BACKGROUND: Community Improvement Designation funds will be allocated to the Economic Development Agency (EDA) to provide for the purchase and rental of equipment that will be used at the Lakeland Village Community Center by EDA approved personal. The Lakeland Village Community Center is a new community center that lacks sufficient equipment for the 18.5 acre property to be maintained. Equipment considered for purchase include (but not limited to) riding lawn mower, brush cutter, large auger, large hammer drill, and pallet jack. Any remaining funds, if any, are to be set aside for future maintenance equipment purchase or rental when needed on property.
