of which the Grant was approved by HUD, including the certifications, assurances, and any information or documentation required to meet any grant award condition. All other terms shall have the meanings given in the Rule.

The Application is incorporated herein as part of this Agreement, except that only those project listed, and only in the amount listed on the Scope of Work exhibit, are funded by this Agreement. In the event of any conflict between any application provision and any provision contained in this Agreement, this Agreement shall control.

Exhibit 1, the FY2016 Scope of Work, is attached hereto and made a part hereof. If in the future appropriations are made available for Continuum of Care grants; if the Recipient applies under a Notice of Funds Availability published by HUD; and, if pursuant to the selection criteria in the Notice of Funds Availability, HUD selects Recipient and one or more projects listed on Exhibit 1 for renewal, then additional Scope of Work exhibits may be attached to this Agreement. Those additional exhibits, when attached, will also become a part hereof.

The effective date of the Agreement shall be the date of execution by HUD and it is the date the usage of funds under this Agreement may begin. Each project will have a performance period that will be listed on the Scope of Work exhibit(s) to this Agreement. For renewal projects, the period of performance shall begin at the end of the Recipient's final operating year for the project being renewed and eligible costs incurred for a project between the end of the Recipient's final operating year under the grant being renewed and the execution of this Agreement may be paid with funds from the first operating year of this Agreement. For each new project funded under this Agreement, the Recipient and HUD will set an operating start date in eLOCCS, which will be used to track expenditures, to establish the project performance period and to determine when a project is eligible for renewal. The Recipient hereby authorizes HUD to insert the project performance period for new projects into the exhibit without the Recipient's signature, after the operating start date is established in eLOCCS.

This Agreement shall remain in effect until termination either: 1) by agreement of the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; 3) upon expiration of the final performance period for all projects funded under this Agreement; or 4) upon the expiration of the period of availability of funds for all projects funded under this Agreement.

 - e. The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and
 - f. Subrecipients will provide information, such as data and reports, as required by HUD;
5. To establish such fiscal control and accounting procedures as may be necessary to assure the proper disbursement of, and accounting for grant funds in order to ensure that all financial transactions are conducted, and records maintained in accordance with generally accepted accounting principles, if the Recipient is a Unified Funding Agency;
6. To monitor subrecipient match and report on match to HUD;
7. To take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education;

The Recipient hereby authorizes HUD to insert the project performance period for new projects into the exhibit without the Recipient’s signature, after the operating start date is established in eLOCCS.

This Agreement shall remain in effect until termination either: 1) by agreement of the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; 3) upon expiration of the final performance period for all projects funded under this Agreement; or 4) upon the expiration of the period of availability of funds for all projects funded under this Agreement.

For each new project funded under this Agreement, the Recipient and HUD will set an operating start date in eLOCCS, which will be used to track expenditures, to establish the project performance period and to determine when a project is eligible for renewal. The Recipient hereby authorizes HUD to insert the project performance period for new projects into the exhibit without the Recipient's signature, after the operating start date is established in eLOCCS.

This Agreement shall remain in effect until termination either: 1) by agreement of the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; 3) upon expiration of the final performance period for all projects funded under this Agreement; or 4) upon the expiration of the period of availability of funds for all projects funded under this Agreement.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

*This screen can only be completed once Screen "5A. Project Participants – Households" has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the "Total Persons" rows will calculate automatically when the "Save" button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column "Persons not represented by listed subpopulations." Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below), and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

DPSS 3106 (HUD Programs Claim Form)	15
HUD Continuum of Care Time/Activity Report	16

INTRODUCTION

This handbook provides project administration guidelines and financial reporting requirements for Subrecipients under contract with Riverside County Department of Public Social Services to operate the Housing and Urban Development grant-funded Continuum of Care (CoC) Program. This program consolidates the Supportive Housing Program, Shelter Plus Care, and Section 8 Moderate Rehab. This handbook does not supersede any law, regulation, or policy issued by the U.S. Government or the Department of Housing and Urban Development with regard to this program.

