**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The Board of Supervisors approved Agenda Item 3.32 authorizing the Real Estate Division/EDA (EDA) to locate suitable office space for lease to relocate the existing Revenue Recovery Group, currently located at the Riverside University Health System Medical Center's (RUHSMC) leased facility, located at 14375 Nason Street, Moreno Valley, California. EDA issued a request for proposal and received submittals from Landlords in the area. Of the proposals submitted and analyzed, Mission Grove Office Park II, L.P. was selected for their site located at 7888 Mission Grove Parkway, Suites 100 and 201, Riverside. The site was determined to be the best option to meet the needs of the RUHS-Revenue Recovery Group.

The property consists of approximately 19,983 square feet which includes 4,964 square feet in Suite 100, 2,267 square feet in Suite 110, 7,086 square feet in Suite 120, 1,327 in Suite 125, 4,339 square feet in Suite 201. The site is located in a convenient location close to services and amenities, with easy access to I-215 and local bus routes.

RUHSMC has elected to relocate its Revenue Recovery Group due to the inadequate size and inefficiencies of the existing location. The proposed new location would provide more efficient workspace and allow the Revenue Recovery Group to improve efficiency within the group and enhanced the services provided while providing adequate space for future growth. In addition to the improved communication, coordination, and efficiencies of consolidated space, the planned move would free up valuable space in the Nason Street leased facility near the hospital. That space can then be repurposed for other healthcare functions.

RUHS also desires to acquire additional parking containing approximately 123 parking spaces to serve staff and the public to accommodate additional parking needs and the Landlord will provide this additional parking for the County. The project design will include offices, interview rooms, conference rooms, space to house client and administrative files, storage for supplies, and related equipment for the group. The project will also include a call center.

Upon approval of the lease, the construction project will commence with a targeted completion and occupancy date of February 1, 2018. Until that time, there are no obligated lease cost

STATE OF CALIFORNIA**

expenditures. After completion, Revenue Recovery Group will have an updated space with adequate staff space and improved efficiencies.

Pursuant to the California Environmental Quality Act (CEQA), the lease was reviewed and determined to be categorically exempt from CEQA pursuant to State CEQA guidelines Section 15301, Class 1 – Existing facilities and Section 1061 (b) (3) – common sense exemption. The proposed project, the lease, is the letting of property involving existing facilities, no expansion of an existing use will occur.

**Reasons Why Project is Exempt:** The proposed Project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project will not cause an impact to an environmental resource of hazardous or critical concern nor does the Project include unusual circumstances which could have the possibility a significant effect on the environment. The Project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the Lease Agreement. As part of the Lease Agreement, the Lessor has committed to providing an additional parking lot in order to accommodate future growth. The effects of this action are not included as part of this project, which is limited to the Lease Agreement and minor interior alterations. At this point, these effects are not reasonably foreseeable and the potential effects cannot be adequately characterized. The Lease Agreement necessitates that the Lessor conduct additional environmental review in compliance with CEQA prior to construction of the parking lot. This contractual language provides a mechanism to ensure that these indirect effects of the Lease Agreement are addressed under responsibility of the Lessor when enough detail regarding the parking lot design is identified.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site's use. The Project, as proposed, is limited to a lease and includes minor modifications to an existing building which would be limited to interior or exterior alterations as defined under 15301 (a). The Lease and minor alterations will not increase or expand the use of the site, and is limited to the continued use of the site in a similar capacity; therefore, the Project is exempt as the Project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Project may have a significant effect on the environment. The proposed Lease and minor alterations will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the planned use and associated entitlements which were completed prior to the construction of the existing building, which took into the account all of the potential effects that could result from a fully-occupied facility. The use of the facility by the RUHS Revenue Recovery Group, would be consistent with the planned use, and; therefore, in no way, would the Project, as proposed, have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed is exempt under CEQA. No further environmental analysis is warranted.

LEASE  
COUNTY OF RIVERSIDE

**1. Parties.**

**1.1** This Lease ("Lease") is made by and between the **COUNTY OF RIVERSIDE**, a political subdivision hereinafter referred to as "County" and Mission Grove Office Park II, L.P., a California Limited Partnership, hereinafter referred to as "Lessor." County and Lessor are hereinafter collectively referred to as the "Parties" or individually as a "Party."

**2. Premises.**

**2.1 Letting.** Lessor hereby leases to County, and County hereby leases from Lessor, the Premises, for the term, at the rental, and upon all terms, covenants and conditions set forth in this Lease.

