STATE OF CALIFORNIA**

BACKGROUND:

Summary

ABx1 26 enacted in June 2011 (as amended by AB 1484 in June 2012, collectively the Dissolution Act) charges the Successor Agency to the Redevelopment Agency for the County of Riverside (Successor Agency) with winding down the affairs of the former Redevelopment Agency for the County of Riverside (RDA). Pursuant to Health and Safety Code Section 34191.5, added by the Dissolution Act, the Successor Agency prepared a Long Range Property Management Plan (LRPMP) which identified all real property assets owned by the former RDA and recommended appropriate disposition strategies for each identified parcel. The LRPMP was approved by the California Department of Finance (DOF) on December 18, 2015. Pursuant to Health and Safety Code Section 34191.3 (a) the approved LRPMP shall govern, superseding all other provisions relating to, the disposition and use of the real property assets of the former redevelopment agency.

BACKGROUND:

Summary (continued)

The LRPMP designated that certain real property within the Desert Communities Redevelopment Project Area (DCPA), Thermal sub-area, identified by Assessor's Parcel Number 757-062-003 (Property) as "retain for future development" by the County of Riverside (County) based on the needs of the Thermal community. The Property is recognized by the County as a vital site for the development of a park to fulfill the redevelopment plan objectives as detailed in the Redevelopment Plan for Project No. 4, as adopted by the County Board of Supervisors on December 23, 1986 via ordinance 638. Pursuant to the LRPMP, on May 9, 2017 the Board of Supervisor's approved the transfer of the Property from the Successor Agency to the County, and the County accepted the subject transfer (see Agenda Items 4-1 and 3-11 respectively).

The Successor Agency contemplated participation by the Desert Recreation District (DRD) in the development and maintenance of the Property as a community park as described in the

DOF approved LRPMP. Transfer of the Property from the County to DRD, to accomplish the purposes set forth in the LRPMP, is conditioned upon the execution of a compensation agreement by the County with the applicable taxing entities pursuant to Health and Safety Code section 34180(f).

Staff recommends the Board of Supervisors approve the attached Agreement for Taxing Entity Compensation for APN 757-062-003 (Compensation Agreement) between the County and various taxing entities, including, among others, the Riverside County Free Library, Riverside County Structure Fire Protection, County Service Area 125, and Supervisorial Road District 4. Staff also recommends that the Board of Supervisors execute the attached Compensation Agreement on behalf of the County, the Riverside County Free Library, Riverside County Structure Fire Protection, County Service Area 125, and Supervisorial Road District 4. The transfer of Property to DRD will have negligible financial impact on the County.

Impact on Residents and Businesses

Development of the Property as a park promotes health and wellness, creates a safe place for recreation and provides a place for citizens to be active.