Assistance to homeless individuals was authorized by the McKinney-Vento Homeless Assistance Act of 1987 as amended by the Housing and Community Development Act of 1992, approved October 28, 1992. The Act established numerous programs to promote the development of housing and supportive services to assist homeless persons in the transition from streets and shelters to permanent housing and to achieve maximum self-sufficiency. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program known as the Continuum of Care Program (CoC). The HEARTH Act also codifies in law the Continuum of Care planning process, a longstanding part of HUD's application process to assist homeless persons by providing greater coordination in responding to their needs.

DPSS, a HUD Grantee, has partnered with your organization through a contract to bring homeless housing and services to help alleviate all homeless sub-populations within Riverside County.

This handbook is intended to outline the DPSS procedures and also contains direction on where to find the federal codes and regulations for the HUD Continuum of Care Program.

A. ACCOUNTING PROCEDURES

The Subrecipient's financial system must comply with:

- 2 CFR Part 200

1. CLAIMS

Although federal regulations affecting claiming may change during the course of your grant, the regulations that were in effect at the time your grant was approved will usually apply until your grant expires or is renewed.

2. CLAIM FORMS

Claims should be received by DPSS no later than 30 days after the end of the month in which services were provided using the DPSS 3106 HUD Programs Claim Form (see attached) with the required supporting documentation (see Section 5 *Supporting Documentation*).

Time/Activity reports (see attached) are required for all staff (see Section 5 *Supporting Documentation*).

3. REIMBURSEMENTS

Generally, reimbursement payments are sent to you within forty-five (45) days after receipt of your claim.

An expenditure which is not authorized by the Agreement, or which cannot be adequately documented, shall be disallowed and will not be paid to the Subrecipient.

The most common cause for a delay in reimbursement is lack of clarity in the documentation submitted with the Claim Form. If we need to contact you because your claim is not clear, there will be a delay in your reimbursement. Please contact a fiscal staff member if you have any questions about how to assure clarity in your completion of the Claim Form and supporting documentation.

Once your claim has been reviewed, we will send you back a letter indicating any differences. If you disagree with any disallowance, please request any correction within 30 days from the date of the letter.

4. DISBURSEMENT OF FUNDS

DPSS shall disburse funds under this Agreement to the Subrecipient as follows:

1. The Subrecipient shall submit claims for reimbursement pursuant to the Budget listed in section IV.A. on a monthly basis.
2. Administrative costs are costs associated with accounting for the use of grant funds, preparing reports for submission to HUD, obtaining program audits, similar costs related to administering the grant after the award, and staff salaries associated with these administrative costs.

5. MATCH

Cash match documentation must be submitted with monthly billing claims. DPSS will verify utilization of the cash match through a monthly desk review and on-site monitoring visits. Matching funds provided by the Subrecipient must be money provided to the project by one or more of the following: the Subrecipient, the federal government, state and local governments, and/or private resources. Matching funds provided by state or local government used in a matching contribution are subject to maintenance of effort requirements.

The Subrecipient must match all grant funds except for leasing funds with no less than 25% of funds or in kind contributions from other sources. Match must be used for the costs of eligible activities (Exhibit A).

All eligible funding costs, except leasing, must be matched with no less than a **25 percent cash or in-kind contribution**. No match is required for leasing. The match requirements apply to project administration funds, along with the traditional expenses—operations, rental assistance, supportive services, and HMIS. Match must be met for each operating year. Match must be submitted with each monthly claim.

For an in-kind match, the subrecipient may use the value of property, equipment, goods, or services contributed to the project, provided that, if the subrecipient had to pay for such items with grant funds, the costs would have been eligible. If third-party services are to be used as a match, the subrecipient and the third-party service provider that will deliver the services must enter into a memorandum of understanding (MOU)—**before the grant is executed**—documenting that the third party will provide such services and value towards the project.

All match must be for eligible activities.