**2.2 Defined.** The Premises shall consist of that certain portion of the Project, as defined herein, including all improvements therein or to be provided by Lessor under the terms of this Lease, and commonly known as 7888 Mission Grove Parkway, located in the City of Riverside, State of California, also identified as Assessor Parcel Number 276-160-033 and generally described as office space consisting of the following suites: Suite 100, consisting of approximately 4,964 rentable square feet, suite 110, consisting of approximately 2,267 rentable square feet, suite 120 consisting of approximately 7,086 rentable square feet, suite 125, consisting of approximately 1,327 rentable square feet, and suite 201, consisting of approximately 4,339 rentable square feet. The total rentable square footage therefore is approximately 19,983 square feet with unreserved parking spaces, as shown on the site plan attached as Exhibit "A," and unreserved parking spaces in the Additional Parking Lot as described in section 2.3 of this lease. It is understood that the Premises include all appurtenances and easements thereto and the non-exclusive right of ingress and egress at all times to and from the public streets and highways for County, its employees and invitees. The Premises, the building, the Common Areas, the land upon which they are located, along with all other buildings and improvements thereon, are herein collectively referred to as the "Project."

**2.3 Additional Parking Lot.** Lessor shall plan and construct a parking lot at Lessor's sole cost and expense (the "Additional Parking Lot") for the purpose of accommodating the County's parking needs in connection with this lease. County shall lease from Lessor for the term described herein and any extensions thereafter, 123 parking spaces on an approximate 2.39 acre parcel located on the south side of Lindbergh drive in Riverside, California, also known as Assessor's Parcel number 276-160-015, and set forth in Exhibit "A-1." The Additional Parking shall have adequate lighting and a crosswalk on Lindbergh Avenue to facilitate pedestrian transit from the Additional Parking location to the Premises. Lessor shall complete the parking lot and all related improvements on or before the date of substantial completion of the Leasehold Improvements set forth in Section 5.1 of Exhibit "B."

The Lessor shall have taken all final actions necessary to comply with the California Environmental Quality Act ("CEQA") to support the construction of the 123-space parking lot on the 2.39-acre parcel located on the south side of Lindbergh Drive. The analysis of the environmental effects shall also take into account the additional capacity to the facility that would be created by the additional parking as it would exceed the original planned capacity for the facility that was previously analyzed. The Lessor shall obtain requisite land use and entitlement approvals by the governing body for jurisdiction who has the power over such matters over the Property. employees, suppliers, shippers, customers, contractors, and invitees, including but not limited to common restrooms, parking areas, loading and unloading zones, trash areas, roadways, walkways, driveways, and landscaped areas.

**2.5 County's Rights-Common Areas.** Lessor grants to County, for the benefit of the County and its employees, suppliers, shippers, customers, contractors, and invitees, during the term of this Lease, the non-exclusive right to use, in common with others entitled to such use, the Common Areas as same may from time to time exist. Lessor shall have the right to promulgate rules and regulations for the management, safety, care, and cleanliness of the Common Areas provided, however, that said rules and regulations shall not unreasonably interfere with the County's operations. County's prior approval shall be required for any changes to the Common Areas which adversely affect County's use and occupancy of the Premises, the parking, or accessibility of the Premises.

**2.6 Preparation of Premises/Acceptance.** The rights and obligations of the Parties regarding the construction of the Premises before the commencement of the Lease Term are stated in the attached Leasehold Improvement Agreement, Exhibit "B." If this Lease conflicts with the Leasehold Improvement Agreement, the Leasehold Improvement Agreement shall prevail.

**3. Use.**

**3.1** County shall use and occupy the Premises for the purpose of providing office space for use by Riverside University Health System, Revenue Recovery Group, but the Premises may be used for any official business of County government or any other legal use which is reasonably comparable thereto. **4. Term.**

**4.1 Commencement.** This Lease shall be effective upon the date of its full execution by the parties hereto. The Term of this Lease shall be for a period of Ten (10) years ("Original Term") commencing (Commencement Date) on the earlier of (a) the date County staff occupies the Premises, or (b) the date on which County accepts the Premises for occupancy, which shall occur only after Lessor delivers to County a copy of the Certificate of Occupancy executed by the appropriate governing authority, if applicable, and provided that County, in its' sole discretion, is satisfied that all leasehold improvements have been completed in accordance with Exhibit "B" and Exhibit "F," excepting minor punch list items. The Original Term shall expire at midnight on the last day of the Ten (10) Year Term ("Expiration Date").

