BACKGROUND:

Summary

California Assembly Bill (AB) 1915, enacted by the legislature in 2008, amended Streets and Highways (S&H) Code Section 374, to authorize the California Transportation Commission (CTC), to relinquish to the City of Lake Elsinore portions of State Route 74 located within the city's municipal boundaries. In 2015, S&H code Section 374 was again amended by AB 218 to authorize the CTC to relinquish to the County of Riverside (County), the portions of State Route 74 between the cities of Lake Elsinore and Perris.

This change to S&H Section 374 provided an opportunity for the County and City of Lake Elsinore to collaborate with the California Department of Transportation (Caltrans) to acquire local authority of State Route 74. The relinquishment of State Route 74 to local control is expected to streamline permitting for businesses and others along SR74 and facilitate joint study and development of an east-west corridor between Interstate 15 and Interstate 215, and keep decision making at the local level.

Discussions between Caltrans, the County, and the City of Lake Elsinore resulted in a joint agreement whereby Caltrans agreed to pay the County \$5.8 million and pay the City \$2.2 million, subject to approval by the California Transportation Commission, to take over the maintenance and operation of State Route 74 between Dexter Avenue near Interstate 15 and 7th Street at the westerly City of Perris limits.

On January 31, 2017, Minute Order No. 3.22, the Board of Supervisors for the County of Riverside adopted Resolution Number 2017-017 to document the County's intent to accept into the County Maintained Highway System, portions of State Route 74 relinquished to the County

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

by the CTC. In addition the Board adopted Resolution Number 2017-018 which documented the County's intent to accept a joint relinquishment of Route 74 and convey to the City of Lake Elsinore of the portion of State Route 74, relinquished to the County by the CTC, between Cambern Avenue and Rachel Way to remedy the asymmetrical jurisdictional boundary disparity. (See Map for Relinquishment No. 474-R attached as Exhibit "C"). At the same Board meeting, the Board also approved the Relinquishment Agreement between the County and Caltrans and adopted Resolution Number 2017-019 to document the Boards support and consent to Route 74 relinquishment in conformance with AB218 and AB 1915.

Resolution No. 2017-017, Notice to Accept portions of Route 74 in the Meadowbrook and Good Hope areas into the County Highway System, Resolution No. 2017-018, Notice of Intent to Accept portions of Route 74 and convey the relinquished road right of way to the City of Lake Elsinore, and Resolution No. 2017-019, Consent to the relinquishment of a portion of Route 74 in the Meadowbrook and Good Hope areas and joint relinquishment of adjoining portions of Route 74 to the County of Riverside and City of Lake Elsinore were all adopted on the same Board item on January 31, 2017.

On March 16, 2017, the California Transportation Commission approved the funding and relinquishment of Route 74 to the County and the City of Lake Elsinore.

On May 24th, 2017, Caltrans transmitted \$5.8 million to the County for the relinquishment of Route 74.

Resolution Number 2017-114 will accept the above described portions of Route 74 relinquished by the CTC within in the Meadowbrook and Good Hope areas and accept said portion into the County Maintained Road System, between Mauricio Street and 7th Street (more particularly described as "Segment 2" and shown on Exhibit C). Resolution No. 2017-127 will accept the above described portions of Route 74 relinquished by the CTC within the City of Lake Elsinore area and convey by Quitclaim Deed to the City of Lake Elsinore the portion of Route 74 relinquished to the County by the California Transportation Commission, between Cambern Avenue and Rachel Way (more particularly described as "Segment 1" and shown on Exhibit C), to remedy the asymmetrical jurisdictional boundary disparity.

It is anticipated that the CTC Relinquishment Resolution, the County Board of Supervisors Resolution No. 2017-114 and the Quitclaim Deed to the City of Lake Elsinore will be recorded in successive order to consummate the relinquishment of the aforementioned portions of Route 74 by the CTC, the acceptance by the County of "Segment 2" of the relinquished segment, to acceptance by the County and conveyance to the City of Lake Elsinore of "Segment 1" of the relinquished segment.

Impact on Residents and Businesses

This relinquishment and conveyance to the City of Lake Elsinore of the portion of Route 74 with the jurisdictional boundary disparity, will improve the County's responsiveness and

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

coordination in land use planning, construction, maintenance and operational matters, and provide for a more streamlined approval for adjacent property improvements that affect State Route 74.

Supplemental:

Additional Fiscal Information

All costs were born directly by CALTRANS. County responsibility was at a minimal cost for drafting and submitting board report. No general funds were used.

9 **WHEREAS**, on January 31, 2017, the Board of Supervisors (“Board”) for the County of
 10 Riverside adopted Resolution Number 2017-018, Minute Order No. 3.22, whereby the Board provided its
 11 notice of intent to support the joint relinquishment to the County of Riverside (“County”) and the City of
 12 Lake Elsinore (“City”) of a segment of Route 74 by the California Transportation Commission (“CTC”)
 13 from Cambern Avenue to Rachel Way;

14 **WHEREAS**, a portion of Route 74 relinquished to the County of Riverside results in an
 15 asymmetrical jurisdictional boundary configuration, between Cambern Avenue and Rachel Way (“Subject
 16 Property”), more particularly legally described in Exhibit “A” and shown on Exhibit “B”, attached hereto
 17 and by this reference incorporated herein, that would impact the County and the City and create maintenance
 18 and operational disparities between them;

19 **WHEREAS**, due to the aforementioned disparities, the County and City have determined
 20 that it would be in the best interest of both parties for the County to convey the Subject Property to the City

21 **WHEREAS**, the Board desires to accept, upon recordation of the CTC’s relinquishment
 22 resolution, said portion as it relates to this portion of Route 74 jointly relinquished to the County and the
 23 City and immediately convey the Subject Property to the City of Lake Elsinore by Quitclaim Deed;

24 **NOW, THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED** by the
 25 Board of Supervisors of the County of Riverside (“Board”), in regular session assembled on June 20,
 26 2017, at 9:00 a.m., or soon thereafter, in the meeting room of the Board of Supervisors for the County of

 28 California, that this Board:

1. Hereby finds and declares that the above recitals are true and correct and incorporated as though set forth herein.