If sufficient match is not included in each monthly claim to meet the required match percentage, DPSS reserves the right to move reimbursement requests to match to meet match requirements.

6. SUPPORTING DOCUMENTATION

The general rule for supporting documentation is that for any program cost that is to be reimbursed (or used as match), provide the invoice which documents that a cost was incurred, and a receipt, or a copy of a check, or a check stub to substantiate the amount paid. Supporting documentation must be **legible, clear, and organized**. DPSS must be able to tie your request to the amounts claimed after each line item on the Claim Form. Costs can only be reimbursed if they have been included in the original Technical Submission.

Documentation for like line items should be clipped together and identified with a summary sheet or label identifying the Line Item Number or the Activity as listed on the Claim Form. A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process the claim.

The Management Reporting Unit reviews each claim for expenses that are:

- Allowable
- Allocable
- Reasonable

Any changes to this Agreement must be made in writing and approved by DPSS prior to implementing the change. No requests will be approved retroactively.

3. Budget Rollover

The expectation is that Subrecipients will fully expend grant funds within the operating period the funds were awarded. Budget rollover of unused/unexpended funds will not be authorized.

C. RECORDKEEPING

4. The Subrecipient agrees to obtain and keep records of rent reasonableness for all CoC Program participants prior to providing assistance. Reasonable rent must not exceed rents currently being charged by the same owner for comparable unassisted units. Per § 578.51 (g) of the Continuum of Care Interim Rule.
5. The Subrecipient agrees to keep all records containing protected information secure and confidential.

D. UNEXPENDED FUNDS AND CLOSE-OUTS

1. The Subrecipient shall complete all necessary closeout procedures, including the APR, required by DPSS within a period of not more than **sixty (60) calendar days** from the expiration date of this Agreement. This time period will be referred to as the financial closeout period. After the expiration of the financial closeout period, those funds not paid to the Subrecipient under this Agreement shall be recaptured by HUD. DPSS is not liable for any expenses or costs associated with this Agreement after the expiration of the financial closeout period.
2. The Subrecipient, if required to have an A-133 audit, shall provide a final financial audit for activities performed under this Agreement within thirty (30) days from finalization of audit.

E. INSPECTION AND AUDITS

1. The Subrecipient shall maintain auditable books, records, documents, and other evidence pertaining to costs and expenses in this Agreement. The Subrecipient shall maintain these records for five (5) years after final payment has been made or until all pending DPSS, state, and federal audits, if any, are completed, whichever is later. If a restrictive covenant is in effect, records shall be maintained until the covenant expires.
2. Authorized representatives of DPSS and the federal government shall have access to any books, documents, papers, electronic data, and other records, which these representatives may determine to be pertinent to this Agreement for the purpose of performing an audit, evaluation, inspection, review, assessment, or examination. These representatives are authorized to obtain excerpts, transcripts, and copies, as they deem necessary. Further, these authorized representatives shall have the right, upon request, to inspect or otherwise evaluate the work performed under this Agreement and the premises in which it is being performed.
3. This access to records includes, but is not limited to, service delivery, referrals, and financial and administrative documents for five (5) years after final payment was made, or until all pending county, state, and federal audits are completed, whichever is later.
4. Should the Subrecipient disagree with any audit conducted by DPSS, the Subrecipient shall have the right to employ a licensed, Certified Public Account (CPA) to prepare and file with DPSS a certified financial and compliance audit (in compliance with generally accepted government auditing standards) of related services provided during the term of this Agreement. The Subrecipient will not be reimbursed by DPSS for such an audit.

5. In the event the Subrecipient does not make available its books and financial records at the location where they are normally maintained, the Subrecipient agrees to pay all necessary and reasonable expenses, including legal fees, incurred by DPSS in conducting any audit.
6. All Agreement deliverables and equipment furnished or utilized in the performance of this Agreement shall be subject to inspection by DPSS at all times during the term of this Agreement. The Subrecipient shall provide adequate cooperation to any employee assigned by DPSS in order to permit their determination of the Sub-recipient's conformity with specifications and adequacy of performance and services being provided in accordance with this Agreement.