available for occupancy as per paragraph 2.6, after said date, as liquidated damages for failure to provide occupancy in a timely manner as prescribed hereunder. Lessor and County agree that such damages are to be one of the mutually exclusive remedies, as prescribed in this Section 4, for such failure, in that at the time of entering into this Lease it would be impractical and extremely difficult to fix the actual damages that would flow from Lessor's failure to provide occupancy in a timely manner, including, but not limited to, the difference in money between the total sum to be paid by County to another party for rent to Lease such party's real property, if the rental hereunder is less than the rental to be paid such other party; or if the Original Term of this Lease has not commenced by 240 days from County's execution of this Lease, or (b) cancel this Lease, and Lessor hereby waives any and all rights that it may have against County for any costs, expenses and/or charges that Lessor may have incurred as a result of preparing the Premises for occupancy.

**6.2 Right of First Refusal to Lease Additional Space.** Lessor hereby grants to County a right of first refusal to lease the other premises in the building containing the leased Premises ("Adjacent Premises"), in the event Lessor receives a bona fide offer from a third party to lease any portion of the Adjacent Premises, which offer is acceptable to Lessor. Lessor shall promptly notify County in writing of the offer, including the square footage of the portion of the Adjacent Premises proposed to be let and other terms and conditions of the offer. County shall have ten (10) business days within which to notify Lessor in writing whether County agrees to lease the portion of the

Adjacent Premises under such offer upon the terms and conditions set forth in such offer. In the event County notifies Lessor to extend the Lease, Lessor agrees to execute a lease amendment which shall be forwarded to the Board of Supervisors for approval. In the event County fails to give written notice of its election to lease the proposed additional space, Lessor shall be free to accept the bona fide offer and lease the Adjacent Premises to the third party. If the third party fails to lease such portion of the Adjacent Premises and the Adjacent Premises (or remaining portion of the Adjacent Premises) remains available; County shall have the same right of first refusal granted herein with regard to any future offer to lease such portion of the Adjacent Premises.

**6.3 Right of First Refusal to Extend Lease Term.** At such time as the Original Term and/or Extended Terms have expired, in further consideration of the Rent, Covenants, and Conditions to be paid, performed, and observed by County, Lessor hereby grants to County a right of first refusal to extend the Lease of the Premises. In the event Lessor receives a bona fide offer from a third party to lease the Premises, which offer is acceptable to Lessor, Lessor shall promptly notify County in writing of the offer, including the amount of rent offered and other terms and conditions of the offer. County shall have ten (10) days business days within which to notify Lessor in writing whether County agrees to extend the Lease of the Premises on the same terms and conditions as the third party offer. In the event County elects to extend the Lease of the Premises, the Lease shall be subject to the same terms and conditions as the third party offer, including, but not limited to, amount of rent, term, and commencement date. In the event County notifies Lessor to extend the Lease, Lessor agrees to execute a lease amendment which shall be forwarded to the Board of Supervisors for approval. In the event County fails to give written notice of its election to extend the Lease of the Premises, Lessor shall be free to accept the bona fide offer and lease the Premises to the third party. If the third party fails to lease the Premises and the Premises remains available, County shall have the same right of first refusal granted herein with respect to a bona fide offer to lease the Premises by a subsequent third party offerer.

### **13. Damage and Destruction.**

**13.1 Repair of Damage.** County agrees to notify Lessor in writing promptly of any damage to the Premises resulting from fire, earthquake, or any other identifiable event of a sudden, unexpected, or unusual nature ("Casualty"). If the Premises, whether covered by insurance or not, are damaged by a Casualty, or the Casualty results in the Premises not being provided with Base Building Systems or parking facilities, and if neither Lessor nor County has elected to terminate this Lease under this Section 13, Lessor shall promptly and diligently restore Premises, the County Improvements originally constructed by Lessor, Base Building Systems, and County's parking facilities to substantially the same condition as existed before the Casualty, subject to modifications required by building codes and other laws. If County requests that Lessor make any modifications to the County Improvements in connection with the rebuilding, Lessor may condition its consent to those modifications on: (a) confirmation by Lessor's contractor that the modifications shall not increase the time needed to complete the County Improvements; or (b) an agreement by County that the additional construction period shall not extend the rent abatement period.

**13.2 Repair Period Notice.** Lessor shall, within thirty (30) days after the date of the Casualty, provide written notice to County indicating the anticipated period for repairing the Casualty ("Repair Period Notice"). The Repair Period Notice shall be accompanied by a certified statement executed by the Contractor retained by Lessor to complete the repairs or, if Lessor has not retained a Contractor, a licensed Contractor not affiliated with Lessor, certifying the Contractor's opinion about the anticipated period for repairing the Casualty. The Repair Period Notice shall also state, if applicable, Lessor's election either to repair or to terminate the Lease under Section 13.3.

**13.3 Lessor's Option to Terminate or Repair.** Lessor may elect either to terminate this Lease or to effectuate repairs if: (a) the Repair Period Notice estimates that the period for repairing the Casualty exceeds ninety (90) days from the date of the Casualty; or (b) the estimated repair cost of the Premises, even though covered by insurance, exceeds fifty percent (50%) of the full replacement cost.

**13.4 County's Option to Terminate.** If (a) the Repair Period Notice provided by Lessor indicates that the anticipated period for repairing the Casualty

exceeds ninety (90) days, or (b) notwithstanding the above, in the event of a substantial or total casualty to the Premises or improvements, County may by written notice to Lessor within thirty (30) days after such damage or destruction of its intention to terminate this Lease, elect to terminate this Lease by providing written notice (County's Termination Notice) to Lessor within thirty (30) days after receiving the Repair Period Notice. If County does not elect to terminate within said thirty (30) day period, County shall be considered to have waived its' option to terminate.

**13.5 Rent Abatement Due to Casualty.** Lessor and County agree that County's Rent shall be fully abated during the period beginning on the later of: (a) the date of the Casualty; or (b) the date on which County ceases to occupy the Premises and ending on the date of Substantial Completion of Lessor's restoration obligations as provided in this Section 13 ("Abatement Period"). If, however, County is able to occupy and does occupy a portion of the Premises, Rent shall be abated during the Abatement Period only for the portion of the Premises not occupied by County.

**13.6 Damage Near End of Term.** Despite any other provision of this Section 13, if the Premises are destroyed or damaged by a Casualty during the last eighteen (18) months of the original Lease Term, Lessor and County shall each have the option to terminate this Lease by giving written notice to the other of the exercise of that option within thirty (30) days after that damage or destruction, provided, however, County may negate Lessor's election to terminate under this Section 13.6 by electing, within ten (10) days after receipt of Lessor's termination notice, to exercise any unexercised option to extend this Lease. If County negates Lessor's election, this Lease shall continue in effect unless Lessor has the right to, and elects to, terminate this Lease under Section 13.3.

**13.7 Effective Date of Termination; Rent Apportionment.** If Lessor or County elects to terminate this Lease under this Section 13 in connection with a Casualty, this termination shall be effective thirty (30) days after delivery of notice of such election. County shall pay Rent, properly apportioned up to the date of the Casualty. After the effective date of the termination, Lessor and County shall be discharged of all future obligations under this Lease, except for those provisions that, by their terms, survive the expiration or earlier termination of the Lease.

**13.8 Waiver of Statutory Provisions.** The provisions of this Lease, including those in this Section 13, constitute an express agreement between Lessor and County that applies in the event of any Casualty to the Premises. Lessor and County, therefore, fully waive the provisions of any statute or regulation, for any rights or obligations concerning a Casualty including California Civil Code Sections 1932(2) and 1933(4).

**13.9 Release on Termination.** In the event of any termination of this Lease in accordance with Section 13, the Parties shall be released there from without further obligation to the other Party, except as may otherwise be specifically set forth in this Lease and items that have accrued and are unpaid.

**14. Eminent Domain.**

**14.1 Total Condemnation.** If all of the Premises are condemned by eminent domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-public use or purpose, this Lease will terminate as of the date of title vesting in that proceeding and the Rent will be abated from the date of termination.

**14.2 Partial Condemnation.** If any portion of the Premises is condemned by eminent domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-public use or purpose and the partial condemnation renders the Premises unusable for County's business, this Lease will terminate as of the date of title vesting or order of immediate possession in that proceeding and the Rent will be abated to the date of termination. If the partial condemnation does not render the Premises unusable for the business of County and less than a substantial portion of the Premises is condemned, Lessor must promptly restore the Premises to the extent of any condemnation proceeds recovered by Lessor, excluding the portion lost in the condemnation, and this Lease will continue in full force, except that after the date of the title vesting, the Rent will be adjusted, as reasonably determined by Lessor and County.

**14.3 Award.** If the Premises are wholly or partially condemned, Lessor will be entitled to the entire award paid for the condemnation, and County waives any claim to any part of the award from Lessor or the condemning authority. County, however, will have the right to recover from the condemning authority any compensation that may be separately awarded to County in connection with costs in removing

County's merchandise, furniture, fixtures, leasehold improvements, and equipment to a new location.