F. WITHHELD PAYMENTS

Unearned payments under this Agreement may be suspended or terminated if grant funds to DPSS are suspended terminated, or if the Subrecipient refuses to accept additional conditions imposed on it by HUD or DPSS.

DPSS has the authority to withhold funds under this Agreement pending a final determination by DPSS of questioned expenditures or indebtedness to DPSS arising from past or present agreements between DPSS and the Subrecipient. Upon final determination by DPSS of disallowed expenditures or indebtedness, DPSS may deduct and retain the amount of the disallowed or indebtedness from the amount of the withheld funds.

Payments to the Sub-recipient may be withheld by DPSS if the Subrecipient fails to comply with the provisions of this Agreement.

G. FISCAL ACCOUNTABILITY

The Sub-recipient agrees to manage funds received through DPSS in accordance with sound accounting policies; incur and claim only eligible costs for reimbursement; and adhere to accounting standards established in OMB Circular 2 CFR Part 200.

The Sub-recipient must establish and maintain on a current basis an accrual accounting system in accordance with generally accepted accounting principles and standards. Further, the Sub-recipient must develop an accounting procedure manual. Said manual shall be made available to DPSS upon request or during fiscal monitoring visits.

H. AVAILABILITY OF FUNDING

Funding for this Agreement is subject to the continuing availability of funds provided to DPSS during the Agreement period. DPSS will inform the Sub-recipient, immediately upon notice from HUD, of any limitation of the availability of funds. Both parties understand that DPSS makes no commitment to fund this project beyond the term of this Agreement.

I. REPORTING

Reporting due dates are determined by a project's operating start date. Each year is funded separately, and funds cannot be automatically rolled over from one year to another. Additionally, funds may only be

rolled over within the same multi-year grant contract; funds may not be rolled over from one contract to another. Please note that different programs have different operating start dates.

1. The Subrecipient agrees to complete the Annual Performance Report (APR) in e-snaps, SAGE or any other system designated by HUD and submit to DPSS an electronic copy within sixty (60) days after the end of each operating year. Failure to submit an APR may lead to a delay in receiving future grant funds. Upon review for completeness and accuracy, DPSS will submit the APR to HUD as required.
2. The Subrecipient agrees to submit a Semi-Annual Statistical Report upon a 30-day written notice by DPSS.
3. Additional reports may be requested at any time by DPSS and/or HUD to meet other applicable reporting or audit requirements.
4. If funded for Transitional Housing, Permanent Housing, Rapid Re-Housing, the Subrecipient agrees to provide DPSS with a monthly residential log of participants, attached hereto as **Exhibit E** [Certification of Tenant Roll] and incorporated herein by this reference. The residential log is due, by fax or scanned and sent by e-mail to the DPSS HUD-CoC Program Specialist, on or before the 10th (tenth) business day following the reporting month, regardless of the means by which the report is sent to DPSS. The fax number of the Homeless Programs Unit is provided above (3.a).

J. ASSESSMENT AND MONITORING

Riverside County is on record as the applicant and grantee for the HUD grant funds you receive. As such, the Riverside County DPSS is responsible for ensuring that the funds received by Subrecipients are utilized according to federal law and policy, and that goals established in the Project Application, Technical Submission, and Contract are being met. To ensure that the County and Subrecipients comply with HUD and all applicable policies, DPSS will conduct on-site program, financial, and contract compliance monitoring visits at least annually.

Reviews will be conducted, at least annually, by representatives from the Homeless Programs Unit (lead), the Subrecipient's liaison from the Fiscal Unit, and the Contracts Administration Unit. The purpose of the monitoring visit is to assess how well the Subrecipient is implementing its grant and/or to offer technical assistance.

In preparation for the on-site monitoring visit, the monitoring team will contact the Subrecipient to arrange a mutually convenient date for the visit, explain the purpose of the monitoring visit, and provide an advance copy of the monitoring tool.