**14.4 Temporary Condemnation.** In the event of a temporary condemnation, this Lease will remain in effect, County will continue to pay Rent, and County will receive any award made for the condemnation. If a temporary condemnation remains in effect at the expiration or earlier termination of this Lease, County will pay Lessor the reasonable cost of performing any obligations required of County with respect to the surrender of the Premises. If a temporary condemnation is for a period that extends beyond the Term, this Lease will terminate as of the date of occupancy by the condemning authority and any award will be distributed in accordance with Section 14.3.

**15. Estoppel Certificates.**

**15.1** Within twenty (20) business days after receipt of a written request by either party, the other party shall execute and deliver to the requesting party an Estoppel Certificate, in the form of the attached Exhibit "G," indicating in the certificate any exceptions to the statements in the certificate that may exist at that time.

**16. Subordination, Non-Disturbance, and Attornment.**

**16.1 Subordination, Non-Disturbance, and Attornment Agreement.** To carry out the purposes of Section 16.2 and Section 16.3, the Parties agree to execute a Subordination, Non-Disturbance and Attornment Agreement in the form set forth in the attached Exhibit "H."

**16.2 Subordination.** County agrees that within forty-five (45) business days after Lessor's written request, it shall execute the agreement referred to in Section 16.1 that Lessor reasonably considers necessary to evidence or confirm the subordination or inferiority of this Lease to the lien of any mortgage, deed of trust or other encumbrance of the Premises or any renewal, extension, modification, replacement thereof, provided however, that such Subordination Agreement shall be strictly limited to matters contained in the Agreement referred to in Section 16.1 and no such Subordination Agreement shall materially increase any of County's obligations or materially decrease any of County's rights under this Lease, nor shall the possession of

County be disturbed, by reason of any foreclosure, sale or other action under any such trust deed, mortgage or other encumbrance.

**16.3 Attornment.** If Lessor's interest in the Premises passes to a successor, and provided County has received the Non-Disturbance agreement referred to in Section 16.1, County shall, within forty-five (45) business days after Lessor's transferee's request, execute the agreement referred to in Section 16.1, thereby agreeing to attorn and to recognize the transferee as the Lessor under this Lease; provided the transfer of Lessor's interest in the Premises was by sale, lease, foreclosure, deed in lieu of foreclosure, exercise of any remedy provided in any encumbrance or operation of law.

**17. Breach by Lessor.**

**17.1 Lessor's Default.** Except as provided to the contrary in this Lease, Lessor's failure to perform any of its obligations under this Lease shall constitute a default by Lessor under the Lease if the failure continues for thirty (30) days after written notice of the failure from County to Lessor. If the required performance cannot be completed within thirty (30) days, Lessor's failure to perform shall constitute a default under the Lease unless Lessor undertakes to cure the failure within thirty (30) days and diligently and continuously attempts to complete this cure as soon as reasonably possible.

**17.2 County's Right to Cure Lessor's Default and Deduct Cost.** Except as provided to the contrary in this Lease, if County provides notice to Lessor of Lessor's failure to perform any of its obligations under this Lease and Lessor fails to provide such action as required by the terms of this Lease within the period specified, County may take the required action if: (a) County delivers to Lessor an additional written notice advising Lessor that County intends to take the required action if Lessor does not begin the required action within ten (10) days after the written notice; and (b) Lessor fails to begin the required action within this ten (10) day period.

**17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's written demand for payment of County's costs incurred in taking such action on Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed written objection to it, County may deduct from Rent payable by County under this Lease the

amount set forth in the invoice, including transaction costs and attorneys' fees, plus interest at the then legal rate of interest from the date these costs are incurred until the date of County's Rent setoff.

**18. Lessor's Representations and Warranties.** Lessor represents and warrants to County that:

**18.4 Easements.** Lessor shall not (a) subdivide, parcel or otherwise divide the Premises, (b) create, modify or terminate any ingress or egress to or from the premises, or (c) create any easements in the Premises, without County's prior written approval.

**19. Miscellaneous.**

**19.1 Quiet Enjoyment.** Lessor covenants that County shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the use of the Premises so long as County shall fully and faithfully perform the terms and conditions that it is required to do under this Lease. If the Premises are part of a building shared with other tenants of Lessor, during County's tenancy, Lessor may make or permit other tenants to make alterations, renovations and improvements to those portions of the building not occupied by County. Lessor covenants for itself and anyone deriving title from or holding title under Lessor that County's access, ingress, loading and unloading

**SECTION 2 - CONSTRUCTION DRAWINGS FOR THE PREMISES**

2.1 Lessor shall, at its sole cost and expense, and subject to reimbursement as hereinafter set forth, construct the improvements in the Premises (the "Leasehold Improvements") pursuant to those certain blueprints, floor and space plans, specification and finalize construction prices, collectively, the approved "Working drawings" prepared by Lessor's architect. Lessor shall make no changes or modifications to the Approved Working Drawings without the prior written consent of County, which consent may be withheld if such change or modification would materially directly or indirectly delay the "Substantial Completion," as that term is defined in Section 6.1 of this Leasehold Improvement Agreement, of the Premises or materially increase the cost of designing or constructing the Leasehold Improvements.

**SECTION 3 - CONSTRUCTION DRAWINGS**

3.1 Selection of Architect/Construction Drawings. Lessor shall retain an architect or space planner (the "Architect") to prepare the Construction Drawings. Lessor shall retain the engineering consultants (the "Engineers") to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, life safety, and sprinkler work of the Leasehold Improvements. The plans and drawings to be prepared by Architect and the Engineers hereunder shall be known collectively as the "Construction Drawings." All Construction Drawings shall comply with the drawing format and specifications as determined by Lessor, and shall be subject to

County's approval. Lessor and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the Base Building Plans, and Lessor and Architect shall be solely responsible for the same, and County shall have no responsibility in connection therewith. County's review of the Construction Drawings as set forth in this Section 3, shall be for its sole purpose and shall not imply County's review of the same, or obligate Lessor to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Construction Drawings are reviewed by County or its agents and consultants, and notwithstanding any advice or assistance which may be rendered to Lessor by County or County's agents or consultants, County shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Drawings, and Lessor's waiver and indemnity set forth in this Lease shall specifically apply to the Construction Drawings.

3.2 Final Space Plan. Prior to execution of the Lease by County, Lessor and the Architect shall prepare the final space plan for Leasehold Improvements in the Premises (collectively, the "Final Space Plan"), which Final Space Plan shall include a layout and designation of all offices, rooms and other partitioning, their intended use, and equipment to be contained therein, and shall deliver the Final Space Plan County for County's approval. The Final Space Plan is attached as Exhibit "B-1."

3.3 Final Working Drawings. Within ten (10) working days after execution of the Lease by County and delivery of a copy of the Lease to Lessor, Lessor, the Architect and the Engineers shall complete the architectural and engineering drawings for the Leasehold Improvements, and the final architectural working drawings in a form which is complete to allow subcontractors to perform the work and to obtain all applicable permits (collectively, the "Final Working Drawings") and shall submit the same to County for County's approval. The Final Working Drawings shall be incorporated into this lease upon their completion as Exhibit "B-2."

3.4 Permits. The Final Working Drawings shall be approved by County (the "Approved Working Drawings") prior to the commencement of the construction of the Leasehold Improvements. Lessor shall immediately submit the Approved Working Drawings to the appropriate municipal authorities for all applicable building permits necessary to commence and fully complete the construction of the Leasehold Improvements (the "Permits"). Lessor hereby agrees that neither County nor County's agents or consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Premises and that the obtaining of the same shall be Lessor's responsibility; provided however that County shall, in any event, cooperate with Lessor in executing permit applications and performing other ministerial acts reasonably necessary to enable Lessor to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of County, provided that County may withhold its consent, in its sole discretion, to any change in the Approved Working Drawings if such change would materially directly or indirectly delay the "Substantial Completion" of the Premises as that term is defined in Section 6.1 of this Leasehold Improvement

Agreement.

3.5 County shall use its best, good faith, efforts and all due diligence to cooperate with the Architect, the Engineers, and Lessor to complete all phases of the Construction Drawings and the permitting process and to receive the permits, and approval of the "Construction Costs," as set forth in Section 7.1 below, as soon as possible after the execution of the Lease, and, in that regard, shall meet with Lessor on a scheduled basis to be determined by County, to discuss Lessor's progress in connection with the same. Upon County's execution of this Lease, Lessor shall provide County with a construction schedule including time projections for planning, entitlement process, related preparation and construction of the building and Leasehold Improvements. For any item hereunder which requires County's approval, County shall provide its written approval or disapproval within ten (10) working days of receipt of the request. Lessor has provided a construction schedule which is incorporated into this lease as Exhibit "B-3."