The County will follow a monitoring plan and conduct a Monitoring Visit Entrance Meeting and Exit Meeting. During the Entrance meeting, the monitoring team will meet Subrecipient key personnel and provide an overview of the review process. At the Exit meeting, the County will review and comment on areas which might be a finding or a concern during the visit.

DPSS will prepare Monitoring Report for the review not later than sixty (60) days after the visit. The Subrecipient will be given, if appropriate, thirty (30) days to respond to the report, including a corrective action plan for review and approval by DPSS.

Subrecipients agree to facilitate and be subject to monitoring grant activities by DPSS to ensure compliance with applicable CoC Program regulations and requirements. In addition, projects will be

evaluated for HUD System Performance Measures outcome. The monitoring must cover each program, function or activity.

1. An onsite monitoring visit of the homeless service provider shall occur whenever deemed necessary by DPSS, but at least once during the grant period.
2. DPSS will monitor the performance of the Subrecipient based on a risk assessment and according to the terms of this Agreement.
3. DPSS will monitor the Subrecipient and funded project based on the performance measures used by HUD in the Continuum of Care Program. In the event that project-level or system-wide performance consistently remains in the lowest quartile compared to all participant Service Areas in the Continuum of Care allocation, DPSS will work collaboratively with the Subrecipient to develop performance improvement plans which will be incorporated into this Agreement.
4. If it is determined that a Subrecipient falsified any certification, application information, financial, or contract report, the Subrecipient shall be required to reimburse the full amount of the CoC award to DPSS, and may be prohibited from any further participation in the CoC Program. DPSS may impose any other actions permitted under 24 CFR 576.501 (c).

K. HOUSING QUALITY STANDARDS

Subrecipients of CoC Program grant funds must abide by housing quality standards and suitable dwelling size. In addition, Subrecipients must provide housing or services that comply with all applicable State and local housing codes, licensing requirements, and any other requirements in the project's jurisdiction.

L. RENT REASONABLENESS

The subrecipient must determine whether the rent charged for the unit receiving rental assistance is reasonable in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit. Reasonable rent must not exceed rents currently being charged by the same owner for comparable unassisted units. Per § 578.51 (g) of the Continuum of Care Interim Rule.

M. FAITH-BASED ACTIVITIES

Pursuant to Section 8406 (b) (2) of the State Regulations, Subrecipient shall not require, as a condition of Program Participant housing, participation by Program Participants in any religious or philosophical ritual, service, meeting or rite.

N. ENVIRONMENTAL REQUIREMENTS

The Subrecipient shall supply all available, relevant information necessary for DPSS to perform for each property any environmental review as required under 24 CFR Part 50. The Subrecipient shall also carry out mitigating measures required by DPSS or select an alternate eligible property.

The subrecipient, or any subcontractor of the subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR Part 50 and the subrecipient has received HUD approval of the property.

For all funded applications, DPSS will inform the subrecipient of any required additional environmental review.

O. FUTURE APPLICATIONS AND PROJECT RENEWALS

If your organization wishes to renew its contract with Riverside County DPSS, you will need to apply through the HUD NOFA (Notice of Funding Availability) process during the final year of your active grant.

Your renewal application will be submitted as part of the County's Consolidated Application (unless there have been significant problems with your project). Problems that could prevent a program from being submitted for renewal, or receiving a low ranking score include, but are not limited to, failure to meet program goals, mismanagement of funds, or failure to serve the population targeted in the Technical Submission.

During the application process, all applications are evaluated and ranked by an established committee. The criteria for ranking projects is established annually based upon needs caused by gaps in the Continuum of Care. Renewal applications are generally ranked high in the evaluation process because failure to renew them would re-create gaps in service that the projects are intended to fill. However, if projects are not performing according to the commitments made in the Technical Submission or the contract with the County of Riverside, there may be justification on the part of the committee to lower the ranking.