#### **SECTION 4 - LESSOR COVENANTS**

4.1 Lessor recognizes, understands and covenants that any and all improvements shall be undertaken according to Exhibit "F", General Construction Specifications for Leased Facilities, attached thereto and made a part of the Lease.

4.2 Lessor recognizes, understands and covenants that improvements contemplated herein may be subject to the provisions contained in the California Labor Code (commencing with Section 1720) relating to general prevailing wage rates and other pertinent provisions therein.

4.3 Lessor shall comply and stay current with all applicable building standards, which may change from time to time, including but not limited to, the Americans with Disabilities Act of 1990 and any regulations issued pursuant thereto in providing improvements contemplated herein.

#### **SECTION 5 - CONSTRUCTION**

5.1 Lessor shall notify County, in writing, forthwith when such planning, entitlement process, related preparation and construction of the Leasehold Improvements have been completed, a Certificate of Occupancy has been issued by the City of Riverside, or if no new Certificate of Occupancy is required, then upon acceptance of the improvements by the City of Riverside upon final inspection, all required permits have been obtained and electrical power has been turned on. Within ten (10) days thereafter, County shall schedule and conduct a "job walk" with Lessor for the purpose of accepting the Premises for occupancy. County shall accept the Premises if the improvements are Substantially Complete in accordance with this Exhibit "B" and the Exhibit "F" attached to the Lease (excepting minor punch list items), which Lessor shall complete with due diligence, and County shall not unreasonably withhold or delay approval of construction of same.

5.2 In addition, immediately after the Substantial Completion of the Premises, Lessor shall have prepared and delivered to the County (1) a complete set of "As-Built" drawings showing every detail, latent or otherwise, of such improvements, including but not limited to electrical circuitry and plumbing, and (2) the same complete set of "As-Built" drawings on a computer disk in a CADD format.

## **SECTION 6 - COMPLETION OF THE COUNTY IMPROVEMENTS; LEASE COMMENCEMENT DATE**

6.1 For purposes of this Lease, "Substantial Completion" of the Premises shall occur upon the completion of construction of the Leasehold Improvements in the Premises pursuant to the Approved Working Drawings, with the exception of any punch list items and any County items to be installed by County, and compliance with the requirements of Section 5.1 of this Exhibit. Provided however, that such punch list items do not preclude the useful occupancy of the Premises. Useful occupancy herein defined as the Premises being safe, free of hazard, free of any risk to the safety of County employees and available in all material respects for the use set forth in the Lease.

6.2 The Lease Commencement Date shall occur as set forth in Section 6.1, above.

## **SECTION 7 - CONSTRUCTION COSTS**

7.1 Lessor has provided County with an itemized cost breakdown of the estimated construction costs of the leasehold improvements, attached hereto and made a part hereof as Addendum 1. Upon Substantial Completion, Lessor shall provide the actual construction costs of the Leasehold Improvements in Addendum 1-A (herein the "Actual Costs of the Leasehold Improvements"). County shall receive a credit from Lessor in the amount of \$608,050.00 from Lessor (herein the "Tenant Improvement Allowance Credit") to offset the actual costs set forth in Addendum 1-A. The estimated costs of the all Leasehold Improvements as set forth in Addendum 1, including but not limited to architectural fees and permits, is \$1,709,388.47, (herein the "Leasehold Improvement Costs"). If needed, the Parties have budgeted an additional \$256,408.27 as project contingency (the "Contingency") for the sole purpose of paying for extra items requested by County during the course of construction for installation of additional leasehold improvements or otherwise necessitated by request/changes made to the plans by County. The cost for the construction shall be calculated with all labor, materials, permits and insurance included as costs, and shall be calculated at prevailing wages. The total cost of all the Leasehold Improvements shall not exceed \$1,965,796.74 including the contingency (the "Total Costs").

The Maximum Reimbursable Cost therefore for which County shall be obligated for reimbursement to Lessor shall be \$1,357,746.74, (the "Maximum Reimbursable Cost"), which represents the Total Costs of the Leasehold Improvements less the Tenant

Improvement Allowance Credit in the amount of \$608,050.00.

7.2 Upon completion of the Leasehold Improvements and within fourteen (14) days of Substantial Completion and acceptance of the Premises by County, Lessor shall provide County with an itemized statement, similar to the cost breakdown form attached as Addendum 1, of the actual costs of the Leasehold Improvements incurred by Lessor, designated as Addendum 1-A, accompanied by vendor, contractor, subcontractor, material man invoices if requested by the County.

## **SECTION 8 - REIMBURSEMENT FOR LEASEHOLD IMPROVEMENTS AND FURNITURE, FIXTURE, AND EQUIPMENT**

8.1 In addition to the monthly rent as stated in the Lease, County shall reimburse Lessor, as hereinafter set forth, the actual cost of the Leasehold Improvements on a monthly basis as substantiated by the Actual Costs of Leasehold Improvements as set forth in Addendum 1-A required in Section 7.2 above and related supporting documentation requested by County. In no event shall Lessor be reimbursed an amount in excess of Maximum Reimbursable Costs pursuant to Addendum 1A.

8.2 In the event the costs of the leasehold improvements equal the total of the leasehold improvement costs pursuant to Addendum 1, County shall pay to Lessor a monthly leasehold improvement payment as set forth in the leasehold improvement payment schedule as attached to this Exhibit "B," designed at Exhibit "B-4." The monthly payment shall be based upon the amortized costs of the Addendum 1 costs as set forth in Section 7.1 less the Tenant Improvement Allowance Credit, and shall be amortized over one hundred twenty months (120) months (the "Leasehold Amortization Period") at six (6%) interest, as reimbursement for the costs of improvements made by Lessor. Upon completion of the leasehold improvements, in the event the Actual Costs of the Leasehold Improvements Addendum 1-A are less than the estimated costs in Addendum 1, a revised amortization schedule designated Exhibit "B-5" shall be attached to this Exhibit "B" which shall set forth the revised monthly payment to be paid to Lessor to amortize the Actual Costs of the Leasehold Improvements less the Tenant Improvement Allowance Credit. In no event shall Lessor be reimbursed any amount in excess of Actual Costs of the Leasehold Improvements nor in excess of the total cost set forth in Sections 7.1 above. County shall have the option to pay Lessor in part or in full the unamortized balance of the Leasehold Improvements at any time from the effective date of this Lease until and including the Original Term of this Lease. In the event County makes a partial payment, the remaining balance shall be amortized over the number of the remaining months in the Leasehold Improvement at 6% interest, and Lessor shall within fourteen (14) days after receiving such payment, provide a revised amortization schedule to County setting forth the revised balance and revised payments schedule.

8.3 Lessor agrees to contract with outside vendors for the installation of County's furniture, fixtures, and equipment. Lessor shall contract directly with outside vendors

and pay said vendors upon completion of the installation of the furniture, fixtures, and equipment (the "FF&E") as set forth in Exhibit "B-7. Based upon the FF&E total budget of \$787,294.40 (the "Total FF&E Budget") as set forth in Exhibit "B-7," County shall reimburse Lessor for the FF&E, in the form of a monthly payment at 6% interest as set forth in the FF&E payment schedule attached to this Exhibit "B" as Exhibit "B-6." In the event the actual costs of the FF&E are less than the Total FF&E Budget, the payment schedule shall be revised accordingly to reflect the monthly payment at 6% interest on the actual costs. The FF&E actual costs revised payment schedule shall be attached as Exhibit "B-8." County shall have the option to pay Lessor in part or in full the unamortized balance of the furniture, fixtures and equipment at any time from the effectiveness of this Lease until and including the Original Term of this Lease. In the event County makes a partial payment the remaining balance shall be amortized over the number of the remaining months in the Leasehold Amortization Period at 6% interest, and Lessor shall within fourteen (14) days after receiving such payment, provide a revised amortization schedule to County setting forth the revised balance and revised payments and payment schedule. A list of the FF&E is set forth in Exhibit "B-7."

8.4 County shall pay to Lessor an amount not to exceed \$787,294.40 for the actual costs of the furniture, fixtures, and equipment made by Lessor on a monthly basis, as set forth in monthly payment schedule in Exhibit "B-6." In no event shall Lessor be reimbursed any amount in excess of actual costs nor in excess of the total amount set forth in this Section 8.4, however, in the event there is an available contingency balance from the leasehold improvement funds, any available contingency balance may be allocated to the FF&E costs at County's discretion. All amounts due to Lessor from County pursuant to this Section 8 shall be amortized over the one hundred twenty months of the Original Lease Term and the payment calculated at an annual interest rate of six (6%) percent. All FF&E title ownership shall vest in the County of Riverside.

## **SECTION 9 - MISCELLANEOUS**

## ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
  2. Common public areas which County employees or its invitees would normally/reasonably use.
  3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.
  
- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.
